Don't these boys get it? How many times must they get into trouble before they catch on? Best friends William and Thomas are back at it again with even more action and adventure. The poor community of Itchygooney isn't safe when William has a plan. This time there's an attack drone, a ghostly rocking chair, a slam-dunking wizard, and a UFO. Will these boys ever be stopped? Let's hope not! Back 4 More is the fourth book in the ongoing I Told You So series of humorous stories shared in short standalone bursts. If they were any longer you couldn't handle it!

The truck's role in American society changed dramatically from the 1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s and minivan revolution of the 1980s, the popularization of the SUV as family car and the diversification of the pickup truck into multiple forms and sizes. This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a wealth of data: available powertrains, popular options, paint colors and more. Finally, each truck is detailed fully with specifications and measurements, prices, production figures, standard equipment and more.

Covers most anti-lock braking systems currently in use. Includes ABS theory, troubleshooting and a thorough description of how each system works.

Features accurate, up-to-date wholesale and retail prices on used cars and trucks from 1992 to 2001, covering both domestic and imported makes and models, as well as detailed information about automobile specifications, fuel efficiency, standard and optional equipment, ratings and reviews, and much more. Original.

The Cold War between the USA and Cuba gets very hot — and sexy — in José Latour's latest gripping and atmospheric thriller. In the rest of the world, the Cold War is over, but the one between the United States and Cuba is kept stoked by both governments — and by the spies they keep in business. Colonel Victoria Valiente, one of the most respected officers in the General Directorate of Intelligence, is the Havana-based spymaster of greater Miami. An apparently faithful servant of the revolution, she is middle-aged, frumpy, with an IQ off the charts and a libido to match. But her husband has convinced her that Castro's regime is corrupt and moribund, and that they must defect. Buoyed by \$2.7 million that he steals electronically and salts away in an online bank, the couple sails to Key West. They have no idea that the FBI is on to them. The G-men have coerced Elliot Steill, a Cuban exile living in Miami (and the hero of Latour's previous novel, *Outcast*), into betraying his former compadres. This crafted, erotically charged novel culminates in an electrifying showdown, offering an inside view into the regime's darkest corners while shedding light on contemporary Cuba.
