Named a Most Anticipated Book of 2020 by Apple Books, Literary Hub, The Millions, and The Week An indelible novel of teenage alienation and adult complacency in an unraveling world. Pulitzer Prize finalist Lydia Millet's sublime new novel—her first since the National Book Award long-listed *Sweet Lamb of Heaven*—follows a group of twelve eerily mature children on a forced vacation with their families at a sprawling lakeside mansion. Contemptuous of their parents, who pass their days in a stupor of liquor, drugs, and sex, the children feel neglected and suffocated at the same time. When a destructive storm descends on the summer estate, the group's ringleaders—including Eve, who narrates the story—decide to run away, leading the younger ones on a dangerous foray into the apocalyptic chaos outside. As the scenes of devastation begin to mimic events in the dog-eared picture Bible carried around by her beloved little brother, Eve devotes herself to keeping him safe from harm. *A Children's Bible* is a prophetic, heartbreaking story of generational divide—and a haunting vision of what awaits us on the far side of Revelation.

100 Bible stories and 400 illustrations from The Children's King James New Testament, and 100 more stories and 400 more illustrations were done for The Children's Old Testament (McGraw-Hill) Mrs. Palmer and Mr. Lee were hired to do these excellent stories and illustrations. Their instructions: Stories were to be short and simple, no more than 500 words per story; no pictures purporting to be Jesus; a single line of Scripture below each illustration, four illustrations for each story; each illustration to cover a part of the story (so the child can follow the story by relating to the illustrations). Originally, all this was done in lovely color.
