Sense Márcia revela tudo sobre os anjos Anjos é um guia completo, fruto de um grande trabalho de pesquisa da sensitiva mais querida do país, Márcia Fernandes. Com linguagem acessível, já característica de Márcia, este livro conta a história dos Anjos, dos Cupidos e até dos Caídos. Como resume a própria autora: “Eles são mensageiros do céu e nos socorrem em momentos difíceis na vida. Neste livro, mostro quais são seus Anjos e como agradá-los para que fiquem sempre por perto! Também explico quem são os caídos e como podemos nos proteger deles, que não querem nosso bem.” O livro traz um apanhado com temas como: - Qual a diferença entre Anjo e Arcanjo; - Como descobrir quais deles são seus protetores; - Como se aproximar dos seres angelicais; - Como agradar o Cupido para conseguir amor; - Banhos, dicas e rituais para atrair e agradecer aos Anjos; - Preces; - Como afastar e como se proteger dos “anjos do mal”, os Caídos. Entre os rituais, Márcia ensina a fazer o bolo dos anjos e um altar, para contar com a proteção dos seres de luz em sua casa.

There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a

project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success.

IT'S A JUNGLE . . . IN HERE! Behind our stress, clutter, and confusion is an infinitely spacious place one might call stillness or joy. This is our natural state of being, but we usually don't experience it, because we are caught in a web of material possessions, desires, and fears. Our clutter often becomes another member of the family that we feed, house, and lug around. In *Your Spacious Self*, author and professional space clearing expert Stephanie Bennett Vogt shows us that it's not our stuff but the holding on to it that creates a force field of stuckness that clouds our perceptions and paralyzes our lives. Clutter is not just the junk spilling out of the closet. It is anything or thought that prevents us from experiencing who we truly are. With daily tips, meditations, and a decluttering checklist, *Your Spacious Self* will show you how to: CLEAR THE CLUTTER in your home and in your life REVEL IN YOUR OWN SPACIOUSNESS, a place of stillness and joy LET GO OF THE PEOPLE, PLACES, AND THINGS that no

longer serve the joyous being that you are Radical in its message and elegant in its simplicity, Your Spacious Self offers a new model that combines the ancient wisdom of space clearing with the modern practicality of clutter clearing. It teaches us that clearing is not just something we do but is also a powerful way to be—one small step, drawer, or moment at a time.

An important goal in the study of Kabbalah is to use one's knowledge to influence one's destiny. Firstly, one has to realise what life is, what its meaning is, why it is given to us, where it begins, and where it ends. After pondering and meditating on the above questions, one has to relate all this to Kabbalah. Kabbalah states that the Creator created all the worlds simultaneously, including our world, and we human beings have to use Kabbalah in our world, the finite material world. In order to further advance our understanding of the wisdom of Kabbalah, we need to lift our mind's eye above the horizon of our material world. Kabbalah clarifies our perception of reality. What we see around us is subjective and exists only in relation to ourselves. Our perception depends on our organs of sensation: if they were different, we would perceive another world around us. This book provides the reader with a solid foundation for understanding the role of Kabbalah in our world. The contents was designed to allow individuals all over the world to begin traversing the initial stages of spiritual ascent toward the apprehension of the

"The Path to Your Ascension will empower you to focus on what's really important in life. It will help you rediscover what your soul has known from the beginning—that life does have a higher purpose. And that each encounter along the way, no matter how difficult, is a stepping-stone that will lead you back to your source. The world's religions have singled out great masters who have walked the earth and "ascended" to God. Elijah was swept up into heaven in a chariot of fire. Gautama Buddha entered Parinirvana. Jesus ascended to the Father, and Mary was assumed into heaven. These masters were not exceptions to the rule. They were teachers, mentors, examples. They came to show us how

we, too, can master the circumstances of our life and walk the path home to God. The Path to Your Ascension shapes the wisdom of these ascended masters into a personal guide for your own soul's liberation. It offers practical techniques to accelerate your spiritual growth and describes the angels and masters who can help you achieve your goal. In down-to-earth terms, sprinkled with touching anecdotes, it reveals your greatest opportunities for spirituality and the most serious challenges to making it all the way home. "

The Greater Magickal Angels follows on from the popular Magickal Angels, but is a complete magickal system in its own right. You do not need to be familiar with the first book to get results. Magickal Angels introduced readers to 24 angels, but The Greater Magickal Angels covers the powers of 48 angels that were not revealed in the first book. You can start working with the Greater Angels immediately and everything you need is included here. The angels in this book can help you to develop and attract love, find harmony, increase fame, find strength, break through adversity, sleep well, heal yourself and obtain clear thought. There are angelic powers that enable you to invent, discover new methods, improve your business and find new supporters. You can free yourself of enemies and increase the loyalty of friends and lovers. The power to improve prosperity, win awards, write well, be stable, reduce anxiety, learn easily,

understand in new ways and dominate strong personalities is at your hand. The angels can help you to excite new passion, discover more about yourself and see the past, present and future with clarity. Whether you are seeking fame, money, wisdom, healing or peace, the angelic powers can help you to improve your life in the ways that matter to you most. Although the same ritual technique from *Magickal Angels* is repeated here, the powers revealed are sometimes more subtle and precise, as well as being richer and more complex. That is why I refer to these as the 'greater' angels. It doesn't mean that they are necessarily better, but when used wisely they can have more far-reaching and long-lasting effects. Often, getting a magickal result requires a subtle, cunning and well-planned approach that occurs in stages. The angels in this book will help with your greater plans. This magick works regardless of your religion or beliefs. Hebrew words are used, along with Latin Psalms, because these are keys to angel magick. This does not make the magick Jewish or Christian. Aspects of those religious structures have been incorporated into the magick, because they are shortcuts to angelic contact. This magick is used by people of many religious backgrounds, and by atheists and by those who just sense there is something magickal going on out there. The angels will respond to any strong desire, and help you bring about change in the world. This book contains secrets that enable angelic contact

Wicca Cristã é a mistura de magia e fé, onde as barreiras do preconceito entre pagãos e cristãos, causadas por remotas inquisições, não existem mais! Onde o machismo patriarcal e o feminismo matriarcal não exercem influências e oposições, ao contrário, pois essas duas forças criadoras se unem e geram filhos e filhas da liberdade. Infelizmente, alguns leigos em questões espirituais, teológicas e históricas, labutam por dividir e separar essa poderosa e benéfica aliança do movimento Neopagão com o Cristianismo, expondo suposições incoerentes e sem raízes, tanto em relação à Antiga Religião que originou a Wicca, como para o Cristianismo, que tem sua verdadeira essência nos ensinamentos de Cristo, não nas pregações apelativas de muitos representantes religiosos de nossa atualidade, que buscam simplesmente explorar e alienar seus fiéis, apresentando um deus totalmente diferente do Deus de Jesus – o Deus que é Mãe Geradora e Pai Criador! Neste livro contém métodos tradicionais de práticas de magia, no contexto de Wicca Cristã, uma religião que

rompe as barreiras do preconceito, de pagãos contra atrocidades realizadas no passado pela igreja cristã às supostas bruxas e do feminismo exacerbado de algumas ramificações pagãs de nossa atualidade. Homem e Mulher, DEUS e DEUSA, sem as duas forças em harmonia, igualdade e união, a vida não segue e a magia não acontece, pois são tais forças que geram a vida e a magia em sua totalidade.

O sentimento de crença e de vontade de comunicação com os seres angelicais permeiam a história da humanidade desde os registros das primeiras civilizações. Nas várias culturas e expressões religiosas, encontramos essa representação, a exemplo dos hindus (para estes são conhecidos como Devas) e dos muçulmanos (os anjos são os Djins). Vários relatos nas escrituras sagradas tratam de eventos envolvendo esses seres, como a anunciação da concepção de Sara, mãe de Isaac, e da intervenção no momento do sacrifício de Abraão, o livramento de Daniel na cova dos leões, a anunciação de Jesus à Virgem Maria e a ressurreição e ascensão de Jesus Cristo, a inspiração do profeta Maomé para escrever o Alcorão, entre tantas outras. Neste livro, o leitor encontrará informações teóricas e práticas acerca desses seres mensageiros da luz de Deus, levando em conta seus princípios organizados na teoria da Cabala hebraica, em que os Salmos de Davi trazem em si as evocações dos anjos

realizadas pelas mais antigas culturas.

Os anjos existem e atuam diretamente na vida de cada um de nós, independente da religião ou da crença específica de cada um. No entanto, a proteção recebida dependerá de quanto você demonstrar com atitudes e intenções que merece recebê-la. Mesmo podendo ser invocado a qualquer momento e em qualquer situação, para sentir sua presença e receber o seu auxílio é preciso estar com o coração aberto, deixando-se ouvir os instintos, prestando atenção nas situações do dia a dia e em tudo que nos rodeia. Desse modo, abrimos a mente e libertamos o espírito para que o coração possa se sintonizar com nosso anjo. Cada um de nós tem um “anjo guardião”. Deus é quem o designa. O ser denominado de “guia principal e superior” é que nos assiste nas contingências da vida. Quando oramos, é o nosso intercessor junto a Deus, que nos ajuda a elevar as preces ao céu. Mas o anjo da guarda afasta-se quando vê que seus conselhos são inúteis, e que é mais forte a vontade do protegido em submeter-se à influência dos espíritos inferiores, mas não o abandona completamente e sempre se faz ouvir, voltando somente quando chamado. Neste livro você conhecerá o maravilhoso e enigmático mundo dos anjos, aprendendo a identificar seu anjo protetor, a melhor maneira de se comunicar com eles, as características de cada um e como eles podem influenciar a sua vida.

De acordo com a autora deste livro, os anjos conhecem a dimensão do amor pelo som da linguagem, a sabedoria pela articulação deste som e o conhecimento através do sentido das palavras. A verdadeira alquimia começa no plano mental. O homem se molda e a constrói de acordo com seus pensamentos, projetando para a alma uma porção vibrante de si mesmo. De acordo com Mônica, todos estes elementos são conduzidos ao anjo como uma atividade de construção. A qualidade do pensamento determina a forma, a precisão, a nitidez e seus contornos. A magia dos anjos é uma ciência divina, alquímica, baseada nos poderes da fé e da vontade. Neste livro, a autora pretende informar a origem desta magia e a influência que esta dimensão exerce

This remarkable grimoire was translated by S.L.M. Mathers from a 15th century French manuscript. This text has had a huge influence on modern ceremonial magic, and has been cited as a primary influence on Aleister Crowley. Abraham of Würzburg, a cabalist and scholar of magic, describes a quest for the secret teachings which culminated in Egypt, where he encountered the magician Abramelin, who taught him his system in detail. The procedure involves many months of purification, followed by the invocation of good and evil spirits to accomplish some very worldly goals, including acquisition of treasure and love, travel through the air and under water, and raising armies out of thin air. It also tells of raising the dead, transforming ones appearance, becoming invisible, and starting storms. The key to this is a set of remarkable magic squares, sigils consisting of mystical words which in most cases can be read in several directions. Of course, these diagrams are said to have no potency unless used in the appropriate ritual context by an initiate. Mathers analyzed these words in an extensive set of notes and gives possible derivations from Hebrew, Greek and other languages. This is the first modern study of Agrippa's occult philosophy, revealing it to be a coherent part of his intellectual work. It analyzes the text of "De occulta philosophia," explicating the sophisticated structure and argument of the work.

An easy read encompassing the wisdom of unity that is within our reach with nature, and humankind through the messages Geoffrey Hodson received. Geoffrey Hodson, a renowned clairvoyant of the twentieth century, an important and influential lifelong Theosophist, offers a comprehensive and simple explanation of the wisdom to be offered from our relationship with the Angels among us. The guidance and

In this not lengthy book Mr. Hodson has combined the Theosophical Ancient Wisdom which he embraced in his own lifetime and the further guidance of Angels. A book for all souls who believe that there is more to our creation than we are aware of with our five senses. This book was originally published in hardcover in 1927 and more recently in paperback in 1984. This edition has been re-edited and reformatted.
