Packed full of tax saving tips and strategies, *Understanding and Paying Less Tax For Dummies* will help British property owners and investors minimise their tax bills and maximise their returns.

U.S. real estate is enormously attractive to many foreign investors, who are thus ushered into the ambit of the complex U.S. Foreign Investment in Real Property Tax Act (FIRPTA). A full understanding of the associated tax implications on the part of these investors and their advisors is essential if they are to implement the correct structure to maximize their returns, avoid unnecessary withholding, and comply with applicable requirements. This book, the first practical guide to FIRPTA, clearly articulates the operation and transactional implications of FIRPTA and its interaction with various other regimes, sets forth real life situations, and points out potential traps, all in a readily graspable format. Among the tax issues and consequences that directly or indirectly affect foreign investors in U.S. real property interests, the author highlights the following and more: • the real estate investment trust (REIT); • withholding taxes that are jointly and severally liable for buyers and sellers; • treatment of rental, interest, and dividend income; • effect of the branch profits tax; • tax treaty benefits; • exemptions to FIRPTA; • special rules applicable to foreign governmental investors; • tax reporting standards and potential penalties for noncompliance; and • state and local tax issues relating to U.S. real estate investments. Providing a straightforward and accessible guide for navigating the tax issues that confront foreign investors

in U.S. real estate, this resource will prove invaluable in identifying and formulating the correct strategies for investors and their advisors with respect to investments in the U.S. real estate market. It is sure to benefit all interested parties for years to come. Angela W. Yu, a tax partner of KPMG's New York office, has extensive experience providing integrated tax advice to clients on cross-border transactions. She is a frequent speaker on U.S. tax issues, and has addressed many professional organizations.

Many people invest in real estate, from second homes to apartment complexes, condos, townhouses, and commercial buildings and realize a profit from doing so. However, real estate investors have begun to discover that there are a plethora of tax issues associated with buying and selling real estate. The Complete Tax Guide for Real Estate Investors will take the mystery out of these tax issues and even provide you with tax planning strategies. In this new book you will learn how to implement tax savings programs successfully to reduce or eliminate the resulting income tax from the sale of real estate, how to use the IRS tax code to your advantage through depreciation, how to set up annuity trusts and charitable remainder trusts, and how to avoid paying federal taxes. You will become knowledgeable about the different types of 1031 exchanges, including deferred exchanges, simultaneous exchanges, forward delayed exchanges, construction exchanges, reverse exchanges, two-party exchanges, and three-legged exchanges, as well as the advantages and disadvantages of each. Additionally, you will learn about capital gains taxes, tax and legal loopholes, recapture of depreciation, deferring taxes, reducing a home's tax basis, installment sales, tax liability, minimizing taxes on final divestment, stepped-up basis, taxation at the time of sale, and like-kind rules. It does not matter if you are a first time investor or a veteran of the real estate market; you will find valuable information, along with tips and tricks, in this book. Tax issues can strain resources and drain profits, but if you implement the strategies in this book you will be able to limit your taxes, thereby increasing your earnings. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.

Practical Guide to Real Estate Taxation is CCH's highly successful practical guide to the federal tax consequences of real estate ownership, operations and activities. This updated Fifth Edition is the most accessible and affordable reference available for all tax, real estate and investment professionals who need to know the tax ramifications and underpinnings of real estate investment. Recent regulations, tax rates and rulings are reflected throughout, along with other developments impacting the taxation of real estate. Real Estate Taxation begins by analyzing the tax basis of real estate and then offers a comprehensive discussion of the forms of ownership with comparative benefits and pitfalls of the differing types. Mortgages, at-risk rules, interest and other financial issues are thoroughly covered. Activities involved once ownership is established are then discussed, including rental/leasing arrangements, tenant's rent deduction, landlord's income, lease acquisition and cancellation, leasehold improvements, and investment credit considerations. The book thoroughly examines the actual operation of real estate, including coverage of operating expenses and taxes, mixed-use residences, startup expenses and real estate taxes, plus guidance on additions and improvements, depreciation, development and related issues. An in-depth focus on passive activity loss rules is included, as well as a separate section analyzing homeowner issues. Finally, the disposition of real estate is covered, along with a special discussion dealing with securitized real estate investments.

Updated for 2015! The recession is over, house prices are heading steadily upwards again, and you're convinced that property could be your key to financial freedom. And it could. But where do you start? Do you invest near where you live, or wherever yields are best? Do you rent to families, or professionals, or students? Should you be trawling through Rightmove or lurking at property auctions? This short book covers the big questions you should be asking yourself before you so much as glance at an estate agent's window. It contains a jargon-free explanation of basic investment principles, summaries of the major post-crunch investment strategies, and advice on developing a mindset that will support your long-term success. The book also includes a curated "further reading" list of recommended books, magazines, forums, blogs and podcasts to help you confidently take your next steps in your property investment journey. You'll learn... How to pick an investment strategy that matches your skills and goals The only three calculations you need to know to size up any deal An overview of every major investment approach, from the most safe and boring to the probably-not-a-good-idea-but-here-you-go-anyway How to (safely and sustainably) stretch a limited pot of cash to build whatever size portfolio you want ...although you will need to endure some pretty shocking jokes along the way. Sorry about that. Praise for "Property Investment For Beginners"... "The book is very easy to read and the explanations are very clear, with some good humour to boot! With a good set of references and online links, this book is a must for anyone interested in property investment." - P Cowley "A property investment book that keeps it simple. I really enjoyed it, and will use it as my main point of reference. Unlike most of the other books, the reader doesn't have to endure the rags to riches rubbish and the inevitable sales pitch for further training." - Nesser "I stumbled across this book randomly on Amazon and I'm so pleased I did - it has given me an excellent overview of what it is to invest in property and has really helped me to focus on my specific goals. It has also opened my eyes to a world of useful tools and contacts which I may never have found without it. Other books may have been able to do this but I'm not sure they would've been so enjoyable to read. If you are thinking of investing in property, or perhaps already are but want to take it further, this is a must read book." - whatkatythinks "When you buy this book, you are not only getting a property wizard, you are also getting a warm-hearted guy. In his book, Rob mentions several times that you can contact him via email and he'll try to help you out. And HE

DID! I tentatively emailed him with some questions and he replied right away! Of course, I know he's probably not able to do this for everybody, but even if he just replied to one question, he has proven that he's genuine and kind. And what he replied me with is thoughtful, honest and probably saved me a fortune in the end. Totally worth every penny. Get the book!" - kaitlinjj Scroll up and hit "Buy Now" to start turning your property dreams into reality!

Sausa shows how to invest in tax lien certificates and tax deeds sold through government auctions.

From the author of Amazon best-sellers "Property Investment For Beginners" and "Beyond The Bricks" Over the last 20 years, more than a million Brits have made life-changing profits from buy-to-let. But as prices keep rising and the tax landscape changes, investors need to get smarter in order to succeed. It's far from "game over," but the game is changing... for the better. The unwary and under-prepared will be squeezed from the market - leaving educated, strategic investors to have their best decade yet. The Complete Guide To Property Investment gives you the insight, information and action plan you need to navigate this new property landscape and come out on top. It starts by demonstrating - with real-life examples - a range of strategies suited to achieving different investment goals. Only then does it take you step by step through every aspect of researching, financing, buying and managing investment properties. You'll learn: How to formulate a strategy suited to achieving your investment goals Everything you need to know about financing your investments An exact step-by-step research process you can use to decide what to invest in How to manage your investments What the property cycle is, and how you can use it to your advantage How to build a profitable portfolio for the long-term - including scaling up, surviving recessions, and exit strategies. Whether you're turning to property to secure your retirement, start a new career or generate a stream of passive income, this book will be the most valuable investment you make.

What's Section 1031? How does it help property investment? Who qualifies for its benefits? These are the answers serious real estate investors must know - and are the kind of issues tackled in this one-stop resource. Property owners will find all the useful (and money-saving) information on real estate taxes they need, like how to: shelter rental income and earn the most from vacation properties; maximize expense and loss deductions; participate in Tenant-in-Common investing; preserve their wealth by protecting their assets; and much more! It's important for everyone to know their legal rights - especially when it comes to their investments and money. This guide lays the foundation to build an investor's wealth.

Whether buying or selling real estate, investors can realize more profits through careful tax planning. This new edition appears just in time for the profound impact of the Taxpayer's Relief Act of 1997. Issues as diverse as the change in capital gains taxation for home sales, the restored tax advantages for home offices, and new bankruptcy tax implications are updated in this workbook-style guide.

You may not have heard about it. You may have simply glanced over it as you read the legal notices in the classifieds section of your newspaper. Or you may have heard negative things about it, that you didn't even take a second look. The truth is, there are thousands of properties and tax liens being sold every month throughout the United States. And most of which are being sold for pennies on the dollar of their market value! Investing Without Losing: The Beginner's Guide to Real Estate Tax Lien & Tax Deed Auctions gives investors like you everything from the basic concepts of real estate tax auctions to investment plans and strategies. You don't need a real estate license or experience to get started. And even with little capital, you can still earn good returns! Plus, you'll receive access to updated materials and resources on Investing Without Losing's web site.

This no-nonsense, comprehensive book covers the detail and the nitty-gritty of successful commercial property investing. Whether you're a novice or a seasoned investor, this book will fill gaps in your knowledge and show you how to succeed in this field. Presented in clear, accessible language, and loaded with lots of real-world examples, COMMERCIAL REAL ESTATE INVESTOR'S GUIDE sheds light on many of the key issues surrounding investing in commercial and industrial property, including: What to look for in a commercial investment How to find opportunities in the various sectors How to evaluate a deal Offer and negotiation strategies Due diligence - how to make the most of it Dirty tricks and traps to look out for when buying How to read a lease and 12 vital points to watch out for Raising finance on a commercial deal Managing tenants Tax issues and strategies for commercial property investors Property cycles and how they affect commercial investments COMMERCIAL REAL ESTATE INVESTOR'S GUIDE brings together vital information from a group of experienced investors and experts who share their frank advice for making money as an investor. It is compiled by Peter Aranyi who has edited several property investment books including THE RASCAL'S GUIDE TO REAL ESTATE AND PROPERTY TAX - A NEW ZEALAND INVESTOR'S GUIDE. The book features chapters on commercial real estate tax strategies and implications written by Mark Withers, author of Property Tax - A New Zealand Investor's Guide and another chapter on dirty tricks and 'streetwise' techniques by Olly Newland, author of The Rascal's Guide to Real Estate and The Day the Bubble Bursts.

If you want to increase your wealth through investing in property but have absolutely no clue where to start, then keep reading ... Have you ever thought about the huge potential to create wealth through investing in rental properties? Thinking about it and doing it are two different things. You want to invest, but you have no idea where to start? Before you can make a down payment, there is important information that you've got to know. For example, do you know where the best place to find a rental property to invest in is? Do you browse the web or do you go to an auction? And should you look for a property that is in your neighborhood, or should you be searching for an investment in a beachfront property? There are countless questions you need to ask and know the answers to before you can start investing. It isn't as simple as going to the store to buy a loaf of bread. If investing in real estate was that easy, then everyone would be doing it. The first key to unlocking the door to your investment dreams is to create a detailed business plan. You need to understand the secrets to analyze the market so that you land a profitable property. With a clear strategy that has been created by real estate experts, you can get yourself on the property ladder, and start making direct income through rent. Buying the property is only the first step. You have to find tenants and as any successful investor will tell you, you have to retain these tenants. But do you have any idea what the best methods are for retaining tenants? And how do you deal with difficult tenants? There are numerous options for managing your properties and once you understand the pros and cons to each different management strategy, then you can make a sound choice and start thinking about adding to your property portfolio. In this book, "Rental Property Investing", you will discover: The 5 easy steps to create a successful business plan The tax benefits that property investors are entitled to and how to claim them The 5 principles to succeed as a property investor The different sources for finding a property and the best one for you How to see the big picture when analyzing potential properties to add to your portfolio How to buy a \$0 house A simple explanation of how to calculate your future expenses The criteria that you have to use when selecting the right location to invest in The 3 types of rental management strategies and how to choose the best one for you How to create an exit strategy and the best time to do it The 5 stages of finding a tenant And much, much more. There are two traps that most people fall into when they think about property investment. The first is that you have to be rich to do it. The second is that it is so difficult that only very few clever people can become a property investor. Neither of these things is true. There are millions of ordinary people with property portfolios around the world. You can become one of them without studying for years. If you want to discover the secrets to successful rental property investing, scroll up and click the "Add to Cart" button now!

Legal, Tax and Accounting Strategies for the Canadian Real Estate Investor begins and ends with the premise that buying property in Canada can be a smart, safe and successful way to invest your money. However, like most things in life, success requires hard work. You need to do your homework, understand what you are buying, and know the pros

and cons of various decisions. Most importantly, you also need to know how to structure and maintain your investment. That's where we come in. Experience is a good teacher-but its lessons can be nasty and, in the real estate business, mistakes can cost you big bucks. Our goal with this book is to help you do it right-the first time. Rest assured that this book covers a vast range of topics and you're going to appreciate its breadth and depth if you're wondering about things like whether: You should opt for a sole proprietorship versus a partnership or corporate ownership strategy. There are things you can do to manage the way HST impacts your real estate investment business. You need information about the tax implications of a real estate disposition. You can change your bookkeeping system to better meet your needs and those of your accountant. Who Are We? This book was written by two individuals whose collective experience in helping Canadians make wise property investment decisions spans several decades. Steve Cohen is a securities lawyer with a great deal of experience in the real estate sector. George Dube is a chartered accountant whose knowledge is based on many years of helping clients with their property buying needs. Both Steve and George are real estate investors themselves. Working from this foundation, we have put together the definitive guide on how to build a successful real estate portfolio in Canada from a legal, tax and accounting perspective.

The Real Estate Investor's Handbook is a must-have for beginning investors, real estate veterans, commercial brokers, sellers, and buyers. Real estate investing has created more millionaires than any other investment vehicle in this country. You do not need to re-invent the wheel, and you won't have to make the same mistakes others have. Investing in real estate is one of the safest and smartest investments you can make. Real estate appreciates at a rate far greater than the rate of inflation, builds equity, provides a steady return on investment, provides cash flow, and can offer substantial tax benefits. This handbook is the resource for novices and pros alike; it will guide you through every step of the process of real estate investing. This new exhaustively researched book will arm you with hundreds of innovative ideas that you can put to use right away. This book gives you the proven strategies and actual case studies from experts to help you invest better and wiser with less time and effort. A sampling of what's covered in this encyclopedic book includes: how to find below-market deals, investing with little or no down payment, seller financing, foreclosures and REOs, investment property, negotiating, purchase offers, managing rental property, flipping, auctions, tax sales, financing, mortgage terms, agents, cash flow, inspections, contracts, tenants, lease agreements, insurance, taxes and accounting, escrow, essential mathematical calculations, sample forms, development, taxation, exchange rules, and regulations. This book is loaded with case studies and success stories from real people. You will uncover secrets that expert real estate investors use every day. This comprehensive resource contains a wealth of modern tips and strategies for getting started in this very lucrative area. This book is the foundation for understanding how to invest in real estate. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.

In clear, simple language, The Real Estate Investor's Tax Guide helps real estate professionals and property owners understand the complicated area of real estate investment tax law. Containing practical tax planning strategies, sample forms, and warnings about costly planning errors, this is a must-have reference for making sound investment strategies. This guide also discusses taxation at the time of sale, like-kind exchange rules, real estate investment during troubled times, and applying the passive loss regulations.

Purchasing tax lien instruments from city, county, and municipal governments can provide you with very high and secure rates of return, in some cases as high as 12%, 18%, 24%, or even 1,000% or more per year. If performed correctly, investments in tax lien instruments will far outpace stock market performance, even traditional real estate investments. The key is to know how to perform this process correctly. Tax lien certificates and deeds are not purchased through a broker; you purchase these property tax liens directly from the state or county government (depending on the state). This type of investment was created by state law, and state law protects you as the investor. Investing in tax liens and deeds can be very rewarding. Tax liens can be tax deferred or even tax-free. You can purchase them in your self-directed IRA. Interest rates vary but average between 4% and 18%. The interest rates are fixed by local governments, essentially a government-guaranteed loan. Additionally, the investment is secured by real property (real estate). This sounds great, but what is the catch? There really is none, except you must know what you are doing! This groundbreaking and exhaustively researched new book will provide everything you need to know to get you started on generating high-investment returns with low risk, from start to finish. You will learn what property tax liens and tax lien certificates are; how to invest in tax lien certificates; how to buy tax lien certificates; insider secrets to help you double or even triple your investment, how to start with under \$1,000; the risks, traps, and pitfalls to avoid; and a detailed directory of states that sell tax lien certificates with contact information. In addition, we spent thousands of hours interviewing, e-mailing, and communicating with hundreds of today's most successful investors. This book is a compilation of their secrets and proven successful ideas. If you are interested in learning hundreds of hints, tricks, and secrets on how to purchase tax liens and deeds and earn enormous profits, then this book is for you.

There are numerous tax rules and regulations associated with real estate that you need to comply with and, if you get it wrong, the Tax Office could impose stiff penalties. Fortunately, help is at hand. In plain English, Property & Taxation explains just what your tax obligations are. Inside you'll learn: how property speculators and property investors are taxed

which expenses are tax deductible how to calculate a capital gain and capital loss about the tax issues associated with owning your main residence and overseas property investments how negative gearing works about owning property in different legal structures. Packed with tax tips, tax traps to avoid and practical case studies, this comprehensive guide will give you the know-how to legally reduce your tax liability — and build your wealth.

Investing in Rent-to-Own Property is the distillation of years of investment experience in real estate. It is a both strategy and a system, which provides stable, proven returns for the investor. On the flip side of the coin, the homebuyer is provided a house that fits their needs and budget. Why should an investor have rent-to-own as part of his or her investment portfolio? This book lays out in clear detail the benefits of rent-to-own and how to get started with a rent-to-own strategy. Loaded with tips and case studies, here are the core components of the system: How to identify properties How to carry out due diligence Smart financing strategies How to market your system and attract interested tenants-homebuyers How to identify and choose tenants-homebuyers The rent-to-own contract Obligations of the investor to the tenant-homebuyer Obligations of the tenant-homebuyer to the investor The team of experts: agent, lawyer, lender, home inspector, accountant Exit strategies There are many singles and couples who for a variety of reasons opt for a rent-to-own opportunity. For some it's an opportunity to check out a location for a couple of years so that they're certain it's the house and neighborhood they want for the long-term; for others it's the desire to own a home but need to grow their down payment—having a nice home while they save is a terrific option. The expertise of the investor in identifying the right property and providing the right financing is another significant aspect for the tenant-homebuyer. The benefits for the investor are many: a solid property in an area where the fundamentals are strong; great tenants who respect the property; a profitable investment even with a downturn in the market. Investing in Rent-to-Own Property is the quintessential tool for investors who have yet to take advantage of a proven money-maker or for those investors who want the benefit of a proven system to build their portfolio.

Here at last are the hard-to-find answers to the dizzying array of financial questions plaguing those who are age fifty and older. The financial world is more complex than ever, and people are struggling to make sense of it all. If you're like most people moving into the phase of life where protecting—as well as growing-- assets is paramount, you're faced with a number of financial puzzles. Maybe you're struggling to get your kids through college without drawing down your life's savings. Perhaps you sense your nest egg is at risk and want to move into safer investments. Maybe you're contemplating downsizing to a smaller home, but aren't sure of the financial implications. Possibly, medical expenses have become a bigger drain than you expected and you need help assessing options. Perhaps you'll shortly be eligible for social security but want to optimize when and how to take it. Whatever your specific financial issue, one thing is certain—your range of choices is vast. As the financial world becomes increasingly complex, what you need is deeply researched advice from professionals whose credentials are impeccable and who prize clarity and straightforwardness over financial mumbo-jumbo. Carrie Schwab-Pomerantz and the Schwab team have been helping clients tackle their toughest money issues for decades. Through Carrie's popular "Ask Carrie" columns, her leadership of the Charles Schwab Foundation, and her work across party lines through two White House administrations and with the President's Advisory Council on Financial Capability, she has become one of America's most trusted sources for financial advice. Here, Carrie will not only answer all the questions that keep you up at night, she'll provide answers to many questions you haven't considered but should.

One of America's top tax lien and tax deed investors and instructors reveals high-profit money-generating tax sales and tax auction investment techniques covered almost nowhere else, yet also explains the basics and the potential dangers for tax lien investors just starting out in this lucrative area. This quick short and easy-to-read glimpse inside the real world of tax lien and tax deed investing is a must-have book for any serious tax deed or tax lien real estate property investor!

Rev. ed. of: The complete guide to investing in real estate tax liens & deeds: how to earn high rates of return-safely / Jamaine Burrell. c2006.

How to Save Property Tax is widely regarded as the tax bible for property investors. The latest edition has just been published (November 2015) and is completely up to date with all the major property tax changes announced in 2015, including a detailed examination of the proposals to restrict tax relief on interest and finance costs paid by residential landlords. The guide also contains hundreds of tried and tested tax saving ideas - it will show you how to claim every single pound of tax relief you are entitled to. It is written in plain English and is essential reading for property investors, landlords, second home owners, those renovating or developing property, accountants, solicitors and professional advisers.
