

Abner Doubleday Boy Baseball Pioneer Young Patriots Series

A boy's imaginary friend is driving him crazy in *Dodger and Me*, the first installment of a hilarious new series by acclaimed author Jordan Sonnenblick. What would you do if your best friend was: 1. Imaginary? 2. An oversize blue chimp in surfer shorts? (Potentially embarrassing, but hey, no one else can see him . . . right?) 3. Proposing a plan to help you improve your life? 4. Did we say imaginary? 5. Driving you crazy?!?! Now you have an idea of what Willie Ryan's life is like when he meets Dodger. It's the beginning of a lot of trouble—and a friendship you'll never forget!

Narrates the early life of this famous naturalist illustrator during his time in the fields and woods near his country house in France and his journey to America to seek his fortune. Simultaneous.

Rescued in 2010 from the small creek that runs next to Doubleday Field in Cooperstown, New York, a simple baseball launched an epic quest that spanned the United States and beyond. For eight years, "The Hall Ball" went on a journey to have its picture taken with every member of the Baseball Hall of Fame, both living and deceased. The goal? To enshrine the first crowd-sourced artifact ever donated to the Hall. Part travelogue, part baseball history, part photo journal, this book tells the full story for the first time. The narratives that accompany the ball's odyssey are as funny and moving as any in the history of the game.

Active and restless, "Bud" Riley, the boy who would grow to be one of the 19th century's most popular and respected poets, had a hard time sitting still in school - unless he was drawing or writing the "poems he heard in his head." Fine illustrations and text rich with history draw young readers into James Whitcomb Riley's world on the edge of the Midwestern wilderness. Children fully experience Riley's lively youth, from learning to swim (nearly drowning in the process) to acting as ringmaster in his own circus, complete with animal acts, music, and acrobats. Fun facts about James Whitcomb Riley provide children with a preview of the poet's adult accomplishments and little-known facts about the man greatly admired by novelist Mark Twain and President Benjamin Harrison.

A bibliography to help librarians identify and make effective use of biographical fiction. It cites 4,200 novels in which 1,500 historical figures appear as significant characters. The books included are English-language juvenile, young adult, and adult books published since 1940 (some pre-1940 titles are included if they have been reissued after that date). Individuals are included of both popular and scholarly interest, living and deceased, from all fields of endeavor. Annotation copyright by Book News, Inc., Portland, OR

A history of the rise and fall of baseball in America challenges popular beliefs about the game's evolution while revealing how it reflects popular culture, citing the roles of such contributing factors as gambling and religion.

The story of baseball in America begins not with the fabled Abner Doubleday but with a generation of mid-nineteenth-century Americans who moved from the countryside to the cities and brought a cherished but delightfully informal game with them. But *Didn't We Have Fun?* will make you rethink everything you thought you knew about baseball's origins. Peter Morris, author of the prizewinning *A Game of Inches*, takes a fresh look at the early amateur years of the game. Mr. Morris retrieves a lost era and a lost way of life. Offering a challenging new perspective on baseball's earliest years, and conveying the sense of delight that once pervaded the game and its players, Mr. Morris supplants old myths with a story just as marvelous-but one that really happened.

With 25 rare photographs and drawings.

Part of the Young Patriots series, which includes Amelia Earhart, Young Air Pioneer (1882859022, 1882859049), William Henry Harrison, Young Tippecanoe (1882859030, 1882859073), and Lew Wallace, Boy Writer (1882859057, 1882859065) a [The Young Patriots series] . . . is an outstanding contribution to children's literature. Patria Press has successfully reintroduced America's past with this fine series for children. a "The Review Zone a Haleya Jackson grew up in poverty on the levees of New Orleans, hunting alligators along the Mississippi River for food and gathering driftwood for fuel with her brother Peter. But every Sunday, when her father preached at the Baptist Church, young Mahalia sang proudly in the choira "the youngest member at age five! Lively illustrations and engaging text pull young readers into the world in which Mahalia Jackson grew up. Whether constructing her doll's braid from blades of grass, stuffing a cornhusk mattress, or adjusting to life in her Aunt Duke's home after her mother died, young Mahalia displayed the persistence and courage that foreshadowed the civil rights champion and world-famous gospel singer she would become. Working as a maid and a laundress, she always found the time for her passiona "singing her special brand of music known as gospel in churches. She met the challenge of being black in what was largely a white entertainment world, overcoming poverty and prejudice and pioneering the way for all aspiring African Americans who succeeded her. Singing for royalty, presidents, and working closely with her friend Martin Luther King, Haley never forgot her early days on the levee and she found special joy encouraging young African Americans to follow their ambitions.

Abner DoubledayBoy Baseball Pioneer

On October 1, 1932, during Game Three of the Chicago Cubs -- New York Yankees World Series, Babe Ruth belted a long home run to straightaway centerfield. According to legend, just before he hit, Babe pointed to the bleachers and boldly predicted he would slam the next pitch there. Did he call the shot or didn't he? Witnesses never agreed. Like other baseball fans, Joe Stoshack wants to know the truth. But unlike other fans, Joe has the astonishing ability to travel through time and solve one of baseball's greatest puzzles....

Organized alphabetically by gender, a collection of some five hundred boys' and girls' names from the scripture of the Old and New Testaments furnishes information on the meaning and spiritual connotation of each name, its language and cultural origins, a citation of where the name appears in the Bible, famous namesakes, and related nicknames and alternate names. Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Juniorlibraries, 1954-May 1961). Issued also separately.

Sometimes you can change history . . . and sometimes history can change you. When Stosh travels into the past to meet Roberto Clemente, a legendary ballplayer and a beloved humanitarian, he's got only one goal: warning Roberto not to get on the doomed plane that will end his life in a terrible crash. In the sixties, Stosh meets free-spirited Sunrise, and together they travel across the country to a ball game that leaves them breathless—and face-to-face with Roberto. But when the time comes for Stosh to return to the future, he finds that the adventure has only just begun. . . . Join Stosh and Sunrise on a journey that will take you into the past, from the excitement of Woodstock to a life-changing encounter with Roberto Clemente—and into a surprising future!

Filled with insightful analysis and compelling arguments, this book considers the influence of sports on popular culture and spotlights the fascinating ways in which sports culture and American culture intersect.

He was the world's greatest athlete, and a hero—until his medals were taken away. Stosh is shocked when his enemy, Bobby Fuller, begs him for a favor. He wants Stosh to take him back in time to meet Native American Jim Thorpe—an Olympic champion who lost his medals in a scandal. Thorpe went on to play professional baseball and football, but he could never again achieve such fame. His name was disgraced. Join Stosh and Fuller on a quest to save Jim's reputation. You'll meet Christy Mathewson, John McGraw, and the rest of the New York Giants in this eighth exciting, action-packed baseball card adventure!

Includes Part 1, Number 2: Books and Pamphlets, Including Serials and Contributions to Periodicals July - December)

Provides a fictional account of the childhood of the man who would become the first Secretary of the Treasury, as he enjoys peaceful days with his books and pet parrot on Caribbean islands, dreaming of one day attending college in the American Colonies.

In this book, S. W. Pope examines the rise of America's sporting culture in the years between 1876 and 1926. His focus offers a unique look at the formation of American attitudes toward work, leisure, class, assimilation, and national image.

Provides a fictional account of the childhood of the woman responsible for the founding of the Girl Scouts of America.

Near the end of a long season, fourteen-year-old baseball pitcher Ben Hyman approached his father with disappointing, if not surprising, news: his pitching shoulder was tired. With each throw to home plate, he felt a twinge in his still maturing arm. Any doctor would have advised the young boy to take off the rest of the season. Author Mark Hyman sent his son out to pitch the next game. After all, it was play-off time. Stories like these are not uncommon. Over the last seventy-five years, adults have staged a hostile takeover of kids' sports. In 2003 alone, more than 3.5 million children under age fifteen required medical treatment for sports injuries, nearly half of which were the result of simple overuse. The quest to

turn children into tomorrow's superstar athletes has often led adults to push them beyond physical and emotional limits. In *Until It Hurts*, journalist, coach, and sports dad Mark Hyman explores how youth sports reached this problematic state. His investigation takes him from the Little League World Series in Pennsylvania to a prestigious Chicago soccer club, from adolescent golf and tennis superstars in Atlanta to California volleyball players. He interviews dozens of children, parents, coaches, psychologists, surgeons, sports medicine specialists, and former professional athletes. He speaks at length with Whitney Phelps, Michael's older sister; retraces the story of *A Very Young Gymnast*, and its subject, Torrance York; and tells the saga of the Castle High School girls' basketball team of Evansville, Indiana, which in 2005 lost three-fifths of its lineup to ACL injuries. Along the way, Hyman hears numerous stories: about a mother who left her fifteen-year-old daughter at an interstate exit after a heated exchange over her performance during a soccer game, about a coach who ordered preteens to swim laps in three-hour shifts for twenty-four hours. Hyman's exploration leads him to examine the history of youth sports in our country and how it's evolved, particularly with the increasing involvement of girls and much more proactive participation of parents. With its unique multiple perspective-of history, of reporting, and of personal experience-this book delves deep into the complicated issue of sports for children, and opens up a much-needed discussion about the perils of youth sports culture today. Hyman focuses not only on the unfortunate cases of overzealous parents and overly ambitious kids, but also on how positive change can be made, and concludes by shining a spotlight on some inspirational parents and model sports programs, giving hope that the current destructive cycle can be broken.

Story of famous civil rights advocate and presidential advisor Frederick Douglass's early years.
