Jack Canfield is a master motivator, world-renowned teacher, and bestselling author of The Success Principles. In his latest book, Success Affirmations, he helps readers break through to new levels of passion, purpose, and prosperity with 52 affirmations and time-tested wisdom. In our 24/7 world, where we move at warp speed, sometimes we let life happen to us instead of taking control of our

direction. Other times, we suffer from information overload, and we fail to consciously control our positive thoughts, and we allow negativity to take over. For those who want to rise above, to get unstuck, or to catapult to a new level success, Jack Canfield will show you how positive affirmations can transform your life in extraordinary ways. Canfield, with the help of esteemed coauthors Kelly Johnson and Ram Ganglani, explains what positive affirmations are (and what they are not), why they are so effective, and how to effortlessly integrate their practice into your life. Pulling the most effective tenets from his bestselling book *The Success Principles*, Canfield covers all areas of life, from financial prosperity and creative pursuits to your career and positive relationships. *Success Affirmations* reveals: How to avoid letting life just happen to you, and how to proactively go after your dreams How to use the power of deliberate thought to create the reality you want How to identify your true passions and purpose to direct your affirmations to concrete goals, not nebulous ideas or someone else's vision How to harness positive energy to attract what you want in your life through the Law of Attraction How to unplug from technology and plug into your true source of energy And much more!

Pairing encouraging affirmations with emotive black-and-white illustrations—highlighted with the occasional splash of color—Josh takes us on a journey into the world of self-improvement. The contrast between the positive affirmations and the visceral style of the illustrations point to the tension between our hopes and aspirations and the reality of our day-to-day lives as we strive to realize our best selves. *Unlock the power of affirmations: I exhale weakness and inhale confidence. Repeating affirmations is simple - but an effective affirmation involves much more than the words you speak! That's why *Positive Affirmations Journal* is not your typical interactive workbook. It includes 50 positive affirmations with TWO different writing prompts for each one. Yes, two, and it's designed this way for good reason. These 100 unique writing prompts help you dig deep by approaching your thoughts from more than one perspective. Instead of only scratching the surface, you'll take a close look at what's really going on in your head. What hidden negative thoughts are holding you back? Are you truly open to new possibilities, or are you letting your mind run on autopilot? Are you pursuing your passions or living by default? Do you have a clear picture of exactly what you want, or only a vague notion? This book takes you on a quest to find answers to those questions and more. The affirmations cover a broad range of topics, and the engaging prompts make your journey interesting and fun. From serious self-reflection to letting your imagination run wild, you will be encouraged and inspired to rethink your positive thinking. Most importantly, you'll explore the connections between your thoughts and the emotions behind them. Creative journaling is an excellent way to raise your self-awareness, and these 100 writing ideas provide keys to transforming meaningless statements into powerful, positive affirmations.

"Thursday morning. One hundred pounds overweight, no man in sight, and rounding the bend to 57 years old—a full-blown catastrophe." What happens when you realize you've had the career of your dreams, but you don't have the life of your dreams? This was the stark reality facing Sheri Salata when she left her twenty-year stint at The Oprah Winfrey Show, Harpo Studios and the OWN network. She had dedicated decades to her dream job, and loved (almost) every minute of it, but had left the rest of her life gathering dust on the shelf. After years of telling other people's makeover stories, Sheri decided to "produce" her own life transformation. And this meant revisiting her past, excavating its lessons, and boldly reimagining her future. In these pages, she invites readers along for the ride—detoxing in the desert, braving humiliation at Hollywood's favorite fitness studio, grappling with losses, reinventing friendships, baring her soul in sex therapy, and more. Part cautionary tale, part middle-of-life rallying cry, Sheri's stories offer profound inspiration for personal renewal.

Welcome to a little book that could change your life! When I was in my teens, I suffered from a lack of confidence and self-worth. Like many people, I believed my negative thoughts and feelings were simply who I was. They were coming from my mind. I felt them in my body. They must be real. And that's exactly how most people live their lives: on autopilot, letting their thoughts and emotions run wild, then hanging on for dear life as they try to cope. Can you relate? But you don't have to live that way. Your thoughts are not an accurate reflection of who you truly are. You can take control of the conversations going on in your own head. And affirmations are the perfect tool to help you do that. Using the power of positive self-talk, you will no longer be a victim of negative thinking. You will be in the driver's seat of your mind - and your life! So, get ready to live a happier, more fulfilling life!

Positive Affirmations for a Badass Fans of Rachel Hollis and Girl, Wash Your Face will love Becca Anderson's Badass Affirmations Even a badass needs daily affirmations: We all need reminders. You don't leap out of bed knowing you are amazing and about to have an incredible day. All of us have a lot of demands, pressures, to-do's and responsibilities. We find ourselves rushing around, working hard to please others. Often we find ourselves at the back of our own bus, having made everyone else happy but our own damn self. Then you go and beat yourself up about it. Let's stop that, shall we? The incredible art of self-affirmation: Positive living and affirmation queen Becca Anderson reminds you that you are pretty darn great. I had to learn to remind myself, but you know what? It feels pretty darn good. It is even kind of addictive in the best way. There are reasons we need esteem boosters. We pick up scars and get bumps and bruises in daily life. If you had a bad childhood, you have old "tapes" from poor parenting looping through your unconscious brain. "You'll never amount to anything. You're not good at sports. Your sister has a better singing voice than you, so we're sending her to music camp and you can stay behind and babysit." Even nice moms and dads perpetrate these parenting errors that leave marks on our souls. But, we can overcome with the right mix of badass affirmations. Every day and in every way, you can learn the art of self-affirmation. Self-affirmation adjustment: If you find yourself feeling overwhelmed and drained by life's busyness and demands, stop in your tracks and do an attitude adjustment, or more specifically a "gratitude adjustment." You have need for some "me TLC" and a dose of radical self-affirmation. In Badass Affirmations you will: • Learn the habit of affirming yourself daily • Experience a life filled with love, joy, fulfillment and satisfaction • Take control of your destiny • Strengthen your self-esteem
