Liz Lighty has always believed she's too black, too poor, too awkward to shine in her small, rich, prom-obsessed midwestern town. But it's okay -- Liz has a plan that will get her out of Campbell, Indiana, forever: attend the uber-elite Pennington College, play in their world-famous orchestra, and become a doctor. But when the financial aid she was counting on unexpectedly falls through, Liz's plans come crashing down . . . until she's reminded of her school's scholarship for prom king and queen. There's nothing Liz wants to do less than endure a gauntlet of social media trolls, catty competitors, and humiliating public events, but despite her devastating fear of the spotlight she's willing to do whatever it takes to get to Pennington. The only thing that makes it halfway bearable is the new girl in school, Mack. She's smart, funny, and just as much of an outsider as Liz. But Mack is also in the running for queen. Will falling for the competition keep Liz from her dreams . . . or make them come true?

Along the way, she'll shock the hell out of Clover City—and maybe herself most of all. “Timely . . . brilliant . . . hugely enjoyable, magnificently researched and deeply absorbing.”—Jason Goodwin, New York Times Book Review At midnight, December 31, 1925, citizens of the newly proclaimed Turkish Republic celebrated the New Year. For the first time ever, they had agreed to use a nationally unified calendar and clock. Yet in Istanbul—an ancient crossroads and Turkey's largest city—people were looking toward an uncertain future. Never purely Turkish, Istanbul was home to generations of Greeks, Armenians, and Jews, as well as Muslims. It welcomed White Russian nobles ousted by the Russian Revolution, Bolshevik assassins on the trail of the exiled Leon Trotsky, German professors, British diplomats, and American entrepreneurs—a multicultural panoply of performers and poets, do-gooders and ne'er-do-wells. During the Second World War, thousands of Jews fleeing occupied Europe found passage through Istanbul, some with the help of the future Pope John XXIII. At the Pera Palace, Istanbul's most luxurious hotel, so many spies mingled in the lobby that the manager posted a sign asking them to relinquish their seats to paying guests. In beguiling prose and rich character portraits, Charles King brings to life a remarkable era when a storied city stumbled into the modern world and reshaped the meaning of cosmopolitanism.

Does the past truly disappear? Halo reaches across 300 years of humanity's conflicts and grounds them in characters who have lived--and live again--in an effort to subvert mankind's self-destruction and prevent a Satan(S)-driven nuclear attack on New York City in the current time line that begins on the Winter Solstice, December 21, 2021.

Kaplan's, 5-Steps, Crash Course and other review books are great resources for that last month before the exam, but Tamm's Textbook Tools student activity books are meant to be an accompaniment all year long. This AP* U.S. History companion is filled with vocab and assignments that follow the Kennedy/Cohen fifteenth edition for all 42 chapters. They can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers began putting their content online, a niche for traditional classwork was opened, a void filled by this series. And whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.

Chapter I. CHRISTIE."AUNT BETSEY, there's going to be a new Declaration of Independence." "Bless and save us, what do you mean, child?" And the startled old lady precipitated a pie into the oven with destructive haste. "I mean that, being of age, I'm going to take care of myself, and not be a burden any longer. Uncle wishes me out of the way; thinks I ought to go, and, sooner or later, will tell me so. I don't intend to wait for that, but, like the people in fairy tales, travel away into the world and seek my fortune. I know I can find it." Christie emphasized her speech by energetic demonstrations in the bread-trough, kneading the dough as if it was her destiny, and she was shaping it to suit herself; while Aunt Betsey stood listening, with uplifted pie-fork, and as much astonishment as her placid face was capable of

expressing. As the girl paused, with a decided thump, the old lady exclaimed: "What crazy idee you got into your head now?" "A very sane and sensible one that's got to be worked out, so please listen to it, ma'am. I've had it a good while, I've thought it over thoroughly, and I'm sure it's the right thing for me to do. I'm old enough to take care of myself; and if I'd been a boy, I should have been told to do it long ago. I hate to be dependent; and now there's no need of it, I can't bear it any longer. If you were poor, I wouldn't leave you; for I never forget how kind you have been to me. But Uncle doesn't love or understand me; I am a burden to him, and I must go where I can take care of myself. I can't be happy till I do, for there's nothing here for me. I'm sick of this dull town, where the one idea is eat, drink, and get rich; I don't find any friends to help me as I want to be helped, or any work that I can do well; so let me go, Aunty, and find my place, wherever it is."

The American republic will survive only if its citizens are educated--this was an article of faith of its founders. But seeking common civic ground in public schools has never been easy in a society where schoolchildren followed different religions, adhered to different cultural traditions, spoke many languages, and were identified as members of different "races." In this wise and enlightening book, filled with vivid characters and memorable incidents that make history but don't always make history books, David Tyack describes how each American generation grappled with the knotty task of creating political unity and social diversity. Seeking Common Ground illuminates puzzles about democracy in education and chronic conflicts that continue to make news. Americans mistrusted government, yet they entrusted the civic education of their children to public schools. American history textbooks were notoriously dull, but they were also highly controversial. Although the people liked local control of schools, educational experts called it "democracy gone to seed" and campaigned to "take the schools out of politics." Reformers argued about whether it was more democratic to teach all students the same subjects or to tailor curriculum to individuals. And what was the best way to "Americanize" immigrants, asked educators: by forced-fed assimilation or by honoring their ethnic heritages? With a broad perspective and an eye for telling detail, Tyack lets us see that debates about the civic purposes of schools are an essential part of a democratic culture, and integral to its future.

An enthralling literary tour-de-force that pays tribute to Detroit's legendary neighborhood, a mecca for jazz, sports, and politics, Black Bottom Saints is a powerful blend of fact and imagination reminiscent of E.L. Doctorow's classic novel Ragtime and Marlon James' Man Booker Award-winning masterpiece, A Brief History of Seven Killings. From the Great Depression through the post-World War II years, Joseph "Ziggy" Johnson, has been the pulse of Detroit's famous Black Bottom. A celebrated gossip columnist for the city's African-American newspaper, the Michigan Chronicle, he is also the emcee of one of the hottest night clubs, where he's rubbed elbows with the legendary black artists of the era, including Ethel Waters, Billy Eckstein, and Count Basie. Ziggy is also the founder and dean of the Ziggy Johnson School of Theater. But now the doyen of Black Bottom is ready to hang up his many dapper hats. As he lays dying in the black-owned-and-operated Kirkwood Hospital, Ziggy reflects on his life, the community that was the center of his world, and the remarkable people who helped shape it. Inspired by the Catholic Saints Day Books, Ziggy curates his own list of Black Bottom's venerable "52 Saints." Among them are a vulnerable Dinah Washington, a defiant Joe Louis, and a raucous Bricktop. Randall balances the stories of these larger-than-life "Saints" with local heroes who became household names, enthralling men and women whose unstoppable ambition, love of style, and faith in community made this black Midwestern neighborhood the rival of New York City's Harlem. Accompanying these "tributes" are thoughtfully paired cocktails—special drinks that capture the essence of each of Ziggy's saints—libations as strong and satisfying as Alice Randall's wholly original view of a place and time unlike any other.
