The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

This hands-on book offers teachers a much-needed resource that will help maximize learning for English Language Learners (ELLs). How to Teach English Language Learners draws on two wide-ranging teacher quality studies and profiles eight educators who have achieved exceptional results with their ELL students. Through highly readable portraits, the authors take readers into these teachers' classrooms, illustrating richly what it is they do differently that yields such great results from English learners. Because most teachers profiled work within a three-tiered Response-to-Intervention framework, the book shows how to implement RTI effectively with ELLs—from providing general reading instruction for the entire classroom to targeted interventions with struggling students. Written by noted ELL educators Diane Haager, Janette K. Klingner, and Terese Aceves, How to Teach English Language Learners is filled with inspiring success stories, teaching tips, activities, discussion questions, and reflections from these outstanding teachers.
