Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, Open Book is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn't want to lie. Jessica couldn't be authentic with her readers if she wasn't fully honest with herself first. Now America's Sweetheart, preacher's daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. Open Book is Jessica Simpson using her voice, heart, soul, and humor to share things she's never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she's learned and shows the real woman behind all the pop-culture clichés — “chicken or fish,” “Daisy Duke,” “football jinx,” “mom jeans,” “sexual napalm...” and more. Open Book is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.

Emma Alexander has been living in San Diego the past eight years building her career. She's only been home once during that time. When she rushes home to deal with a family tragedy, she discovers small towns have long memories. Circumstances force her to deal with the reason she stayed away so long. Now she must decide between the life she left behind and the one she's secretly yearned for. Jack McElroy has been in love with Emma since they met their freshman year of college. The last four years of living in San Francisco have been torturous for him, being away from her. When her promotion moves her north, fear of ruining their friendship tempers his desire to show her how he truly feels. Will he be able to profess his love for her or will her ex-fiancé beat him to the punch?

Subject: Coast Guard Lieutenant Commander Scott Everly. Current Status: On vacation. Mostly. Mission: Keeping a sexy, smart-mouthed biologist out of trouble. Obstacle: Keeping himself out of trouble...and out of her bed! Semper Paratus. Always Prepared. It's the Coast Guard motto. But Lieutenant Commander Scott Everly sure wasn't prepared for the sight of red-hot marine biologist Jackie Birchard in her red-hot bikini. She's wading in dangerous waters, and even if he's off duty, Scott isn't about to let this sassy little mermaid out of his sight.... With a major research project on the line, and a chance to prove herself, Jackie isn't interested in anything resembling a romantic complication. Then again, isn't raw, lusty sex—especially with a tasty specimen such as Scott—a basic human necessity? After all, the U.S. Coast Guard is always prepared...and ready for action, too!

What happened to the Bay City Rollers is one of the greatest scandals in music industry. When The Screaming Stops reveals the dark truth behind 'rollermania', the pioneering boy band fad which gripped the UK in the seventies, exposing the sinister undercurrents which underpinned the band's phenomenal success. Dazzled by sudden global fame and under the grip of their Svengali manager Tom Paton, the Bay City Rollers descended into a world of depravity, victimhood, crime and psychosis. Whilst promoting his young lads as clean-living teetotalers, Tom Paton subjected them to various forms of sexual abuse; band members became hooked on drugs and their fall was almost as rapid as their rise, leaving them penniless and emotionally destroyed. In 1979, Paton was finally convicted of gross indecency with teenage boys. That such exploitation could have happened to one of the world's most famous boy bands is a brutal reminder that conspiracies of silence about sexual exploitation were once the norm in the music and entertainment business. The Dark History Of The Bay City Rollers is a no-holds-barred expose of sex, drugs and financial mismanagement based on over 500 hours of interviews with many of the band's closest associates, including former members. When The Screaming Stops includes curated music. Whilst you read the book, hear the classic songs of the Bay City Rollers and surround yourself with the music that surrounded them.

Home is where the heart is... Seven years after leaving town and the only girl he loved, Cooper still couldn't forget about Sophia. He had two loves. Music and the woman of his dreams. Coming back home proved that would always be true. But things have changed. Now he has to gain her trust again if he wants to make her all his. The question is, did he lose his chance the first time? Some things are hard to forget... Sophia tried to stop loving Cooper and failed miserably. Despite the way he'd abandoned her seven years earlier, she can't seem to stay away, even though trusting him doesn't prove easy. One careless night could change it all and the secret she carries may ruin any chance of them being together. They say life is all about taking chances. But when opportunities are lost and love comes knocking the second time around, lives are changed forever.

The informal, student-friendly tone of these rhetorically-organized rhetoric/reader/handbooks provides step-by-step instructions on writing a variety of 500-800-word essays.

Will Hank risk telling Lauren of his true identity, that he is actually Sir Hendrick Scott Saylor, a 16th century explorer? Nothing is as it appears to be in this epic, paranormal love story. See if desires can become a reality.

With more than 300,000 copies in print, *When Helping Hurts* is a paradigm-forming contemporary classic on the subject of poverty alleviation. Poverty is much more than simply a lack of material resources, and it takes much more than donations and handouts to solve it. *When Helping Hurts* shows how some alleviation efforts, failing to consider the complexities of poverty, have actually (and unintentionally) done more harm than good. But it looks ahead. It encourages us to see the dignity in everyone, to empower the materially poor, and to know that we are all uniquely needy—and that God in the gospel is reconciling all things to himself. Focusing on both North American and Majority World contexts, *When Helping Hurts* provides proven strategies for effective poverty alleviation, catalyzing the idea that sustainable change comes not from the outside in, but from the inside out.

The Strange World of Your Dreams gathers the complete run of the 1950s comic book series of that fascinating title. A dream team of artists headed by Jack Kirby created a bizarre world of nocturnal fantasies. It's as if these comics were written by Sigmund Freud and drawn by Salvador Dali!

"This is the happiest story in the world with the saddest ending," writes Elizabeth McCracken in her powerful, inspiring memoir. A prize-winning, successful novelist in her 30s, McCracken was happy to be an itinerant writer and self-proclaimed spinster. But suddenly she fell in love, got married, and two years ago was living in a remote part of France, working on her novel, and waiting for the birth of her first child. This book is about what happened next. In her ninth month of pregnancy, she learned that her baby boy had died. How do you deal with and recover from this kind of loss? Of course you don't--but you go on. And if you have ever experienced loss or love someone who has, the company of this remarkable book will help you go on. With humor and warmth and unfailing generosity, McCracken considers the nature of love and grief. She opens her heart and leaves all of ours the richer for it.

A much-needed program to prevent and reverse disease, and discover a path to sustainable, long-term health from an acclaimed international doctor and star of the BBC program *Doctor in the House*. *How to Make Disease Disappear* is Dr. Rangan Chatterjee's revolutionary, yet simple guide to better health—a much-needed, accessible plan that will help you take back control of your health and your life. A physician dedicated to finding the root cause of ill health rather than simply suppressing symptoms with drugs, Dr. Chatterjee passionately advocates and follows a philosophy that lifestyle and nutrition are first-line medicine and the cornerstone of good health. Drawing on cutting edge research and his own experiences as a doctor, he argues that the secret to preventing disease and achieving wellness revolves around four critical pillars: food, relaxation, sleep, and movement. By making small, incremental changes in each of these key areas, you can create and maintain good health—and alleviate and prevent illness. As Dr. Chatterjee, reveals we can reverse and make disease disappear without a complete overhaul of our lifestyle. His dynamic, user-friendly approach is not about excelling at any one pillar. What matters is balance in every area of your life, which includes: Me-time every day An electronic-free Sabbath once a week Retraining your taste buds Daily micro-fasts Movement snacking A bedtime routine Practical and life-changing, *How to Make Disease Disappear* is an inspiring and easy-to-follow guide to better health and happiness.

In his second collection, including the iconic and much-referenced title story featured in the Academy Award-winning film *Birdman*, Carver establishes his reputation as one of the most celebrated short-story writers in American literature—a haunting meditation on love, loss, and companionship, and finding one's way through the dark.

Discover the wonder of a life with God you can't contain. The pages of scripture are full of ordinary people who walked with God as he poured himself out through them to a world in need.

What if God never changed? What if he is still speaking to us and longing to work miraculously through us? What if it isn't a matter of more training or effort but simply receiving and releasing everything he already purchased? "Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

Provides guidelines and advice on starting points for fashion designers of all levels, including defining and rendering concepts, understanding textiles, developing sewing skills, and building an audience.

Fashion design begins in the designer's creative mind, and drawing is the crucial next step to communicating creative ideas to others to bring those ideas to reality. Clear, expressive drawings engage and bring together people in patternmaking, production, marketing, and all other facets of the fashion business, ensuring that everyone shares the same vision that originates with the designer. Kathryn Hagen brings decades of experience teaching design students how best to translate their ideas into drawings. She opens with basic drawing skills using both hand tools and computer techniques before moving on to applying those skills to both the human figure and the specifics of various types of clothing. Throughout the book she exposes designers to myriad techniques and styles, encouraging each individual to discover what works best for him or her. Each chapter ends with practice exercises as well as visual references to review and reinforce material learned in the chapter lessons. Videos demonstrating hands-on examples can be viewed at waveland.com/Hagen, with emphasis on distressed fabrics and novelty treatments. 84 pages of color present a wide variety of rendering techniques.

"Men are haunted by the vastness of eternity" The opening line of the film *Troy* captures the tragic essence of personal mortality: ones' passing into oblivion and fading from all memory. Since the prehistoric dawn of humanity death has shadowed everyone's footsteps. Even into the current scientific era religion has long been the only defense. The sole comfort against oblivion offering a promise of new life or even immortality. The *Geologic Model of Religion* is a sympathetic study of this defense from its ancient beginnings, drawing upon archaeology, anthropology and comparative religion to clearly explain one of the most complex subjects known. From the study a new model emerges which: * Decomposes religion into its distinct worldview and afterlife paradigms * Categorizes evidence of belief systems held by prehistoric hunter-gatherers, culminating in the Temples of Rebirth such as Gobekli Tepe * Concludes that spirituality began in the Fertile Crescent 11,000 years ago, spreading with the Neolithic revolution throughout the world * Shows why judgment in afterlife was the keystone in the emerging edifice of civilization, and

how it enabled hierarchies overcoming Dunbar's number which limited village sizes * Overviews the interaction between science and religion and projects the ultimate fate of religion itself There might be 100,000 books written about religion but the Geologic Model of Religion is unlike any other. Drawing upon evidence from anthropology, archaeology and scripture religion is divided into worldviews and afterlife paradigms. This new model evidences several long lost prehistoric religious belief systems and explains the origin of spirituality in settled societies. Using existing, vintage, and previously worn clothing, this trendy collection of ideas and projects shows readers how to breathe new life into tired fashions, making a bold statement with their creative designs. Original.

The full French text of Sartre's novel is accompanied by French-English vocabulary. Notes and a detailed introduction in English put the work in its social and historical context. A guide that cuts through the haze of misinformation and delivers an insightful message to anyone living with or at risk from the following: cancer, diabetes, heart disease, obesity, Alzheimer's disease and /or osteoporosis. Dr Campbell illuminates the connection between nutrition and these often fatal diseases and reveals the natural human diet. He also examines the source of nutritional confusion produced by powerful lobbies, government entities and opportunist scientists. Part medical thriller, part governmental exposé.

A NATIONAL BOOK AWARD FINALIST ONE OF THE BEST BOOKS OF THE YEAR: THE GUARDIAN * LIBRARY JOURNAL Steeped in a rich heritage of bewitching Albanian myth and legend, Crossing is a deeply timely and deeply necessary novel about war, exile, and identity in all its complex permutations. After the death of his father, a young boy named Bujar grows up in the ruins of Communist Albania and of his own family. Only his fearless best friend, Agim--who is facing realizations about his gender and sexuality--gives him hope for the future. Together the two decide to leave everything behind and try their luck in Italy. But the struggle to feel at home--in a foreign country and even in one's own body--will have corrosive effects, spurring a dangerous search for new identities. Award-winning author Pajtim Statovci has crafted a stunning, incandescent new novel about love, betrayal, heartbreak, and the human need to be seen. "An irreverent, modern-day, romantic comedy!" The Hutchinson sisters grew up under the piercing, pious stare of a preacher's wife. Plagued by her ever-disappointed refrain, "Well, it's not my favorite." Their search to find their own way in the world has not been a screaming success. Gwenn is a good girl, a responsible girl ... a miserable girl. Her steady diet of vivid fantasies is the only part of her life she enjoys. She daydreams of new parents, a more exciting job and an actual love life. She struggles to run a business as "The Organizer," while she stacks relationship carcasses in the closet of her own completely unorganized life. Her only real friend is her younger sister, Rachel. Rachel is outgoing, risque and happily gay. The only people who don't know this little secret are her judgmental parents, Pastor Ed and Shirley. Rachel struggles mightily to dodge her mother's constant attempts to set her up with "nice Christian boys"; while holding

down a job at the bakery and keeping up with her rock-star girlfriend! Gwenn uncovers a photo that brings her imaginary world careening into reality. She's forced to ask herself if wealthy artist Daniel Gregory is the answer she's been seeking or a grand delusion. Break-ups, meltdowns, family secrets, wild nights and finally a journey of self-discovery to exotic New Zealand keep Gwenn and Rachel stumbling toward independence. So grab your parka and join the Hutchinson girls, as they experience the Lake Effect in Duluth, Minnesota!"

"David Sedaris's ability to transform the mortification of everyday life into wildly entertaining art," (The Christian Science Monitor) is elevated to wilder and more entertaining heights than ever in this remarkable new book. Trying to make coffee when the water is shut off, David considers using the water in a vase of flowers and his chain of associations takes him from the French countryside to a hilariously uncomfortable memory of buying drugs in a mobile home in rural North Carolina. In essay after essay, Sedaris proceeds from bizarre conundrums of daily life—having a lozenge fall from your mouth into the lap of a fellow passenger on a plane or armoring the windows with LP covers to protect the house from neurotic songbirds—to the most deeply resonant human truths. Culminating in a brilliant account of his venture to Tokyo in order to quit smoking, David Sedaris's sixth essay collection is a new masterpiece of comic writing from "a writer worth treasuring" (Seattle Times). A detective forever haunted by the night when he couldn't save a young girl from trauma—now she's a cop herself and he has to send her undercover to lure a murderer. "Tight suspense and great chemistry between the lead characters make Jean Brashear's [book] a page-turner." ~RTBookclub 4 ½ of 5 stars Book three in New York Times bestselling Texas romance author Jean Brashear's Lone Star Lovers series about three brothers, this story a uniquely powerful reunion romance between a haunted detective and the woman whose life he once saved. FBI agent Alex Sandoval has never forgiven himself for not protecting a young girl who was gravely injured and her mother killed before her eyes during his first hostage negotiation twelve years ago. Now Jade Butler is a cop herself, assigned to a prestigious multi-agency task force hunting for the killer of several young girls in Austin, Texas—and Alex is the agent in charge of the case. They never met all those years ago, but Jade recognizes his voice as the one she still hears in her dreams, the voice that has comforted her through many a terrifying flashback. Her role on the task force is undercover, serving as bait for a madman, yet Alex cannot stop trying to protect her as he was unable to do years ago. Tensions ratchet between them as old memories vie with a powerful new attraction, and when Jade is taken hostage by the killer, it's Alex's worst nightmare as he must negotiate once again—only this time, it's to save the woman he loves.
