WEEKLY PLANNER | GET THE MOST OUT OF YOUR LIFE "Think of a ship with the complete voyage mapped out and planned. The captain and crew know exactly where the ship is going and how long it will take - it has a definite goal. And 9,999 times out of 10,000, it will get there. Now let's take another ship and just like the first and only let's not put a crew on it, or a captain at the helm. Let's give it no aiming point, no goal, and no destination. We just start the engines and let it go. I think you'll agree that if it gets out of the harbor at all, it will either sink or wind up on some deserted beach and a derelict. It can't go anyplace because it has no destination and no guidance. It's the same with a human being." ~ Earl Nightingale If you seek better organization you're sailing in the right direction.
