Get ready for a challenge! We have compiled 1,500 Questions and Answers on the Bible that are going to show how much, or how little, you, or those you quiz, know about Scripture. Unfortunately, most will discover “how little” as these quizzes are certainly not designed to be easy. The good news is, that if you keep taking the quizzes over and over again, you will begin to acquire a great deal of knowledge concerning the Scripture. The purpose of these quizzes is not to make anyone feel stupid, but to challenge them to learn more! If you can master all 30 series (1,500 questions) you most likely will know more about the Bible than anyone else you will ever come across. These questions do not call for knowledge of genealogical tables, but of the main Bible characters. They do not call for the details of Jewish history, and not a single date is asked for in all the fifteen hundred questions; but they do insist upon knowledge of the Bible's most significant and interesting events, from cover to cover. The questions are not theological – perhaps some would find them easier if they were, for then they could air their theories; but they call for an acquaintance with the most beautiful and uplifting sentences and passages in all the sixty-six books of the Bible, the inspired wisdom on which all theology is based – or ought to be. How to Use: Use these questions to test yourself, your Sunday School Class, your Youth Group, your Bible Study, your Teachers, your Family, etc... *There are 30 Series with 50 Questions each.* Each question is worth 2 points (multiply the number right x2 and you'll have your score) *You can use the quizzes in any order you want, but we suggest doing one series over and over until you have mastered most of the content. Once you know all 50 questions, move onto the next one.

If you were in jail, what sort of letter would you write to your Christian friends? Would it focus on the difficulties--the poor food, cramped quarters and lonely isolation? Paul's letter to the Philippians, written from prison, has no hint of self-pity. The letter radiates joy--joy that Christ was proclaimed, joy in fellowship with the Philippian Christians and, above all, joy in Jesus himself. In this volume of the Bible Speaks Today series, Alec Motyer identifies three major themes that filled Paul's heart and mind as he wrote: the unity of the church, the person of Jesus and what he has achieved, and the call to live a life worthy of the gospel.

The book contains more than 6,100 questions. Its value is not in the answers, but rather in the way the questions are formulated and in the information they contain. Because the questions are arranged chronologically, the book can be used as a study guide. Although there are questions that require to memorize certain details, most of them contain

enough clues within themselves which give the reader the opportunity to find the correct answer by using comparisons and logic. Since the book was conceived with the purpose of using it in Bible contests, most of the questions require one-word answers. The material contained in this book is useful in bringing out things that many readers omit when they read the Bible. It is also useful for getting ideas for sermon subjects, for Bible contests, for obtaining information, etc. There are a variety of types of questions: 1. Simple and straightforward questions 2. "If you picture the Bible to be a mighty tree and every word a little branch, I have shaken every one of these branches because I wanted to know what it was and what it meant." —MARTIN LUTHER

A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry. Yet, Christians need to be nourished by the word of God so they can mature in faith and righteousness. Filling this gap, The Branch Exposition of the Bible is a resource for preachers, scholars, and everyday Christians alike, to help open God's word and shed its light into life, ministry and teaching. Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture, and with experience in ministering across Africa, India and the West, Michael A. Eaton helps us understand the meaning of the Bible and taste its fruit. With an Old Testament volume to follow, this exposition of the New Testament accessibly engages with the biblical languages, gives application for our lives, and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture.

The Gospel of Thomas -- found in 1945 -- has been described as "without question the most significant Christian book discovered in modern times." Often Thomas is seen as a special independent witness to the earliest phase of Christianity and as evidence for the now-popular view that this earliest phase was a dynamic time of great variety and diversity. In contrast, Mark Goodacre makes the case that, instead of being an early, independent source, Thomas actually draws on the Synoptic Gospels as source material

-- not to provide a clear narrative, but to assemble an enigmatic collection of mysterious, pithy sayings to unnerve and affect the reader. Goodacre supports his argument with illuminating analyses and careful comparisons of Thomas with Matthew and Luke. Watch the trailer:

The Get Wisdom Bible Studies help women connect with Scripture in an accessible and energizing way. Teresa Swanstrom Anderson guides with a winsome style that is rich in depth, but still approachable for newer readers of the Bible. What Are You Hustling For? We glorify busyness. We hustle, hoping to gain approval and find acceptance. Yet for most of us, we simply hustle our way to burnout. But what if it's only pointless hustle that leads to burnout? What if meaningful struggle can lead us to growth and depth and even joy? The apostle Paul understood hustle—and struggle—better than most. But in prison, where we'd expect him to be burned out and depressed, he wrote a letter to his Philippian friends seeking to build them up, a letter filled with thankfulness, generosity, and joy. Focused on Jesus rather than concentrating on his own discomfort, Paul's actions brilliantly display what happens when hardship is used for the glory of God. We might feel that life is trying to bury us . . . but what we forget is that we're a seed. Philipians will show us how we can grow deep roots and blossom by finding the meaning in our struggle. Everyone has questions. Young children ask why? Teenagers ask why not? Adults sometimes lament what if? The God who created us and who loves us has given us the answers to life's most pressing questions in His Word. Yet many people have no idea that God has the answers and has made them available in the Bible. Whether it is a question about where we will spend eternity or how to deal with the pain of a broken relationship, you can be sure it has been asked and answered already on www.GotQuestions.org, the source for this book. Sadly, many individuals and ministries who offer advice are not biblically and theologically solid. That's why Got Questions? is crucially needed—a resource that answers questions explicitly from a biblical perspective, with solid evangelical theology. Written in an easy-to-understand format and organized in easy-to-follow sections, Got Questions? will help readers find the answers to the most frequently asked questions regarding spiritual matters.
