

## Boogie Monster

Two American children tackle a powerful towering "Boogie" monster. As their world slowly disappears around them, as the monster eats words and the ideas behind those words disappear from existence, the two kids fight back. Desserts are at stake, but it doesn't stop at sweets! Liberty, education, backpacks and even other children, are on the line. This story guides children, with rhymes and colorful illustrations, to understand that they can fight back against bullies. They can fight back by understanding how bullies work, and then using how bullies work against the bullies themselves. By the end, children will recognize that it's easier to stand up to monsters when they're not doing it alone. Once they realize it's easy to confront a bully face to face, they know they can do it again, and again, and again.

Goosebumps meets The Last Kids on Earth in the second action-packed adventure in a hilariously scary series about a secret society of monster-bashing babysitters. "This shining gem in the campy monster drama genre is a step up from R.L. Stine's Goosebumps." —School Library Journal Kelly's been a celebrity ever since she defeated the Boogeyman and his army of nightmares on Halloween. But now all the other monsters want revenge. And if Kelly's going to survive Babysitter Bootcamp, she'll have to face the Spider Queen, whose wicked web turns her parents, BFF, and middle-school teachers into mindless minions. All in a night's work!

The perfect notebook! Use it as a diary, journal, notebook, makes a great gift! 6x9 inches, perfect size. Matte cover with no spiral. High quality cream paper.

Laurie Berkner, "the queen of children's music" (People), pairs the lyrics of her beloved hit with Camille Garoche's gentle illustrations in this winning bedtime picture book—a must-have for fans of Laurie's music and all things soft and sweet. I know a place, a kingdom far away, where people wear pajamas every night and every day. Where all the houses, the buildings, and the trees are made of fluffy pillows that are soft as they can be. Laurie Berkner's treasured song "Pillowland" is now a beautiful picture book! Featuring magical, lush art by Camille Garoche, Pillowland carries readers away to a feather-fluffed dream world where bedtime is always a grand adventure. We're going to land in Pillowland!

Is your monster misbehaving? Is he eating your favorite shirts? Is he using your hairbrush to clean his teeth? Is he annoying your family on car trips? Never fear those monster mishaps again! Laura Numeroff and Nate Evans, the world's leading experts on monsters and the mischief they make, have created the ultimate 10-Step Guide to Living With Your Monster. A portion of the proceeds from Laura Numeroff's 10-Step Guide To Living With Your Monster will be donated to the Michael J. Fox Foundation for Parkinson's Research.

Laurie Berkner, "the queen of children's music" (People), pairs the lyrics of her infectious hit song with Ben Clanton's whimsical illustrations in this groovy and adorable picture book—a must-have for fans of Laurie, dancing, and all things monstrous! I'm the biggest monster that you've ever seen! My eyes are purple and my teeth are green. I'm big and I'm scary, you know what I mean? And this is what I like to do... Boogie away those bedtime fears and embrace your inner monster with Monster Boogie, based on Laurie Berkner's irresistibly fun song and featuring lively, playful artwork by Ben Clanton! I do the monster boogie. So can you! Rraaaahhh!

Love Monster is a slightly hairy monster trying to fit in with the cuddly residents of Cutesville. But as it turns out, it's hard to fit in with the cute and the fluffy when you're a googly-eyed monster. And so, Love Monster sets out to find someone who will love him just the way he is. His journey is not easy—he looks high, low, and even middle-ish. But as he soon finds out, in the blink of a googly eye, love can find you when you least expect it. Look out for Love Monster and the Perfect Present, coming in Fall 2014.

Here's everything a child needs to fully enjoy the fun and creativity of the Boogie Monster story, music, and dance experience. Josie Bissett's inspiring new book comes with furry Boogie Legs (plush leggings that are one size fits most kids) and an original CD of rollicking dance tunes by Recess Monkey. Kids read the book aloud with their parents, and then transform themselves into Boogie Monster by simply donning their Boogie Legs, following the story and dancing to the music. Everything comes in a colorful re-useable gift folio with magnetic closure a wonderful gift for parents, grandparents and children (ages 3-9).

The tickle monster flies in from Planet Tickle to share his talents, moving from one part of the body to another.

Fifty etiquette tips for monsters, gargoyles, aliens, and nephews. Illustrated with wry and whimsical drawings by Don Moyer.

Arriving from outer space, a boogie monster inspires people throughout the world to dance.

The Boogie Monster Story is what most of us heard as children. Things that would happen to us if we did not act right or do what we were supposed to do. Keep your feet in the bed, do not try to get out, because Boogie Monster is under your bed. It was known that fear would overcome us, and we would obey our parents as well as whoever else just wanted to scare us. In this book, we will see that if we decide to overcome the Boogie Monster, we must approach him and see what he really is. Most of the time, he is something that was built up into an ugly, smelly, and mean monster by the words of people who never got rid of their own fear. Here we are able to see how one can change many things in one's life by seeing what really is before believing what really isn't. Positive encouragement from friends or family can always help us conquer whatever is brought before us, but negative words can hurt us quickly, causing us to fear what is before us. The Boogie Monster Story will help us conquer the different issues that may come before us throughout our lives, both as children and adults. This is only the beginning of Boogie; there are many issues in life that we must overcome by seeing where Boogie comes from and what Boogie really is. Let's open this book and face our Boogie Monster.

From New York Times bestseller and Pulitzer Prize winner Junot Díaz comes a debut picture book about the magic of memory and the infinite power of the imagination. A 2019 Pura Belpré Honor Book for Illustration Every kid in Lola's school was from somewhere else. Hers was a school of faraway places. So when Lola's teacher asks the students to draw a picture of where their families immigrated from, all the kids are excited. Except Lola. She can't remember The Island—she left when she was just a baby. But with the help of her family and friends, and their memories—joyous, fantastical, heartbreaking, and frightening—Lola's imagination takes her on an extraordinary journey back to The Island. As she draws closer to the heart of her family's story,

Lola comes to understand the truth of her abuela's words: "Just because you don't remember a place doesn't mean it's not in you." Gloriously illustrated and lyrically written, *Islandborn* is a celebration of creativity, diversity, and our imagination's boundless ability to connect us—to our families, to our past and to ourselves.

Everyone knows that the M in "monster" stands for MEAN. But what happens when a monster can't be mean any more? Is he still a monster at all? One young monster's attempts to live up to his name go hilariously awry as he discovers—with a little help from new friends—that it's not what you're called but who you are that counts.

One day, *Colour Monster* wakes up feeling very confused. His emotions are all over the place; he feels angry, happy, calm, sad and scared all at once! To help him, a little girl shows him what each feeling means through colour. A gentle exploration of feelings for young and old alike.

Who is making so much noise and how will Jackson ever get to sleep? Despite some silly, sleepy mistakes, genteel Jackson finds a fun and quiet activity for each of his noisy neighbors. He finally gets a great night's sleep—and discovers three new friends in the morning. Cozier than a mole in fuzzy pajamas, *No More Noisy Nights* is an underground, under-the covers read-aloud, perfect for calming bedtime boogety-woogeties.

Summer couldn't understand what was happening in her house. Her books were on the floor, and her bedroom was a mess. Who could have done this? Did her house have a ghost? Or was it Boogie the Monster? You will have to read on to find out.

Two bars, one magical and one human, lie in the exact same space. That should work. It'd better; I run those joints and we're under attack. I live a pretty weird life—as in gods in speedos, powerful witches with little patience for mere humans, and shifters whose vibrations make my guts quake. Plus, an oceanside bar and a magical book run my existence. Beach life and eccentric are besties. The record picked me, Cleopatra O'Keefe, to be the next Keeper. I took over the book and started chronicling the intersection and occasional asininity of the human and magical worlds. That's when eccentric plunked its butt on the deck next to mine and we careened into the world of funky oddities seasoned with occasional mayhem. I've juggled the two worlds for almost twenty years, but my pier is under attack from the one entity feared by gods and magicals alike. Between slinging drinks, writing the history, and trying to keep the worlds in balance, I'm discovering that the Keeper's job has way more depth than the magicals told me. Who's lying? Which bits are truth? I'm at a crossroads and it's time to make a choice. Toe the line and live, or save the world and die? Typical Tuesday.

There is a ghost in my house. I've only seen it out of the corner of my eye, but I think it is a cat, says a little boy in this comforting tale of love and loss. There's something oddly familiar about this ghost cat—it does lots of things that remind the boy of the cat he used to have. The boy's not sure why the ghost cat never stays for more than a few moments, or why the ghost cat has visited him in the first place. He follows the ghost cat all over his house, until finally it leads him to something new and wonderful. Bestselling author/illustrator Kevan Atteberry's artwork and story strike a perfect balance of evocative and haunting, as well as warm and hugely comforting to anyone struggling to cope with a loss. With a few carefully chosen words and simple, expressive illustrations, *Ghost Cat* captures both the poignancy of losing a pet and the importance of moving on without erasing or forgetting what came before. Winner of the Crystal Kite Award, Western Division A Bank Street Best Book of the Year Washington State Book Award Finalist

Rock out with Baby in this playful board book that showcases various animals and their favorite musical styles! The skunk loves punk... The weasel likes to pop... But who loves to rock? Humorous text and colorful illustrations fill the jammin' pages of *Baby Loves to Rock!* Rife with funny puns and rhymes about a variety of comical animals enjoying different genres of music, this board book is sure to delight music fans of all ages.

There are trolls, goblins, and witches. Which kind of monster is Sophie? Sophie is a monster expert. Thanks to her *Big Book of Monsters* and her vivid imagination, Sophie can identify the monsters in her school and neighborhood. Clearly, the bullies are trolls and goblins. Her nice neighbor must be a good witch, and Sophie's new best friend is obviously a fairy. But what about Sophie? She's convinced she is definitely a monster because of the "monster mark" on her face. At least that's what she calls it. The doctors call it a blood tumor. Sophie tries to hide it but it covers almost half her face. And if she's a monster on the outside, then she must be a monster on the inside, too. Being the new kid at school is hard. Being called a monster is even harder. Sophie knows that it's only a matter of time before the other kids, the doctors, and even her mom figure it out. And then her mom will probably leave—just like her dad did. Because who would want to live with a real monster? Inspired by real events in the author's life, *A Monster Like Me* teaches the importance of believing in oneself, accepting change, and the power of friendship. Dinosaurs eat, rest, roar, and march, making the earth flat.

"Michael Ross was a serial killer who raped and murdered eight young women between 1981 and 1984. In 2005, the state of Connecticut put him to death by lethal injection. His crimes were horrific, and he paid the ultimate price for them. Journalist Martha Elliott was first drawn to the case when the Connecticut Supreme Court overturned Ross's six death sentences. Rather than fight for his life, Ross requested that his own execution in order to spare his victims' families from the ordeal of a new trial. Intrigued, Elliott sought an interview. The two began a weekly conversation—and developed an odd sort of friendship—that lasted over a decade, until Ross's last moments of life. Having embraced faith and undergone extensive medical treatment in prison, the Michael Ross whom Elliott knew seemed to be a different man from the monster who was capable of such heinous crimes. This Michael Ross made it his mission to share his story with Elliott in the hopes that it would save lives. In *The Man in the Monster*, Martha Elliott gives us a groundbreaking look into the life and motivation of a serial killer, revealing the all-too-human face of unspeakable evil."--Page 4 of cover

A sleep deprived kid creates monsters of his own to banish the ones that are keeping him awake in this fiendishly funny picture book that's the perfect counting and bedtime story. In graphic artist and designer Mark Gonyea's clever counting book, a little boy snuggles in for a nap, but much to his surprise, silly little monsters pop up wherever he looks. First there's one at the window, then two appear when he blinks, and three pop out when one of the monsters sneezes. Before he knows it, there are ten kooky creatures in his room. But will the little boy find a way to outsmart those pesky pests?

Can you survive the snotpocalypse? Jackson Hart loves picking his nose. But when he finds a tiny warrior in his booger, everything turns WEIRD and DANGEROUS! Not only does he have a

civilisation of snotlings up his nose. . . one wants revenge. Mucuszar and his awful germ army have conquered both nostrils and Jackson's world is next! Can Jackson and his friends stop the snotpocalypse? Or will Mucuszar's deadly creation destroy the planet?

When seven knights of the castle are awakened by the noise from the Madcap Monster Ball, they decide to join the party, along with a little prince and a princess from a picture frame.

Frank was a monster who wanted to dance. So he put on his hat, and his shoes made in France... and opened a jar and put ants in his pants! So begins this monstrously funny, deliciously disgusting, horrifyingly hilarious story of a monster who follows his dream. Keith Graves' wacky illustrations and laugh-out-loud text will tickle the funny bone and leave readers clamoring for an encore.

A young girl meets Champ, the sea monster living in Lake Champlain, and together they explore the natural beauty of the state of Vermont.

Taking your monster on a road trip this summer? Or letting your favorite beast tag along on a family beach vacation? Wherever you and your monster are traveling, Travel Guide for Monsters is full of essential tips to help you both enjoy the sights from coast to coast--and avoid monster-related mishaps.

A crucial, genre-bending tale, equal parts Ned Vizzini and Patrick Ness, about the life-saving power of friendship. Solomon and Ash both experienced a traumatic event when they were twelve. Ash lost all memory of that event when she fell from Solomon's treehouse. Since then, Solomon has retreated further and further into a world he seems to have created in his own mind. One that insulates him from reality, but crawls with foes and monsters . . . in both animal and human form. As Solomon slips further into the place he calls Darkside, Ash realizes her only chance to free her best friend from his pain is to recall exactly what happened that day in his backyard and face the truth—together. Fearless and profound, Sam J. Miller's follow up to his award-winning debut novel, The Art of Starving, spins an intimate and impactful tale that will linger with readers.

From Number One bestselling author David Walliams comes a hilarious and heartwarming picture book, brilliantly illustrated by the artistic genius, Tony Ross. Up at the North Pole, a big furry polar bear is swimming, fishing and eating. But when she nods off and finds herself far from home, she thinks things can't get any worse. But they can ... Much worse! An outrageously funny picture book with an incredibly heartwarming message about celebrating difference - in all its forms.

Benny is afraid of the dark. But most of all Benny is afraid of the Boogie Monster! One night after his mummy tucks him into bed, Benny stumbles into a mysterious land where he comes face to face with his greatest fear - the Boogie Monster! However, when the Boogie Monster begins tapping his feet to the sound of music, Benny realises perhaps things are not as scary as they seem.

The Last Kids on Earth meets Goosebumps in this hilarious new series about a secret society of babysitters who protect kids from the monsters that really do live under their beds! When middle schooler Kelly Ferguson's Halloween plans switch from party-going to babysitting, she thinks the scariest part of her night will be the death of her social life. But then Baby Jacob gets kidnapped by the Boogeyman's minions and Kelly learns there's a whole lot more to childcare than free snacks and Netflix. Like chasing shadow monsters, drop-kicking Toadies, and mastering monster-fighting moves like the Naptime Headlock and Playground Punch. Now, with the help of an ancient handbook and a secret society of butt-kicking babysitters, Kelly sets out to destroy the Boogeyman before he brings Jacob's nightmares to life. But when the monsters' trail leads to her school's big Halloween bash, Kelly will have to prove she can save the world—without totally embarrassing herself in front of her friends. Packed with black-and-white illustrations and insider secrets from the world of monster hunting, A Babysitter's Guide to Monster Hunting is full of tricks, treats, and terrifying twists!

Skeleton is dancing his way to a Halloween party, but as he grooves across town, he keeps stumbling, tumbling, and falling apart.
