Patricia escaped, but so did her captors — and the items stolen from her family were never recovered. Until now. For the first time in years, the authorities have a lead — not only on Patricia's kidnapping, but also on another FBI cold case — with the suitcase and painting both pointing them toward one man. Windsor Horne Lockwood III — or Win, as his few friends call him — doesn't know how his suitcase and his family's stolen painting ended up with a dead man. But his interest is piqued, especially when the FBI tells him that the man who kidnapped his cousin was also behind an act of domestic terrorism — and that the conspirators may still be at large. The two cases have baffled the FBI for decades, but Win has three things the FBI doesn't: a personal connection to the case; an ungodly fortune; and his own unique brand of justice.

Canada's beloved comic genius tells his own story for the first time. What is Rick Mercer going to do now? That was the question on everyone's lips when the beloved comedian retired his hugely successful TV show after 15 seasons—and at the peak of its popularity. The answer came not long after, when he roared back in a new role as stand-up-comedian, playing to sold-out houses wherever he appeared. And then Covid-19 struck. And his legions of fans began asking again: What is Rick Mercer going to do now? Well, for one thing, he's been writing a comic masterpiece. For the first time, this most private of public figures has turned the spotlight on himself, in a memoir that's as revealing as it is hilarious. In riveting anecdotal style, Rick charts his rise from highly unpromising schoolboy ("Rick still owes 15 dollars to the chocolate bar fundraiser" was one of the less brutal items on a typical report) to heights of TV fame, by way of an amazing break as a teenager when his one-man show, "Show Me the Button, I'll Push It. Or, Charles Lynch Must Die," became an overnight sensation—thanks in part to a bizarre ambush by its target, Charles Lynch himself. That's one story you won't soon forget, and this book is full of them. There's the tale of how little Rick stole a tree from the neighbours that's set to become a new Christmas classic. There's Rick the aspiring actor—hitting the road as a new young punk in a vanload of hippies and appearing on stage in Shakespeare—and a wealth of behind-scenes revelations about *This Hour Has 22 Minutes*, *Made in Canada*, *Talking to Americans* and the coming of the mega-hit *Rick Mercer Report*. It's a life so packed with incident and laughter we can only hope that a future answer to "What is Rick Mercer going to do now?" is: "Write volume two."
