Usability is not enough. This book shows what it takes to design a site so browsers become buyers: the ultimate measurement of success for an e-commerce site. Designing Persuasive Web Sites: Submit Now examines how customers search, evaluate, and make decisions realistically-not using marketing guesstimates. This book focuses on changing the mindset from selling to customers to helping them buy. It begins by exploring how customers make decisions and how that integrates with the online experience. It presents tangible design ideas that can be instantly applied to sites to make them more effective. Real examples are used to provide insight and inspiration that can be directly applied to a multitude of sites. The book provides a simplified description of the essential process necessary for designing a site that gets visitors to click. It concludes with guidelines to for designing any transaction-oriented site.

In 1776, after witnessing the execution of Nathan Hale in New York City, which was newly occupied by the British army, young Sophia Calderwood resolves to do all she can to help the American cause, including becoming a spy.

Among the many fatalities attending the bloom of young desire, that of blindly taking to the confectionery line has not, perhaps, been sufficiently considered. How is the son of a British yeoman, who has been fed principally on salt pork and yeast dumplings, to know that there is satiety for the human stomach even in a paradise of glass jars full of sugared almonds and pink lozenges, and that the tedium of life can reach a pitch where plum-buns at discretion cease to offer the slightest excitement?

'Ulysses' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris. 'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers the reader a life-changing experience. Publisher : General Press

This book includes reports that managers originate often, reports they may create occasionally, organizational policies, procedures, and work instructions. Inside, the reader will discover guides for creating over 20 diverse reports; designing report forms; planning, writing, and formatting narrative reports; producing digital and print employee manuals; and locating the service providers and software that can improve your reports' cost-effectiveness.
