Buffy experiences Big Bad Twilight's overwhelming reach through the strange and sudden mass popularity of vampires (they even have a spokesperson with a reality TV show, Harmony Kendall!) that leads Buffy and her Slayer army to come under public scrutiny. As the world's distaste for Slayers grows, Buffy takes her troops to a refuge in the Tibetan mountains, where she hopes to receive some help from longtime friend - and werewolf - Oz. Buffy faces the ultimate betrayal and suffers through sacrifice as she scrambles to finally put an end to Twilight and save the world from complete destruction.

Buffy and her crew get their fight on, as they try to take control of the new rules of magic! While new living arrangements take some getting used to, Buffy and the Scoobies head for adventure in Sunnydale, where Andrew is up to his good/bad/old tricks again. And as everyone continues to feel the responsibility of writing the new magical rules, they are tempted by what new rules can do for them . . . just like the Big Bads who have come knocking on Buffy's door!

Narrowly escaping an initial encounter, the gang travels to the future to recruit Fray and learn of their dismal fate should they fail to defeat this legion that has invaded the present. This is the reckoning - and it could be the end of Buffy, Fray, and all the Slayers, forever.
