Engage Students—"ViewPoints" photo captions make every interior photo a truly integrated and pedagogically sound part of the text by presenting a substantive issue to stimulate class discussion and to provide insight into the ways in which interpersonal communication works. "Interpersonal Choice Points," brief scenarios asking students to apply the material in the chapter to a specific interaction, encourage them to apply the research and theory discussed in the text to real-life situations. Explore Examples of interpersonal communication in a variety of contexts: culture, gender, technology, workplace, and ethics. Emphasize Learning Outcomes — — Objectives preface each chapter and provide a clear statement of what the reader should learn (knowledge) and be able to do (skill) after reading the chapter. Understand Theory and Research — Contemporary theory and research findings are included throughout and are referenced in APA format. "Understanding Interpersonal Theory & Research" boxes in every chapter highlight relevant theories and research and help illustrate how theory can be provocative and often practical.
