In this latest addition to the Kissing Hand book collection, Chester Raccoon must learn to deal with another common problem of childhood: a bully at school. When Mrs. Raccoon learns that there is a bully problem at school, she decides to investigate the situation. But after seeing the bully for herself, she shares a story about a forest that was full of smooth yellow stones, and how the animals living there changed a pointy stone they found into a smooth stone so that it wouldn't hurt any tender paws. Chester, Ronny, and Cassy follow the spirit of Mrs. Raccoon's story when they next encounter the Bully. Approaching him as a group, they invite him to play, proving that the best way to get rid of an enemy is to make him or her a friend. This book encourages children to understand that many child bullies are themselves unhappy and gives readers a good example of settling differences by peaceful means. Educators will embrace this story about a positive strategy for dealing with a bully.

The sequel to National Book Award Finalist Ghost and a New York Times bestseller A newbie to the track team, Patina must learn to rely on her teammates as she tries to

outrun her personal demons in this follow-up to the National Book Award finalist *Ghost* by New York Times bestselling author Jason Reynolds. *Ghost*. Lu. Patina. Sunny. Four kids from wildly different backgrounds with personalities that are explosive when they clash. But they are also four kids chosen for an elite middle school track team—a team that could qualify them for the Junior Olympics if they can get their acts together. They all have a lot to lose, but they also have a lot to prove, not only to each other, but to themselves. Patina, or Patty, runs like a flash. She runs for many reasons—to escape the taunts from the kids at the fancy-schmancy new school she’s been sent to ever since she and her little sister had to stop living with their mom. She runs from the reason WHY she’s not able to live with her “real” mom any more: her mom has The Sugar, and Patty is terrified that the disease that took her mom’s legs will one day take her away forever. And so Patty’s also running for her mom, who can’t. But can you ever really run away from any of this? As the stress builds, it’s building up a pretty bad attitude as well. Coach won’t tolerate bad attitude. No day, no way. And now he wants Patty to run relay...where you have to depend on other people? How’s she going to do THAT?

She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they

killed her to harvest her cells? And if her mother was so important to medicine, why couldn't her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

"Sentimental, heartfelt...the exploration of Henry's changing relationship with his family and with Keiko will keep most readers turning pages...A timely debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don't repeat those injustices."-- Kirkus Reviews "A tender and satisfying novel set in a time and a place lost forever, *Hotel on the Corner of Bitter and Sweet* gives us a glimpse of the damage that is caused by war--not the sweeping damage of the battlefield, but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel." -- Garth Stein, New York Times bestselling author of *The Art of Racing in the Rain* "Jamie Ford's first novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. An impressive, bitter, and sweet debut." -- Lisa See, bestselling author of *Snow Flower and the Secret Fan*

In the opening pages of Jamie Ford's stunning debut novel, *Hotel on the Corner of Bitter and Sweet*, Henry Lee comes upon a crowd gathered outside the Panama Hotel, once the gateway to Seattle's Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry's world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. While "scholarshipping" at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of blackouts, curfews, and FBI raids, Henry and Keiko forge a bond of friendship--and innocent love--that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel's dark dusty basement he begins looking for signs of the Okabe family's belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice--words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and volatile times in American history, *Hotel on the Corner of Bitter and Sweet* is an extraordinary story of commitment and enduring hope. In *Henry and Keiko*, Jamie Ford has created an unforgettable duo whose story teaches us of the power of forgiveness and the human heart.

BONUS: This edition contains a *Hotel on the Corner of Bitter and Sweet* discussion guide and an excerpt from Jamie Ford's *Songs of Willow Frost*.

In this new *Kissing Hand* board book, Audrey Penn brings us more maternal wisdom to solve another of early childhood's little issues. After Chester lands, in the Times Square subway station, he makes himself comfortable in a nearby newsstand. There, he has the good fortune to make three new friends: Mario, a little boy whose parents run the falling newsstand, Tucker, a fast-talking Broadway mouse, and Tucker's sidekick, Harry the Cat. The escapades of these four friends in bustling New York City makes for lively listening and humorous entertainment. And somehow, they manage to bring a taste of success to the nearly bankrupt newsstand. Join Chester Cricket and his friends in this classic children's book by George Selden, with illustrations by Garth Williams. *The Cricket in Times Square* is a 1961 Newbery Honor Book.

A more-than-memorable allegory that will teach you to embrace change, develop superior critical-thinking skills, and solve any problem that comes your way by using teamwork. Engage the Fox is a charismatic business fable set at a newspaper run by publisher Hedgehog, and his executive team of woodland creatures. When met with a difficult decision regarding where the newspaper industry is headed, as well as pressure to give discounts to their top advertisers, Hedgehog engages consultant Thaddeus P. Fox to teach the team at *The Toad Hollow Gazette* how to make important decisions. By thinking critically and utilizing the different personality types present in the office, the team learns to see the big picture and tap the energy and imagination of everyone. The animals portrayed here, by their very nature, represent different aspects of the human personality as illustrated in the Myers-Briggs Type Indicator. Sensing sales manager Squirrel is adept at gathering information; feeling Animal relations director Dog is keen on seeking agreement amongst the pack; thinking finance director Owl needs to know the entirety of a situation before settling on a decision; and intuitive consultant Fox can think up an endless amount of ideas for solving problems. The authors base their book on Lawrence Chester's popular course in critical thinking that helps participants identify the cause of problems large and small and generate better, more implementable solutions. That process incorporates four key critical thinking skills that businesspeople can develop to help them evaluate their options as they learn how to manage complex, messy issues in a systematic way that ensures stakeholder buy-in and increases their success rate. Lawrence and Chester have created an entertaining imaginary world where the memorable management team that has lived and breathed their industry for decades "engages the fox" as they undergo a strategic shift. They recognize the need to involve someone with an outside perspective who is adept at navigating change. Enter the hero, for, as is often quoted in management and political theory, "The fox knows many things; the hedgehog one big thing." Literally and figuratively, it seems.

Critically acclaimed author Cammie McGovern presents a heartwarming and humorous middle grade novel about the remarkable bond that forms between an aspiring service dog and an autistic boy in need of a friend. "Joyful, inspiring, and completely winning, Chester and Gus is unforgettable," proclaimed Katherine Applegate, #1 New York Times bestselling author of the

Newbery Medal winner *The One and Only Ivan*. Chester has always wanted to become a service dog. When he fails his certification test, though, it seems like that dream will never come true—until a family adopts him. They want him to be a companion for their ten-year-old son, Gus, who has autism. But Gus acts so differently than anyone Chester has ever met. He never wants to pet Chester, and sometimes he doesn't even want Chester in the room. Chester's not sure how to help Gus since this isn't exactly the job he trained for—but he's determined to figure it out. Because after all, Gus is now his person. In the spirit of beloved classics like *Because of Winn-Dixie*, *Shiloh*, and *Old Yeller*, Cammie McGovern's heartfelt novel—told from Chester's point of view—explores the extraordinary friendship between a child and a dog with a poignant and modern twist.

Harriet Jacobs was born into slavery; it's the only life she has ever known. Now, with the death of her mistress, there is a chance she will be given her freedom, and for the first time Harriet feels hopeful. But hoping can be dangerous, because disappointment is devastating. Harriet has one last hope, though: escape to the North. And as she faces numerous ordeals, this hope gives her the strength she needs to survive. Based on the true story of Harriet Ann Jacobs, *LETTERS FROM A SLAVE GIRL* reveals in poignant detail what thousands of African-American women had to endure not long ago. It's a story that will enlighten, anger, and never be forgotten.

Chester Raccoon's good friend Skiddel Squirrel has had an accident and will not be returning - ever. Chester is upset that he won't get to play with his friend anymore. Mrs. Raccoon suggests that Chester and his friends create some memories of Skiddel, so that they will have good memories when they miss him. Chester, his brother Ronny, and their friends decide to gather at the pond, where they combine their memories and create a touching celebration of their friend's life. Many young children must face the loss of loved ones or the need to attend a funeral. This sweet story will help children to understand the positive purpose behind memorial services and how "making memories" can provide cheer and comfort when missing an absent loved one.

In 1906, sixteen-year-old Mattie, determined to attend college and be a writer against the wishes of her father and fiance, takes a job at a summer inn where she discovers the truth about the death of a guest. Based on a true story. Slowly Jack learns the pleasures of writing poetry as Miss Stretchberry encourages him to tell his own story through verse. What emerges is a moving and memorable story about a boy and his dog and his growing passion for poetry.

A chilling yet redemptive post-apocalyptic debut that examines community, motherhood, faith, and the importance of telling one's own story. When 95 percent of the earth's population disappears for no apparent reason, Mira does what she can to create some semblance of a life: She cobbles together a haphazard community named Zion, scavenges the Piles for supplies they might need, and avoids loving anyone she can't afford to lose. She has everything under control. Almost. Four years after the Rending, Mira's best friend, Lana, announces her pregnancy, the first since everything changed and a new source of hope for Mira. But when Lana gives birth to an inanimate object--and other women of Zion follow suit--the thin veil of normalcy Mira has thrown over her new life begins to fray. As the Zionites wrestle with the presence of these Babies, a confident outsider named Michael appears, proselytizing about the world beyond Zion. He lures Lana away and when she doesn't return, Mira must decide how much she's willing to let go in order to save her friend, her home, and her own fraught pregnancy. Like *California* by Edan Lepucki and *Station Eleven* by Emily St. John Mandel, *The Rending and the Nest* uses a fantastical, post-apocalyptic landscape to ask decidedly human questions: How well do we know the people we love? What sustains us in the midst of suffering? How do we forgive the brokenness we find within others--and within ourselves?

Over 130 timeless piano melodies, brought together in a single high-quality volume for you to play at home. This outstanding collection puts some of the world's greatest piano music at your fingertips and makes it easy to play. All pieces specially arranged by Carol Barratt.

Chester and Wilson share the same exact way of doing things, until Lilly moves into the neighborhood and shows them that new ways can be just as good.
