The National Council for Interior Design Qualification (NCIDQ) certifies interior designers through a nationally administered exam. Professional Publications's study package for this exam includes a comprehensive subject review book and a practice exam for the part of the test examinees fail most often. For the thousands of interior designers in the United States and Canada each year who take the National Council for Interior Design Qualification (NCIDQ) certification exam, the Interior Design Reference Manual is the ultimate study guide -- the only one recommended by the NCIDQ. Passing the exam is a prerequisite for membership in the American Society of Interior Designers (ASID), the Interior Designers of Canada (IDC), and the International Interior Design Association (IIDA). The Interior Design Reference Manual covers all exam topics -- organized in sections that correspond to the major divisions of the test -- and reinforces key concepts with numerous illustrations and tables. More than 200 practice problems with solutions give readers practice with all types of questions on the exam.

Covering all Pacific islands involved in World War II military operations, this book is a detailed, single source of information on virtually every geo-military aspect of the Pacific Theater.

Arranged regionally and, to the extent possible, chronologically according to when islands entered the war, entries provide complete background information. Along with island names, nicknames, Allied code names, location, and wartime time zones, the entries include such topics as the island's physical characteristics, weather, health hazards, historical background, native population, natural resources, and military value. Japanese and Allied strategies and operations, military problems caused by terrain, military installations, Japanese units and key commanders, Allied units and key commanders, and brief battle descriptions are also covered along with the island's postwar status. A valuable resource for researchers, historians, military history enthusiasts, and war gamers, the book provides complete background information on the geo-military aspects of the Pacific Ocean region, its islands, and the roles they played in the war. 108 maps provide specific information. Until now, geo-military information could only be found by searching four to ten publications on each island.

Bestselling author and pastor Chris Hodges helps those struggling with depression find liberating solutions by drawing from the life of the prophet Elijah. Shame about the dark thoughts swirling in your mind. Guilt about how powerless you feel to overcome negative emotions. Alternating bouts of sadness and numbness. You might be asking, Should a Christian even be having these struggles? Depression is the number one health issue in the world today, yet those who suffer are still sometimes stigmatized—especially followers of Jesus. Many assume God's peace, power, and protection should prevent us from ever feeling anxious, depressed, and afraid. But the Bible teaches otherwise, particularly in its depiction of the life of the Old Testament prophet Elijah. In *Out of the Cave*, bestselling author and pastor Chris Hodges uses Elijah's life to show us that everyone is susceptible to depression. Even when we're walking closely with God, we can still stumble and get lost in the wilderness of tangled emotions. But we don't have to stay there, because we serve a God who meets us in the darkness. *Out of the Cave* helps us remove the stigma of depression and realize we're not alone; understand the ways our temperament and view of God affect the way we handle depression; and learn a comprehensive approach to wellness—mind, body, and soul—from Elijah's journey. With his trademark blend of Bible-based wisdom, practical application, and vulnerability in sharing his personal struggles, Hodges explores the causes of depression we can't change, the contributors we can conquer, and offers transformative hope and spiritual power to help us win the battle.

"Cast aside your cares and worries. Make yourself a Mai Tai, put your favorite exotica record on the hi-fi, and prepare to lose yourself in the fantastical world of tiki, one of the most alluring--and often misunderstood--movements in American cultural history. Martin and Rebecca Cate, founders and owners of Smuggler's Cove (the most acclaimed tiki bar of the modern era) take you on a colorful journey into the lore and legend of tiki: its birth as an escapist fantasy for Depression-era Americans; how exotic cocktails were invented, stolen, and re-invented; Hollywood starlets and scandals; and tiki's modern-day revival. Featuring more than 100 delicious recipes (original and historic), plus a groundbreaking new approach to understanding rum, *Smuggler's Cove* is the magnum opus of the contemporary tiki renaissance. Whether you're looking for a new favorite cocktail, tips on how to trick out your home tiki grotto, help stocking your bar with great rums, or inspiration for your next tiki party, *Smuggler's Cove* has everything you need to transform your world into a Polynesian Pop fantasia"--

Introducing a remarkable new self-study guide for the law school admission test... The LSAT Trainer. Your LSAT score is the most important part of the law school admissions process. It is far more important than your essays, your recommendations, your GPA, where you went to college, or where you come from. A top LSAT score can open doors for you that would be virtually impossible to open otherwise. Most people are capable of drastically improving their scores with the right preparation. Most people score about the same on the actual exam as they do on their first diagnostic. The LSAT Trainer is the most advanced and effective LSAT learning system ever developed. No other book has ever explained the LSAT with as much depth and clarity, or presented strategies that are as simple, intuitive, and effective. But that's not what makes The LSAT Trainer truly special... Other books are designed to help you

understand The LSAT. And that's what we expect our academic books to do. But the LSAT is not a test of what you know. Arguably, a super-smart eighth grader with no advanced training but great reading skills and common sense can get a perfect score on the exam. The LSAT is a test of how you think. The LSAT Trainer is a workbook--it is specifically designed to help you get better and better at thinking through and solving LSAT questions. Lessons and strategies are carefully combined with pinpointed drills and hundreds of real LSAT problems to help you transform what you read about into what you can do. Other books can help you understand the LSAT. The LSAT Trainer will help you get better at it.

For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

PgMP® Exam Practice Test and Study Guide, Fourth Edition is the book you need to pass the Program Management Professional (PgMP®) exam the first time around. It reflects recent revisions based on PMI®'s Standard for Program Management - Third Edition (2013). Based on best practices that complement PMI®'s standards, this is the most comprehensive and up-to-date resource available to help you prepare for the exam with new and changed terminology. It includes a list of the major topics covered on the exam organized by the five performance domains—strategic program management, program life cycle, benefits management, stakeholder management, and governance—as presented in the Program Management Professional Examination Content Outline. It also includes helpful tips on how to make the most of the time you have available to prepare for the exam. Just like its bestselling predecessors, this indispensable study guide includes 20 multiple-choice practice questions for each domain along with a comprehensive answer key. The program life cycle domain includes 20 questions for each of the five phases. Each question also has a plainly written rationale for each correct answer with bibliographic references for further study. Two challenging, 170-question practice tests that simulate the actual exam are included in the book and online, so you can retake them as many times as necessary. They also include a rationale and reference. Scores for the online tests are presented as if each question is rated similarly, but this edition also includes a new component: the authors' own weighting system for the level of difficulty for each question. This system will show you what they feel meets the exam's criteria for Proficient, Moderately Proficient, and below Proficient. You then will see your scores by domain in both approaches. Supplying an insider's look at the questions, terminology, and sentence construction you will encounter on the day of the exam, this indispensable study tool is designed to help you pass the exam and achieve the highly sought after PgMP® certification.
