These Study Guides have been developed exclusively with the Caribbean Examinations Council (CXC(r)) to be used as an additional resource by candidates who are following the Caribbean Secondary Education Certificate (CSEC(r)) programme. They provide candidates with extra support to help them maximise their performance in their examinations.

This book provides practical guidance to the contemporary manager, stressing the critical thinking and problem solving skills required to navigate today's complex business environments. This edition also stresses the role of technology and the dramatic rise and importance of social media and data driven decision making. Framed around the functional areas of management- Planning, Organizing, Staffing, Influencing, and Controlling--the authors continue to emphasize the need for organizations and their people to be guided by effective leadership and continuous improvement. Each chapter includes a series of box inserts providing a deeper insight into specialized areas of management. Global Applications features the successful application of one or more of a chapter's concepts from the practice of management in non-U.S. situations. Ethical Management boxes showcase managers facing decisions that contain a variety of issues and

consequences for themselves and others. Valuing Diversity and Inclusion boxes depict unique ways in which organizations show appreciation for their diverse employees. Managing Social Media boxes focus on managers' use of technology in various aspects of management, as well as its impact on the manager and the organization."
