'I Hate Everyone'. In our worst moods, it's a phrase you just want to shout out loud, even if deep down, you don't really mean it. Set at a birthday party, the disgruntled first-person narration portrays the confusing, often contradictory feelings that can sometimes make it impossible to be nice - particularly when what you might need most is for someone to be nice to you. A gorgeous, poetic contemplation, sure to elicit a reaction from readers. A worthy successor to *Alexander and the Terrible, Horrible No-Good Very Bad Day*.

Neglected beyond belief, rescued by love... Dani was so severely neglected by her birth mother that she grew up knowing only squalor. She never went to school or the doctor, and rarely glimpsed sunlight. Desperately malnourished, she couldn't talk and had never been toilet-trained. The social worker who took her into care had never heard of a case so horrific. The doctors believed Dani would never recover from such a terrible start in life. Then she met the Lierows - a unique, blended family who were seeking to adopt a child. Despite being warned that she was way beyond hope of a normal life, they were instantly drawn to her and sensed a bright light behind her pale complexion. When they finally adopted her, they showered Dani with so much affection and encouragement that she came to life for the first time. Proving all the experts wrong, Dani would go on to open up and express herself in a way that no-one could have expected. Dani's remarkable and heartwarming story is a testament of the power of kindness to overcome even the most seemingly insurmountable challenges.

A "furious and addictive new novel" (The New York Times) about mothers and daughters, and one woman's midlife reckoning as she flees her suburban life, from the renowned author of Stone Arabia and Eat the Document "An urgent, deeply moving, wholly original novel by one of the most wildly talented writers in America. --George Saunders On the heels of the election of 2016, Samantha Raymond's life begins to come apart: her mother is ill, her teenage daughter is increasingly remote, and at fifty-two she finds herself staring into the Mids--that hour of supreme wakefulness between three and four in the morning in which women of a certain age suddenly find themselves contemplating motherhood, mortality, and, in this case, the state of our unraveling nation. When she falls in love with a beautiful, decrepit house in a hardscrabble neighborhood in Syracuse, she buys it on a whim and flees her suburban life--and her family--as she grapples with how to be a wife, a mother, and a daughter, in a country that is coming apart at the seams. Dana Spiotta's Wayward is a stunning novel about aging, about the female body, and about female difficulty--female complexity--in the age of Trump. Probing and provocative, brainy and sensual, it is a testament to our weird, off-kilter America, to reforms and resistance and utopian wishes, and to the beauty of ruins. Tremendous new work from one of the most gifted writers of her generation.

Inspired by the true story of an African childhood lived on the edge of destitution, award-winning Elizabeth Laird's The Garbage King takes readers on an unforgettable emotional journey. When Mamo's mother dies, he is abandoned in the shanties of Addis Ababa. Stolen by a child-trafficker and sold to a farmer, he is cruelly treated. Escaping back to the city, he meets another, very different runaway. Dani is rich, educated - and fleeing his tyrannical father. Together they join a gang of homeless street boys who survive only by mutual bonds of trust and total dependence on each other.

Two children are fascinated by the vehicles that surround them. Big, small, noisy, quiet, an endless stream passes through the streets each day, and the children wave them all goodbye. But exciting though they are, many vehicles also have a damaging impact on the environment. Is there a better way to get around? A greener alternative, BYE, CAR takes a positive look into the future.

This essential new textbook meets the challenges faced by those who work with children in order to provide safe and effective practice. It identifies the ways in which social work and psychology need to work together to achieve this. Misca and Unwin reflect on the need for 'research mindedness' in social work education, and offer an invaluable critical analysis of current knowledge of child and adolescent psychology theory and research to help inform best social work practice. Whether a student on a qualifying course or an experienced practitioner, this is essential reading for social workers and psychologists working with children and adolescents.

My Best Friend, Sometimes is an empathic and honest portrait of the delight in these relationships, but also the confusion, jealousy and vulnerability that can result. "Stephanie and I like each other. And we don't like each other. Both." It all begins on the day Stephanie proposes, "If you give me a cookie, I'll be your best friend." From then on, the two girls are inseparable, but not always at peace. They love to giggle, whisper, observe their classmates, and share their most outlandish, secret dreams. But sometimes they are at odds. Some days one doesn't feel like sharing. Taking turns isn't always easy. If they can't agree on a game to play, who decides? One day it seems like Stephanie is mad for no reason at all. The ups and downs of friendship can be steep, and often unpredictable. My Best Friend, Sometimes navigates the path of two girls moving towards, away from, and back to each other again.

This is the last installment in a trilogy about my hometowns involvement in our countrys mid-twentieth-century wars. I researched the pages of the Nashua Telegraph from 1060 through 1973, looking for names, leads, and stories about local men and women who participated in Americas most contentious war. The paper published news and features from Derry/Salem, east of Nashua, west to Jaffrey/Rindge, and north to New Boston. The Nashua Telegraph also covered Tyngsboro, Pepperell, and Dunstable, Massachusetts. Sadly, times for newspapers have changed, and the Telegraph has a much-reduced coverage area.

Dani's mother has just got married - and Dani has acquired an awful new stepsister who doesn't want to have anything to do with her. To make things worse Dani has to move house and school - to the same school as Lalita, her stepsister. She confides in her beloved gran, who gives her a special gift to help distract her from all the turmoil. It's a copy of her diary that she kept as a child, detailing everything happened to her when her family moved from India to England in the 1960s. It's in Punjabi, so Dani knows she's going to have to work hard to read it but as soon as she starts she knows it'll be worth it. Reading about her gran's friendship with the mischevious Milly is hugely fun and soon it becomes clear there's even more to the story. Dani will have to delve deep to figure out what really happened all those years ago - and specifically what happened to Milly. Can the past help with her future too?

"David Sedaris's ability to transform the mortification of everyday life into wildly entertaining art," (The Christian Science Monitor) is elevated to wilder and more entertaining heights than ever in this remarkable new book. Trying to make coffee when the water is shut off, David considers using the water in a vase of flowers and his chain of associations takes him from the French countryside to a hilariously uncomfortable memory of buying drugs in a mobile home in rural North Carolina. In essay after essay, Sedaris proceeds from bizarre conundrums of daily life--having a lozenge fall from your mouth into the lap of a fellow passenger on a plane or armoring the windows with LP covers to protect the house from neurotic songbirds--to the most deeply resonant human truths. Culminating in a brilliant account of his venture to Tokyo in order to quit smoking, David Sedaris's sixth essay collection is a new masterpiece of comic writing from "a writer worth treasuring" (Seattle Times). Praise for *When You Are Engulfed in Flames*: "Older, wiser, smarter and meaner, Sedaris...defies the odds once again by delivering an intelligent take on the banalities of an absurd life." --Kirkus Reviews This latest collection proves that not only does Sedaris still have it, but he's also getting better....Sedaris's best stuff will still--after all this time--move, surprise, and entertain." --Booklist

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That’s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That’s where Will’s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother’s gun. He gets on the elevator, seventh floor, stoked. He knows who he’s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that’s when Will sees that one bullet is missing. And the only one who could have fired Shawn’s gun was Shawn. Huh. Will didn’t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck’s in the elevator? Just as Will’s trying to think this through, the door

And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

The shocking true story of a bizarre kidnapping and the victims' re-victimization by the justice system. In March 2015, Denise Huskins and her boyfriend Aaron Quinn awoke from a sound sleep into a nightmare. Armed men bound and drugged them, then abducted Denise. Warned not to call the police or Denise would be killed. Aaron agonized about what to do. Finally he put his trust in law enforcement and dialed 911. But instead of searching for Denise, the police accused Aaron of her murder. His story, they told him, was just unbelievable. When Denise was released alive, the police turned their fire on her, dubbing her the "real-life 'Gone Girl'" who had faked her own kidnapping. In *Victim F*, Aaron and Denise recount the horrific ordeal that almost cost them everything. Like too many victims of sexual violence, they were dismissed, disbelieved, and dragged through the mud. With no one to rely on except each other, they took on the victim blaming, harassment, misogyny, and abuse of power running rife in the criminal justice system. Their story is, in the end, a love story, but one that sheds necessary light on sexual assault and the abuse by law enforcement that all too frequently compounds crime victims' suffering.
