She's supposed to help them adjust to being around dragon-shifters while also observing how the clan works on a day-to-day basis. She most definitely isn't supposed to notice how one look from a certain dragonman teacher sets her skin on fire, let alone ask him to kiss her in a weak

moment, given her past. Alistair Boyd spends most of his time in the clan's archives, searching for a solution to fulfill the vow he made to himself three years ago. However, when his clan leader orders him to educate the latest group of humans to come to Lochguard, he has no choice but to cut back and do his clan duty. One of the females in particular catches his eye, but he tries to resist her. After all, he made an important vow. One that includes staying away from females until it's complete. One weak moment results in a kiss that changes both Kiyana and Alistair's lives forever.

Unfortunately, a clan emergency means keeping Alistair's dragon silent, for more days than he'd like. Will Alistair's duty to clan end up harming his dragon and pushing away the woman who is his second chance? Or, will he beat the clock to have everything he didn't know he wanted?

Another Dragon Fantasy for everyone who fell in love with the Dragon Lore Series and my other dragon-saturated books. By his own admission, Johan's always been one stubborn bastard. He's wedded to his freedom, and the thought of bonding with a dragon has some pretty serious downsides. If he doesn't sign on to become magical, though, he'll be left behind—also not an acceptable outcome. Distant relatives to dragons, sea-serpents are gaining strength shockingly fast. Breeding farms spring up on distant outposts, spitting out all manner of evil. Banished eons ago by the dragon god, the serpents are making a comeback. As the dragons seek allies, they uncover still more atrocities. Katya, dragon shifter and twin to the dragons' prince, thought she wanted Johan as her mate, but he has more rough edges than she counted on.

Besides, the serpent problem supersedes everything. She's used to dragons being in charge, but when a serpent almost steals her will, it's quite the wakeup call her magic isn't as potent as she always assumed. Is the age of dragons drawing to a close? Excerpt: Faith's face grew hot with embarrassment and shame, and she looked away to stare at the ground. The dragon-man came closer, until he was standing over her. She cringed as he reached out and laid a hand on her head. He stroked her hair once, and she just had time to wonder what he was

doing, before he wound his fingers in the dark tresses. Then he bent lower, and pulled her hair with a painful yank, so that she was forced to get up onto her knees. His hand still entwined, he positioned her head so that she had to look at him. She let out a pained whimper, the fear taking hold again. Her heart thudded in her chest as she stared into his handsome face. The dragon's eyes were still fixed intently on hers, his expression mild. Her lips fell open and she was about to speak - to plead, or curse - when he spoke. "Now, rebellious one." He purred. "You see that I can give you pleasure, but I am quite willing to cause you pain, if I have to. You are mine. The sooner you learn that, the better it will be for you." He seemed to wait then, staring at her patiently. He expected a response. Faith swallowed hard, and nodded. A final tear squeezed from the corner of her eye and slid down her cheek, and she knew she could cry no more. All hope had fled, leaving her feeling numb and empty. She just wished that having her acquiescence, he might leave her alone for a while. A drastic change came over his face then. The glowing in his eyes faded, leaving them placid and dark. His brow smoothed, and his expression became almost tender. His hand loosened its hold on her hair, and suddenly he was caressing her again. Then the dragon smiled, his full lips tilting up at the edges. The smile transformed his face. He was really incredibly handsome. No... handsome was not the right word. He was

beautiful. Though her heart still beat hard, something in her shifted then. A queer thrill that started in her belly and settled lower, in her sex. Faith had to look away, angry at herself. "What is your name?" He asked her. "Faith." She murmured. He made a pleased sound; stroking her hair, lifting an end and inspecting it. "I am Inaeth. I will be your mate for life... if you please me." "And... if I don't please you?" She dared, her voice little more than a whisper.

As future king, Ash's destiny has always been to mate with a female dragon and rule over the clan. But fate has a funny way of screwing things up. After Ash's parents are murdered and their kingdom is destroyed, Ash doesn't care about the throne; all he wants is revenge. Then he finds her. His mate. But she's human, which threatens any right Ash has to the throne. Not to mention completely against the rules. Finley and all her desirable curves make him and his dragon drool, and despite his best efforts, nothing can keep him away. The craze is threatening Ash's dragon. If it takes over, it'll mean death for the prince. The only cure is claiming his mate. But he's got more important things to think about. Like revenge and keeping his family safe. As Finley gets sucked right into the middle of his plot for revenge, Ash and Finley must battle not just against the dragon shifter prince who destroyed his life, but against the laws that have dictated dragons for centuries.
