The perfect way to introduce children to the fascinating world of dinosaurs. Full of interesting facts--did you know some dinosaurs had sharp front teeth while others had no front teeth at all? This alphabet book explores both the known and the not-so-well known dinosaurs. Meet the heterodontosaurus (one of the smallest known to exist), the megalosaurus (the first dinosaur ever discovered), the iguanodon, the ultrasaurus, and more! Once again, Jerry Pallotta and Ralph Masiello have combined their talents to create a unique children's book that will inform and entertain young readers.

Did you know that the word "dinosaur" means "great lizard"? Have you ever heard of an animal that had to swallow thousands of pounds of plants every day to feed itself? And do you know the name of the largest known flying animal of all time? In the Age of Dinosaurs will answer all of these questions and many more, presenting a range of interactive activities, stickers, and fun facts for children. Lovingly illustrated by Olivia Cosneau, this book introduces children to the world of dinosaurs and keeps them entertained for hours through fun activities, such as sticking on the missing bottom teeth of a Tyrannosaurus rex or coloring in the back plates of a Stegosaurus. In the process children learn about the different types of dinosaurs that existed, their diet, how they hunted, how they protected their young, and other interesting facts. A quiz at the end of the book tests their knowledge.

A children's sticker book covering everything you need to know about all the different dinosaurs, from Diplodocus to Tyrannosaurus Rex, with more than 600 dinosaur stickers for kids to enjoy! Every page of this book is filled with dinosaur related activities, quizzes and interesting dinosaur facts. Paint by Sticker Kids just gets stronger and stronger, with the last three titles—Unicorns & Magic, Halloween, and Christmas—on fire. With over 1.7 million copies in print, and with sales increasing every season, it is the phenomenal activity book series that marries the joy of paint by number and coloring with every kid's favorite thing—stickers. And now add dinosaurs—what could be better? Kids will have a blast “painting” an armored Ankylosaurus, and an agile Velociraptor, now known to have been covered in feathers. And don't forget about the king of them all: a ferocious T-Rex, which could eat 500 pounds of meat in one bite! New to the series, on the back of each image is a paragraph of lively text packed with facts about the dinosaur pictured, how it lived, and how to pronounce its name. Designed especially for children and their smaller hands, the Paint by Sticker Kids series offers a quiet, completely absorbing, no-mess activity that—bonus!—encourages kids to practice number recognition without them even thinking they're doing math. The way it works is simple: Find the numbered sticker, peel it, and place it in the right space. Add the next, and the next—and see the images come to life in the “low-poly” style that uses geometric shapes. The card-stock pages are perforated, allowing the artwork to be easily removed so kids can hang them up as decorations or proudly display them on the fridge. In other words, hours and hours of artistic fun with none of the hassle or cleanup!

This bright and colourful book is ready to be filled with sticker dinosaurs, including favourites the toothy T-Rex and the powerful Diplodocus.
