

Disney Princess The Ultimate Song Collection

If a picture speaks a thousand words, a love letter speaks a thousand more . . . Even in this age of e-mail, faxes, and instant messaging, nothing has ever replaced the power of a love letter. Much the way light displays every color when passed through a prism, love letters express the spectrum of our emotions, offering a colorful glimpse into the soul of the writer, and of the writer's beloved. For passionate readers and lovers of words, a letter is irresistible. Internationally renowned collector David Lowenherz sifted through hundreds and hundreds of historical and contemporary epistles and selected the most ardent, witty, whimsical, sexy, clever, and touching letters for this inspiring collection. Unlike interviews or biographies, these letters give us marvelous insight into the lives of some of history's most famous lovers and provide intimate glimpses into the hearts of some whose fervent or amusing expressions of devotion will come as a great surprise. In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.
