A biography of the civil rights leader, covering his childhood, leadership, powerful speeches, assassination, and greatest influences.

In this biography, discover the incredible story of Anne Frank, the courageous young writer who hid from the Nazis during World War II. Anne Frank's diary is read by children and adults worldwide. It tells two stories: one of an extraordinary young girl living in hiding during one of the most fearsome times in history, and one of a relatable young girl facing the same questions and troubles that kids come up against today. Learn how both sides of this puzzle made up the person who is Anne Frank. Meet her family and friends, explore "The Annex" where they hid, and see her story put in historical context alongside information about World War II and the Holocaust, and Hitler and Nazi Germany. This new biography series from DK goes beyond the basic facts to tell the true life stories of history's most interesting people. Full-color photographs and hand-drawn illustrations complement thoughtfully written, age-appropriate text to create an engaging book children will enjoy reading. Definition boxes, information sidebars, maps, inspiring quotes, and other nonfiction text features add depth, and a handy reference section at the back makes this the one biography series every teacher and librarian will want to collect. Each book also includes an author's introduction letter, a glossary, and an index.
