her books and if you ever doubted the intelligence, ability or passion of teenage girls read her books and you never will again.” - Muchbooks reader review on Guardian Children's Books "Written with humour and warmth, Amber's story perfectly captures the emotional rollercoaster that is love: embracing all its joy and pain, whether it be for family, friends or a gorgeous boy. A really satisfying page turner.” - BookTrust "Emotive and thought provoking this searingly honest book deals with the biggest life lesson of all - nobody's perfect.” - South Wales Daily Post "Holly Bourne truly is the Queen of YA!" - Humaira Kauser, age 17, for LoveReading4Kids "Holly Bourne is hugely popular with the young adult audience. The second instalment in her Normal series tells Amber's story of first love, friendship and addiction.” - The Sunday Express "Holly Bourne's new novel demonstrates that with the right female friends, and a decent supply of cheesy snacks, a girl can get through anything... Well-written and thoughtful, this has a thoroughly authentic twenty-first century teen voice and lightens serious issues with humour.” - LoveReading4Kids "When I received this book I let out a squeal... I really love this series.” - Lucy the Reader "Hysterical" - Mslexia "The story is equal parts hilarious and heart-wrenching... I cannot get over how many times I snorted out loud whilst reading this book. You'll have to read it to see for yourself" - Fable & Table "[Holly Bourne's] writing style keeps me hooked, makes me feel things and genuinely makes me think hard about important issues. I cannot recommend her novels highly enough and I am on a mission to read them all!" -
