

Dovremmo Essere Tutti Femministi Vele Vol 105

A crisp and trenchant dissection of populism today The word 'populism' has come to cover all manner of sins. Yet despite the prevalence of its use, it is often difficult to understand what connects its various supposed expressions. From Syriza to Trump and from Podemos to Brexit, the electoral earthquakes of recent years have often been grouped under this term. But what actually defines 'populism'? Is it an ideology, a form of organisation, or a mentality? Marco Revelli seeks to answer this question by getting to grips with the historical dynamics of so-called 'populist' movements. While in the early days of democracy, populism sought to represent classes and social layers who asserted their political role for the first time, in today's post-democratic climate, it instead expresses the grievances of those who had until recently felt that they were included. Having lost their power, the disinherited embrace not a political alternative to -isms like liberalism or socialism, but a populist mood of discontent. The new populism is the 'formless form' that protest and grievance assume in the era of financialisation, in the era where the atomised masses lack voice or organisation. For Revelli, this new populism the child of an age in which the Left has been hollowed out and lost its capacity to offer an alternative.

An E. B. White Read-Aloud Honor Book A hilarious bedtime book from the award-winning creators of *I Love You Already!*, *Come Home Already!*, and *All Right*

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

Already! Bear is exhausted. All he wants is to go to sleep. Duck is wide awake. All he wants is to hang out . . . with Bear. Will Bear ever be able to catch some ZZZ's? Jory John, author of *Penguin Problems* and *The Bad Seed*, and Benji Davies, creator of *The Storm Whale* and *Tad*, join together to create this standout hilarious picture book that's perfect for bedtime read-alouds.

"A collection of essays in which Larry McMurtry reflects on what it is like to live in Texas." The myth of the cowboy grows purer every year because there are so few cowboys left to contradict it. Larry McMurtry had been living in cities for fourteen years when he pulled together these essays.

In *Where You Once Belonged*, the bestselling and award-winning novelist of *Eventide*, Kent Haruf tells of a small-town hero who is dealt an enviable hand--and cheats with all of the cards. Deftly plotted, defiantly honest, *Where You Once Belonged* sings the song of a wounded prairie community in a narrative with the earmarks of a modern American classic. In prose as lean and supple as a spring switch, Haruf describes a high school football star who wins the heart of the loveliest girl in the county and the admiration of men twice his age. Fun-loving, independent, Burdette engages in the occasional prank. But when he turns into a man, his high jinks turn into crimes--with unspeakable consequences. Now, eight years later, Burdette has returned to commit his greatest trespass of all. And the people of Holt may not be able to stop him.

The award-winning, bestselling author of *We Should All Be Feminists* and *Americanah* gives us this powerful

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

statement about feminism today—written as a letter to a friend. A few years ago, Chimamanda Ngozi Adichie received a letter from a childhood friend, a new mother who wanted to know how to raise her baby girl to be a feminist. *Dear Ijeawele* is Adichie's letter of response: fifteen invaluable suggestions—direct, wryly funny, and perceptive—for how to empower a daughter to become a strong, independent woman. Filled with compassionate guidance and advice, it gets right to the heart of sexual politics in the twenty-first century, and starts a new and urgently needed conversation about what it really means to be a woman today. A Skimm Reads Pick ? An NPR Best Book of the Year

A key text by a leading figure in Italian socialist feminism that remains relevant today, addressing the exploitation of women in the workplace and at home. Anna Kuliscioff (ca. 1854-1925) was a prominent figure in the revolutionary politics of her era, advocating for socialism and feminism. One of the founding members of the Italian Socialist Party, she actively contributed to the late-nineteenth-century flourishing of the Socialist International and the emergence of Italian socialism. For the last decades of her life, Kuliscioff's public militancy revolved around the "woman question." She viewed feminism through the lens of class struggle, addressing the double exploitation of women--in the workplace and at home. Kuliscioff fought a twofold battle: as a socialist, she unmasked the sexism of her colleagues; as a feminist, she criticized liberal-bourgeois feminism. In this key text, she makes her case for a socialist feminism. Originating as a lecture Kuliscioff delivered in April 1890

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

at a meeting of the the Milan Philological Circle (which denied membership to women), The Monopoly of Man explicitly links feminism to labor. Kuliscioff argues that labor frees women from the prison of the household and potentially fosters their emancipation; she advances the principle of equal pay for equal work. She declares that woman is enslaved by both her husband and by capital, calls marriage a form of women's servitude, and demands that motherhood be better appreciated as work. It is only when woman is economically independent and resists capitalism, she argues, that she will achieve freedom, dignity, and the respect of man. "Mom, are you sure the wolf will not come?" "Absolutely, my rabbit." "But how can you be so sure?" This clever story disarms childhood bedtime anxieties in an unexpected way. A small rabbit getting ready for bed questions his mother on how she can be so sure that the wolf will not come to their house. Meanwhile, on the opposite page, we follow the progress of the wolf indeed creeping closer and closer to them, foiling the mother's reassurances one by one. In a delightful twist, the rabbit's fears are defused and all ends well. The irresistible drawings and surprise ending put nighttime anxieties in light-hearted perspective.

On January 6, 1537, Lorenzino de' Medici murdered Alessandro de' Medici, the duke of Florence. This episode is significant in literature and drama, in Florentine history, and in the history of republican thought, because Lorenzino, a classical scholar, fashioned himself after Brutus as a republican tyrant-slayer. Wings for Our Courage offers an epistemological

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

critique of this republican politics, its invisible oppressions, and its power by reorganizing the meaning of Lorenzino's assassination around issues of gender, the body, and political subjectivity. Stephanie H. Jed brings into brilliant conversation figures including the Venetian nun and political theorist Archangela Tarabotti, the French feminist writer Hortense Allart, and others in a study that closely examines the material bases—manuscripts, letters, books, archives, and bodies—of writing as generators of social relations that organize and conserve knowledge in particular political arrangements. In her highly original study Jed reorganizes republicanism in history, providing a new theoretical framework for understanding the work of the scholar and the social structures of archives, libraries, and erudition in which she is inscribed.

This book proposes an integrated model of treatment for Personality Disorders (PDs) that goes beyond outdated categorical diagnoses, aiming to treat the general factors underlying the pathology of personality. The authors emphasize the development of metacognitive functions and the integration of procedures and techniques of different psychotherapies. The book addresses the treatment of complex cases that present with multiform psychopathological features, outlining clinical

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

interventions that focus on structures of personal meaning, metacognition and interpersonal processes. In addition, this book: Provides an overview of pre-treatment phase procedures such as assessment interviews Explains the Metacognitive Interpersonal Therapy (MIT) approach and summarizes MIT clinical guidelines Outlines pharmacological treatment for patients with PDs Includes checklists and other useful resources for therapists evaluating their adherence to the treatment method Complex Cases of Personality Disorders: Metacognitive and Interpersonal Therapy is both an insightful reexamining of the theoretical underpinnings of personality disorder treatment and a practical resource for clinicians.

When civil war erupts in Somalia, cousins Domenica Axad and Barni are separated and forced to flee the country. Barni manages to eke out a living in Rome, where she works as an obstetrician. Domenica wanders Europe in a painful attempt to reunite her broken family and come to terms with her past. After ten years, the two women reunite. When Domenica gives birth to a son, Barni, also known as Little Mother, is at her side. Together with the new baby, Domenica and Barni find their Somali roots and start to heal the pain they have suffered in war and exile. This powerful yet tender novel underscores the strength of women, family, and community, and draws on the tenacious yearning for a homeland that

has been denied.

CIAO! continues to set the standard for interactive, flexible introductory Italian instruction with its state-of-the-art online technology package. Not only is this course entirely portable to accommodate the demands of a busy life, it features exciting new capabilities that allow students to share links, photos, and videos and to comment on those posted by their fellow classmates. The eighth edition is distinguished by several new resources and updates that promote the acquisition of Italian language and culture in accordance with the National Standards for Foreign Language Education. Communicative goals are established at the start of each chapter to provide students with clearly defined objectives as they work through the content, while skill-building strategies and interactive activities help them achieve those goals. The all-new Regioni d'Italia section establishes a thematic thread that is maintained throughout the chapter and provides plenty of opportunities to make cross-cultural comparisons even within the regions of Italy itself. CIAO!'S fully-updated authentic readings, cultural snapshots, videos, and activities engage students in deeper exploration of the vibrant life of modern-day Italy and the country's rich cultural heritage. Each chapter ends with a thorough Ripasso to ensure student success. Now more than ever, CIAO! provides an all-in-one grammar and vocabulary

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

program that allows students to communicate in Italian with confidence and gives them a unique cultural perspective on an ever-changing Italy. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

When first published in 1926 this book aroused much controversy. The theory expounded in the book was that Islamic sources in general, and the writings of Ibn al-`Arabi in particular, formed the basis of Dante's poem Divine Comedy, the poem which symbolised the whole culture of medieval Christianity. The book shows how fundamental Muslim legends of the nocturnal journey and of the ascension of the Prophet Muhammed appear in Dante's writings.

Master the words and phrases necessary for handling everyday situations Practice Makes Perfect: Italian Vocabulary helps you develop your vocabulary by providing practice in word-building and encouraging you to analyze new words for an ever-increasing vocabulary. than 250 exercises Concise grammatical explanations A new chapter on contemporary vocabulary An answer key to gauge your comprehension With help from this book, you can easily speak or write in Italian about: Different occupations and jobs * Italian holidays and traditions * Taking the train * Growing your own garden * Where it hurts on your body * Your house * Your family and friends * What you studied in school * Your favorite TV show * Your family's background . . . and much more!

The short story "The Law of Life" by Jack London is a study on the human psyche, as one faces the familiar cycle of life and death. Old Koskoosh, who is the father of his Native American tribe's chief, is dying. As his people leave him and he lays on the ground in his final hours to wait for his end, he looks back on his life. Memorable events fill his thoughts until the very end - even until the wolves arrive. The short story is one of London's stories inspired by the period the writer spent at the Klondike Gold Rush in the late 19th century and was published in the early 20th century. Jack London (1876–1916) was an American writer and social activist. He grew up in the working class, but became a worldwide celebrity and one of the highest paid authors of his time. He wrote several novels, which are considered classics today, among these 'Call of the Wild', 'Sea Wolf' and 'White Fang'.

Vincenzo Chironi sets foot for the first time on the island of Sardinia - 'a raft in the middle of the Mediterranean' - in 1943, a year of famine and malaria. All he has with him is an old document as proof of his name and date of birth, but to find out who he really is he has had to undertake an even more stressful journey than the one he has just faced in the steamer from mainland Italy to Sardinia. At Núoro he will find his grandfather, a master blacksmith, who will act as a substitute father but also as an accomplice to him, and his aunt Marianna, who greets the unexpected arrival of a previously unknown nephew as an opportunity to redeem a life previously afflicted by misfortune. Years later, when the presence of Vincenzo Chironi in Núoro seems to have become taken for granted, as natural as the sea and rocks, his blood asserts itself. Vincenzo meets Cecilia, a beautiful girl with eyes of an undefinable shade who is a wartime refugee from elsewhere in Sardinia, and falling in love seems the only course open to either of them. Never mind that she is already engaged to Nicola, a boy with whom Vincenzo is indirectly connected by marriage through his aunt Marianna . . . Even if it may be a fact that "disobedience must involve punishment", it may also be true that love cannot avoid adding the latest link to an endless chain. First English translation of Paola Masino's *Nascita e morte della massaia*, her most controversial novel that

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

provoked Fascist censorship for its critical portrayal of marriage and motherhood.

A Bank Street College of Education Best Children's Book of the Year! Meet Olga, the amazing child scientist who LOVES animals (because they are super-cute)! Brightly put this heavily illustrated don't-miss book on their "Ultimate Summer Reading List for 9- to 12-Year-Olds."

Olga and the Smelly Thing from Nowhere is jam-packed with fun: vibrant illustrations, word bubbles, quirky humor, olgamus facts, and plenty of excitement for readers who love making discoveries and meeting new friends. Olga is a charming combination of independent, curious, and smart—making her the coolest girl scientist around—perfect for fans of Dork Diaries and Captain Underpants. When Olga crosses paths with a weird creature and becomes the first kid to discover the species olgamus ridiculus, she is ecstatic! What does an olgamus eat? How does it poop? Why does its burp sound like the word rubber? With her trusty observation notebook and the help of a librarian, a shopkeeper, and some friends, Olga sets out to do science—learning the facts about her smelly, almost-furry pal and searching for him when he goes missing. The scientific method is the best way to discover anything!

Profiles the thirteen extraordinary women, all pilots who passed the same battery of tests as the Mercury 7 astronauts, who were chosen as America's first female astronauts but who were refused the opportunity to participate, in a fascinating study that includes interviews with the surviving candidates, space program insiders, and other notables. Reprint. 25,000 first printing.

A Vintage Shorts "Short Story Month" selection from the award-winning, bestselling author On the day a plane crashed in Nigeria, Ukamaka lets into her apartment a neighbor in a Princeton sweatshirt she'd never met before to keep her company and pray. United in a common loss, Ukamaka is glad to have someone she can confide in about her home, her ex-boyfriend, her life as a graduate student in the United States, and her ambitions. But, in her eagerness to discover a new friend in Chinedu, Ukamaka is slow to realize the tragic and desperate secrets he is protecting from her. In this poignant, stirring short depicting the solitary lives that immigrants face in the United States, acclaimed author of *Purple Hibiscus* and *Half of a Yellow Sun* Chimamanda Ngozi Adichie celebrates faith and the fragile ties that can grant salvation. An ebook short.

The groundbreaking, moving essay on the coronavirus pandemic shared over 4 million times in Italy and published in 25 countries around the world-which lucidly explains how disease spreads and how our interconnectedness will save us. "Lucid, calm, informed, directly helpful in trying to think about where we are now... The literature of the time after begins here."
--Evening Standard (UK) In this extraordinarily elegant work written from lockdown in Italy as the crisis deepened day to day, Paolo Giordano, the internationally bestselling writer of *The Solitude of Prime Numbers* with a PhD in physics, shows us what this outbreak really is about: human interconnectedness. Illuminating the big picture of how the disease spreads with great simplicity and mathematical insight and placing it in the context of

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

other modern crises like climate change and xenophobia, Giordano reveals how battling the pandemic is ultimately about realizing how inextricably linked all our lives are and acting accordingly. Both timely and timeless, *How Contagion Works* is an accessible, deeply felt meditation on what it means to confront this pandemic both as individuals and as a community and empowers us not to show fear in the face of it.

Every era has invented a different idea of the 'classical' to create its own identity. Thus the 'classical' does not concern only the past: it is also concerned with the present and a vision of the future. In this elegant new book, Salvatore Settis traces the ways in which we have related to our 'classical' past, starting with post-modern American skyscrapers and working his way back through our cultural history to the attitudes of the Greeks and Romans themselves. Settis argues that this obsession with cultural decay, ruins and a 'classical' past is specifically European and the product of a collective cultural trauma following the collapse of the Roman Empire. This situation differed from that of the Aztec and Inca empires whose collapse was more sudden and more complete, and from the Chinese Empire which always enjoyed a high degree of continuity. He demonstrates how the idea of the 'classical' has changed over the centuries through an unrelenting decay of 'classicism' and its equally unrelenting rebirth in an altered form. In the Modern Era this emulation of the 'ancients' by the 'moderns' was accompanied by new trends: the increasing belief that the former had now been surpassed by the latter, and an increasing

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

preference for the Greek over the Roman. These conflicting interpretations were as much about the future as they were about the past. No civilization can invent itself if it does not have other societies in other times and other places to act as benchmarks. Settis argues that we will be better equipped to mould new generations for the future once we understand that the 'classical' is not a dead culture we inherited and for which we can take no credit, but something startling that has to be re-created every day and is a powerful spur to understanding the 'other'.

The author of *The Mental Load* returns with more "visual essays which are transformative agents of change." After the success of *The Mental Load*, Emma continues in her new book to tangle with issues pertinent to women's experiences, from consent to the "power of love," from the care and attentiveness that women place on others' wellbeing and social cohesion, and how it constitutes another burden on women, to contraception, to the true nature of gallantry, from the culture of rape to diets, from safety in public spaces to retirement, along with social issues such as police violence, women's rights, and green capitalism. And, once more, she hits the mark. This collection of essays deals with the interplay of language and social change, asking the question: How can language and society be made gender equal? The contributors examine the critical role of language in the lives of white women and women of color in the United States. Since language pervades many dimensions of women's lives, this study takes a multi-disciplinary approach to the issues considered. The volume is

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

divided into three sections. The first, "Liberating Language," focuses on the active role women had in altering the extent of linguistic sexism in English during the 1970s. A second section, "Identity Creation," deals with the alteration of that portion of language which serves to name women and their experiences. The final section, "Women of Color," offers a rare and timely look at the particular problems confronted by minority women. It argues that women of color have different problems and different links to language than white middle-class women.

Dovremmo essere tutti femministi Notes on Grief Knopf
These twelve dazzling stories from Chimamanda Ngozi Adichie — the Orange Broadband Prize-winning author of *Half of a Yellow Sun* — are her most intimate works to date. In these stories Adichie turns her penetrating eye to the ties that bind men and women, parents and children, Nigeria and the United States. In "A Private Experience," a medical student hides from a violent riot with a poor Muslim woman, and the young mother at the centre of "Imitation" finds her comfortable life in Philadelphia threatened when she learns that her husband has moved his mistress into their Lagos home. Searing and profound, suffused with beauty, sorrow and longing, this collection is a resounding confirmation of Adichie's prodigious literary powers.

Using Italian Vocabulary provides the student of Italian with an in-depth, structured approach to the learning of vocabulary. It can be used for intermediate and advanced undergraduate courses, or as a supplementary manual at all levels - including

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

elementary level - to supplement the study of vocabulary. The book is made up of twenty units covering topics that range from clothing and jewellery, to politics and environmental issues, with each unit consisting of words and phrases that have been organized thematically and according to levels so as to facilitate their acquisition.

The book will enable students to acquire a comprehensive control of both concrete and abstract vocabulary allowing them to carry out essential communicative and interactional tasks. • A practical topic-based textbook that can be inserted into all types of course syllabi • Provides exercises and activities for classroom and self-study • Answers are provided for a number of exercises

Translation of dalla parole delle bambine.

comprehension With help from this book, you can easily speak or write in Italian about: Different occupations and jobs * Italian holidays and traditions * Taking the train * Growing your own garden * Where it hurts on your body * Your house * Your family and friends * What you studied in school * Your favorite TV show * Your family's background . . . and much more!

Graphic novel in manga. Angela Davis was a teenager when she began to ask herself questions. At the time, she lived in the Dynamite Hill neighborhood of Birmingham, Alabama, where the KuKluxKlan placed bombs in front of the houses of black families to force them to leave their homes. This book brings us closer to the life of one of the icons of feminism and one of the most emblematic figures in the fight against racism and in favor of equality in the United States. It focuses especially on the political activism of Angela Davis during the 1960s in Los Angeles.

The influx of female migrants to Europe has posed challenges to established European feminist movements. In this book the author assesses the significance of female immigration to Italy and its impact on Italian feminism by analyzing the way in which immigrant and Italian women have constructed their relationships over the past 30 years. The book provides comprehensive overviews of the Italian women's movement and the history of immigration to Italy before examining the formation of immigrant women's groups, the treatment of immigrant women by Italian women's associations, and the forging of new relationships in multicultural women's organizations. Broader comparisons on European

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

migration are made to contextualize immigration to Italy and Southern Europe more generally. By drawing from a variety of research materials such as structured interviews, participant observation and empirical data, the book contributes to an interdisciplinary approach to the study of gender, migration and contemporary Italian history. The book is of interest for scholars and postgraduates in the fields of women and gender studies, migration studies and contemporary European history.

From the globally acclaimed, best-selling novelist and author of *We Should All Be Feminists*, a timely and deeply personal account of the loss of her father.

"Essential." —Booklist Notes on *Grief* is an exquisite work of meditation, remembrance, and hope, written in the wake of Chimamanda Ngozi Adichie's beloved father's death in the summer of 2020. As the COVID-19 pandemic raged around the world, and kept Adichie and her family members separated from one another, her father succumbed unexpectedly to complications of kidney failure. Expanding on her original *New Yorker* piece, Adichie shares how this loss shook her to her core. She writes about being one of the millions of people grieving this year; about the familial and cultural dimensions of grief and also about the loneliness and anger that are unavoidable in it. With signature precision of language, and glittering, devastating detail on the page—and never without touches of rich, honest humor—Adichie weaves together her own experience of her father's death with threads of his life story, from his remarkable survival during the Biafran war, through a

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

long career as a statistics professor, into the days of the pandemic in which he'd stay connected with his children and grandchildren over video chat from the family home in Abba, Nigeria. In the compact format of *We Should All Be Feminists* and *Dear Ijeawele*, Adichie delivers a gem of a book—a book that fundamentally connects us to one another as it probes one of the most universal human experiences. *Notes on Grief* is a book for this moment—a work readers will treasure and share now more than ever—and yet will prove durable and timeless, an indispensable addition to Adichie's canon.

Shares expert coverage of the latest approaches to gardening, design essentials, and tools and materials, providing a glossary of plants while demonstrating step-by-step techniques that reflect popular contemporary trends. *Feminist City* is an ongoing experiment in living differently, living better, and living more justly in an urban world. We live in the city of men. Our public spaces are not designed for female bodies. There is little consideration for women as mothers, workers or carers. The urban streets often are a place of threats rather than community. Gentrification has made the everyday lives of women even more difficult. What would a metropolis for working women look like? A city of friendships beyond *Sex and the City*. A transit system that accommodates mothers with strollers on the school run. A public space with enough toilets. A place where women can walk without harassment. In *Feminist City*, through history, personal experience and popular culture Leslie Kern exposes what is hidden in plain sight: the social inequalities built into our cities, homes, and neighborhoods. Kern offers an alternative vision of the feminist city. Taking on fear, motherhood, friendship, activism, and the joys and perils of being alone, Kern maps the city from new vantage points,

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

laying out an intersectional feminist approach to urban histories and proposes that the city is perhaps also our best hope for shaping a new urban future. It is time to dismantle what we take for granted about cities and to ask how we can build more just, sustainable, and women-friendly cities together.

Le lettere raccolte in questo piccolo volume sono state scritte in gioventù, nell'arco di una dozzina d'anni. Rivolte ad amiche e amici – con lo spirito indocile, esigente, idealista e dubitante di un giovane cristiano in formazione – affrontano i temi più vari: l'amicizia, l'amore, il corpo e la vanità, la sessualità e il matrimonio, lo studio, il viaggio, il male e il limite, la morte e la malattia, il perdono, l'Europa, l'ambiente, l'impegno sociale, la nonviolenza, lo sport, la vocazione, la ricerca della verità e altri nodi 'teologici' più specifici. Senza sistematicità: nate occasionalmente, sono lettere in cui i contenuti si modellano alle circostanze e ai destinatari, trasudando l'inquietudine degli anni in cui l'autore si trovava immerso. I temi sono guardati con la tensione spirituale di una religione ereditata, ma che si cerca di far convivere con la cultura postmoderna assorbita, la propria personalità, le convinzioni laiche, le contraddizioni vissute e mai negate: senza giungere a una composizione definitiva. Al lettore è proposta l'avventura di esplorare dei paesaggi nei quali tracciare i propri sentieri. Le domande di senso e le questioni di fede sono i temi in filigrana di questa raccolta di scritti – e qualche poesia e racconto – sospesi tra fascino e follia. Il fascino della persona di Cristo e la follia di essere cristiani e umani. I due poli attorno a cui ruotano le riflessioni, per vivere la fede in modo dinamico, appassionato, dialogante e, perché no, giovanile. Una fede intrisa d'interrogativi e turbamento. Un testo pensato per essere trasmesso da amici ad amici – qualora i primi trovino tra le sue righe qualcosa da comunicare ai secondi – con un occhio rivolto alle attività

Download Ebook Dovremmo Essere Tutti Femministi Vele Vol 105

formative per giovani, alle quali il libro vuole fornire un possibile, umile, strumento in più.

Queer Italia gathers essays on Italian literature and film, medieval to modern. The volume's chronological organization reflects its intention to define a queer tradition in Italian culture. While fully cognizant of the theoretical risks inherent in trans-historicizing sexuality, the contributors to this volume share an interest in probing the multi-form dynamics of sexual desires in Italian texts through the centuries. The volume aims not to promote the mistaken notion of a single homosexuality through history. Rather, these essays together upset and undo the equally misguided assumption of an omnipresent heterosexuality through time by uncovering the various, complex workings of desire in texts from all periods. Somewhat paradoxically, a kind of queer canon results. These essays open a much-needed critical space in the Italian tradition wherein fixed definitions of sexual identity collapse. Queer Italia is the first and only work of its kind in Italian criticism. As such, it will be of interest to a wide audience of Italianists, medieval to modern, and queer cultural theorists.
