Named one of the Best Books of 2014 by NPR As seen on The Today Show A hand-drawn path to inner peace! Your Illustrated Guide to Becoming One with the Universe will set you free on a visual journey of self-discovery. Set against a surreal backdrop of intricate ink illustrations, you will find nine metaphysical lessons with dreamlike instructions that require you to open your heart to unexplored inner landscapes. From setting fire to your anxieties to sharing a cup of tea with your inner demons, you will learn how to let go and truly connect with the world around you. Whether you need a little inspiration or a completely new life direction, Your Illustrated Guide to Becoming One with the Universe provides you with the necessary push to find your true path--and a whimsical adventure to enjoy on the way there.

This gem of a book presents God as a positive life force that, when tapped, can send our lives spinning in an exciting new direction. It explains how spiritual "experiments" work, and provides concrete instructions for using these principles to improve one's life. Ten spiritual concepts are introduced, with a suggested 48-hour experiment to prove each one. Some examples of these principles are: 1) There's a power and force in the universe that can heal; 2) Your thoughts create your reality; and 3) By directing your mind, you can create more abundance, joy, and love in your life. Written in a conversational, contemporary voice, God Doesn't Have Bad Hair Days will appeal to the spiritual believer who's a fan of such bestsellers as The Prayer of Jabez and Simple Abundance, as well as to the spiritually curious who seek fulfillment outside traditional Christian denominations. The spiritual skeptic, too, will be drawn to this attractive book and its cheeky, no-nonsense tone.

This book offers you, the reader, a thoughtful and inspired formula for generating appreciation, happiness, and good feelings—deftly blended into the uplifting story of a plucky, inquisitive girl named Sara; and her teacher, an ethereal owl named Solomon. There's something in Sara for any child, adult, or teen pursuing joy and meaning . . . and searching for answers about life, death, and the desires of the heart. It's filled with techniques and processes for making one's dreams come true . . . especially yours! Sara and Solomon will delight and enchant you!

Within each of us is the voice of an inner teacher-guardian that is our link to the unseen world of Soul. Its purpose is to guide and protect us. It allows us an "all-access pass" to the vast arena of Divine intelligence, potential, and power. It is called intuition. We all have it, yet sadly, most people are disconnected from it. Using her own turbulent yet remarkable life as a narrative, along with fascinating stories from her clients, internationally renowned intuitive counselor Colette-Baron Reid shares the deeply moving and amazing story of her journey to finally accepting, and exulting in, her extraordinary gift of intuition and foresight, which had been thirsting to be heard since she was a young child. Over the past 17 years, Colette has amassed an international client base that spans 29 countries, while offering astonishing personal insights that many consider miraculous. She now openly and generously shares that journey in Remembering the Future, which will not only leave you filled with hope and empowerment, but will guide you in rediscovering your magical gift of intuition. By following Colette's Seven Spiritual Keys, you'll experience a consciously fulfilling, creative life, filled with profound harmony and opportunity. And most important, you'll know who you really are. . . .

The New York Times bestselling author, teacher, and speaker provides the next step beyond his immensely popular Notes from the Universe trilogy with this special 10th anniversary edition of the modern classic that contains even more enriching wisdom for living an abundant, joyous life. We create our own reality, our own fate, and our own luck. We are all filled with infinite possibilities, and it's time to explore how powerful we truly are. With clear-eyed and masterful prose, Infinite Possibilities effortlessly reveals our true spiritual nature and exactly what it takes to find true happiness and fulfillment. Witty and intelligent, this is "the perfect book at the perfect time. It is full of wisdom, answers, and guidance—a unique combination that is guaranteed to help anyone during times of change and transition" (Ariane de Bonvoisin, bestselling author of The First 30 Days). This tenth anniversary edition features a new foreword by Bob Proctor and a new introduction from the author.

Travel industry experts report that more and more people are combining vacations with volunteer work—the growing phenomenon called "voluntourism." Professionals predict this will be a key growth area for years to come; the voluntourists themselves find it a rewarding activity, good for body and soul. And nobody provides such a fun, inviting overview of the possibilities as savvy travel writer Pam Grout in the latest title in our 100 Best Vacations series. With its elegant two-color design, playful cover, and winningly positive goal, it's a travel guide with heart, inexpensive yet inspiring—an ideal gift book for people who care to share. From building houses in Appalachia to saving sea turtles in Costa Rica to teaching English in Thailand, this book is a rich resource of ways to use your skills to help out the world and reap some lasting benefits yourself. Like its two predecessors, it includes an engagingly descriptive menu of choices for tastes and talents of all kinds, along with detailed specifics to turn good intentions into satisfying reality. Throughout, sidebars describe nearby places to visit, little-known facts, and more, providing depth and variety, while a comprehensive resource listing gives additional information about the different organizations offering volunteer vacations.

E-CubedNine More Energy Experiments That Prove Manifesting Magic and Miracles Is Your Full-Time GigHay House, Inc Important disclaimer: This book is not for everyone—just those who want to have more fun, more adventures, and more magic in their life. Thank & Grow Rich is for anyone interested in hooking up with the magnanimous energy field of the cosmos. Author Pam Grout, who likes to call herself the Warren Buffet of Happiness, says it all starts with getting on the frequency of joy and gratitude. Thanking (rather than thinking) puts us on an energetic frequency—a vibration—that calls in miracles. Science has proven that when we observe the world from a place of gratitude, when we use our attention to spot beauty and gaze at wonder, we develop the capacity to radically rev up our day-to-day experience. Brazen gratitude, it seems, provides a portal—an entry point—straight into the heart of the field of infinite possibilities described in Grout's bestseller E-Squared. This book also offers an updated perspective on abundance, which goes way beyond financial capital. It shows readers how to grow and expand their creative capital, their social capital, their spiritual capital, and much, much more! There's even an abundance worksheet that tracks your thank-and-grow rich portfolio and a money-back guarantee offering four personalized gifts straight from the always-accommodating universe. Your credit union might offer a butter dish or a koozie, but an investment in this book comes with your own personal sign from the universe, an answer to an important question, a customized totem, and a one-of-a-kind gift from the natural world. But more importantly, this 30-day experiment will upgrade your life experience from ho-hum to wahoo! From like sucks to life rocks! From woe is me to yippie-ti-yi-yay!!

Women's Bodies, Women's Wisdom and Goddesses Never Age What if the best health of your life isn't just about what you do--or don't--eat? The secret to having the healthy body and life you want isn't just in a rigid way of eating. It's in developing your own Health Habit. Coined by nutritionist and author Elizabeth Rider, your Health Habit is a skill, or a set of skills, that allows you to make the best choices that serve you most. By focusing on action--not just theory--you won't even have to think about "being healthy." You just will be--without the deprivation, shame, and OMG-do-I-really-have-to-choke-that-down overthinking and fear that come with restrictive diets. With this paperback edition of her fresh look at healthy living, 28-Day Kick-Start Plan, 50 recipes, and online community, Elizabeth will get you started, keep you motivated, and connect you to health-conscious people around the world.

I was sick, overweight, and depressed. I was coming off the heels of an intensely emotional breakup, while simultaneously dealing with a persistent infection of unknown origin. I was at a place where I felt like things would never get better. Doctor visit after failed doctor visit, I nearly came to the conclusion I would have to accept my reality. Before I was to give up, I wanted to allow myself an opportunity to figure things out on my own. Instead of relying on someone or something else, I realized I had to be responsible for my wellness. My story is one of transformation, and along the way, I went from having no control of my future to empowering others to reclaim their wellness using a simple fundamental practice. Through one ancient wellness technique, I not only discovered weight loss was quick, efficient, and cost-effective, but also that holistic wellness didn't have to feel like a far-out concept. I went from being sick, overweight, and depressed to losing 90 lb, being empowered, healthy, and joyful. Join me for my metamorphosis.

Despite what you might have been told, we're not inherently selfish. The truth is we're inherently kind. Scientific evidence has proven that kindness changes the brain, impacts the heart and immune system, is an antidote to depression and even slows the ageing process. We're actually genetically wired to be kind. In *The Five Side Effects of Kindness*, David Hamilton shows that the effects of kindness are felt daily throughout our nervous system. When we're kind we feel happier and our bodies are healthiest. In his down-to-earth and accessible style, David shares how:

- Kindness makes us happier
- Kindness is good for the heart
- Kindness slows ageing
- Kindness improves relationships
- Kindness is contagious

Ce livre unique, stimulant, étonnant et amusant pourrait être décrit comme un manuel de laboratoire. Il présente des expériences faciles à réaliser, qui prouvent que la réalité est malléable et que l'esprit et la conscience triomphent toujours de la matière. Oui, vous avez bien lu : ces expériences le prouvent ! Au fil des pages, vous allez découvrir 9 expériences pour lesquelles aucun investissement monétaire n'est nécessaire, qui requièrent peu de temps et démontrent sans équivoque que les principes spirituels sont aussi concrets que la loi de la gravité de Newton. E2, c'est-à-dire "Energie au carré", vous invite à faire la démonstration qu'il existe une force énergétique invisible aux multiples possibilités. Nous pouvons y puiser à loisir pour manifester nos désirs et en recevoir une inspiration constante, mais surtout, prouver à nous-mêmes et aux autres que l'Univers est sans limite et prospère, tout en étant étrangement disposé à nous offrir tout ce que l'on désire.

With her trademark humor, enthusiasm, and no-nonsense guidance, #1 New York Times bestselling author of *E-Squared* Pam Grout invites you on a yearlong "apprenticeship" to recognize and unleash your innate creativity. Making art does not necessarily mean painting a gallery-worthy still life or belting out a Grammy-winning song. It simply means finding a way to give your inner muse a voice in this world. Sure, there's drawing, dancing, singing, and writing. But there's also art to be made from creating your own pair of angel wings or inventing a new toy or curating your own at-home film festival. Each week features a project of self-examination, an inspirational message, a real-world example of a celebrity who has addressed similar obstacles, and three zany activities to awaken your infinite creativity. It's time to declare the beat of your own drum.

E-Squared, the international hit sensation described by one reader as "The Secret on crack," provided the training wheels, the baby steps, to "really getting it" that thoughts create reality. In *E-Cubed* (don't worry—there will never be E to the 10th Power), Pam Grout takes you higher and deeper into the quantum field, where you'll prove that blessings and miracles are natural and that joy is only a thought away. With nine new experiments and more tips on how to keep the gates of the world's largesse and abundance wide open, this book is chock-full of incontrovertible evidence that the universe is just waiting for us to catch up, just waiting for us to begin using the energy that has always been available for our enjoyment and well-being.

Why Celebrities Swear by These 15 Powerful Techniques As The Secret to Anything You Want in Life Do you easily complain or start nagging whenever something isn't going your way? Do you give fault and make others responsible for

your misery? Are you annoyed looking around seeing others having exactly what you want in life? Believe it or not, you are the driver of your own life and no one else can steal your seat...if you don't let them. What if there were straight-forward, easy principles to get everything you want in life? Maybe you already manifest regularly or you've heard of it, but never consciously tried it. Using manifestation means using the power of your thoughts, feelings, or beliefs to bring something into your physical reality. At first, it sounds abstract, but science has proven, everything is made of energy objects, animals, thoughts, and humans. There are laws that control how this energy flows and where it goes just as there are laws of gravity and laws of growth. The more you know about these laws the easier it is to navigate the energy you need in the right direction. No wonder that even stars like Will Smith, Jim Carrey, Oprah Winfrey, and Lady Gaga swear by manifestation as the secret to their success. Jim Carrey makes it sound really simple. He says: "As far as I can tell, it's just about letting the universe know what you want and then working towards it while letting go of how it comes to pass." Yet, there are reasons why some people are better at manifesting than others. There are a couple of fundamentals you need to understand in order to apply manifestation effectively. With a little guidance and the right techniques, your best life is waiting for you. This is only a select sample of what you'll discover in *The Magic of Manifesting Flap or Fab: Why you should care about manifestation more than you think* The scientific secret behind changing your reality Why you might be manifesting your misery and how to avoid these common mistakes The smartest and most powerful way to attract anything you want in life How scientists manipulate your life with one particular weakness that outweighs all of science's strengths Is everything connected? Essentials about energy, flow, and connection Why your ego is the enemy and what you can do about it 15 techniques to guarantee your manifestation success story The #1 mental exercise Olympians and star athletes practice daily to increase their performance Intention vs. goals: The major difference and which is best to achieve success in life The biggest money lie revealed and how to create true abundance Warning Signs that you have a scarcity mindset and how to get rid of it And much more. If you think "manifesting" is just another 2021 buzzword, then you haven't heard the success stories of millions of people who made their dreams come true with this one powerful tool. Stop waiting for life to happen to you and start creating your best life right now. If you want to effortlessly get what you want, scroll up and click on "Buy now with 1-Click".

E-Squared is the sensational word-of-mouth SMASH that has gone on to become an international phenomenon, published in 26 languages and featured in the New York Times bestseller list! E-Squared could best be described as a lab manual with simple experiments that prove reality is malleable, consciousness trumps matter, and you shape your life with your mind. Yes, you read that right. It says prove. The nine experiments, each of which can be conducted with absolutely no money and very little time expenditure, demonstrate that spiritual principles are as dependable as gravity, as consistent as Newton's laws of motion. Rather than take it on faith, E-Squared invites you to prove the following principles: • There is an invisible energy force or field of infinite possibilities. • You impact the field and draw from it according to your beliefs and expectations. • Your connection to the field provides accurate and unlimited guidance. • The universe is limitless, abundant, and strangely accommodating. E-Squared is the remarkable truth that spiritual seekers have been looking for over the centuries. Discover why everyone is talking about it TODAY!

Beloved author and teacher Alan Cohen (*A Course in Miracles Made Easy*) uses his insightful spin on spiritual wisdom to show that we can enjoy significant career and financial success and be true to our passion and soul's calling. Can you create material success and keep your spirit alive? Is it possible to combine prosperity with purpose and passion? Can you sell your product without losing your soul? Expert coach and beloved teacher Alan Cohen demonstrates the answer is yes. In *Spirit Means Business*, he identifies--and then dismantles--the 10 primary illusions that keep us from connecting spirituality and prosperity. To name a few: • If you want to succeed, you have to suffer first • There's only so much to go around • Competition is healthy and necessary • To do well in your work, you must give up your life In each case, Alan shows us how to replace the illusion with a higher truth, using principles that always work when we apply them consciously. You'll learn from down-to-earth examples of individuals who have combined soul and success, and you'll find crisp, clear formulas to bridge the gaps and surmount the hurdles along the way. Drawing on wisdom sources from the Tao Te Ching to *A Course in Miracles*, as well as stories from Alan's clients and his own life, this book will help you navigate a spiritually sound path to the success you desire.

Shares advice on realizing one's goals and offers inspirational views on universal mysteries while explaining how to overcome psychological obstacles using spiritual exercises and illustrative analogies.

Travelers are showing a huge interest in the fast-growing sector known as "experiential" tourism—vacations that encompass heritage, culture, nature, ecology, and soft adventure. In the footsteps of the briskly selling *The 100 Best Vacations to Enrich Your Life* featuring North American destinations, our new title extends these ardent travelers' sights to global scale. And, with its elegant packaging, this deluxe trade paperback will catch the attention of gift-shoppers as an inspired and attractive choice.

Zen Driving can make each driving experience enjoyable, whether it's a daily hour-long drive to work, or a ten-minute run to the local Safeway. You may well ask, what is Zen driving? The Japanese word zen literally means meditation, and meditation means being fully aware, fully in touch with your surroundings. When you are in a meditative state, you are in your natural self, your Buddha self—and you can do it while driving. But why Zen driving? The purpose of *Zen Driving*, the book, is to introduce you to your natural self, which is what remains when you still your mind and ignore your chattering ego. When you do this, you gain confidence in your ability, and finally you are that ability. The frustrations of other drivers cutting you off or causing you to sit through two red lights because they're too timid to make a left turn on yellow will no longer make your blood pressure explode. *Zen Driving* will teach you to look, simply observe without qualification, and then make your move. Zen driving is effortless, spontaneous, nondeliberate. It is being one with the road. And in turn, driving becomes a pathway to consciousness, an activity that clears the mind and soothes the soul, something to take with you all those other times when you're not behind the wheel.

If you're holding this book in your hand, then you've already changed your life. Are you still waiting for your ship to come in? Looking for the relationship you can't seem to find? Working just to pay the bills until that perfect job comes along? Don't you wish that you could just place an order for the life that you want? Well, you can! And you don't have to chant, meditate, pray, fast, work, or do anything--just relax. And there won't be any bill to pay. Seems impossible? That's what the author said: "If, after reading this book, you think that cosmic ordering is total

nonsense, but you decide to place an order with the universe anyway just to prove me wrong, then you have subscribed to this ordering service just the way I first did. And you just might start as wonderful a journey towards an easier, more fulfilling life." The Cosmic Ordering Service is a guide to realizing your dreams. Best-selling author Barbel Mohr can teach you how to fulfill all your wishes--just by placing an order with the universe. You'll learn how she has used the Cosmic Ordering Service to gain her dream job, the ideal man, money, health--even a castle to live in! Mohr will show you, as she has taught hundreds of thousands of European readers, how to listen to your inner voice, place your order, sit back, and let marvelous things happen. The hard part is deciding what you really want. Once you've figured that out, this charming, witty, and insightful book is going to tell how to get it.

From the bestselling author of Communion comes the mysterious true story of how an unknown visitor barged into Streiber's hotel room late one night--and imparted extraordinary lessons in personal development and man's fate that challenge us to rethink every assumption about the meaning of life. At two-thirty in the morning of June 6, 1998, Whitley Streiber was awakened by somebody knocking on his hotel room door. A man came in, and everything he said was life-altering. This is the unsettling and ultimately enlightening narrative of what happened that night. Strieber was never really sure who this strange and knowing visitor was--a "Master of Wisdom"? A figure from a different realm of consciousness? A preternaturally intelligent being? He called him the Master of the Key. The one thing of which Strieber was certain is that both the man and the encounter were real. The main concern of the Master of the Key is to save each of us from self-imprisonment. "Mankind is trapped," the stranger tells Strieber. "I want to help you spring the trap." In a sweeping exchange between Strieber and the stranger--which takes the form of a classical student-teacher dialogue in pursuit of inner understanding--the unknown man presents a lesson in human potential, esoteric psychology, and man's fate. He illuminates why man has been caught in a cycle of repeat violence and self-destruction--and the slender, but very real, possibility for release. In its breadth and intimacy, The Key is on par with contemporary metaphysical traditions, such as A Course in Miracles, or even with the dialogues of modern wisdom teachers, such as D.T. Suzuki and Carl Jung.

Art is a tool for living, a spiritual calling that all of us must eventually answer. Just as athletes aren't the only ones who need exercise, artists aren't the only ones who need creativity. All of us must exercise creativity on a regular basis to keep our spirit and joy from being diminished. In this age of remote controls, convenience food, and prepackaged everything, our souls are crying out for the spiritual replenishment only offered through a creative practice. Art and Soul takes readers on a year-long journey into their creative souls, offering a map for finding and expressing the art that dwells there. It encourages readers to recapture their authentic self that many abandoned long ago with their Crayola crayons. Even those who swear they can't paint, write, compose, or build can express creativity in everyday activities that revitalize and nourish their spiritual well-being. Art and Soul is divided into 52 weekly chapters, each containing an inspirational message; a creative assignment, and three or four suggestions for fun projects that encourage us to stretch our creative wings. Here are just a few: Go to a thrift store and buy the most outrageous outfit you can. Learn three little-known facts about Martin Luther King Jr.. Make sugar cookies shaped like body parts. Come up with the title of your own autobiography. The ideas range from the practical to the ridiculous, but all are easy and fun to complete. This book will show readers that they don't need fancy art supplies or lessons to be creative, and that getting in touch with our creative selves is just as easy as do-re-me. Finally, the perfect book for women who have had it with feeling like the dynamic pulse of life has faded and who are looking to recharge their existence. The draining stress and hubbub of the modern world can sometimes make a woman feel like she's just a shell of the fun-loving, vivacious person she once was. To solve this common problem, author Amy Hall presents Getting Your Groove Back, a sassy and hip collection of tips and exercises for women who are eager to reinvigorate life by recapturing their lost but innate Grooviness--the spunk and special aura that used to set them apart from the crowd. This book covers everything a woman needs to know in order to get her career, relationships, and sense of self back on track by standing up to the evil forces of numbness and mediocrity that have taken root! Hall dishes out tough love, provoking insights and advice with a biting humor that just doesn't stop. At the office . . . A tried-but-true confidence builder moves from the bedroom to the office place. Wear really sexy underwear not only on third dates, but also to any dreaded presentation you must give. In relationships . . . Save the money you set aside for the obligatory birthday gift for the friend with whom you are no longer close. Spend it on yourself instead. Go buy a decadent box of chocolate-dipped strawberries from those fine Godiva folks and scarf them under a tree, celebrating your ability to sever the old and seek out the new. That relationship had a place in your past, and guess what, we call it the past for a reason--move on. Besides, the hussy never returned that favorite belt of yours she borrowed; hence, it's time to trot toward evolution. Within the inner self . . . Stop beating yourself up because you're not what you said you'd become when you were a little girl. Okay, so you didn't get an Olympic gold medal or become an ambassador to the UN. It's true our lives don't always deal us the cards we need to get the grandiose life, but get real, you're a born couch potato and you detest politics. Why should you feel guilty any longer for not doing something that doesn't fit your personality anyway? There's nothing wrong with not being a famous athlete or political figure. There's lots of us out here, and we're okay people. Join us. Love us. Become one with us. Getting Your Groove Back is the ultimate book for those who are tired of fluff and want fun self-help with an attitude!

Be You, Be Happy, Be Free Using energy therapy and emotional healing techniques, How to Heal Yourself When No One Else Can shows you how to achieve complete and permanent healing by loving, accepting, and being yourself no matter what. Energy therapist Amy Scher presents an easy-to-understand, three-part approach to removing blockages, changing your relationship with stress, and coming into alignment with who you truly are. After overcoming a life-threatening illness, Amy had an epiphany that healing is more than just physical. Her dramatic story serves as a powerful example of how beneficial it is to address our emotional energies, particularly when nothing else works. Discover areas of imbalance and easy ways to address them on your healing journey. Whether you are experiencing physical symptoms or are just feeling lost, sad, anxious, or emotionally unbalanced, this book can change your life. Praise: "Amy has seen the truth and can be a coach to all those who seek healing and authenticity."—Bernie Siegel, MD, bestselling author of Love, Medicine, & Miracles and The Art of Healing "[Amy Scher is] an inspiration, not just because she teaches us how to take healing into our own hands, but because she's living proof that it works."—Pam Grout, #1 New York Times bestselling author of E-Squared and E-Cubed "Amy Scher has penned a remarkable book about the pivotal role of the body, mind, and spirit in attaining true and complete healing. There is much wisdom in this book, written with exceptional clarity, love, and wisdom."—Sanjiv Chopra, MD MACP, Professor of Medicine at Harvard Medical School, motivational speaker, and bestselling author of Brotherhood with Deepak Chopra "Amy Scher takes you on a guided journey to resolve emotional, physical, and energetic blockages that get in the way of true healing. You will feel like you have a loving expert coach by your side along the way."—Heather Dane, co-author with Louise Hay of Loving Yourself to Great Health

From the afterlife—a new perspective on your life "I know this may come as a shock, and you know I'm not fond of using stale one-liners,

but—'reports of my death have been greatly exaggerated.' I'm as alive now as I was on the day we met, except, maybe, more so." If the dead could speak, don't you wonder what they would say to those of us they've left behind? What would they tell us to soothe our sorrow for their loss, calm our fears of what happens when we die, and fire us up to live the best possible lives we can right now? In pages filled with wisdom, humor, and, yes, joy, New York Times best-selling author Mike Dooley explores our most pressing and profound questions about the afterlife—and this life—from the fresh perspective of those who have made the transition to the next phase. Among the revelations and insights they share: · We were ready; you are not. · There's no such thing as a devil or hell. · We're sorry for any pain we may have caused. · Your pets are just as crazy, brilliant, and loving here as they were there. · Nothing we say can prepare you for the beauty of the moment you arrive. You'll learn that our loved ones are not lost to us; that our time on earth is both a school and an adventure; that, all appearances to the contrary, life truly is fair; and that we have it in us to reshape our own fortunes, starting today.

The United States is more vulnerable today than ever before—including during the Great Depression and the Civil War—because the pillars of democracy that once supported a booming middle class have been corrupted, and without them, America teeters on the verge of the next Great Crash. The United States is in the midst of an economic implosion that could make the Great Depression look like child's play. In *THE CRASH OF 2016*, Thom Hartmann argues that the facade of our once-great United States will soon disintegrate to reveal the rotting core where corporate and billionaire power and greed have replaced democratic infrastructure and governance. Our once-enlightened political and economic systems have been manipulated to ensure the success of only a fraction of the population at the expense of the rest of us. The result is a "for the rich, by the rich" scheme leading to policies that only benefit the highest bidders. Hartmann outlines the destructive forces—planted by Lewis Powell in 1971 and come to fruition with the "Reagan Revolution"—that have looted our nation over the past decade, and how their actions fit into a cycle of American history that lets such forces rise to power every four generations. However, a backlash is now palpable against the "economic royalists"—a term coined by FDR to describe those hoarding power and wealth—including the bankers, oligarchs, and politicians who have plunged our nation into economic chaos and social instability. Although we are in the midst of what could become the most catastrophic economic crash in American History, a way forward is emerging, just as it did in the previous great crashes of the 1760s, 1856, and 1929. The choices we make now will redefine American culture. Before us stands a genuine opportunity to embrace the moral motive over the profit motive—and to rebuild the American economic model that once yielded great success. Thoroughly researched and passionately argued, *THE CRASH OF 2016* is not just a roadmap to redemption in post-Crash America, but a critical wake-up call, challenging us to act. Only if the right reforms are enacted and the moral choices are made, can we avert disaster and make our nation whole again.

An accessible approach to helping anyone struggling with depression to reclaim a joyful life. From feeling exhausted or blue to not being able to get out of bed, depression happens on a spectrum and can affect anyone. Our current approach of medicine and therapy doesn't always offer all the answers. But according to Amy B. Scher, that's not as much of a mystery as you might think. If you've done everything to heal from depression but are still stuck, you're not alone. Amy sees it as the literal depression of self—a side effect of being buried under our lives. It's not all in your head. It's not all in your body, either. It happens in the whole self. But just as depression happens in every part of you, healing does too. Scher's bestselling books have been endorsed by prominent physicians and helped thousands of people overcome chronic illness, emotional challenges, and more. With *How to Heal Yourself from Depression When No One Else Can*, she brings her proven approach of using energy therapy for releasing emotional stress and trauma to one of the most widespread mental health challenges of our time. In this book, you'll: Learn how invisible emotions may be negatively affecting you Understand why it's okay to stop chasing that mountain of happiness we've been programmed to chase (spoiler alert: it doesn't even exist) Release stuck emotional baggage, even if you don't know what it is Use emotional healing techniques such as The Sweep to release subconscious beliefs and Thymus Test & Tap to clear stuck emotions from the body Learn how to release patterns like perfectionism, lack of boundaries, fear, and more that contribute to depression Get answers for your healing from your subconscious mind Finally end the cycle of depression and become the happiest, healthiest version of yourself Amy has proven that working with the body's energy system for deep transformation is often effective when nothing else works. Here she brings much-needed relief to anyone who wants to end the cycle of depression and rediscover the inherent wellness that resides in each of us.

"This is the story of a year I spent in New York, studying with Yoga Master Alan Finger." When Katrina Repka moved to New York, she was eager to shed her past and begin a new life, but she soon discovered that her old problems had followed her to the big city, and that instead of finding herself, she was more lost than ever. It was when she was almost ready to give up on everything that she read a magazine article on Master Yogi Alan Finger and knew that she had to meet him. It was a meeting that would change her life. Over the next twelve months, with Alan's help, Katrina tackled and overcame many of the obstacles holding her back. Dealing with issues that every woman will relate to—criticism, emptiness, balance, family, and creativity (among others)—the twelve chapters in *Breathing Space* follow Katrina's ups and downs in New York. At the end of each chapter there is a simple but effective breathing exercise that will help readers eliminate harmful behavior patterns and speed their own process of personal transformation. *Breathing Space* is an inspiring and instructive book that offers every woman the chance to follow the author's path and become the person she truly wants and deserves to be.

ACIM, the Fun Version! A real-world rewrite of the lessons of *A Course in Miracles* by the #1 New York Times best-selling author of *E-Squared*. *A Course in Miracles* is profound, deeply moving, and as boring to read as a bookshelf assembly manual. Ask for a show of hands at any self-help gathering, and 95 percent will happily admit to owning the dense blue book that's a famous resource for spiritual transformation. Ask the obvious follow-up, "How many have actually read it?" and all but a smattering of hands go down. It's as if everyone wants the miracles, the forgiveness, and the mind shifts, but they just can't bear its ponderous heaviness. Pam Grout to the rescue! Her new book is for all those still struggling with the Course. Grout offers a modern-day rewrite of the 365-lesson workbook—the text at the heart of the Course. Unlike the original, it's user-friendly, accessible and easy for everyone to understand. In daily lessons with titles like "The Home Depot of Spiritual Practices" and "Transcending the Chatty Asshat in My Head," Grout drills down to the Course's essential message and meaning, grounding it in the context of everyday life in a way that's bound to stick. The lessons here blend eternal truths with pop culture and personal stories that are laugh-out-loud funny and deeply soul-stirring, often at the same time. You won't be tempted to use this Course in *Miracles* as a doorstop. You'll want to use it, every day, to change your life.

A revised edition of this bestselling title to coincide with the publication of the author's new title, *E-Cubed*.

More than one hundred stories of families tracking down their roots provide readers with inspiration and support. Original. TV Tie-in. \$100,000 ad/promo. (PBS series, beginning April 2000)

A spiritual counselor shares the story of how he transformed from a stockbroker with little religious experience to a man profoundly shaped by his journey to explore the nature of existence, in a guide that offers advice on understanding one's purpose in order to achieve fulfillment. Original.

Embark on an unforgettable adventure of wonder, magic, and miracles as you discover the keys that will lead you to experience more bliss in your life.
