

Emotional Wellness Transforming Fear Anger And Jealousy Into Creative Energy By Osho Harmony2007 Hardcover

When trying to share your feelings, does it end up in a fight more times than not? Do you want constructive discussions with your partner that lead to deeper connection and a healthier relationship? Most of us never learned to effectively share our own feelings or how to receive the feelings of our partner. The good news is that it's a skill you can learn--and if you're in a relationship, it's a necessary skill. Being in a relationship without knowing how to share your feelings and receive your partner's feelings in useful ways is like jumping into a pool without knowing how to swim. You can flail around all you want, but it's not going to keep you afloat for very long--you need to be able to move in any direction at will. Like swimming, knowing how to share your feelings and respond to your partner's feelings will move your relationship in the direction you want: more intimacy, closeness, connection, and trust. In "Communicate Your Feelings (without starting a fight)", you'll get: Ways to avoid escalation, so you can be unafraid of a discussion spinning out of control The happiness and assurance that comes with knowing your relationship is heading in the right direction Ways to respond to your partner's feelings, so you can gain their trust once again 13 Communication Techniques, so you can be confident approaching discussions with your partner Ways to clarify your thoughts and feelings, increasing the likelihood that your partner will understand you Now is the time to have a happier relationship, so begin applying these techniques today.

When it comes to our dreams we have vague ideas but with our dreads, we know the specifics. Why do we do that? Discover how to really change your reality and unleash your true potential. Transform Fear, Anger, and Jealousy into Creative Energy and help others do the same. Emotions like guilt, insecurity, and fear are used to manipulate us. Learn how to control these emotions. These emotions do not serve you but you identify with them and this is where the problem lies. It is time to break this cycle. This book will give you the keys for the unconscious mind so you can stop boycotting yourself. The powerful combination of essential oils, Mudras and breathing can change our reality and allow us to move forward so that we can accomplish what we were truly meant to be.

The revolutionary spiritual techniques of the late philosopher offer a whole person approach to spirituality that emphasizes the importance of embracing all aspects of oneself that embraces both the material and spiritual, the earthly and the transcendent, to create a harmonious, whole person. 30,000 first printing.

This journal may be used alone, but is designed as a companion to *Manage My Emotions: What I Wish I'd Learned in School about Anger, Fear, and Love*. The exercises in this journal assist in personalizing lessons learned and allow self-exploration to develop.

A New York Times bestseller, *Emotional Freedom* is a road map for those who are stressed out, discouraged, or overwhelmed as well as for those who are in a good emotional place but want to feel even better. Picture yourself trapped in a traffic jam feeling utterly calm. Imagine being unflappable and relaxed when your supervisor loses her temper. What if you were peaceful instead of anxious? What if your life were filled with nurturing relationships and a warm sense of belonging? This is what it feels like when you've achieved emotional freedom. Bestselling author Dr. Judith Orloff invites you to take a remarkable journey, one that leads to happiness and serenity, and a place where you can gain mastery over the negativity that pervades daily life. No matter how stressed you currently feel, the time for positive change is now. You possess the ability to liberate yourself from depression, anger, and fear. Synthesizing neuroscience, intuitive medicine, psychology, and subtle energy techniques, Dr. Orloff maps the elegant relationships between our minds, bodies, spirits, and environments. With humor and compassion, she shows you how to identify the most powerful negative emotions and how to transform them into hope, kindness, and courage. Compelling patient case studies and stories from her online community, her workshop participants, and her own private life illustrate the simple, easy-to-follow action steps that you can take to cope with emotional vampires, disappointments, and rejection. As Dr. Orloff shows, each day presents opportunities for us to be heroes in our own lives: to turn away from negativity, react constructively, and seize command of any situation. Complete emotional freedom is within your grasp.

"Emotional Advantage is such an uplifting answer to our challenging times. In its pages, you will find encouragement, support, and new perspectives. Randy Taran offers an antidote to emotional overwhelm—a powerful way to discover how useful your emotions can be in guiding you towards your best life."—Marci Shimoff, #1 New York Times bestselling author of *Happy For No Reason* and *Chicken Soup for the Woman's Soul* Award-winning author, producer, and founder of Project Happiness, Randy Taran knows that every emotion, feeling, and mental state has the power to bring us back to our true essence, and that readers can use *Emotional Advantage* as a guide to get there. In recent years, there has been an overwhelming interest in the science of happiness and positive psychology, and many books on the subject. There is a good reason for this: it is a core, universal human drive. And while happiness has opened the door for many to move forward, there is a burgeoning curiosity about the full range of human emotions, all of which factor into the human experience. What do we do when life does not go as planned? Neuroscience reveals that to understand and utilize any emotion, we need to "name it to tame it." It turns out that even negative emotions have something to offer, if we know how to learn from them. Have you ever woken up in a fog of feelings and felt directionless? Or maybe it was hard to pinpoint exactly what you were feeling, but it wasn't where you wanted to be? What if we could actually use our feelings as a pathway to guide us back to our inner compass? What if, like alchemists, we had the tools to transform our emotions to take charge of creating our very best life? What if we could comprehend how even the most troublesome emotions are sending messages to alert, protect, and fuel us forward? *Emotional Advantage* is that guide. It will show us how a new perspective on fear can move us to courage, how guilt can clarify our values, and how anger can help us create healthy boundaries.

For many of us, feelings of deficiency are right around the corner. It doesn't take much--just hearing of someone else's accomplishments, being criticized, getting into an argument, making a mistake at work--to make us feel that we are not okay. Beginning to understand how our lives have become ensnared in this trance of unworthiness is our first step toward reconnecting with who we really are and what it means to live fully. —from *Radical Acceptance* "Believing that something is wrong with us is a deep and tenacious suffering," says Tara Brach at the start of this illuminating book. This suffering emerges in crippling self-judgments and conflicts in our relationships, in addictions and perfectionism, in loneliness and overwork—all the forces that keep our lives constricted and unfulfilled. *Radical Acceptance* offers a path to freedom, including the day-to-day practical guidance developed over Dr. Brach's twenty years of work with therapy clients

and Buddhist students. Writing with great warmth and clarity, Tara Brach brings her teachings alive through personal stories and case histories, fresh interpretations of Buddhist tales, and guided meditations. Step by step, she leads us to trust our innate goodness, showing how we can develop the balance of clear-sightedness and compassion that is the essence of Radical Acceptance. Radical Acceptance does not mean self-indulgence or passivity. Instead it empowers genuine change: healing fear and shame and helping to build loving, authentic relationships. When we stop being at war with ourselves, we are free to live fully every precious moment of our lives.

Reveals how meditation can promote inner peace through understanding, watchfulness and humor, explaining how to overcome mental obstacles to problem solving while promoting relaxation and creativity. By the author of *The Book of Secrets*. Original. 20,000 first printing.

Powerful Chakra Tools to Help You Heal, Achieve Balance, and Awaken to Your Greatness Learn to move past trauma, find strength, and thrive with twelve chakra tools that are based on the feminine energy body and life phases. These tools focus on challenges that women often face in owning our power, balancing work and family, and maintaining physical and emotional health. Featuring an eight-page, full-color insert with clarifying chakra figures, this essential guide presents a no-nonsense, easy-to-use approach to the chakras that helps you manifest your highest potential. Each chapter focuses on a new chakra tool, helping you explore how to use it within your daily life for long-term growth, overcoming blocks, healing sexual trauma, and more. *Chakra Empowerment for Women* supports your journey in practical ways as you recover the energy of your empowered self. Includes a foreword by bestselling author Cyndi Dale.

"We are all touched at some point by the dark emotions of grief, fear, or despair. In an age of global threat, these emotions have become widespread and overwhelming. While conventional wisdom warns us of the harmful effects of "negative" emotions, this revolutionary book offers a more hopeful view: there is a redemptive power in our worst feelings. Seasoned psychotherapist Miriam Greenspan argues that it's the avoidance and denial of the dark emotions that results in the escalating psychological disorders of our time: depression, anxiety, addiction, psychic numbing, and irrational violence. And she shows us how to trust the wisdom of the dark emotions to guide, heal, and transform our lives and our world.

A 21-day course for modern meditators It can be difficult for the hyperactive 21st century mind to relax into an experience of silence and awareness. Recognizing this, the revered mystic Osho developed new meditation techniques to address the challenges of the modern mind. *A Course in Meditation* demonstrates these techniques in an easy-to-navigate format. Each day, learn a new aspect of meditative living followed by a simple, practical meditation and awareness practice. After each experience, reflect on the accompanying quote of the day, or use the provided space to take notes. Throughout the course, Osho imparts his unique insights on love, anger, relaxation, and more to guide you toward a space of inner acceptance, joy and mindfulness. *A Course in Meditation* shows how we can reclaim the meditative nature that we each come in to the world with, but lose over time as we are initiated into the ways of society. From beginners eager to find stillness to more experienced meditators who wish to elevate their practice, Osho's guide to meditation can teach everyone to separate themselves from their minds for a transformation of consciousness that brings a new understanding of what it means to be alert and responsive to whatever life brings. "Without meditation you do not know the secrets of life, you know only the surface of life." -OSHO Osho, known for his revolutionary contribution to the science of inner transformation, continues to inspire millions of people worldwide in their search to define a new approach to individual spirituality that is self-directed and responsive to the everyday challenges of contemporary life. Osho was described by UK's *Sunday Times* as one of the "1000 Makers of the 20th Century." His internationally bestselling works are available in 60 languages around the world.

Describes how hidden, buried anger might be causing physical and emotional problems including headaches, digestive problems and insomnia and explains how to practice mindfulness to release the pent-up emotions before they become unhealthy.

Traditional Chinese edition of *EMOTIONAL WELLNESS: transforming fear, anger, and jealousy into creative energy* by Osho. In Chinese. Distributed by Tsai Fong Books, Inc.

Now in paperback, the self-published success that provides guidance for women in identifying and transforming one of the most challenging emotions of our lives *Self-help* authors rarely distinguish between anger and rage, but Ruth King has devoted her career to exploring the subtle varieties of this emotion. In *Healing Rage*, she gives all readers access to her pioneering, breakthrough program, which has already changed thousands of lives through workshops nationwide. Written for every woman—from counselors and their patients to those who may not realize that rage is at the root of their unhappiness and have just begun to seek new paths of hope? *Healing Rage* is a unique invitation for transformation.

Flush out negativity and clear a path for new positive habits, behaviors, and emotions with certified energy healer, yoga instructor, and psychology professor Sherianna Boyle's emotional detox program, C.L.E.A.N.S.E—as featured on *YogaJournal.com*. When we think of a detox, we usually think of a physical experience. But it's not just our physical bodies that need to be cleansed of the impurities we encounter and absorb in our daily lives—it's our minds too. When we find ourselves unable to process our negative emotions and feel them becoming toxic to ourselves and those around us, it's time for an Emotional Detox, a mindful and systematic guide to freedom from these troublesome feelings. Wellness expert Sherianna Boyle has created the revolutionary the 7-step C.L.E.A.N.S.E. method to help you rid yourself of negativity, fear, worry, anger, and doubt, and guide you back toward a natural, energized state of pure joy and acceptance. Learn how to Clear your pathways, Look inward, Emit positivity, Activate, Nourish, Surrender, and Ease your way into your best self and a happier and healthier life. *Emotional Detox* "will wake you up, turn your views upside down, while providing you with life changing tools and insight" (Elizabeth Hamilton-Guarino, CEO of Best Ever You Network and author of *Percolate*).

Offers advice to move beyond the fears and doubts that prevent individuals from creating a life that reflects who they truly are and discusses how to rewrite the internal "worry" narratives that hide the best and truest self.

Body Mind Balancing: Using Your Mind to Heal Your Body features meditation methods from one of the twentieth century's greatest spiritual teachers. Many everyday discomforts and tensions arise from the fact that we are alienated from our bodies. With the help of Osho's *Body Mind Balancing*, readers will learn to talk to and reconnect with their bodies. After just a short time, readers will begin to appreciate how much the body has been working for them and supporting them, and from this new perspective one can find new ways to work with the body and create a more harmonious balance of body and mind. Accompanying the book is a CD featuring the meditative therapy "Reminding Yourself of the Forgotten Language of Talking to Your BodyMind," spoken by meditation teacher Anando Hefley. Developed by

Osho, it guides the listener in reconnecting with his or her body and creating a new and greater sense of well-being. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

We have polluted our planet Earth with light. Light pollution - excessive and obtrusive artificial light, with bright neon and LED lights in our cities and in our personal space, continuously illuminated and artificial - has removed something incredibly valuable from our lives, and at the same time affected our ability to sleep, rest, and relax. 'Falling in Love with Darkness' is Osho's attempt to bring us again in contact with darkness, but here in a spiritual and psychological context. "Why do we desire light?," he asks. "Why do we hanker so much for light? Perhaps we never realize that the desire for light is a symbol of the fear rooted within us; it is a symbol of fear. We want light so that we can become free of that fear." The mind is afraid in the dark. The fear of darkness is based on the fear of being alone: the fear of being alone comes together with the fear of darkness. Darkness has its own bliss; without falling in love with darkness, you will be deprived of the capacity to love the great truths of life. Next time you find yourself in darkness, take a direct look into it and you will discover that it is not so frightening after all. When darkness surrounds you, become absorbed in it, become one with it. And you will find that darkness offers you something that light can never give you. All the important mysteries of life are hidden in darkness. These are talks by Osho given at a meditation camp where he introduces people in a direct and practical way to an understanding of meditation as a way to get acquainted with darkness, to re-discover that darkness is peace, relaxation, and stillness, all through the simple method of witnessing. "Meditation means: discovering the one who is beyond all happening and has never been a part of anything."

"When a battle is raging within, enemies appear on the outside." Osho—the provocative spiritual teacher whom novelist Tom Robbins called “the most dangerous man since Jesus Christ”—provides illuminating commentary on the classic Hindu scripture, the Bhagavad Gita. His eye-opening interpretation exposes the roots of our contemporary personal and global problems and reveals how the patterns and conditionings of our minds create misery, dilemma, conflict, and war. Most important, Osho offers his timeless solution to the problem by expanding on Krishna's psychological vision and drawing wisdom from the sacred text.

Waking up or awakening means that the dream is over - the dream of unconsciousness we all spend most of our lives in - often a life of tensions, anguish, feeling unfulfilled and running after illusions which are just substitutes of what we are really looking for. This little book is actually a big book, containing Osho's entire teaching from an early period of his public life and teachings. He takes us through three steps on the path to awakening, steps to help us to get out of our conditioning, our limitations and frustrations. "There are only three steps: freedom of consciousness, simplicity of mind, and emptiness of mind." For freedom of thought, for liberation of thought, and for the awakening of intelligence, the first thing, the first awareness that is needed is: “No thought is mine. No thought is mine.” While we read this book, Osho takes us through this experience of letting go of identification, allows us to get a glimpse what a life of awakening can be.

Rarely are written statements available from enlightened masters or mystics. Lao Tzu's statements of the Tao Te Ching came into being only at the end of his life. Mystics usually don't write books; they speak and work directly with people in a transformational way. In the same way, Osho's books are transcriptions of his daily talks. This book is a rare exception: 100 letters written by Osho and mailed to a disciple, Yoga Sohan, in connection with events during a meditation camp in which she participated. Osho promised her that he would send her a letter every day...and that she should keep them so they could be published one day. This unique selection of these letters contains Osho's very personal instructions and insights on a meditative life. In one he says, "That's what meditation is all about – writing love letters to life." If you have come to the point where you feel there must be something more to life and are ready to explore other dimensions of being, this collection will provide an essential road map. The one hundred short passages in this book are full of diverse and pertinent gems. They will touch your heart and inspire you, showing you how to turn each and every moment of your life into a celebration.

Mary Beth Sammons and Nina Lesowitz have received hundreds of thank you emails and letters from readers whose lives they have touched and helped — spiritual seekers, teachers, business people, cancer patients, parents, the newly bereaved, athletes, and many others. Building upon the foundational wisdom of the bestselling Living Life as a Thank You Nina Lesowitz and Mary Beth Sammons have developed a workbook filled with life-changing practices and encouraging advice to take readers through a process of self-transformation and personal growth. The workbook-style format not only provides readers with tried and true thank you techniques and practices, but also allows them to take part in creating their own. The act and power of gratitude has a direct effect on our lives on a physical, spiritual, mental and emotional level. Studies have shown that living life with appreciation leads to a greater sense of well-being and happiness. The secret to a happy and fulfilled life may rely on focusing on all the good, rather than what is lacking or not going well at the moment. The Thank You Power Workbook is a toolkit for this transformation.

Negative feelings can be as toxic to our health as physical poisons, wearing on us and causing depression, illness, and burnout. Ingerman reveals the secrets of the ancient alchemists and offers strategies for processing harmful thoughts and emotions and turning spiritual lead into gold.

"The counterintuitive approach to achieving your true potential, heralded by the Harvard Business Review as a groundbreaking idea of the year"--

What if someone told you that you could discover the source of all your problems and address them head-on? How about if they told you that reconstructing your attitude would actually change your life?

Author Jude Bijou combines contemporary psychology and ancient spiritual wisdom to provide a revolutionary theory of human behavior that will help you do just that. Her comprehensive blueprint will teach you to . identify and navigate the six primary emotions; . replace destructive thoughts with reliable truths; . access your deepest intuition; . communicate lovingly and effectively; . overcome harmful habits through step-by-step action. These concepts can be easily understood and integrated into your daily routine, regardless of your spiritual path, cultural background, age, or education. With practical tools, real-life examples, and everyday solutions for thirty-three destructive attitudes, Attitude Reconstruction can help you stop settling for sadness, anger, and fear, and infuse your life with love, peace, and joy.

The mental well-being of children and adults is shockingly poor. Marc Brackett, author of Permission to Feel, knows why. And he knows what we can do. "We have a crisis on our hands, and its victims are our children." Marc Brackett is a professor in Yale University's Child Study Center and founding director of the Yale Center for Emotional Intelligence. In his 25 years as an emotion scientist, he has developed a remarkably effective plan to improve the lives of children and adults – a blueprint for understanding our emotions and using them wisely so that they help, rather than hinder, our success and well-being. The core of his approach is a legacy from his childhood, from an astute uncle who gave him permission to feel. He was the first adult who managed to see Marc, listen to him, and recognize the suffering, bullying, and abuse he'd endured. And that was the beginning of Marc's awareness that what he was going through was temporary. He wasn't alone, he wasn't stuck on a timeline, and he wasn't “wrong” to feel scared, isolated, and angry. Now, best of all, he could do something about it. In the decades since, Marc has led large research teams and raised tens of millions of dollars to investigate the roots of emotional well-being. His prescription for healthy children (and their parents, teachers, and schools) is a system called RULER, a high-impact and fast-effect approach to understanding and mastering emotions that has already transformed the thousands of schools that have adopted it. RULER has been proven to reduce stress and burnout, improve school climate, and enhance academic achievement.

This book is the culmination of Marc's development of RULER and his way to share the strategies and skills with readers around the world. It is tested, and it works. This book combines rigor, science, passion and inspiration in equal parts. Too many children and adults are suffering; they are ashamed of their feelings and emotionally unskilled, but they don't have to be. Marc Brackett's life mission is to reverse this course, and this book can show you how.

From the co-creator of The Manifesting Academy and host of the Journey to Manifesting podcast, 200 mini meditations to help you rise above fear and manifest the life of your dreams

A comprehensive guide to emotional blockages in the energy body and their physical manifestations • Details how emotional trauma, long-term stress, and environmental influences cause energy blockages in the subtle body that affect the physical body • Explores more than 30 specific physical ailments, detailing the energetic origins of each condition and which meridians, chakras, and points are affected • Explains how to interpret and work with energies released in massage and during yoga practice In this comprehensive guide to subtle energy and its associated physical manifestations, Robert Henderson reveals how the discomfort and pain you carry in your physical body is related to the energies of the life you have experienced. The author explains the eight types of subtle energy: Emotional, which carries anger, fear, love, and other emotions; Mental, which affects patterns of behavior, beliefs, actions, and memories; Spiritual, which influences intuition, inspiration, and transcendent states; Sexual, which affects creativity, spontaneity, and excitement; Environmental, which arises from stress at work, tension at home, and other outside influences; Interpersonal, which comes from interactions with family, lovers, and friends; Ancestral, the energy of the lives of your parents up to the time of your conception; and Karmic, the energy of your past lives. Detailing how these energies are drawn in by the chakras and distributed throughout the body by the meridians, the author explains how suffering acute emotional trauma or long-term stress causes negative energies to accumulate in the energy body much like fat deposits. Our physical body reacts to these energy blockages, leading to physical conditions such as closed hips, tight hamstrings, digestive distress, chronic pain, and persistent tension in areas like the shoulders. The author explores more than 30 specific physical ailments, providing the energetic origins of each condition, the exact location of the corresponding energy blockage, and which meridians, chakras, and points are affected. He covers sexual energy in depth, explaining how to handle repressed energy as it is released during yoga or massage. As the author shows, physical ailments caused by the energies of hurtful life events can be healed through massage and yoga, allowing you to become open to the free and spontaneous circulation of energy through the subtle body.

Emotional Wellness Transforming Fear, Anger, and Jealousy Into Creative Energy Harmony

A first entry in a new series by the spiritual teacher and author of The Journey of Being Human describes how the natural freedom and creativity of childhood is typically sacrificed in favor of productivity, calling for more liberating approaches that enable parents to become aware of their own negative conditioning. Original. 20,000 first printing.

One of the twentieth century's greatest spiritual teachers inspires us to experience and appreciate both the elation—and sadness—of Joy: The Happiness That Comes from Within. With an artful mix of compassion and humor, Osho shows us that joy is the essence of life, that even unhappiness has its root in joy. He encourages us to accept joy by being grateful to be alive and for the challenges and opportunities in life, and by finding the good in all that we have—rather than setting conditions or demands for happiness. By embracing joy, one comes closer to a true, peaceful, and balanced state. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Strong emotions that we don't know how to handle effectively lie at the core of so many difficulties in the life of the individual. They can affect our relationships with loved ones, and how we function in our work. They play a profound role in how we feel about ourselves, and can even affect our physical health. And we are too often trapped in the dilemma of "expression" versus "repression." Expressing our emotions can often hurt others, but by repressing them – even in the benevolent guise of "self-control" – we risk hurting ourselves. Osho offers a third alternative, which is to understand the roots of our emotions and to develop the knack of watching them and learning from them as they arise, rather than being "taken over" by them. Eventually we find that even the most challenging and difficult situations no longer have the power to provoke us and cause us pain. Osho's unique insight into the workings of the mind, the heart, and the essence or "being" of the individual goes far beyond the understandings of conventional psychology. Over more than three decades of work with people from all walks of life, he has developed simple techniques and insights to help modern-day men and women to rediscover their own inner silence and wisdom.

Taming the Tiger Within is a handbook of meditations, analogies, and reflections that offer pragmatic techniques for diffusing anger, converting fear, and cultivating love in every arena of life—a wise and exquisite guide for bringing harmony and healing to one's life and relationships. Acclaimed scholar, peace activist, and Buddhist master revered by people of all faiths, Thich Nhat Hanh has inspired millions worldwide with his insight into the human heart and mind. Now he focuses his profound spiritual wisdom on the basic human emotions everyone struggles with on a daily basis.

The noted spiritual teacher offers an effective new approach for coping with human emotions and promoting emotional health, sharing wisdom, strategies, and advice for breaking free from unhealthy responses to strong emotions, understanding the effects of negative emotions on our lives, transforming destructive emotions into creative energy, and more. 30,000 first printing.

Offers ways that mindfulness, focused breathing and meditation can help bring healing and release for people suffering from childhood trauma. By the best-selling author of The World We Have. Original.

The founder of L.A.'s hottest wellness boutique, Amanda Chantal Bacon offers the ultimate resource for foodies looking to restore their health the natural way, using functional foods to create seriously healing drinks, snacks, and sweet treats. Since Amanda Chantal Bacon founded Moon Juice in 2011, it has evolved into one of the nation's fastest growing wellness brands, and in The Moon Juice Cookbook, she artfully distills her powerful approach to healthy living, sharing over 75 recipes for the brand's most popular healing beverages and provisions. Amanda's recipes harness the healing properties of adaptogenic herbs, raw foods, and alkalizing ingredients to create potent drinks, snacks, and sweets that deliver a multitude of benefits, including sparked libido, glowing skin, and boosted immunity. She begins by guiding readers through the fundamentals of the Moon Juice kitchen, teaching them how to stock the larder with milks, juices, cultured foods, and "unbakery" doughs and crèmes—all of which can be mixed and matched to create nutritionally turbo-charged meals with minimal effort—and the essential time- and money-saving strategies they'll need to make their new kitchen practices stick. With recipes for healthful, delectable indulgences like Strawberry Rose Geranium Bars, Hot Sex Milk, Savory Tart with Cheese and Tomato Filling, Pulp Brownies with Salted Caramel Sauce, Yam Julius Milk, and Chocolate Chaga Donuts, The Moon Juice Cookbook is the stylish yet pragmatic roadmap readers need to achieve optimal wellness in a natural and delicious way.

This New York Times and USA TODAY bestseller is the perfect tool for children facing new social and emotional challenges in an increasingly disconnected world! This how-to book from two psychology experts—packed with fun graphics and quizzes—will help kids transform stress, worry, and anxiety. Give it to fans of The Confidence Code for Girls and Raina Telgemeier's Guts. Now more than ever, kids need to feel empowered as they work through anxiety, overwhelm, and uncertainty brought on by the world around them. With its helpful, hands-on suggestions and tips, SUPERPOWERED will be embraced by every kid with insecurities, worries, and anxious thoughts. Renee Jain (founder of GoZen!) and Dr. Shefali Tsabary (New York Times bestselling author and Oprah contributor) make readers the

superheroes of their own stories. They introduce a toolkit of easy-to-understand methods for recognizing anxious behaviors, identifying the root causes of worried thinking, and realizing that strength can be found in reclaiming one's inner superpowers. With the help of humorous artwork and interactive elements, readers find their P.O.W.E.R. (an acronym that inspires mindfulness and resilience practices) and gain lasting mental strength.

What Is Love? In this thoughtful, provocative work, Osho—one of the most revolutionary thinkers of our time—challenges us to question what we think we know about love and opens us to the possibility of a love that is natural, fulfilling, and free of possessiveness and jealousy. With his characteristic wit, humor, and understanding, Osho dares us to resist the unhealthy relationship patterns we've learned from those around us, and to rediscover the meaning of love for ourselves. "By the time you are ready to explore the world of love, you are filled with so much rubbish about love that there is not much hope for you to be able to find the authentic and discard the false." By answering the questions that so many lovers face, Osho shares new ways to love that will forever change how you relate to others, including how to:

- Love without clinging
- Let go of expectations, rules, and demands
- Free yourself from the fear of being alone
- Be fully present in your relationships
- Keep your love fresh and alive
- Become a life partner with whom someone could continue to grow and change
- Surrender your ego so you can surrender to love

Being in Love will inspire you to welcome love into your life anew and experience the joy of being truly alive by sharing it.

Fear, anger, and anxiety—the side effects of life's everyday stresses—are natural and sometimes helpful, but left unchecked they can lead to a host of debilitating ailments that are now so common we assume they are unavoidable: heart disease, arthritis, gastrointestinal problems, depression, and more. There is good news, though: The key to a healthy life free of these conditions is to activate what Harvard Medical School instructor Dr. Eva Selhub calls the love response: a series of biochemical reactions that lower blood pressure, heart rate, respiration, and adrenaline levels, stimulating physical healing and reinstating balance and well-being. A practical life-healing program, the first of its kind, The Love Response is the result of Dr. Selhub's years of research—and clinical practice—on how to reverse the destructive physical effects of fear and stress, and banish emotional wounds from the past. Through a simple-to-use plan of awareness, breathing, visualization, and verbal command exercises, The Love Response reprograms your brain and changes your biochemistry from negative to positive, putting you on a path to long-term wellness and happiness. The Love Response is structured around the three essential building blocks of mental health:

- social love—connecting not only in your intimate relationships but with family, friends, and pets
- self-love—learning to nurture yourself with care and tenderness (often the hardest step)
- spiritual love—contributing in meaningful ways to the world beyond your personal needs

The Love Response provides all the tools you need to transform anger into compassion, release your fears, overcome shame, embrace self-acceptance, connect through empathy, and, ultimately, strengthen your natural ability to heal.

Dr. John E. Sarno's groundbreaking research on TMS (Tension Myoneural Syndrome) reveals how stress and other psychological factors can cause back pain—and how you can be pain free without drugs, exercise, or surgery. Dr. Sarno's program has helped thousands of patients find relief from chronic back conditions. In this New York Times bestseller, Dr. Sarno teaches you how to identify stress and other psychological factors that cause back pain and demonstrates how to heal yourself—without drugs, surgery or exercise. Find out: Why self-motivated and successful people are prone to Tension Myoneural Syndrome (TMS) How anxiety and repressed anger trigger muscle spasms How people condition themselves to accept back pain as inevitable With case histories and the results of in-depth mind-body research, Dr. Sarno reveals how you can recognize the emotional roots of your TMS and sever the connections between mental and physical pain...and start recovering from back pain today.
