“When we believe the Bible as it is, we will see the power of God move in our lives and in our community as it did centuries ago in Bible times.” -Mel Tari Translated into dozens of languages, with millions of copies sold, Like a Mighty Wind remains a beloved classic from global evangelist Mel Tari. Recounting the incredible story of revival on the island of Timor during 1965 in the midst of political turmoil, the book is an amazing testament to the power of faith and the reality of God's power to work miracles in modern times. The Spirit of God that swept across the island “like a mighty wind” continues today throughout Indonesia although persecution of Christians is all too common. The story of God's powerful revival in this region remains a testament to the truth of God's Word, and serves as a reminder to all believers that the Spirit of God manifests in our world now as it did in the earliest days of the Church. [The book] offers you the opportunity to learn the

Embark on an extraordinary journey to Marian consecration on your e-reader. From Fr. Michael E. Gaitley, MIC, author of the popular book "Consoling the Heart of Jesus," comes an extraordinary 33-day journey to Marian consecration with four giants of Marian spirituality: St. Louis de Montfort, St. Maximilian Kolbe, Blessed Mother Teresa of Calcutta, and Blessed Pope John Paul II. Father Michael masterfully summarizes their teaching, making it easy to grasp, and simple enough to put into practice. More specifically, he weaves their thought into a user-friendly, do-it-yourself retreat that will bless even the busiest of people. So, if you've been thinking about entrusting yourself to Mary for the first time or if you're simply looking to deepen and renew your devotion to her, "33 Days to Morning Glory" is the right book to read and the perfect retreat to make.

Crraack! Flash! Boom! When a terrible storm scatters a group of elephants, one tiny member of the herd is left behind in the loud, chittering jungle. Where can he turn? The water buffalo look nice enough, but he couldn't become a part of their herd . . . could he?

Rohr's meditations on the daily readings of Lent are not for the sake of mere information, or even for academia (although the author hopes it will satisfy both), but for the sake of our transformation into our original "image and likeness," which is the very image of God. What always and finally matters for all of us is encounter! Father Rohr begins each meditation with a single title or phrase that sums up the point. Then he offers the meditation followed by key passages from the readings. He ends each meditation with a Starter Prayer that invites you to self-disclosure and to enter the wondrous divine dialogue with clarity, insight—and holy desire! "There are two moments

that matter. One is when you know that your one and only life is absolutely valuable and alive. The other is when you know your life, as presently lived, is entirely pointless and empty. You need both of them to keep you going in the right direction. Lent is about both. The first such moment gives you energy and joy by connecting you with your ultimate Source and Ground. The second gives you limits and boundaries, and a proper humility, so you keep seeking the Source and Ground and not just your small self."—From the Introduction

A simple yet powerful method of communication for mediating conflicts and peacefully resolving differences at the political, professional, and personal levels.

A young Korean girl survives the oppressive Japanese and Russian occupation of North Korea during the 1940s, to later escape to freedom in South Korea.

A fully revised and updated edition for the 21st century, this is the diary of Susie, the sister of Pete Payne (*The Diary of a Teenage Health Freak*). Following on from Pete's diary, it covers more of the issues and problems of being a teenager, this time primarily, though not exclusively, from a girl's point of view. Here is everything you need to know about sex, romance, anorexia, glandular fever, death, AIDS, dieting, taking exams, animal rights, contraception, divorce, coping with stress, and many things besides. They are covered in a light-hearted way but with plenty of sensible advice.

A "wonderfully twisted meditation on identity and individuality" from a Nobel Prize-winning author who pushes fiction to its very limits (*The Boston Globe*). As this novel by the author of *Blindness* and *All the Names* begins, Tertuliano Máximo Afonso is a divorced, depressed history teacher. To lift his spirits, a colleague suggests he rent a certain video. Tertuliano watches the film, unimpressed. But during the night, when he is awakened by noise, he finds the VCR replaying the video and watches in astonishment as a man

who looks exactly like him—or, more specifically, exactly like he did five years earlier, mustachioed and fuller in the face—appears on the screen. Against his own better judgment, Tertuliano decides to pursue his double. As he roots out the man’s identity, what begins as a whimsical chase becomes a probing investigation into what makes us human. Can we be reduced to our outward appearance, rather than the sum of our experiences? The inspiration for the film *Enemy* starring Jake Gyllenhaal and directed by Denis Villeneuve, *The Double* is a timeless novel from a writer John Updike described in *The New Yorker* as “like Faulkner, so confident of his resources and ultimate destination that he can bring any impossibility to life by hurling words at it.” “It’s tempting to think of [*The Double*] as his masterpiece.” —*The New York Times* Translated from the Portuguese by Margaret Jull Costa

Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

life! The Oracle will reveal the mystery behind everything...the past, the present, current events, even what is yet to come! Open the seven doors of revelation—and prepare to be blown away! Jonathan Cahn, author of the New York Times best sellers *The Harbinger*, *The Mystery of the Shemitah*, *The Book of Mysteries*, and *The Paradigm*, now unveils *The Oracle*, in which he opens up the Jubilean mysteries and a revelation so big that it lies behind everything from the rise and fall of nations and empires (even America), to the current events of our day, to the future, to end-time prophecy, and much more. Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over three thousand years ago be determining the events of our day? Could some of the most famous people of modern history and current events be secretly linked to this mystery—even a modern president of the United States? Could this ancient revelation pinpoint the events of our times down to the year, month, and day of their occurring? Could a mysterious phenomenon be manifesting on the world stage on an exact timetable determined from ancient times? Could these manifestations have altered—and now be altering—the course of world events? Jonathan Cahn takes the reader on a journey to find the man called the Oracle. One by one each of the Jubilean mysteries will be revealed through the giving of a vision. The Oracle will uncover the mysteries of *The Stranger*, *The Lost City*, *The Man With the Measuring Line*, *The Land of Seven Wells*, *The Birds*, *The Number of the End*, *The Man in the Black Robe*, *The Prophet's Song*, *The Matrix of Years*, *The*

Day of the Lions, The Awakening of the Dragon, and much more. The reader will discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day. The revelation is so big that it will involve and open up the mysteries of everything and everyone from Mark Twain to Moses, from King Nebuchadnezzar to Donald Trump, from the fall of empires to the rise of America, from a mystery hidden in a desert cave to another in an ancient scroll, from the palace of the Persian Empire to the US Senate, from the Summer of Love to the Code of Babylon, and much, much more. Ultimately the Oracle will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age. As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative. A traveler is given seven keys; each will open up one of seven doors. Behind each door lies a stream of mysteries. The reader will be taken on a journey of angels and prophetic revelations waiting to be discovered behind each of the seven doors-the ancient secrets that lie behind the world-changing events of modern times-and revelations of what is yet to come. Hailed as a mind-blowing masterpiece, *The Oracle* will reveal mysteries that are absolutely real, amazing, stunning, mind-blowing, and life-changing. Prepare to be blown away. travails of Latin American democracy, the role of religion in civic life, and the future of globalization. But Vargas Llosa's influence is hardly limited to politics. In some of the liveliest critical writing of his career, he makes a pilgrimage to Bob Marley's shrine in Jamaica, celebrates the sexual abandon of Carnival in Rio, and examines the legacies of Vermeer, Bertolt Brecht, Frida Kahlo, and Octavio Paz, among others.

Thomas Burnett Swann (1928-1976) earned a distinguished reputation among writers of science fiction, one that caused his enthusiastic following to nominate him again and again for awards. Unique in his talent, his novels dealt not with the far future, but with the enigma of the past. Prior to the dawn of human history, the Earth did not belong solely to humanity -- there were other intelligent species still fighting a last-stand battle against extinction. Remembered today only in legend, these are creatures of the trees and water, beings that combined beast and man, with strange lore of their own and sciences lost to the human victors. GREEN PHOENIX is a tour de force of the final stronghold of the prehumans against the last legion of fallen Troy. "He writes his own golden thing his own way..." --Theodore Sturgeon, The New York Times "Swann's neo-romantic fantasies of the past are unique. He uses the stuff of myth with twists and inventions all his own." --The Village Voice After being unavailable for many years, the complete works of Thomas Burnett Swann are being reprinted by Wildside Press -- all 16 novels and his complete short stories. This volume presents an integrated epidemiologic, social, and economic analysis of the global epidemics of HIV among sex workers in low- and middle-income countries. The book provides a comprehensive review and synthesis of the available public health and social science data to characterize the nature, scope, and complexities of these epidemics. A community empowerment-based approach to HIV prevention, treatment, and care is outlined and demonstrated to be cost-effective across multiple settings, with a significant projected impact on HIV incidence among sex workers and transmission dynamics overall. The *Global HIV Epidemics among Sex Workers* seeks to assist governments, public health implementing agencies, donors, and sex worker communities to better understand and respond to the epidemics among a population facing heightened social and structural vulnerabilities to HIV. The book combines a systematic review of the global epidemiology of HIV among sex workers and in-depth case studies of the epidemiology, policy and programmatic responses and surrounding social contexts for HIV prevention, care and treatment in eight countries. The authors employ mathematical modeling and cost-effectiveness analysis to assess the potential country-level impact of a community empowerment-based approach to HIV prevention, treatment, and care among sex workers when taken to scale in four countries representing diverse sociopolitical contexts and HIV epidemics: Brazil, Kenya, Thailand, and Ukraine. In each setting, greater investment in prevention, treatment, and care for sex workers is shown to significantly reduce HIV. Together these findings underline the urgency of further global investment in comprehensive, human rights-based responses to HIV among sex workers.

This book documents ongoing language shift to English among Latino professionals in California. It then describes current instructional practices used in the teaching of Spanish as an academic subject at the high school and university levels to 'heritage' language students who, although educated entirely in English, acquired Spanish at home as a first language. It specifically examines the potential contribution of these instructional practices to the maintenance of Spanish.

I am Kanhaiya Kumar, native of Bihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in South Africa" at PANU university, the best university in India and possibly the best university in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba Badkar" and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by

This popular anthology features theme--based chapters with literature by many contemporary Hispanic writers. The all--Spanish grammar explanations, exercises, and communicative activities are conveniently placed in one text. This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms.
