

Evangelism Questions And Answers

You don't need to memorize evangelical formulas or answers. You just have to be willing to ask. There was something different about the way Jesus communicated with the lost: He didn't force answers upon people, He asked questions. So why don't we? Following Christ's lead, Randy Newman has been using a questioning style of evangelism for decades. In this provocative book, he provides practical insights to help Christians engage others in meaningful spiritual conversations. He challenges us to examine how we think about people, their questions, and our crucial message. This second edition includes a new preface reflecting on the popularity of this perennial best seller and what its success has taught Newman about the effectiveness of this extraordinary method. "Distilled out of over twenty years of personal evangelism, this book reflects both a deep grasp of biblical theology and a penetrating compassion for people--and finds a way forward in wise, probing questions. How very much like the Master Himself!" --D. A. Carson, Trinity Evangelical Divinity School "Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day." --Mitch Glaser, Chosen People Ministries

Respected scholars provide thorough yet accessible answers to the deep spiritual questions that most often challenge one's faith and the ability to share it with others.

Evangelism is not only misunderstood, it is often unpracticed. Many Christians want to share the gospel with others, but because those Christians don't grasp the fundamentals of witnessing, they feel intimidated and incapable of sharing the truth of the gospel. Yet those believers fail to recognize that God has already established who and how we are to evangelize. In *The Gospel and Personal Evangelism*, Dr. Mark Dever seeks to answer the four basic questions about evangelism that many Christians ask: Who should we evangelize? How should we evangelize? What is evangelism? Why should we evangelize? In his answers Dever draws on New Testament truths and helps believers apply those truths in practical ways. As readers understand the fundamentals of evangelism, they will begin to develop a culture of evangelism in their lives and their local churches.

Everything the Bible has to say about the gospel is simply an exposition of its central message: Jesus Christ lived and died to save sinners. The gospel is about Him, and it answers Jesus' key question: "Who do you say that I am?" It is good news. In *Good News: The Gospel of Jesus Christ*, Dr. John MacArthur examines the Bible's revelation of Christ

and encourages Christians with the vast implications of all that Christ accomplished for them. This is a book to rekindle love and awe for the Savior.

Why doesn't God answer my prayers? If God is so powerful, why does evil exist? And if He is so good, why do we suffer? Nonbelievers, and even Christians, are often troubled by questions about suffering, doubt, failure, and unanswered prayer. Yet careful, compassionate answers are hard to find, in part because evangelicals have not taken the life of the mind seriously enough. The intellectual currents of our day are just too strong for simplistic responses. In *Hard Questions, Real Answers*, William Lane Craig doesn't offer trite phrases or pat answers—he offers honest insights gained from a life of study and ministry. Readers in the midst of doubt and confusion will find real answers to these perplexing questions and learn to stand on the only sure foundation for hope—God Himself. This expanded new edition includes chapters on abortion and homosexuality to help readers know how to think about these volatile social issues.

Designed for ministering to homeless and jailed men, this manual contains deliverance prayers from past devils and over 50 short lessons or deliverance tracts.

Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures. This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism, whether it's through one-on-one conversations, social media, social justice, or the pageantry of worship. At once biblical, theological, historical, and practical, this book by a seasoned scholar offers an engaging, well-researched, and well-organized presentation and analysis of 8 models of evangelism. Covering a breadth of approaches--from personal evangelism (one-on-one) to media evangelism (global) and everything in between--Priscilla Pope-Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention. Each chapter introduces and assesses a model biblically, theologically, historically, and practically, allowing for easy comparison across the board. The book also includes end-of-chapter study questions to further help readers interact with each model.

people might think; we feel bad; and the cycle repeats. But what if there was hope for our timid evangelism? Isaac Adams encourages disheartened evangelists to hope in God, not their efforts. If you've ever felt discouraged in your evangelism, you're in good company, and you're a prime candidate for God's grace. Come and be reminded of it once more, so that you might joyfully share the gospel again.

Each call-toaction entry stands alone but can easily be connected to other chapters, all of them finishing the sentence that begins with the book's title. For example, Evangelism Is . . . Author and evangelistic speaker R. Larry Moyer shows pastors and speakers how to communicate the good news. In twenty-seven helpful chapters, he explains why expository evangelistic preaching is so important and offers guidance for compellingly delivering the message of the gospel.

Evangelism is at the core of Christianity. It is a life and death matter both for the salvation of individuals and for the continuing growth of the church. Although the message of the gospel never changes, its means of communication must be continually modified to reflect the thought patterns and worldview of our changing culture. it provides Christian leaders and laypeople with a basic understanding of the essential aspects of evangelism and with foundational guidelines on how to evangelize. Veteran evangelist Lewis Drummond helps Christians understand how and why today's generation thinks the way it does and offers, in capsule form, sensible answers and convincing reasons for faith. While providing a basic theology of evangelism and stressing the important role of leadership, the book's primary theme is that every believer must become an evangelist. Also included are sections on spiritual awakening movements, evangelizing the disabled, and surveys for churches and individuals.

In a post-Christian, post-modern, post-truth society where Jesus followers aren't often well regarded, modern evangelism approaches are eroding and increasingly ineffective. Christians often talk more than we listen, confront when we should converse, and demand that people believe before they belong. We need a compelling way to share our faith that combines the timeless practices of Jesus with timely perspectives about our post-everything era. Author and Executive Director of Alpha US Craig Springer believes that reaching non-Christians is possible, but only if we are willing to shift our perspectives, abandon ineffective methodologies, and consider the unique cultural moment in which we are living. In *How to Revive Evangelism*, he shares the often-overlooked evangelistic approaches of Jesus himself and demonstrates how returning to these fundamentals are key to reviving evangelism in the 21st century. Incorporating groundbreaking and often startling data, Springer offers Christians seven shifts in how to share their faith with friends and family members, neighbors and coworkers which create greater potential for life change.

Most Christians already know that they should be telling their friends about Jesus. But they have been poorly equipped with methods that are no longer effective in today's post-Christian world. As a result, many people become frustrated, blame themselves, and simply give up. *Evangelism in a Skeptical World* is a textbook on evangelism that is ideal for the church or the classroom to equip Christians with the principles and skills they need to tell the unbelievable news about Jesus to friends in a skeptical world. Many of the older principles and methods of evangelism in the twentieth century no longer work effectively today. In a post-Christian, post-churched, post-reached world we need new methods to communicate the timeless message of the gospel in culturally relevant ways. Dr. Chan combines the theological and biblical insights of classic evangelistic training with the latest insights from missiology on contextualization, cultural hermeneutics, and storytelling. Every chapter is illustrated with real-world examples drawn from over fifteen years of evangelistic ministry. These are methods that really work - with university students, urban workers, and high school students - getting past the defensive posture that people have toward Christianity so they can seriously consider the claims of Jesus Christ. Field-tested and filled with unique, fresh, and creative insights, this book will equip you to share the gospel in today's world and help as many people as possible hear the good news about Jesus.

Let C.S. Lewis inspire and equip you to share your faith. Evangelism is an extraordinary task; it's what God uses to bring people from death to life. But it has always been difficult. C.S. Lewis was used by God in the conversions of countless people, from friends and acquaintances in his own lifetime to modern-day readers of books such as *The Chronicles of Narnia* and *Mere Christianity* (the most influential Christian book of the 20th century). As Tim Keller comments, "C.S. Lewis was incredibly skilled at getting Christianity across in a way that's powerful to thoughtful people." So, if we want help with evangelism, there is much we can learn from the clarity and imagination of this hugely influential Christian writer. You may feel inadequate to the task; after all, there is only one C.S. Lewis. But evangelist Randy Newman skillfully helps us to apply the methods Lewis used (storytelling, humor, imagery and more) in our own conversations. You will be equipped to talk about your faith and engage with unbelievers wisely, whatever their attitude towards the Christian faith.

Commission. In just 30 years their evangelistic method was bearing fruit and growing throughout the whole world (Colossians 1:6)! Did you know Jesus walked over 3,000 miles through neighborhoods throughout Palestine? In Matthew 10, Jesus commanded his disciples to go into a neighborhood, find a worthy person and stay at their home. From there they went out and met the neighbors. The disciples then showed love to those they met by meeting any physical need(s). Only then would they share Gods love story, the gospel of Christ. This was also Jesus personal strategy. Today most evangelistic plans involve attracting the neighbors into the church. Churches do this with events, dynamic worship services, and quality programs for every member of the family. Many churches do this well but sadly the American church is in decline. Less than 20% of Americans now regularly attend church. In 1990, 20.4% attended church. In 2000, the percentage dropped to 18.7%. By the year 2050 if the church doesnt change, it is estimated church attendance will drop to 11.7%. This can be reversed if we adopt the evangelistic strategy used by Jesus and the apostles. This book gives you a detailed breakdown of the gospel the apostle Peter presented on the Day of Pentecost that ended with 3,000 baptisms in one day! The book will also show you how Luke, the author of Acts, packaged the never-changing gospel to ten different types of

Thoughtful Christians are legitimately perplexed by a number of issues relating to the church's belief and practice. They are perplexed partly because they recognize that the issues themselves are thorny, and partly because they are not sure how to test the mutually inconsistent theories and explanations affirmed by diverse voices speaking with equal assurance. Most Christians find relatively little occasion or encouragement to address their perplexities with intellectual candor and integrity. If they dare to acknowledge their theological perplexities at all, they are too often told that these perplexities are unimportant, or that they can be answered very simply, or that they should be left to the experts. *Guide for the Christian Perplexed*, written by members of the faculty of Wycliffe College, Toronto, aims to explore a diversity of issues and questions to do with our knowledge of Jesus, the meaning of suffering, the function of doctrine, the understanding of Scripture, the place of other religions, the challenge of atheism, the pleasures and complications of sexuality, the nature of worship, the way to evangelize, our understanding

about every question skeptics have to offer. In this concise, reader-friendly handbook, he provides brief responses to the top-40 questions that keep people from the faith, such as... What evidence do you have that God exists? How do you know the Bible is actually true? What about those who have never heard of Jesus? Will they be condemned to hell? If God is so loving, why does He allow evil and suffering? How can you say Jesus is the only way to heaven? Don't all religions basically teach the same thing? Aren't a lot of churchgoers hypocrites? With a gracious introductory note to skeptical readers and a generous sprinkling of inspiring quotes throughout, this handy resource is an enjoyable read as well as a powerful evangelistic tool.

It is a tragic reality that most in the Western church have become more fixated on what transpires within the four walls of the church than on reaching the lost in their communities. And because of this inwardness, dire consequences have resulted with the neglect of the divine commission. According to a 2019 report, 9,000 churches in Canada are estimated to "be lost in the next decade", that equals "roughly a third of all faith-owned buildings in the country." This is nothing more than the eventual and inevitable result of churches forgetting themselves. How so? A church without evangelism is not a church, just as a church without discipleship and worship is not a church, all three manifold aspects, firmly established upon God's word, comprise the church's mission. Without these, what you have then is nothing

more than a social gathering. The church is more than that, however, it is a rescue station, not a measly tea party, and how many have been more so the latter? In this collection of sermons by the "Prince of Preachers", Charles H. Spurgeon, you will find inspiration, instruction, and words of great edification for our divine task, to go out into this lost and hostile world to sow the seed of the gospel, the only gospel that has the power to transform and redeem.

Charlie Liebert was converted to Christ at age thirty-five from hardcore Atheism. Because he understands how Atheists think, he effectively spreads the gospel through dialogue with unbelievers. Seeing many fellow Christians paralyzed by fear of not being able to answer their questions, he developed here direct, simple, Bible-based answers to those hard questions. In his first book, *Always Be Ready to Give an Answer!* he proposed a strategy to get to the gospel before answering those hard questions. Now its time to answer them! The four most common questions are: 1) Where did Cain get his wife? 2) What happens to a native in the jungle who never heard the gospel? Does he go to hell? 3) Why do bad things happen to good people? and 4) Materialists statements like: I only believe in what I can see. Faith is for fools! Everything is relative, there are no absolutes! These four questions are each answered in depth to give you firm confidence in your personal evangelism. Over one hundred more questions are answered simply and directly. The conflict between the Bibles Creation account and the Evolution taught in our schools is analyzed to increase your confidence. Your faith will be
