Inspired by Derek Jeter's own life, *Fair Ball* is the fourth middle grade novel in the New York Times bestselling Jeter Publishing Program and focuses on the theme "the world isn't always fair." Life isn't always fair. You can't control that, but you can control how you think and act when things don't go your way. You have to hang in there and keep after it, not get down and give up. Derek has a lot to look forward to. School is almost out, his baseball team is competing in the Westwood Little League Playoffs, and then he'll head to his grandparents' house for the summer. Sure, there are finals to study for first, but Derek doesn't mind. Maybe this year he'll get better grades than Gary. But when his best friend Dave starts to act strangely, ignoring Derek and canceling their plans, his summer isn't looking quite so fun. What's going on? Doesn't he want to be Derek's friend anymore? Derek is so distracted by his problems with Dave that he makes a mistake in the outfield during a key play—and his team loses the game. It's so unfair! With the championship at stake and finals looming, Derek needs to stay focused or risk everything.

Mystery writer Brooke Davies is the new wife on the block. Her tech-billionaire husband, Jack, twenty-two years her senior, whisked her to the Bay Area via private jet and purchased a modest mansion on the same day. Georgia St. Claire allegedly cashed in on the deaths of her first two husbands, earning her the nickname "Black Widow"--and the stares and whispers of her curious neighbors. Rumored to have murdered both men for their fortunes, she claims to have found true love in her third marriage, yet her mysterious, captivating allure keeps everyone guessing. From the physician behind the wildly popular NutritionFacts website, *How Not to Die* reveals the groundbreaking scientific evidence behind the only diet that can prevent and reverse many of the causes of disease-related death. The vast majority of premature deaths can be prevented through simple changes in diet and lifestyle. In *How Not to Die*, Dr. Michael Greger, the internationally-renowned nutrition expert, physician, and founder of NutritionFacts.org, examines the fifteen top causes of premature death in America—heart disease, various cancers, diabetes, Parkinson's, high blood pressure, and more—and explains how nutritional and lifestyle interventions can sometimes trump prescription pills and other pharmaceutical and surgical approaches, freeing us to live healthier lives. The simple truth is that most doctors are good at treating acute illnesses but bad at preventing chronic disease. The fifteen leading causes of death claim the lives of 1.6 million Americans annually. This doesn't have to be the case. By following Dr. Greger's advice, all of it backed up by strong scientific evidence, you will learn which foods to eat and which lifestyle changes to make to live longer. History of prostate cancer in your family? Put down that glass of milk and add flaxseed to your diet whenever you can. Have high blood pressure? Hibiscus tea can work better than a leading hypertensive drug—and without the side effects. Fighting off liver disease? Drinking coffee can reduce liver inflammation. Battling breast cancer? Consuming soy is associated with prolonged survival. Worried about heart disease (the number 1 killer in the United States)? Switch to a whole-food, plant-based diet, which has been repeatedly shown not just to prevent the disease but often stop it in its tracks. In addition to showing what to eat to help treat the top fifteen causes of death, *How Not to Die* includes Dr. Greger's Daily Dozen—a checklist of the twelve foods we should consume every day. Full of practical, actionable advice and surprising, cutting-edge nutritional science, these doctor's orders are just what we need to live longer, healthier lives.

Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.

This classic book is perfect for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn't know he's not like everyone else. And one winter night, Zinkoff's differences show that any name can someday become "hero." With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy's individuality surpassing the need to fit in and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.

From the most celebrated children's nature writer of our time comes a posthumous new novel in the tradition of her Newbery award-winning *Julie of the Wolves*. In 1848, a young boy witnesses a rare sight—the birth of a bowhead, or ice whale, he calls Siku. Years later, he unwittingly brings about the death of an entire pod of whales, and only Siku survives. For this act, the boy receives a curse of banishment. Through the generations, this curse is handed down: Siku returns year after year, in reality and dreams, to haunt the boy's descendants. Told in alternating voices, both human and whale, Jean Craighead George's last novel shows the interconnectedness of humankind and the animals they depend

on. "It's a bold, wistful, and heartfelt coda to a distinguished career."—School Library Journal

As a leader in teaching, training, and transforming boys in Detroit, Jason Wilson shares his own story of discovering what it means to "be a man" in this life-changing memoir. His grandfather's lynching in the deep South, the murders of his two older brothers, and his verbally harsh and absent father all worked together to form Jason Wilson's childhood. But it was his decision to acknowledge his emotions and yield to God's call on his life that made Wilson the man and leader he is today. As the founder of one of the country's most esteemed youth organizations, Wilson has decades of experience in strengthening the physical, mental, and emotional spirit of boys and men. In *Cry Like a Man*, Wilson explains the dangers men face in our culture's definition of "masculinity" and gives readers hope that healing is possible. As Wilson writes, "My passion is to help boys and men find strength to become courageously transparent about their own brokenness as I shed light on the symptoms and causes of childhood trauma and 'father wounds.' I long to see men free themselves from emotional incarceration—to see their minds renewed, souls weaned, and relationships restored."

"Lily?" My stomach dropped as a tall, dark-haired man stepped into view. Had he been hiding between the trees? "No. Sorry." Gulping, I took a step back. "I'm not Lily." He shook his head, a satisfied grin on his face. "No. You are Lily." "I'm Summer. You have the wrong person." You utter freak! I could hear my pulse crashing in my ears. How stupid to give him my real name. He continued to stare at me, smiling. It made me feel sick. "You are Lily," he repeated. Before I could blink, he threw his arms forward and grabbed me. I tried to shout, but he clasped his hand over my mouth, muffling my screams. My heart raced. I'm going to die. For months Summer is trapped in a cellar with the man who took her—and three other girls: Rose, Poppy, and Violet. His perfect, pure flowers. His family. But flowers can't survive long cut off from the sun, and time is running out...

A refreshingly honest, laugh-out-loud novel about losing the life you always wanted...and finding the life you were meant to have. For the last ten years, Agnes Parsons's biggest challenge has been juggling yoga classes and lunch dates. Her Santa Monica house staff takes care of everything, leaving Agnes to focus on her trophy-wife responsibilities: look perfect, adore her older husband, and wear terribly expensive (if uncomfortable) underwear. When her husband disappears, leaving Agnes and their infant daughter with no money, no home, and no staff, she is forced to move across the country, where she lands a job teaching at an all-boys boarding school in the Bronx. So long, organic quinoa bowls and sunshine-filled California life. Hello, processed food, pest-infested house, and twelve-year-old-boy humor--all day, every day. But it's in this place of second chances (and giant bugs), where Agnes is unexpectedly forced to take care of herself and her daughter, where she finds out the kind of woman she can be. Ultimately, she has to decide if she prefers the woman and mother she has

become...or the trophy life she left behind. Authentic and sharply witty, Trophy Life is proof that granny panties and mom coats might not be the answer to everything; they're simply comfortable (if slightly unattractive) reminders of what happens when one life ends...and real life begins.

The #1 International Bestseller & New York Times Bestseller This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale)

Sokolov—an unforgettable love story in the midst of atrocity. “The Tattooist of Auschwitz is an extraordinary document, a story about the extremes of human behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they’d read a hundred Holocaust stories or none.”—Graeme Simsion, internationally-bestselling author of The Rosie Project In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale witnesses horrific atrocities and barbarism—but also incredible acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902 tattooed onto her arm. Her name is Gita, and in that first encounter, Lale vows to

somehow survive the camp and marry her. A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov's experiences as the man who tattooed the arms of thousands of prisoners with what would become one of the most potent symbols of the Holocaust, *The Tattooist of Auschwitz* is also a testament to the endurance of love and humanity under the darkest possible conditions.
