A collection of four historical romance novelettes by Gabriella Mahoney. Titles included: "Untouched" - Jane Parker led an unremarkable existence and that was precisely the way she liked things. "Guilty Pleasure" - After the death of her parents Harriet Hughes devoted herself to a life free of temptation. Any activity that could lead to an excess of emotion was strictly avoided. Tired of living under the dictates of a disinterested father, Elizabeth decides to take matters into her own hands and find herself a rich protector. But an old childhood friend comes for a visit and reveals that he has no intention of letting her go so easily... "Never Again" - A youthful romance that ended badly has rendered Mabel Hughes incapable of ever loving another man. Or so she thought. She's sweet, and fun, and that soul melting smile of hers gets me every time. Maybe letting Ava in will be far more healing than trying to do this on my own. Stephanie would want me to be happy. POETRY BY ME AND MY FAMILY About ART, SCIENCE, LOVE & LIFE These poems are fun to read, and you learn something new about art, science, love and life. They come out of the love I have for my wife, Margaret, our children, and our love for each other. They awaken something in your heart that is beyond knowledge, and they spiritually refresh, because the poems say tangibly what we all feel intangibly to give finite form to the infinite. The will to create and the will to love are one. And so, poems make love visible, which uplifts and heals, because in the presence of love everything is healed. The mind seeks truth, the heart seeks love, and the spirit seeks goodness and God. This creative spirit of love, therefore, shows us the face of God.

In this collection of vintage love stories there are neither cell phones nor computers - but love letters that sometimes take weeks to reach their starry-eyed recipients. Suitors court their sweethearts, and gentlemen woo their ladies. Legendary German author Lady Courths-Mahler paints a portrait of magical romance, giving a glimpse into the life of beautiful damsels and handsome heroes. These "fairytales for adults" from the early 1900s have been revived from the vaults and appear now for the first time in English. Their tender charm will leave your heart singing for more. The author's story could have come from one of her novels. Born out-of-wedlock in 1867, Hedwig Courths Mahler was raised by various foster parents. She worked as a saleswoman in Leipzig while she wrote her first novels. Between 1905 and 1939, after marrying and giving birth to two daughters, she became a highly circulated author with her romance novels. As the Nazis refused to publish her work, Hedwig Courths-Mahler stopped writing in 1939. When her daughter was arrested by the Gestapo, the author suffered such great agony, she never wrote again. On November 26, 1950 Hedwig Courths Mahler died on her farm at Lake Tegern without witnessing the ensuing Renaissance of her novels in Germany. Elan wasn’t supposed to meet Caty. She lived halfway around the world, and he barely left Manila. Yet here he was, giving her a ride to the airport. Convinced that they would never have to see each other again after that day, Elan and Caty started to bond over truths, dares, stolen kisses, and games in hotel rooms and bars. With brief encounters that turned them from acquaintances to friends — tipping to the point of lovers, always — will Elan and Caty keep settling for a day, or will someone finally dare to stay long enough to discover: Is this love?

Between 1959 and 1984, French film director François Truffaut was interviewed over three hundred times. Each interview offers critical insight into the genesis of Truffaut’s films as he shares the sources of his inspiration, the choice of his themes, and the development of his screenplays. In addition, Truffaut discusses his relationships with collaborators, actors, and the circumstances surrounding the shooting of each film. These texts, originally assembled by Anne Gillain and published in French in 1988, are presented here in a montage arranged chronologically by film. This compilation includes an impressive array of reflections on cinema as an art form. Truffaut defines the aims and practices of the French New Wave, comparing their efforts to the films made by their predecessors and including comments that encompass the entire history of cinema. Truffaut on Cinema provides

commentary on contemporary events, a wealth of biographical information, and Truffaut's own artistic itinerary.

In this personal book from the star of many beloved and classic film comedies -- from *The Producers* to *Young Frankenstein*, *Blazing Saddles* to *Willy Wonka and the Chocolate Factory* -- Gene Wilder writes about a side of his life the public hasn't seen on the screen. *Kiss Me Like a Stranger* is not an autobiography in the usual sense of the word, and it's certainly not another celebrity "tell-all." Instead, Wilder has chosen to write about resonant moments in his life, events that led him to an understanding of the art of acting, and -- more important -- to an understanding of how to give love to and receive love from a woman. Wilder writes compellingly about the creative process on stage and screen, and divulges moments from life on the sets of some of the most iconic movies of our time. In this book, he talks about everything from his experiences in psychoanalysis to why he got into acting and later comedy (his first goal was to be a Shakespearean actor), and how a Midwestern childhood with a sick mother changed him. Wilder explains why he became an actor and writer, and about the funny, wonderful movies he made with Mel Brooks, Woody Allen, Richard Pryor, and Harrison Ford, among many others. He candidly reveals his failures in love, and writes about the overwhelming experience of marrying comedienne Gilda Radner, as well as what finally had to happen for him to make a true and lasting commitment to another woman. A thoughtful, revealing, and winsome book about life, love, and the creative process, the New York Times bestseller *Kiss Me Like A Stranger* is one actor's life in his own words.

From Christian romance author, Kayla Lowe, comes a collection of poems inspired by the classic tale of The Phantom of the Opera. Originally published by Gaston Leroux in 1909 and then later transformed into the Broadway award-winning musical by Andrew Lloyd Webber, the tragic story of the disfigured musical genius who lived in the bowels of the Palais Garnier has captivated audiences for more than a century. Never before has anyone published a book of poetry pertaining exclusively to the love triangle that existed between the Phantom, his ingenue (Christine Daae), and her vicomte (Raoul de Chagny). This poetry collection consists of three chapbooks that explore these characters from a poetic standpoint. Divided into three parts, the collection features more than 100 poems that take readers on a dramatic journey to the past and into the infamous Phantom's lair where passion, obsession, music, love, and artifice reign.
