Do What Feels Good is a practical, inspirational, and beautiful guidebook to feeling good in your own skin." --Gabrielle Union, actress and bestselling author of We're Going to Need More Wine

As a food lover, beauty product addict, exercise junkie, and wellness entrepreneur, Hannah Bronfman practically radiates confidence and health. But she'll be the first one to admit that the road to wellness and self-acceptance hasn't been easy. And what she's learned is this: Healthy is beautiful. And healthy should feel good. In Do What Feels Good, Hannah offers real talk about getting in touch with

your body's needs, baring her soul and sharing her story along the way. Hannah provides insight on everything from gut health to nutrition to fitness to skincare, sharing insight from top experts on how to understand your body's unique chemistry so that you can fuel it with more of the things that feel good and less of the things that don't. Enlightening, empowering, and educational, this is an approach to wellness that is holistic, hedonistic, and real.
