2018 PLANNER & ORGANIZER | 8.5 x 11 Inches "Think of a ship with the complete voyage mapped out and planned. The captain and crew know exactly where the ship is going and how long it will take - it has a definite goal. And 9,999 times out of 10,000, it will get there. Now let's take another ship and just like the first and only let's not put a crew on it, or a captain at the helm. Let's give it no aiming point, no goal, and no destination. We just start the engines and let it go. I think you'll agree that if it gets out of the harbor at

all, it will either sink or wind up on some deserted beach and a derelict. It can't go anyplace because it has no destination and no guidance. It's the same with a human being." ~ Earl Nightingale If you want better time management and organization you're sailing in the right direction. This no nonsense organizer is perfect for helping you navigate to your goals. This means you'll be organized and prepared for all of the tasks of the day and more successful in your efforts.
