This workbook contains a variety of exercises and activities designed to help young learners advance the fine motor skills that are essential to the handwriting process, beginning by tracing lines and curves, and then gently introducing some letter-writing practice. Several mazes are also included in the book as a fun way to promote visual motor skills, eye-hand coordination, and problem-solving skills. Young students are introduced to the letters of the alphabet in exercises that have them trace Lowercase Alphabet and then practice writing them on their own. Numbers are also presented in an

engaging way, with a lesson in phonetics as well as exercises for tracing and writing numerals. A section of connect-the-dot games provides more motor skills development along with helping children learn the order of alphabet, while fill-in-the-blank games reinforce alphabet learning in a different way and provide more practice in writing the missing letters. My BIG Book of Writing! is a versatile tool that can help children who are struggling with writing skills to work at a comfortable level, as well as assisting those for whom writing comes more easily to experience the multitrack learning their developing minds are hungry to absorb. Whatever level a child is at, the activities and exercises in this workbook will stimulate the learning process and prepare him or her for reading and other learning challenges ahead.

Boost your child's confidence by helping them to learn cursive handwriting with this wipe-clean workbook. On each page there are letter outlines to trace over, with an area for free-hand copying. Included with the book is a special pen, and the wipe-clean pages enable children to practice over and over to improve their pen control and writing skills until they have mastered handwriting. With bright photographic images to engage and encourage, this early-learning workbook will support your child during their early school years.

Reviews: "Wow, fabulous! Thanks so much Robert! I have a degree in journalism (quite a few years ago) and I believe I learned more from your book than I did in many of my classes. An amazing return on investment!" -- Leslie E. "Thank you for this. I absolutely love the templates you created!" -- Susan Mack "I recently bought your Easy Articles book from Amazon - and have been enjoying every page of it. Thanks for writing it and for being so generous with your ideas and passion. " -- T. Wong In the online world, CONTENT is king. No matter how that content is ultimately expressed - as text, audio, or video - it begins as a collection of words. And the most basic, foundational way to shape those words and deliver quality, useful content is with a simple article or blog post. The trick is to be able to write those pieces quickly, without the usual hesitation, frustration and endless struggle. It doesn't have to be difficult to consistently crank out original articles, lightning-quick. Now you can craft your own unique, information-filled pieces in minutes instead of hours. With these proven tips, tactics, strategies and plug-in solutions - article writing just got a whole lot easier. With Easy Article Templates, you'll discover how to: Produce Endless and Unlimited Amounts of Fresh, New Article Topics Super-Fast and Whenever You Wish... Take Any Topic and Effortlessly Turn it Into a Powerful, Interest-Grabbing Title Your Target Wants... Create Quality Content Easily By Turning "Idea Triggers" Into Valuable Articles in Minutes... Plug-in any Missing Pieces On The Spot Without Wasting any Money or Time Find Endless Topic Ideas... Start Off With A Bang... Fill in the Blanks... and Bring Your Article To A Powerful Close That Produces Results Imagine being able to write articles effortless... one after another (if you so desire)... and with complete confidence instead of fear and uncertainty. In this book, you'll get dozens of inside secrets that make writing easier and more productive than ever before along with article

marketing strategies that work well in today's online world. Even if you never considered yourself an "article writer" before -- you can do this, I know you can. For example, you'll find a super-simple method for generating the body copy of any article in a flash. When you see for yourself just how effective and quick this is -- you'll find yourself creating more and more content and reaping the rewards more articles tend to bring. If you use articles on your own site... post articles on other sites to draw traffic... or simply write your own blog material -- you will find this book to be a helpful resource. Oh and... you don't need to use every piece of the puzzle to benefit from this book. Anyone who creates content in the form of written text, audios, videos, seminars, webinars, or workshops can benefit from sections like the topic idea templates. Writing by hand is vital in training the brain to practice and thus improve, more skills and senses all at once: hand-eye coordination, patience, self-control, and a sense of involvement and ownership. All this, while learning more about the English language. In this book, you will find various handwriting exercises designed for children from 5 to 7 years old. Through writing drills using the alphabet, sight words, and sight word sentences and phrases, your child or student will gain thorough practice in learning (and improving) his or her handwriting. What's inside? Part 1 starts off with the alphabet where writing letters in both capital and lowercase forms are practiced through tracing and connecting the dots. Each letter is presented with directional arrows to guide the hand movements of the child as he or she learns to write. We've also added the numbers 1-10 to the first chapter and pictures to color. Part 2 consists of sight words to be traced and copied. Part 3 moves on to practicing sight word sentences and phrases. This book contains over 120 pages of exercises! It's a great handwriting workbook choice for all parents and teachers who hope to begin teaching writing to beginners and engage their kids in stimulating handwriting practice. Writing for Ages 7-12 is a compilation of short, photocopiable texts including fiction, non-fiction and poetry that provides teachers with writing models for a wide range of genres, writing styles and topics while incorporating the National Curriculum obligations. With stories ranging from historical accounts of the Vikings and the Blitz to a more sophisticated version of Little Red Riding Hood, and writing genres ranging from persuasive writing texts to newspaper reports, Model Writing for Ages 7-12 provides teachers with an example for every eventuality. The perfect aid for teaching writing, each text is accompanied by a table listing which statutory assessment criteria it includes, as well as a blank table for pupils to collect examples themselves. This invaluable text is essential for upper Key Stage 2 and lower Key Stage 3 teachers, particularly literacy coordinators and all those who lack confidence with the grammatical concepts in a text.

Handwriting Printing Practice from A to Z! Great for Preschoolers, Kindergartner's and First Grade Students! This book features practice pages for the entire alphabet. The first section focuses on upper case letters and the second section has pages to practice lowercase letters. Basic number pages are also featured near the end of the book. In addition, we included fun tracing and coloring activities near the end of the book. Additional tracing can also help with handwriting and these activities are quite different than practicing letters. This extra section serves as a fun reward for working hard on letter formations in the beginning of the book. We also recommend buying a BLANK sketchbook for kids and other drawing books because additional practice drawing, freewriting and coloring can also help kids develop their handwriting skills and artistic abilities. Please click on the "Look Inside" feature to make sure this book is right for your child. :) ***We also make this book with several different cover styles. Check out our other books to find a cover that meets your personal style preferences. Some books have a blue color scheme or pink theme, and some of them are gender neutral. Have a great day!
