I'm A Shareholder is a unique and experiential way to teach kids about the stock market. It's colorful, it's fun, and it's the only kids book that can be coupled with a share of stock, whether it is from GiveAshare.com or stock held in a brokerage account. In fact, the book comes with coupon for \$20 off the students first share of stock in a company they love. This NAPPA award winning book teaches the basics about stocks, what it means to be a shareholder, and the experiences that come with stock ownership. Teachers, parents, and grandparents who want to teach their kids to be savers and investors rather than spenders should buy this book! See the stellar reviews on Amazon.com .
