

Isaiah 43 25 The Soul Wound Of Abortion

In this intensive study of Hebrew letters and words, Rabbi Matityahu Glazerson uses gematria (interpretive Jewish numerology) to reveal the mysterious correlation between Jewish ethics and practices and the numeric values of Hebrew words which name and describe them. This profound and lucid exploration uncovers the deep spiritual resonance of Jewish thought, and explains a variety of theological issues using the ancient Hebrew language as a key to understanding.

Internationally renowned Bible teacher Joyce Meyer draws on her own history of abuse to show women how Christ's redeeming love heals emotional wounds and brings joy to life. Can a woman who has been deeply hurt by life's circumstances be healed, heart and soul? If she has been wounded by a man she loved and trusted, can she love and trust again? As a woman who endured years of abuse, abandonment, and betrayal by those closest to her, Joyce Meyer can answer with a resounding "yes!" Meyer's positivity comes from living her own journey, and from seeing so many women who don't believe they can fully overcome their pain--or even know where to begin--find the guidance they need in the life-changing wisdom of the Bible. Meyer's bestseller *Beauty for Ashes* told of her personal story of healing. Now, with the passage of more time, *HEALING THE SOUL OF A WOMAN* delves deeper into Joyce's story and the journey of healing for all women. Each chapter guides you through whatever obstacles may be holding you back to find your true destiny as God's beloved. God can heal all pain, and He wants to do this in you. Let *HEALING THE SOUL OF A WOMAN* be the first step toward the wonderful, joyful future God intends for you.

Designed for the counselors of the Christian Broadcasting Network, this practical reference handbook is rooted in Scripture and cultivated by years of counseling wisdom and experience.

The idea for this book came from Exodus 3:14: And Moses said unto God, Behold, when I come unto the children of Israel, and shall say unto them, The God of your fathers hath sent me unto you; and they shall say to me, What is his name? What shall I say unto them? And God said unto Moses, I AM THAT I AM: and he said, Thus shalt thou say unto the children of Israel, I AM hath sent me unto you. This verse is used to identify God as the great I Am, and truly He is the great I Am! For times sake, God couldnt tell Moses hundreds of names, so he just said, I am that I Am! However, the emphasis should be on the word that because God has so many names and His entire splendor cannot be described with just He is I Am! You will find within this manifest a list of scriptures with each caption describing who He is to encourage you daily. This is the second book in the He Is series. The first is He Is: God Is, Jesus Is, the Holy Spirit Is, and now its He Is . . . Manifest. The third will be He Is: Study Guide and the fourth is He Is Come. Also, it is my desire to have a CD and video in the future. Please pray for the mind of God in this endeavor and the funding for this accomplishment. May God richly bless each of you as you enjoy this resource.

La 4e de couverture indique : "Isaiah is strangely silent on the destruction of Jerusalem and the people's deportation to Babylon in the early sixth century BCE. Frederik Poulsen demonstrates that the exile hides itself as a "black hole" at the center of the composition and thereby has a decisive influence on the literary structure, poetic imagery, and theological message of this prophetic book"

Yahweh (God) commanded Adam not to eat from the tree of knowledge of good and evil for in the day that he eat of it, he

would surely die. What is the death that Adam would experience if he disobeyed? Follow the trail of biblical clues to understand the essence of the death penalty that Adam experienced when he ate the fruit of the tree of knowledge of good and evil that was transmitted to all mankind; and further to understand why man cannot save himself. "The Divide: Spirit Rule vs Soul Rule" weaves together the biblical clues to provide the understanding why man's salvation is pegged to the birth, death and resurrection of Yeshua (Jesus) rather than man being able to save himself without Yeshua's intervention. A magnificent puzzle - "The Divide: Spirit vs Soul Rule" that the Godhead has imparted.

I would like for you to take a 365 day journey with me as we open ourselves up to what the Holy Spirit has to say to us, concerning our everyday lives. The Holy Spirit has a word for us, but are we willing to follow daily instruction from the Lord? The perfect will of God does us no good if we refuse to follow the Cloud by Day and the Fire by Night. God provided the Cloud, but we must choose to follow it.

This is a collection of lessons I have learned on my pilgrimage through life. For over 40 years, God has patiently shared His love with me and showed me His purpose for creating mankind in His image. The inspirations were received mostly through the Bible, which I have studied extensively in various translations of Scripture and commentaries.

No book of the Old Testament is more frequently quoted in the New than Isaiah, and no portion of Isaiah is more frequently quoted in the New than the typologically fertile soil of Isaiah 40-66. Still, as interpreted by the fathers, Isaiah presents a message that is far more soteriological than christological, leading readers to a deeper understanding of God's judgment and salvation. Isaiah 40-66 provides us with the closest thing the Old Testament has to offer regarding a systematic theology. The excerpts included in this volume offer us a rich array of differing styles, principles and theological emphases from Theodoret of Cyr to Eusebius and Procopius, to Cyril of Alexandria, Jerome and Augustine. Readers will be enriched by the wide-ranging selections, some of which are translated here into English for the first time. The authors purpose for writing this thesis is to show how saints gain power after they repent from the sin of guilt. Converts who hold on to guilt will never seize the benefits of admitting it. Confessing faults helps saints to understand the advantages of a righteous soul. People who hold firm to guilt often criticize others for their shameful way of life. The scripture addresses how to recover from indiscretions, yet Christians still struggle with many self-deceptions. They mourn and cleave to condemning faults. Followers who allow negative memories to overwhelm an ethical conscious will act out of subversive motives. Disheartened motivations ignite blameworthiness and underscore a spirit of doubts. The introduction was written 62 years ago. The Great Beyond is my age from 17 to 80. This book reveals what can be done. It answers the question, Who am I? Choice is not the same as free moral agency. Choice is scriptural, while free moral agency is not. Free moral agency has the connotation that man has the ability to become God. Choice is our decision to allow God to perfect himself in us through the pitfalls of life. Although affliction cometh not forth of the dust, neither doth trouble spring out of the ground; Yet man is born unto trouble, as the sparks fly upward (Job 5:6-7). Understanding the Trinity is a revolution in Christian thought and philosophy. True Christianity is a Jewish religion established and organized by Jews. Gentiles were invited by Jews, with God's approval, to participate in the Christian movement. However, Gentile Leaders in most Christian Churches of the world today do not preach the original Christian gospel message of salvation that was first delivered to the saints by the apostle Paul (Galatians 1:8-9). "Understanding the Trinity, Three Persons vs Three Manifestations," will bring us back to the original gospel message, the oneness of God, and the power of God's name in the face of Jesus Christ. (Deuteronomy 6:4, Luke 2:11). When Billy G. Newton, Bishop, Diocesan of the 29th Episcopal District, Pentecostal Assemblies of the World, Inc., Pastor of the Word of God Church read this book, he said, "This book was so fascinating I couldn't put it down." When Kevin Seraaj, M.Div., J.D. Senior Pastor, Cornerstone Baptist Church, Publisher, Central Florida Advocate News read this book, he said, "Understanding the Trinity" is a timely, relevant and extremely provocative piece of work. In a time when the church must be challenged to move out of old ways, notions, thoughts and traditions, this book will without question provide a forum for much-needed theological discussion. For students of the Bible, this book is a must read, for it is always that process of reading, analyzing and debating that enables us to move forward in both our personal and spiritual journeys." Great job!! Author's Note: You have in your possession the true gospel of Jesus Christ. Don't let the birds steal your seeds (Matthew 13:3-13) (KJV). Preview: Dear Reader, If you have picked up this book through curiosity or learned about the book through the news media, talk shows, word of mouth, etc., you have experienced God the way I have experienced God. While writing this book, God showed me information about the Deity of Jesus Christ even though I wasn't looking for it at the time. If you have been searching for God; you have found an understanding of who He is in the pages of this book. While reading, "Understanding the Trinity, Three Persons vs Three Manifestations," God will reveal who He is and show you how to understand the oneness of God in light of our traditional Trinitarian training. The Trinitarian Doctrine is the Gentiles effort to explain how God has revealed himself as the Father, the Son, and the Holy Spirit, yet remained one God. God is going to give you, through His Word, the real truth and understanding of who He is so that there will be no confusion as to His person, His name, and the true message of salvation in the face of Jesus Christ. God has given us Biblical proof that Jesus is Lord!! (Deuteronomy 6:4, Luke 2:11). In addition, God will reveal to you, as a believer, a complete understanding of the soundness of the Trinity (II Timothy 4:3, Titus 1:9-16). There have been a number of books written about, "Understanding the Trinity:" however, in most of these Trinitarian books, based on their own understanding and analysis there is no real understanding of the Trinity. If an author doesn't have a complete understanding of the Trinity how can they explain the Trinity to their readers? The writer of this book, "Understanding the Trinity, Three Persons vs Three Manifestations," will give you a complete understanding of whether the Trinity of God is true and whether the Trinity can be completely understood.

"To Touch the Crown" is a deeply spiritual fiction story, based on a truth: non-fiction times the earth was in. The road begins into a drive entering the darker side of life and the uprising and commercializing of the Seattle rave scene (years 1998-2002)... ..The main story begin with Jameson (James) who grew up somewhat of a leader, living for love, but money seemed to be blinding him from the only way to receive what he'd never had. He ventures in search of a girl he found in his senior prom, where high-school is the farthest thing from the groove. James enters the dark-world where raving is the freedom. ... Brian was following the footsteps of his best friend Jameson, drifting along under the wings of money, lost in the silhouette of status. He was clueless about life and the future road in front him, good times after work seemed to be the only thing that made life worth living. A date with Ashley comes, that would change his life forever. ... Jason wakes up in world he's never been, under a new face, not knowing who he is. His identification shows his face, one that he's never seen before, under a name he's never heard of... ..We step into the shell of these characters feeling what they feel, intertwining in their thoughts and emotions as youths become young adults trying to find themselves, and their meaning. They face decisions that can alter the lives of many, choices that can never be changed when chosen; choices where the only choice, is to make the choice. ... In their search for love, they see the worse the world has to offer, and the light of heaven's above in a find for truth and reason... This book also contains a non-fiction news excerpt for "world salvation" and ending "The Sorcery War".

Paul knew what it meant to die to self and live for Christ. After meeting God on the road to Damascus, in his blindness, Saul, who became Paul, grew to know Jesus and determined to live for Him. He went on to write in Romans 5:1, 2 that "having been justified by faith, we have peace with God through our Lord Jesus Christ, through whom also we have access by faith into this grace in which we stand, and rejoice in hope of the glory of God." The Hope of Glory: To Know Jesus and Live Through Him features the writings of Ellen G. White on a variety of topics that center around the theme of knowing Jesus and living life for Him. After accepting Jesus as our personal Savior, it should be our mission in life to deepen our relationship with Jesus. This book seeks to aid in that process and prepare readers to deliver the final message of mercy to the world before the second coming of Christ.

Immanuel Code is a Bible reference guide that explains New Testament Scriptures about Jesus Christ and faith through the analysis of prophetic Old Testament Bible passages. An example of such Old Testament Scripture is a passage in the book of Esther, where the king accepts Queen Esther by offering her a golden scepter, which symbolizes Jesus as God's righteous scepter extended by grace to save the world. Similarly, passages from the books of Daniel, Joel, and Revelation are analyzed to reveal future events about Jesus. In analyzing New Testament Scripture, Cheree Mitchem has spent eight years researching prophetic Bible passages about Jesus in the Old Testament by using keyword searches and other research techniques. Ms. Mitchem uses an online version of the King James Bible to examine relevant scriptures to interpret their spiritual meaning and intent.
