Hey Gorgeous! Welcome to Tone It Up, a worldwide community of amazing girlfriends who support and encourage each other to live our happiest, healthiest lives. As women, we so often focus on others, but a balanced and beautiful life means prioritizing yourself so you can truly be the version of you. The best way to do that is by combining a nutritious diet, active lifestyle, and most importantly, by spreading positivity and boosting each other up. Whether you're sharing workouts or wine, female friendship is so important—plus it makes fitness a lot more fun! **BALANCED AND BEAUTIFUL** is a guide to focusing on the amazing woman that is you, with a 5-day plan to Refresh, Motivate, Inspire, Energize, and last but not least, Relax. Filled with daily fitness routines, delicious recipes, wisdom to transform your mindset, and all the love and advice of the TIU community, Karena and Katrina make it easier than ever to reach your goals and feel great. Each day, you'll find tips and advice for every aspect of your journey, told through fun and fascinating stories and secrets that will be like having your best girlfriend along for the ride. Throughout these pages, you'll feel empowered, uplifted, and connected—with the entire TIU community behind you, cheering you on towards your most confident, centered self. Ready to reset? Feeling **BALANCED AND BEAUTIFUL** is only 5 days away! A revolutionary guide to acknowledging fear and developing the tools we need to build a healthy relationship with this confusing emotion—and use it as a

positive force in our lives. We all feel fear. Yet we are often taught to ignore it, overcome it, push past it. But to what benefit? This is the essential question that guides Kristen Ulmer's remarkable exploration of our most misunderstood emotion in *The Art of Fear*. Once recognized as the best extreme skier in the world (an honor she held for twelve years), Ulmer knows fear well. In this conversation-changing book, she argues that fear is not here to cause us problems—and that in fact, the only true issue we face with fear is our misguided reaction to it (not the fear itself). Rebuilding our experience with fear from the ground up, Ulmer starts by exploring why we've come to view it as a negative. From here, she unpacks fear and shows it to be just one of 10,000 voices that make up our reality, here to help us come alive alongside joy, love, and gratitude. Introducing a mindfulness tool called "Shift," Ulmer teaches readers how to experience fear in a simpler, more authentic way, transforming our relationship with this emotion from that of a draining battle into one that's in line with our true nature. Influenced by Ulmer's own complicated relationship with fear and her over 15 years as a mindset facilitator, *The Art of Fear* will reconstruct the way we react to and experience fear—empowering us to easily and permanently address the underlying cause of our fear-based problems, and setting us on course to live a happier, more expansive future.

A New York Times bestseller from the yoga instructor who inspires more than one million followers on Instagram every day. Whether she's practicing handstands on her stand-up paddleboard or teaching

Downward-Facing Dog to the masses, Rachel Brathen—Instagram’s @Yoga_Girl—has made it her mission to share inspirational messages with people from all corners of the world. In *Yoga Girl*, Brathen takes readers beyond her Instagram feed and shares her journey like never before—from her self-destructive teenage years in her hometown in Sweden to her adventures in the jungles of Costa Rica, and finally to the beautiful and bohemian life she’s built through yoga and meditation in Aruba today. Featuring spectacular photos of Brathen practicing yoga with breathtaking tropical backdrops, along with step-by-step yoga sequences and simple recipes for a healthy, happy, and fearless lifestyle—*Yoga Girl* is like an armchair vacation to a Caribbean spa.

Tom Daley is an Olympian. He has learnt from the very best about how to stay healthy, fit and positive – and now he’s ready to share those secrets with you.

Self-taught cook and food blogger Leah Itsines is happiest when she’s preparing delicious food for the people she loves. She’s on a mission to help others make healthy eating an easy lifestyle choice by promoting creativity and confidence in the kitchen. With over 100 colourful recipes that are close to Leah’s heart, *The Nourishing Cook* will inspire you to have a go and learn for yourself just how effortless it is to create nutritious meals that everyone will want to eat. You’ll discover:

- *A clear approach to nutrition for every meal.
- *How to love making simple, yummy food by going back to cooking basics.
- *Leah’s tips for food shopping, setting up her kitchen and her all-time favourite staples.
- *How to

boost your energy and reset your body with her ?ve tailored 'days on a plate'. Leah's passion for healthy, wholesome food shines through on every page, and the key ingredient here is balance - if you enjoy a varied diet that is flexible and full of wholefoods, you needn't deprive yourself of anything! This is a specially formatted fixed-layout ebook that retains the look and feel of the print book.

Squeaky Clean Keto marries the principles of clean eating with the ketogenic diet, resulting in reduced inflammation, faster weight loss, and better overall health. It provides readers with the methods and principles of squeaky clean keto (no grains, dairy, alcohol, sweeteners, or nuts), 30 days of easy-to-follow meal plans, and over 130 delicious recipes that are big on flavor and will appeal to even the pickiest of eaters. This book will help readers lose weight, feel healthier, and identify whether or not certain common allergens are hindering their progress—all while eating an abundance of delicious foods that the entire family can enjoy. Squeaky Clean Keto makes weight loss on keto almost effortless, even for people who are self-proclaimed "slow losers." Food intolerances and inflammation caused by common keto foods like dairy, nuts, and sweeteners can slow weight loss, so when those things are completely removed from the diet, many see rapid results that they weren't getting on "regular" keto. After 30 days of squeaky clean keto, slowly reintroducing the potentially offending foods can shine a light on which foods may have been stalling weight loss. With this information in hand, readers can decide to limit or omit those foods

This comprehensive, fully illustrated guide is full of delicious, easy recipes to fuel your exercise and aid your weight-loss.

Entomophagy - eating insects - is hardly a new phenomenon. We've eaten bugs for centuries, and many countries around the world continue to enjoy them in modern cuisine. But insect eating is currently experiencing a rise in popularity. Restaurants are dishing up insects, the UN is publishing reports on the merits of insect-heavy diets and the Nordic Food Lab is exploring how delicious insects can be. The media is now talking about the ethics, the eco benefits and the economic sense behind incorporating entomophagy into our lives. This book by the founders of Grub - a company which sells and promotes edible insects - features 55 accessible recipes using a variety of bugs, from grasshoppers to mealworms. It takes its inspiration from cuisines around the world to present a range of small plates, meals, desserts and even cocktails using whole and ground insects. It explores where edible insects come from, how they're farmed and how to grill, preree, grind and bake them.

The HELP Vegetarian Guide contains Kayla Itsines' 107 page clean eating plan including a full 14 day meal plan with recipes. Suitable for Vegetarians, Vegans and Pescatarians. Learn what to eat, discover fat burning foods, eat tasty meals and speed up your metabolism.

Beet Protein Brownies Filled with gorgeous food shots, helpful how-to photos, and inspiring before-and-after shots of Joe's clients and their amazing body transformations, *Lean in 15* will help you discover how to keep your body healthy, strong, and lean—forever.

In December 2010, Professor Tim Noakes was introduced to a way of eating that was contrary to everything he had been taught and was accepted as conventional nutrition 'wisdom'. Having observed the benefits of the low-carb, high-fat lifestyle first-hand, and after thorough and intensive research, Noakes enthusiastically revealed his findings to the South African public in 2012. The backlash from his colleagues in the medical establishment was as swift as it was brutal, and culminated in a misconduct inquiry launched by the Health Professions Council of South Africa. The subsequent hearing lasted well over a year, but Noakes ultimately triumphed, being found not guilty of unprofessional conduct in April 2017. In *Lore of Nutrition*, he explains the science behind the low-carb, high-fat/Banting diet, and why he champions this lifestyle despite the constant persecution and efforts to silence him. He also discusses at length what he has come to see as a medical and scientific code of silence that discourages anyone in the profession from speaking out against the current dietary guidelines. Leading food, health and medical journalist Marika Sboros,

who attended every day of the HPCSA hearing, provides the fascinating backstory to the inquiry, which often reads like a spy novel. *Lore of Nutrition* is an eye-opener and a must-read for anyone who cares about their health.

We've all been there-angry with ourselves for overeating, for our lack of willpower, for failing at yet another diet that was supposed to be the last one. But the problem is not you, it's that dieting, with its emphasis on rules and regulations, has stopped you from listening to your body. Written by two prominent nutritionists, *Intuitive Eating* focuses on nurturing your body rather than starving it, encourages natural weight loss, and helps you find the weight you were meant to be. Learn: *How to reject diet mentality forever *How our three Eating Personalities define our eating difficulties *How to feel your feelings without using food *How to honor hunger and feel fullness *How to follow the ten principles of Intuitive Eating, step-by-step *How to achieve a new and safe relationship with food and, ultimately, your body With much more compassionate, thoughtful advice on satisfying, healthy living, this newly revised edition also includes a chapter on how the Intuitive Eating philosophy can be a safe and effective model on the path to recovery from an eating disorder.

The Wonders of Nutrition: Most of today's diseases are chronic degenerative diseases that originate from malnutrition. The link between diet and disease

grows increasing significant over the decades as our modern food becomes more processed and the food chain gets more contaminated. We are seeing more people – and more young people – suffering from chronic degenerative diseases. Scientists are concerned that the children of today may die from these chronic degenerative diseases before their parents. That's because children today are already the 8th generation fed on processed modern foods since the Industrial Revolution began in the 1760s. Their bodies have reached zero tolerance for any more processed foods. Nature is our healer and prevention is the best way out. This book “The Wonders of Nutrition” discusses how our genes and our bodies respond to food and a changing lifestyle. Nutrition works wonders when your genes harmonise with healthy food and a healing lifestyle. This book is dedicated to mothers, who nurture the health of our future generations.

Roadmaps to Recovery: Nearly all health disorders have an underlying link to nutrition. It could be undernourishment due to eating refined and processed foods – as well as the products of modern agriculture – that lack adequate amounts of essential nutrients. It could also be the result of overeating or eating an imbalanced diet that does not provide nutrients in the optimal proportions. Even the practice of taking food supplements, which is intended to address nutritional deficiencies, can lead

to nutritional imbalances. This link between nutrition and chronic degenerative diseases is becoming more critical as the modern diet becomes increasingly processed and artificial, while the food-chain and the environment becomes contaminated with the chemical pollutants. Many of these chronic degenerative diseases – including obesity, diabetes, heart disease, chronic inflammatory diseases, cancer as well as mental and behavioural disorders – have now reached epidemic proportions. Since these are acquired diseases, they can largely be reversed. It requires a radical change in diet – to remove those factors that cause disease and focus on those that support the healing process. A nutrient-rich diet of natural, unprocessed foods is essential. In addition, modern scientific research suggests that a major part of the solution lies in switching from carbohydrates to fats as the main source of energy. This book, *Roadmaps to Recovery* provides nutritional roadmaps for your journey towards recovery. You are the master of your destiny. Karena Dawn and Katrina Scott, the founders of the Tone It Up fitness and health brand, have taken the world by storm with their fun, energetic, girlfriend-to-girlfriend approach to getting fit. In their *Tone It Up* book, the girls' genuine, relatable philosophy is boiled down to a 28-day program that incorporates fitness routines, nutritional advice, and mental and spiritual practices to transform readers' bodies,

attitudes, and lives. Dawn and Scott take a holistic approach to fitness, including the same principles in their book that make their brand so popular--a sense of community, empowerment, and lightheartedness in every healthy, feel-good technique they recommend. Dawn and Scott will help readers get: • **FIT.** With daily fitness challenges, workout plans, healthy-eating tips, and delicious recipes, readers will be on their way to the strong, sexy body they're after. • **FIERCE.** Dawn and Scott will empower readers to be their best self-motivators by aligning their minds and bodies with their intentions through visualization exercises, daily meditations, confidence-boosting tips, and dares to move outside their comfort zones. • **FABULOUS.** This is the fun stuff: beauty, sparkle, friendship, inspiration, joy, and all the things that give readers that unmistakable glow so they radiate from the inside out!

Start your journey to better health and fitness now with The Body Coach.

Discover the original international diet sensation—used by Adele, heavyweight champion David Haye, and Pippa Middleton—that will help you lose seven pounds in seven days while experiencing lasting energy and eating all the foods you love. Over the past few years, fasting has become a popular diet option. Studies show that fasting—whether through moderate calorie restriction every day or the more severe but less frequent intermittent fasting—can help people lose about thirteen to fourteen pounds in six months and reduce their risk of developing disease. When we fast, our

body's energy stores activate what is known as sirtuins, or the "skinny gene," and many positive changes ensue. Fat storage is switched off, and our body stops its normal growth processes and goes into "survival" mode. Fat burning is stimulated and the genes involved in the repair and rejuvenation of our cells are turned on—which all results to weight loss and improved resistance to disease. But if not done correctly, fasting can lead to hunger, irritability, fatigue, and loss of muscle. Enter Sirtfoods: a newly discovered group of foods that is revolutionizing healthy eating. Ranging from chocolate and red wine to garlic and walnuts, sirtfoods are particularly rich in special nutrients that help us activate the same skinny genes in our bodies that fasting triggers. Nutritionists Aidan Goggins and Glen Matten have created The Sirtfood Diet to help you effectively lose weight and improve your resistance to disease, while still giving you incredible energy and glowing health. Ever wish you could have the top experts in weight loss, nutrition, fitness, and anti-aging available to answer your pressing questions--and to coach you to become your fittest, healthiest self? Well, now, you can! In *20 Pounds Younger*, Michele Promaulayko shares insider secrets that she learned directly from the country's smartest minds in wellness as the editor-in-chief of *Women's Health* and now at the helm of *Yahoo Health*, a digital magazine. Promaulayko presents a plan of action for melting

stubborn fat, toning and shaping muscle, and erasing the aging effects of stress and poor health habits. For women, belly fat is the #1 age accelerator. It contributes to diabetes, chronic fatigue, heart disease--all the inward and outward signs of aging. But now 20 Pounds Younger gives you effective weapons against belly bulge and many other confidence-crushing issues. You'll get strategies to neutralize cravings and emotional eating and a 6-week strength-training plan that will tone every inch of your physique and turn your body into a round-the-clock fat-burning furnace. Inside you'll find:

- The 20 Pounds Younger "Eat Sheet"--a checklist that makes nutritious eating easy
- A 6-week get-fit guide to increasing your metabolism and strength
- Brain tricks to overcome cravings, plus an exclusive mindful-eating workshop
- Simple pointers for younger looking skin and step-by-step beauty boosters
- Energy-enhancing techniques for reducing stress and sleeping more deeply

The HELP Nutrition Guide contains Kayla Itsines' 90 page clean eating plan including a full 14 day meal plan with recipes. Learn what to eat, discover fat burning goods, eat tasty meals and speed up your metabolism.

Eat for Heat is best described as a complementary concept that has yet to be discussed anywhere in the world of health, diet, and nutrition. The book takes a close look at the modern habit of compulsive

beverage consumption, mass prescriptions to “drink 8, 8-ounce glasses of water per day,” phobias about salt and sugar, and turns them all upside down in classic 180DegreeHealth style. The objective? Increase the concentration of the fluid in our bodies for increased core body temperature (rise in metabolism), increased circulation to the extremities for warm hands and feet, and taking the burden off of the stress system. The concept is extremely simple. Eat for Heat discusses simple principles on how to make minor changes to your meals and drinking habits to keep your body in a better metabolic “zone” all day every day. It can apply to any dietary belief system, and can even yield tremendous health benefits to those eating just a regular Western diet. Everyone can benefit from the simple concept within.

The essential diet and fitness guide to lean, sexy abs—including a results-driven 4-week program to lose weight, strengthen your core, and tone your entire body. Call it a spare tire, muffin top, or paunch. Men and women consistently cite their belly as their biggest problem area—and it is often the toughest final pounds to lose. Not anymore! Whether readers' eating habits have been affected by stress, their bodies have changed with age, or they're constantly doing crunches without results, it's time to blast belly fat the right way. Using the comprehensive, week-by-week eating and exercise plan, readers can lose up

to 20 pounds in 4 weeks-and keep it off, forever. The Women's Health Big Book of Abs special features include: - A delicious, easy-to-follow diet that includes satisfying carbs! - A special section on the best pre- and post-pregnancy workouts - Hundreds of tips on how to reveal a lean, flat belly and bikini-worthy body! Including a step-by-step, 4-week eating and exercise plan, easy-to-prepare recipes, and hundreds of exercises, The Men's Health Big Book of Abs and The Women's Health Big Book of Abs by Adam Bornstein and the Editors of Women's Health is the ultimate guide to a leaner, fitter, sexier body-starting with your core.

Offers advice on exercise and diet for women who want to lose weight and improve their fitness levels, and recommends exercise routines and recipes.

Don't Lose Your Mind, Lose Your Weight, the country's highest-selling diet book, has revolutionized the way Indians think about food and their eating habits. Funny, easy to read and full of great advice, it argues that we should return to our traditional eating roots (yes, ghee is good for you), nutrients are more important than calories (cheese over biscuits) and, most importantly, the only way to lose weight is to keep eating. Rujuta Diwekar is one of the country's best nutritionists, with deep roots in yoga and Ayurveda and a client list which boasts some of Bollywood's biggest names. In the updated edition of this classic, she has added an extensive

Q&A section which deals with the questions she gets asked most by her clients.

Nutritionist and health blogger Jessica Sepel is fast becoming one of Australia's most sought-after wellness and lifestyle advocates. *Living the Healthy Life* is a practical and holistic 8-week plan of action to heal your relationship with food and provide a balance in your life. Expanding on the philosophy from her first book, *The Healthy Life*, Jessica uses her own inspirational journey to teach us how to quit fad dieting forever, and give ourselves the freedom to stop feeling guilty about food. She shows that by eating more of the good stuff, we nourish our bodies and optimise our cleansing and thyroid functions, which in turn stops us craving the processed foods that make us unwell. She helps us understand the key factors in overcoming stress and anxiety, and explores the benefits of sleeping and resting more. Here Jessica shares her expertly tailored, nutrient-rich meal plans designed to balance your hormone levels and increase your energy. Featuring over 160 new recipes, this book shows that healthy eating can be simple, delicious and fun! This is a specially formatted fixed layout ebook that retains the look and feel of the print book.

14 days of Kayla Itsines' healthy, tasty meals!

Sometimes the only thing harder than the workouts, is eating healthy and fighting those junk food cravings. Itsines' Recipe Guide uses the same nutrition principles as The HELP Nutrition Guide and contains 14 additional days worth of amazing, drool worthy recipes.

Exercise twice each day for 45 minutes - it doesn't matter what the exercise is but one of these sessions must to be outdoors. Drink 4 litres of water per day. Pick a diet or eating plan and stick to that plan. You don't necessarily have to count calories but be intelligent - no chocolates, no cake, no soft drinks, and NO ALCOHOL (this is the one I'll struggle with the most). Read a minimum of 10 pages every day of growth mindset material or self-help book. No fifty shades of grey content! stick to real life material to work on your mindset. Take one progress photo each day - even though this is more of a mental challenge, the byproduct will be a physical change at the end of the 75 days.

The Lean Machines are genuine experts in health and happiness and have helped thousands of people get lean and strong through their work as personal trainers and on their hugely popular YouTube channel.

Champions of balance, moderation and individuality, their advice is sensible, accessible, and not at all intimidating - eat well, move better and feel awesome! "Our aim is to help as many people as possible get

healthy and understand that getting in great shape doesn't have to be hard or depressing." Here, they share their secrets in their first book; a fun, fully illustrated guide for becoming the best version of yourself.

Featuring easy nutritious recipes, as well as simple workouts, toning tips and mindfulness techniques, the boys prove that having a healthy lifestyle is achievable and fun. #leanmachines

The new healthy eating and lifestyle book from the inspirational and widely followed personal trainer, Kayla Itsines.

Twelve-time New York Times bestselling author Mark Hyman, MD, presents his unique Pegan diet—including meal plans, recipes, and shopping lists. For decades, the diet wars have pitted advocates for the low-carb, high-fat paleo diet against advocates of the exclusively plant-based vegan diet and dozens of other diets leaving most of us bewildered and confused. For those of us on the sidelines, trying to figure out which approach is best has been nearly impossible—both extreme diets have unique benefits and drawbacks. But how can it be, we've asked desperately, that our only options are bacon and butter three times a day or endless kale salads? How do we eat to reverse disease, optimal health, longevity and performance. How do we eat to reverse climate change? There must be a better way! Fortunately, there is. With The Pegan Diet's food-is-medicine approach, Mark Hyman explains how to take the best aspects of the paleo diet (good fats, limited refined carbs, limited sugar) and combine them with the vegan diet (lots and lots of fresh, healthy veggies) to create a delicious diet that is

not only good for your brain and your body, but also good for the planet. Featuring thirty recipes and plenty of infographics illustrating the concepts, The Pegan Diet offers a balanced and easy-to-follow approach to eating that will help you get, and stay, fit, healthy, focused, and happy—for life.

Easy pizza. Fish-in-a-bag. Cajun spiced eggs. French apple tarts. If you think this doesn't sound like diet food, then think again. Featuring ALL the recipes from his BBC2 TV series, Tom Kerridge shows how you can enjoy all your FAVOURITE FOODS and still LOSE WEIGHT with his LOWER-CALORIE DIET WITH A DIFFERENCE. Michelin-starred chef Tom Kerridge has been developing top recipes for nearly three decades and knows how to make things taste good. He also understands how much willpower it takes to shift unhealthy excess weight, because he has lost over 11 stone in the last four years by following a low-carb diet. Now Tom is turning his attention to helping food-lovers who have chosen a lower-calorie diet as their own route to weight-loss. This is a lower-calorie diet with a difference – it's based on hunger-satisfying portions of delicious, lower-calorie dishes that taste amazing. The focus is on the food that we can and should be eating to lose weight, which is easy to make and won't make you feel as though you are missing out. Recipes include Southern-style chicken; One-layer lasagne; Chicken tikka masala; Lamb doner kebab; Beef stroganoff; Sweet potato and black bean burritos; Sticky pork chops; and Baked doughnuts with sweet five-spice dust. As Tom says: 'It's impossible to stick to a diet if the food you're

expected to eat is boring and doesn't fill you up. So I've developed lots of tasty and satisfying recipes that people will love to cook and eat, but that will also help them lose weight. I truly believe that this attitude works. I've been there myself and now I want to help others get there too.' By adopting a new, healthy approach to eating you really CAN lose weight for good.

Beverly Hills nutritionist Haylie Pomroy has a long list of loyal celebrity clients - including Jennifer Lopez, Raquel Welch and Reese Witherspoon. With this book she reveals her red carpet secrets - and promises you can lose up to 20lbs in 28 days. On this plan you're going to eat a lot - and still lose weight. You're not going to count a single calorie or fat gram. Instead, you're going to rotate what you're eating throughout each week in proven plan designed to set your metabolism on fire.

Phase I (Monday-Tuesday): Lots of carbs and fruits
Phase II (Wednesday-Thursday): Lots of proteins and veggies
Phase III (Friday-Sunday): All of the above, plus healthy fats and oils

By keeping your metabolism guessing, you'll get it working faster. You'll see the weight fall off, your cholesterol drop, your blood sugar stabilize, your energy increase, your sleep improve, and your stress dramatically reduce. All thanks to the miraculous power of real, delicious, satisfying food!

Complete with 4 weeks of meal plans and over 50 recipes - including vegetarian, organic, and gluten-free options - this is the silver bullet for anyone who wants to naturally and safely eat their way to a slimmer, healthier body.

RECIPES TO IMPROVE YOUR SKIN, SLEEP, MOOD,

ENERGY, FOCUS, DIGESTION, AND SEX From the trusted, influential, and famously trend-setting website comes the first ever Well+Good cookbook.
