Famed author Claude M. Bristol "blasts" you with the "Secret of the Ages" in his powerful book, TNT: It Rocks the Earth. Adhering to his cornerstone philosophy on the power of believing, this book offers practical suggestions on how to accurately and scientifically proceed to get what you want in life. Learn how to impress your subconscious mind, make obstacles a phantom of the past, and have at your command a power that astounds!

A new edition of the much-loved perennial meditation diary whose messages radiate spiritual wisdom, encouragement and serenity throughout the year • Provides messages of spiritual insight and guidance for every day of the year from Eileen Caddy, co-founder of the Findhorn Community • Offers specific suggestions for your daily spiritual growth and development • Includes a new introduction by Jonathan Caddy, one of Eileen's sons, who adds a fresh perspective to the profound influence this guidance can have One of the much-loved books of Eileen Caddy (1917-2006), co-founder of the Findhorn Community in Scotland, Opening Doors Within is a perennial meditation diary offering down-to-earth inspirational messages of spiritual guidance for every day of the year. For over 35 years, people have used these practical teachings that offer advice on achieving stillness, faith, and fulfillment. Specific suggestions for your daily spiritual growth and development enhance the impact of the supportive words. Eileen's brief messages, from what she called "the still, small voice within," offer inspirational, uplifting, and powerful words of love and support. Her daily guidance was the bedrock of the early Findhorn Community, and the concept of "inner listening" is still very much part of individual and community practice there today. The encouraging and practical messages speak to those embarking upon the journey to find their divine inner self and spiritual truth. Anyone who meditates--whether inexperienced or seasoned--will find the wisdom shared both insightful and heartening. A new foreword by Jonathan Caddy, Eileen's son who lives in the Findhorn Community, adds a fresh perspective to the profound influence this guidance can have. No matter how you use the wisdom shared in this small book, take these teachings into yourself and carry them within you, until they have done their silent, gentle, and loving work of opening the doors within.

The noted past-life therapist and author of *Many Lives, Many Masters* discusses his work with future life progression, drawing on dozens of case histories to explain how the choices that are made in one's present life impact the quality of future lives and revealing the benefits of progression therapy as a healing tool for present-life conditions. 100,000 first printing.

"The presentation and practice of vocabulary and grammar are of equal importance and there is a strong focus on listening and speaking with an emphasis on 'real world' language for social situations. The listening and reading material provides fresh new angles on universal topics and students are given numerous opportunities to practise new language through a wide variety of communicative activities, many of which are personalised. face2face is also fully compatible with the Common European Framework of Reference for Languages and gives students regular opportunities to evaluate their progress." - product description.

Now almost exclusively known as the author of the bestselling Millennium Trilogy, Stieg Larsson was first and foremost a professional journalist and an untiring crusader for democracy and equality. Collected in English for the first time, the articles in this volume explore the human rights issues that formed the ideological foundation of his explosive trio of novels. Before he ever began his cycle of novels about the travails of Mikael Blomkvist and Lisbeth Salander, Stieg Larsson used the pulpit of the media to denounce right-wing extremism throughout Europe. A co-founder of the influential journal EXPO and its primary editor for many years, Larsson spoke out passionately against many of the worst crimes against women, minorities, and other disenfranchised communities. These unflinching articles showcase Larsson's spare style and sly humor as he dissects many instances of persistent anti-humanist behavior and politics. Written with the urgency and economy of someone who knew that there is no time to waste when it comes to fighting the forces of bigotry, sexism, and racism, *The EXPO Files* is required reading not just for fans of the Millennium Trilogy, but everyone who applauds writers with the courage to denounce evil when they see it. From the Hardcover edition.

Ken Honda—Japan's #1 bestselling personal development guru—teaches you how to achieve peace of mind when it comes to money with this instant national bestseller. Too often, money is a source of fear, stress, and anger, often breaking apart relationships and even ruining lives. We like to think money is just a number or a piece of paper, but it is so much more than that. Money has the ability to smile, it changes when it is given with a certain feeling, and the energy with which it imbues us impacts not only ourselves, but others as well. Although Ken Honda is

often called a “money guru,” his real job over the past decade has been to help others discover the tools they already possess to heal their own lives and relationships with money. Learn how to treat money as a welcome guest, allowing it to come and go with respect and without resentment; understand and improve your money EQ; unpack the myth of scarcity; and embrace the process of giving money, not just receiving it. This book isn't to fix you, because as Ken Honda says, you're already okay!

This translation (taken From 'Thrice Greatest Hermes: Studies In Hellenistic Theosophy And Gnosis, Volume 2'), includes the Pœmandres and some addresses of Hermes to disciples Tat, Ammon and Asclepius, which are said to have originated in the school of Ammonius Saccas, a Greek philosopher from Alexandria.

Gareth is a passenger on The New Adventurer, a starship travelling through space. One day Gareth finds something in the bottom of his shower. This discovery begins a love affair with a woman he has never seen. But how can they meet? Will they have to wait until the starship completes its ten-year journey?

Activar el PODER perdido de la humanidad: la FE. "Segn tu FE te es dado", deca Jess. Vamos a activar el poder ms grande de la humanidad, que es la capacidad de HACER QUE LAS COSAS PASEN. La gente no falla porque no tenga el potencial de lograr una vida superior, sino por su constancia y su falta de FE. No enfocarte en tus objetivos y tus sueos es falta de FE, si estuvieras al 100% seguro de que lo podras lograr, estaras dispuesto a hacer lo que fuera necesario?"Y los discpulos se dirigieron a Jess y le preguntaron por qu ellos no podan hacer sus milagros. A lo que Jess respondi: por vuestra falta de FE."Y aadi:"En verdad os digo que si tuvierais la FE del tamao de un grano de mostaza, le dirais al monte muvete y se movera."

Soltando lastres, aprendiendo a dejar las mochilas y las cargas pesadas que no te pertenecen. En SANACIN DEL ALMA aprenderemos a limpiar ese nuevo molde que hemos creado. Para que lo nuevo pueda entrar debemos deshacernos de lo viejo. Jess deca: "no puedes meter vino nuevo en odres viejos". En SANACIN DEL ALMA cerraremos puertas de bronce para que el Universo abra nuevas puertas doradas que estn destinadas para ti. Vamos a activar las fuerzas ms poderosas que posees, el PERDN y la GRATITUD. Hace un tiempo aprend algo: La GRATITUD despierta al Universo, pero el PERDN desata su Poder. Cuando te liberes de cargas pesadas, volars ms ligero. Para tener un nuevo FUTURO, tu PASADO tiene que morir. Sacedete la culpa y la auto-compasin. Ha llegado el momento de ponerte en pie y gritar a los cuatro vientos: AQU ESTOY YO, ESTO ES LO QUE SOY Y LA VICTORIA EST CERCA.

London - late 1880s. Alex - successful MBA, skeptical and materialistic executive, sees himself as a woman in a previous life. And, she's about to have a miscarriage. This out-of-body experience, or regression, totally changes Alex's present life. He recovers from a serious autoimmune condition and forsakes the rat race of the business world to bring relief to others. And, through his treatment of clients he has reawakened and guided hundreds of people through regressions to their previous lives. This book recounts, with incredible detail, the adventures of his clients' previous lives. Readers learn about hypnosis techniques and other phenomena like déjã vu. Fear not, the book is not overly technical. The author debunks myths about hypnosis, explaining why his controlled techniques produce empirical results, notwithstanding the lack of acceptance by traditional medicine. Have you ever met someone or entered a place for the first time, but, feel like you once knew them or where there before? Mr. Raco's clients expose how childhood memories and previous lives contribute to our present consciousness - our very souls. It goes beyond our brains, before our present beings, and after our deaths. The book describes Mr. Raco's initial heavy skepticism of regression therapy. But it describes the real experiences of many clients. Their regression experiences demonstrate how present problems can be solved or reduced by reworking traumatic memories - in this and in previous lifetimes. A book in which topics such as parenting, soulmates, emotional dependency and the love for animals become alive through the lives of soldiers, monks, thieves, singers, slaves, dwarfs, ancient Romans, medieval peasants and warriors. It is a statistical and empirical investigation from a professional who is able to maintain, in spite of everything, a detached and neutral perspective. A great instrument for the psychological well-being and personal growth of all of us. A book that will change your life.

'Of ways you may speak, but not the Perennial Way; By names you may name, but not the Perennial Name.' The best-loved of all the classical books of China and the most universally popular, the Daodejing or Classic of the Way and Life-Force is a work that defies definition. It encapsulates the main tenets of Daoism, and upholds a way of being as well as a philosophy and a religion. The dominant image is of the Way, the mysterious path through the whole cosmos modelled on the great Silver River or Milky Way that traverses the heavens. A life-giving stream, the Way gives rise to all things and holds them in her motherly embrace. It enables the individual, and society as a whole, to harmonize the disparate demands of daily life and achieve a more profound level of understanding. This new translation draws on the latest

archaeological finds and brings out the word play and poetry of the original. Simple commentary accompanies the text, and the introduction provides further historical and interpretative context. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

From the New York Times bestselling author of *A Long Petal of the Sea* comes “a bold exploration of womanhood, feminism, parenting, aging, love and more” (Associated Press). “The Soul of a Woman is Isabel Allende’s most liberating book yet.”—Elle “When I say that I was a feminist in kindergarten, I am not exaggerating,” begins Isabel Allende. As a child, she watched her mother, abandoned by her husband, provide for her three small children without “resources or voice.” Isabel became a fierce and defiant little girl, determined to fight for the life her mother couldn’t have. As a young woman coming of age in the late 1960s, she rode the second wave of feminism. Among a tribe of like-minded female journalists, Allende for the first time felt comfortable in her own skin, as they wrote “with a knife between our teeth” about women’s issues. She has seen what the movement has accomplished in the course of her lifetime. And over the course of three passionate marriages, she has learned how to grow as a woman while having a partner, when to step away, and the rewards of embracing one’s sexuality. So what feeds the soul of feminists—and all women—today? To be safe, to be valued, to live in peace, to have their own resources, to be connected, to have control over our bodies and lives, and above all, to be loved. On all these fronts, there is much work yet to be done, and this book, Allende hopes, will “light the torches of our daughters and granddaughters with mine. They will have to live for us, as we lived for our mothers, and carry on with the work still left to be finished.”

Prayers of Honoring was written for sharing from the heart in community. In western culture, we keep many things to ourselves. Prayer, among other things, has become a private practice for those of us who don't congregate for spiritual purposes. Our language for connection to something greater than ourselves has become truncated to basic iterations and generalized affirmations. These prayers were written to honor the things which are easy to celebrate, and also those things which require more practice. It was written as a reminder of the process of honoring, which is to show high respect. It's my thought that respect and reverence have all but gone missing from western culture. To cultivate these things through the rhythm of prayer is to demonstrate devotion to the unfathomable energies which suspend us between the divine energies of Earth and Sky every day and night. It's my belief that creating our own family practice of prayerfulness brings us closer as we travel forth. "Prayers of Honoring has supported my personal practice and allowed me to ground in an entirely new way." - Trace K.

"Prayers of Honoring was a gift from a fellow yoga teacher in Montana. I've carried it with me around the world and continually seek comfort in the beautiful words and phrases. I am so grateful that you are sharing your heart song, it's beautiful." - Emily S. "Love Prayers of Honoring. As I entered my shamanic path, these prayers really helped with all of the energy I was calling in, and the energy I was letting go. I felt it was one of my strongest tools, especially when my closest cousin left earth side during it all. Thank you." - Leigh
