Love & Misadventure Andrews McMeel Pub

Allison Trowbridge harnesses the power of story in a series of letters to an imagined young woman wrestling with the questions that arise as she stands on the precipice of adulthood. Our life's journey is our life's destination. Never in history has a young woman had so many options before her, yet never has she had less direction or guidance on what to do with them. A woman at the precipice of adulthood often finds herself with more questions than answers, with more disenchantment than direction. How is she supposed to "lean in" to a successful career while also building deeply meaningful relationships? How can she care for the community around her while simultaneously developing a global mindset and changing the world? How can she be all that she is destined to be without feeling paralyzed by the pressure of so many prospects? Allison Trowbridge knows this dilemma well. She remembers stepping into her twenties and wishing for a mentor to guide her through this dizzying season of life. In *Twenty-Two*, she becomes the mentor she was looking for. Drawing from her own experience and from the wisdom of others, she offers advice and counsel in a series of personal

letters to “Ashley,” a fictional college student looking for mentorship from someone one step ahead in life. Over the course of twenty-two letters, Trowbridge addresses a wide range of practical issues and ties them to larger concerns such as identity, loss, social impact as a lifestyle, wisdom in the ordinary moments, and the profound way God’s work is realized in how we live every day. Subtly weaving in today’s pressing social concerns—from poverty in our neighborhoods to human trafficking across the globe—Twenty-Two will inspire a greater sense of mission and a passion to live more fully as young women embark on their own remarkable journeys. This book is like a hug from a friend when you need it most: It’s both a reminder that it’s normal to feel things deeply and a companion for actually feeling better. With tons of empathy and a touch of humor, artist Carissa Potter offers wisdom on how to move through difficult emotions with practical steps to kick-start the process—ranging from soaking in a tub and having a good cry to talking to houseplants or hosting a private dance party. Illustrated in a vibrant eye-catching palette, this boldly authentic book is full of genuine support for pushing through life’s tough times or whenever a little love is needed.

in the first book. Eunuchs and Nymphomaniacs is about how we love today and how increasingly we try to avoid it altogether.

A remarkably frank, deeply moving, and inspiring memoir by Jai Pausch, whose husband, Randy, wrote the bestseller *The Last Lecture* while battling pancreatic cancer. "Jai is such a giver that she often forgets to take care of herself," Randy Pausch wrote about his wife. "Jai knows that she'll have to give herself permission to make herself a priority." In *Dream New Dreams*, Jai Pausch shares her own story for the first time: her emotional journey from wife and mother to full-time caregiver, shuttling between her three young children and Randy's bedside as he sought treatment far from home; and then to widow and single parent, fighting to preserve a sense of stability for her family, while coping with her own grief and the challenges of running a household without a partner. Jai paints a vivid, honest portrait of a vital, challenging relationship between two strong people who faced a grim prognosis and the self-sacrificing decisions it often required. As she faced life without the husband she called her "magic man," Jai learned to make herself a priority to create a new life of hope and happiness—as she puts it, to "feel a spark of my own magic beginning to flicker." *Dream New Dreams* is a powerful story of grief, healing, and newfound independence. With advice artfully woven into an

With massive social media followings and a loyal fan base, Jeanty is poised for great success for his sixth poetry collection entitled Apologies That Never Came. In this series of prose and poetry, both the words and sentiment are simple, uninterrupted by excess flair or complexity. Apologies That Never Came dissects the agony of heartbreak and loss through the unexpressed words and feelings; what is left over at the end. While his poems and prose delve into pain, they ultimately transcend that heartbreak, awakening everyone's preexisting strength and capacity for growth. Much like in his previous collections, Jeanty has successfully created a tool for unity and healing out of the torment of his experiences.

The book is divided into four chapters, and each chapter serves a different purpose. Deals with a different pain. Heals a different heartache. Milk and Honey takes readers through a journey of the most bitter moments in life and finds sweetness in them because there is sweetness everywhere if you are

“The popularity of [Dog Songs] feels as inevitable and welcome as a wagging tail upon homecoming.” —The Boston Globe

Mary Oliver’s *Dog Songs* is a celebration of the special bond between human and dog, as understood through the poet’s relationships to the canines that have accompanied her daily walks, warmed her home, and inspired her work. Oliver’s poems begin in the small everyday moments familiar to all dog lovers, but through her extraordinary vision, these observations become higher meditations on the world and our place in it. *Dog Songs* includes visits with old friends, like Oliver’s beloved Percy, and introduces still others in poems of love and laughter, heartbreak and grief. Throughout, the many dogs of Oliver’s life merge as fellow travelers and as guides, uniquely able to open our eyes to the lessons of the moment and the joys of nature and connection.

own romantic misadventures after reading these jaw-dropping, hilarious tales. Many people do crazy things in the name of love, but some people take things way too far. From failed seductions to botched proposals, from disturbing displays of affection to misguided marriages, *Idiots in Love* chronicles the stupid things falling in love (or falling out of it) can drive people to do: * A female Coca-Cola employee became engaged to a Pepsi employee, and Coke demanded that she break it off, persuade her fiance to leave Pepsi, or resign from Coca-Cola. She refused and was terminated, but she later won a \$600,000 settlement from the company. * A woman in Hardwick, Georgia, divorced her husband on the grounds that he "stayed home too much and was too affectionate." * A couple started divorce proceedings after 90 minutes of marriage. * A Norwegian woman hid a ring in her boyfriend's porridge to propose marriage to him, but he accidentally ate the ring. Fortunately, he accepted the proposal anyway. * In Whitesville, Delaware, it is illegal for a woman to propose to a man. * A European survey revealed that one in nine people admit to sending themselves Valentine's Day cards. Once again, Leland Gregory finds the absolute best and funniest anecdotes and one-liners that will have readers rolling with laughter at the amorous antics of idiots in love.

Ayesha is a twenty-something reporter in one of the world's most dangerous cities. Her assignments range from showing up at bomb sites and picking her way through scattered body parts to interviewing her boss's niece, the couture-cupcake designer. In between dicing with death and absurdity, Ayesha despairs over the likelihood of ever meeting a nice guy, someone like her old friend Saad, whose shoulder she cries on after every romantic misadventure. Her choices seem limited to narcissistic, adrenaline-chasing reporters who'll do anything to get their next story—to the spoilt offspring of the Karachi elite who'll do anything to cure their boredom. Her most pressing problem, however, is how to straighten her hair during the chronic power outages. Karachi, You're Killing Me! is Bridget Jones's Diary meets The Diary of a Social Butterfly—a comedy of manners in a city with none.
