This resource book is designed to assist teachers in implementing California's history-social science framework at the 10th grade level. The models support implementation at the local level and may be used to plan topics and select resources for professional development and preservice education. This document provides a link between the framework's course descriptions and teachers' lesson plans by suggesting substantive resources and instructional strategies to be used in conjunction with textbooks and supplementary materials. The resource book is divided into eight units: (1) "Unresolved Problems of the Modern World"; (2) "Connecting with Past Learnings: The Rise of Democratic Ideas"; (3) "The Industrial Revolution"; (4) "The Rise of Imperialism and Colonialism: A Case Study of India"; (5) "World War I and Its Consequences"; (6) "Totalitarianism in the Modern World: Nazi Germany and Stalinist Russia"; (7) "World War II: Its Causes and Consequences"; and (8) "Nationalism in the Contemporary World." Each unit contains references. (EH)

Take-Twos feature paired fiction and nonfiction titles on selected topics. These matched books provide readers with an opportunity to compare and contrast, distinguish between fact and fiction, and make transitions between fact and fiction strategies. Students will find Take-Twos have high-interest topics including animals, sports, science, art and more. Each pair of books also has an 8-panel guided reading lesson plan on cardstock. These lessons were carefully crafted to provide the support students and teachers need during small-group instruction. These include activities for before, during and after the reading, a skills bank and 3 blackline masters. These Lesson Plans (8-panel) are available in topic sets with the two related 6-packs or as part of a guided reading kit, and in leveled sets.

Badger Girl's delighted to find the biggest turnip she's ever seen growing in her vegetable garden, but when the time comes to harvest the giant root, she's unable to pull it up without help from family and friends.

A beloved classic that captures the powerful bond between man and man's best friend. Billy has long dreamt of owning not one, but two, dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It doesn't matter that times are tough; together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past.
