Roberto, da poco in pensione, decide di cambiare radicalmente la propria vita, così vende la sua casa e si trasferisce in un piccolo e isolato borgo sul mare, poco distante da Milano Marittima. Trascorre la maggior parte del tempo a passeggiare sulla spiaggia guardando l'orizzonte ed è proprio durante uno di questi momenti che incontra Valentina, il suo primo amore. La loro storia era durata due anni per poi terminare per volontà di Roberto a seguito del trasferimento della ragazza. Negli anni le loro vite sono cambiate: lui non si è mai sposato e vive ancora solo, mentre lei ha avuto due figlie e da poco è rimasta vedova. Dopo il loro casuale incontro sulla spiaggia, tra i due nasce di nuovo una forte attrazione e un intenso sentimento: forse il destino ha riservato loro una seconda occasione.

The "Goldenberg book" has been used by generations of orchestral mallet players to develop their skills. As well as studies and etudes, this book includes excerpts of major orchestral repertoire for keyboard percussion instruments. This edition, edited by Tony Cirone, includes phrasings that were inherent in the music but not specifically written out. Stickings are also addressed: the original stickings are in uppercase letters, and the added stickings are in lowercase. This book is the primary source for keyboard percussion players to learn technique and orchestral repertoire.

According to Larry Teal, the best method of learning to play the saxophone is to study with a competent teacher. Teal's studies were mostly of instruments other than the saxophone, but as a student at a Chautauqua summer session, he came under the influence of Georges Barrère, the eminent French flutist. He played bass clarinet with the Detroit Symphony, but he continued to be absorbed by the saxophone. As a result of his acquired expertise and growing reputation, he was appointed to a full-time faculty position as a saxophone teacher by the University of Michigan -- the first ever to receive such an appointment from a major university. During his 21-year tenure, he attracted students from all over, thus exerting an ever widening influence on saxophone teaching and performing.
