What are you gonna do with your life? Ever had someone say that to you only to have absolutely no response. Do you really know what you want to do before you die? Not many of us do and that is because we have never taken the time to think about it. We are too busy living it. A bucket list journal, diary, notebook or whatever you want to call it forces you to think about it. What do you want to do before you die? You could climb to the top of a mountain, swim with some sea creature, ride a unicorn (o.k. let's keep it realistic) or pretty much anything else you can think of. Just start thinking of 100 things you want on your bucket list. If you get to 101 just buy another one of these books! If you need inspiration watch The Bucket List movie. By writing down your goals of what you want to achieve, it allows you to visualize it and make it happen. Saying you want to travel to the Amazon jungle someday is a lot less powerful then writing down an exact date you plan on going. Write down what you plan on doing in as much detail as you can. Some bucket list items might be easy to achieve and others will take more planning. As long as what you want to accomplish makes you feel just a bit more whole inside you have nailed it. Let your imagination run wild with what you want to do. Spend some time reflecting on the what if's. What if you got told you were going to die in one year? What are those things you absolutely have to experience before you "kick the bucket?" If you are ready to take your life in a new direction with the simple act of writing out your goals then scroll up and hit the orange buy button today.

"Emotional, hilarious, and thought-provoking." —People "Witty, sexy." —Los Angeles Times #1 Cosmopolitan Best New Books of Summer PureWow Best Reads of Summer From the author of the critically acclaimed "lively and engrossing parable for women of all generations" (Harper's Bazaar) The Regulars, comes a deeply funny and thoughtful tale of a young woman who embarks on an unforgettable bucket list adventure. Twenty-five-old Lacey Whitman is blindsided when she's diagnosed with the BRCA1 gene mutation: the "breast cancer" gene. Her high hereditary risk forces a decision: increased surveillance or the more radical step of a preventative double mastectomy. Lacey doesn't want to lose her breasts. For one, she's juggling two career paths. Secondly, small-town Lacey's not so in touch with her sexuality: she doesn't want to sacrifice her breasts before she's had the chance to give them their hey-day. To help her make her choice, she (and her friends) creates a "boob bucket list": everything she wants do with and for her boobs before a possible surgery. This kicks off a year of sensual exploration and sexual entertainment for the quick-witted Lacey Whitman. The Bucket List cleverly and compassionately explores Lacey's relationship to her body and her future. Both are things Lacey thought she could control through hard work and sacrifice. But the future, it turns out, is more complicated than she could ever imagine. Featuring the pitch-perfect "compulsively delicious" (Redbook) prose of The Regulars, The Bucket List is perfect for fans of Amy Poehler and Sophie Kinsella.

This journal is a safe place for your dreams to live. This is where you can track your dreams and update them as you evolve over time. This journal is designed to help you overcome the greatest barriers that will stop you from achieving your goals. The following pages will help you take tangible steps towards your goals and help you achieve them. The problem is that our personal goals often take the back burner in our busy lives. They are the first things to fall through the cracks of our packed schedules and most of us continue to push our personal goals until it's too late. When we reach our final days we regret the things we didn't do, not the things we did. When researchers from Cornell asked thousands of people on their deathbed to name the biggest regret in their entire life, 76% of participants had the same answer, "Not fulfilling my ideal self." This statistic not only broke my heart but it was a turning point in my life. My mission became to not only ensure that I didn't end up in that 76% but to also help as many people as I could to not end up there either. It's wild to think that over three-quarters of the population will reach the end of their life and think, "Damn. I wish I'd had the courage to live a life true to myself. Not the life that others expected of me." The goal of The Bucket List Journal is simple: ensure that you do not reach your deathbed regretting the things you did not do. My bucket list transformed my life. It changed the realities of my friends and my family and I believe it has the power to change your life too.

The follow-up to his bestseller *The War of Art*, *Turning Pro* navigates the passage from the amateur life to a professional practice. "You don't need to take a course or buy a product. All you have to do is change your mind." --Steven Pressfield *TURNING PRO IS FREE, BUT IT'S NOT EASY*. When we turn pro, we give up a life that we may have become extremely comfortable with. We give up a self that we have come to identify with and to call our own. *TURNING PRO IS FREE, BUT IT DEMANDS SACRIFICE*. The passage from amateur to professional is often achieved via an interior odyssey whose trials are survived only at great cost, emotionally, psychologically and spiritually. We pass through a membrane when we turn pro. It's messy and it's scary. We tread in blood when we turn pro. *WHAT WE GET WHEN WE TURN PRO*. What we get when we turn pro is we find our power. We find our will and our voice and we find our self-respect. We become who we always were but had, until then, been afraid to embrace and live out.

"Lindsay Harrel has penned a charming story that is sure to touch the hearts of her readers. Through the stories of Megan and her sister Crystal, readers get a glimpse of adventure, restoration, conquered fears, and realized dreams. Lindsay will no doubt win readers with this heartfelt story." —Lauren K. Denton, USA TODAY bestselling author of *The Hideaway* and *Hurricane Season*, on *The Heart Between Us* From award-winning author Lindsay Harrel comes a powerful story of adventure, healing, and learning how to live life to the fullest. Megan Jacobs always wished for a different heart. Her entire childhood was spent in and out of hospitals,

sitting on the sidelines while her twin sister Crystal played all the sports, got all the guys, and had all the fun. But even a heart transplant three years ago wasn't enough to propel Megan's life forward. She's still working as a library aide and living with her parents in her small Minnesota hometown, dreaming of the adventure she plans to take "once she's well enough." Meanwhile, her sister is a successful architect with a handsome husband and the perfect life—or so Megan thinks. When her heart donor's parents give Megan their teenage daughter's journal—complete with an unfulfilled bucket list—Megan connects with the girl she meets between the pages and is inspired to venture out and check off each item. Caleb—a friend from her years in and out of the hospital—reenters her life and pushes her to find the courage to take the leap and begin her journey. She's thrown for a loop when Crystal offers to join her for reasons of her own, but she welcomes the company and the opportunity to mend their tenuous relationship. As Megan and Crystal check items off the bucket list, Megan fights the fears that have been instilled in her after a lifetime of illness. She must choose between safety and adventure and learn to embrace the heart she's been given so that she can finally share it with the people she loves most. "A sweet story of sisterhood, familial bonds, sacrificial love, and finding your own identity amidst the storms of life. Poignant with tender moments, as well as laughter, *The Heart Between Us* is a touching novel that is sure to please." —Catherine West, author of *Where Hope Begins* "I love this story of facing our fears. Harrel pens a clever, well-written love story between two sisters, the men in their lives and the dreams of a heart donor. Life is more fun than we know, and this timeless story reminds us to love well." —Rachel Hauck, New York Times bestselling author, on *The Heart Between Us* "The Heart Between Us is an absolute gem of a story. The intriguing premise drew me in from the start, but it was the authentic characters and their relatable struggles that kept me reading. I especially loved getting to travel vicariously through Megan and Crystal! A heart-tugging, not-to-be-missed book from an author who belongs on your keeper shelf." —Melissa Tagg, author of the Walker Family series
