Is Heaven on Earth Really Possible? When we struggle with defeat and discouragement, the Holy Spirit is the key to victory and peace. Best-selling author Dr. Myles Munroe shows how to bring order to the chaos in your life, receive God's power to heal and deliver, fulfill your true purpose with joy, be a leader in your sphere of influence, and be part of God's government on earth. We have access to the unseen world of the Spirit and can bring heavenly influence to earth. When you receive God's Spirit into your life, you will find that His gifts are your birthright. Receive the fullness of God's Spirit and start living in the spiritual power that God has promised you. "It is to your advantage that I go away; for if I do not go away, the Helper will not come to you; but if I depart, I will send Him to you" (John 16:7 NKJV).

Understanding Your Potential is a motivating, provocative look at the awesome potential trapped within you, waiting to be realized. This book will cause you to be uncomfortable with your present state of accomplishment and dissatisfied with resting on your past success. It will turn your failure into motivation and mediocrity into excellence.

Best-selling author Dr. Myles Munroe offers daily practical and biblical advice for men. Based on two of his most popular books, Understanding the Purpose and Power of Men and Understanding the Purpose and Power of Women, this 90-day devotional will help you truly understand your God-given purpose and power as a man. Each day's reading includes teaching and encouragement, a Scripture reading from both the Old and New Testaments, and a thought for the day to draw you closer to God the Father and His purposes for you. Explore the nature and role of men as God intended, addressing such issues as: What does the Bible really teach about men and women? What does it mean to be male? What are the purpose and design of the man? How is a man uniquely different from a woman? What is a man's role as a husband and father? What are a man's sexual needs? How are men and women meant to relate to one another? How can a man build a better life for himself, his family, and the world? Through this devotional, you can strengthen your relationship with your heavenly Father as you discover how to fulfill your destiny and potential as an integral part of His eternal purposes.

A southern black community's struggle to defend itself against racist groups. In Understanding the Purpose and Power of Authority, best-selling author Dr. Myles Munroe turns the widely accepted but counterfeit concept of authority upside down. Then, he reveals God's original intent, showing us how to live in the freedom of our own personal authority in God's great design and to respond positively to the inherent authority of others. Many people view authority as something oppressive, stifling, and even fearful. All of us hate to be controlled or manipulated. Our negative concepts and experiences of authority produce life-draining emotions—fear, distrust, suspicion, friction, defensiveness, antagonism,

stress, worry, and dread. Others have a limited perspective of what authority means, believing that only people who reach a certain “level” in life can exercise it. They don’t believe they could ever be called to a place of authority. The truth is, we were all created for authority, and we are all answerable to the authority of others. Authority is what we’re authorized to do by our inherent purposes. You have a God-given calling to develop your own personal authority to carry out your unique purpose in life.

2045. Kenneth Durand leads Interpol's most effective team against genetic crime, hunting down black market labs that perform illegal procedures, augmenting embryos and rapidly accelerating human evolution-- and preying on human-trafficking victims to experiment and advance their technology. One figure looms behind it all: Marcus Demang Wyckes, leader of a cartel known as the Huli jing. When Durand is forcibly dosed with a radical new change agent, he wakes from a coma weeks later to find he's been genetically transformed into Wyckes. Determined to restore his original DNA, Durand hasn't anticipated just how difficult locating his enemy will be.

How to Protect Your Leadership Influence and Power You’ve worked hard to achieve your dreams and goals. Many others have done the same—only to lose it all in the end. Every day, we read about successful people in various walks of life who have lost their power and influence. They’ve been fired, forced to resign, or shamed out of public life. They no longer have a market for their gifts, and they may even face criminal proceedings. These leaders have lost the trust of their companies, constituents, nations, followers, and families. Many were surprised to discover that their talents alone were not enough to prevent their downfall. Why did they fail in the end? Because they lacked the one quality that would have protected their leadership and given them enduring influence. Ironically, this quality is seldom taught to leaders today, either formally or informally. It is the quality of moral force, or character. Every human being is a leader over some domain as he or she exercises gifts and influence. That domain might be the halls of government, the boardroom, the classroom, the community, or the home. In *The Power of Character in Leadership: How Values, Morals, Ethics, and Principles Affect Leaders*, you will discover what character is, what it means to develop moral force, and how to preserve your leadership influence so that it is both effective and enduring.

This book is geared towards the teens. In this book, they will discover some amazing identities in themselves that the devil doesn’t want them to know as a child of the Kingdom. Why? As a child, a time will come when they find themselves at the fork and crossroads of life, a time when their faith foundation is tested at a higher level, when alternative moral and spiritual truths of other religious persuasions, and worldly philosophies become more appealing and present a palliative remedy to the “failed and empty,” promises of the God of their parent’s religion, or denominations. In Psalm 11:3, it is written “If the foundations are destroyed, what can the righteous do?” What should children do

in such a situation, or more appropriately what should the parents have taught them before they came to the valley of decision? (Joel 3:14)

Considering Jesus's relational model for choosing the twelve disciples, Relational Intelligence will walk you through how to assess your relationships, define them, discern them, align them, and finally activate your relationships to unlock your greatest potential. Years of ministry leadership experience and personal experience have convinced Dr. Dharius Daniels: there's no such thing as a casual relationship. All relationships are catalytic - either pushing us forward into our God-given purposes or holding us back. Our spiritual, physical, financial, emotional, and professional progress is greatly impacted by who we allow to be a part of our lives and what part we allow them to play. With our destiny on the line, relationships are too consequential to nonchalantly roll the dice in managing them. Relational Intelligence is your action plan for getting smart about your purpose partners. Relationships were God's idea, writes Daniels, and when we understand and apply what God has to say about them we end up avoiding unnecessary relational turmoil, advancing in all areas of our life, and accomplishing our God-given purpose. When your purpose is on the line, the cost of relational unintelligence is too great to pay. In this book, you will explore and learn how to activate the relational intelligence you need for the life of purpose you want.

Much of what we fear springs from erroneous beliefs, misunderstandings, and lies. But you shall know the truth and the truth will make you free! Fear will cause you to hide and disappear deep down inside. What's even more sinister, it can kill you. This book is not a promise that all fear will be wiped away like a spot on a mirror because ironically, some fear is good for us. It is intended to de-paralyze you to move beyond your fear and soar! "This class has been meaningful to me because coming in I actually felt my fears were over. However, I've found out that fears hide themselves behind other words. The class was very informative and well executed by the instructor, and because of attending, I'm now encouraged to step out of my self-imposed limitations."

~Minister Carl Diggs "I was afraid of death until I took this class." ~Dr. Lillie Jenkins

Harvey Hook touches on the legacy each one of us hopes to leave. Hook explores the concept of redemptive action—how each of us can impact the world around us. He uses true-life stories of people in ordinary life who were plunged into remarkable circumstances and achieved extraordinary things. Using both stories that are current and historical—stories of younger and older people alike—this book will appeal to a wide range of people. From these stories, the author derives insights and truths to help others apply themselves to make a difference in this world.

The Kingdom of God is here! The defining message of Dr. Myles Munroe's life and work—now available for the first time as a packaged collection. The Kingdom of God is supernatural by nature, superseding religion, science, philosophies, and ideologies as it works its ways silently but yet explosively in the hearts of men and women.

This book will awake the powerful yeastlike principles hidden within the inner chambers of believers spirits for the supernatural demonstrations of Gods kingdom on earth. (Practical Life)

He spent his growing-up years living for himself -- recklessly rebelling against his evangelist father's faith, numb to God and to the letters his father wrote him, immersed in the dark side of life. Until one intense night in the Jamaican Blue Mountains that allowed him to see himself in the mirror of grace, changing everything. The Secret Life of a Fool is Andrew Palau's unforgettable journey of running from God -- and the crushing, freeing experience of coming back to Him. It is a story of getting high, burning up cars, being stranded in Europe, surviving a near-fatal plane crash, and utter despair overcome by simple grace and a father's love, expressed in excerpted letters throughout this book.

"The Kingdom of God has almost nothing to do with religion. Instead, it has everything to do with the King Himself--with replicating His character and reproducing His will on Earth. Maturing in their citizenship, Kingdom citizens grow to reflect their King's culture, values, morals, nature, and lifestyle."

Standing Under the Wrong Rainbow entwines insights from the Bible with the opinions of the author, G. Deon Thompson, to make the case for the durability of the traditional view of marriage as the lifelong union of one woman and one man, while exposing the shortcomings of modern arguments that speak in favor of gay marriage. Chapters treat a variety of topics, including the history of the notion of "rights," the scriptural grounding for the traditional morality of marriage, philosophies of truth, the challenges of modern life, the sacrificial nature of godly love, and the essence of marriage as God intends it for human life. If you have found yourself struggling with contemporary debates over the nature of marriage, if you wonder whether the church's traditional teachings still apply in the twenty-first century, and if you feel a growing divide between the practice of your faith and the life of the wider community, then Standing Under the Wrong Rainbow serves as a wake-up call and a guide to reclaiming the power of longstanding tradition.

Women of every culture and society are facing the dilemma of identity. Traditional views of what it means to be a woman and changing cultural and marital roles are causing women conflict in their relationships with men. Women are under tremendous stress as they struggle to discover who they are and what role they are to play today—in the family, the community, and the world. In this expanded edition of Understanding the Purpose and Power of Women, now with helpful study questions following each chapter, best-selling author Dr. Myles Munroe examines societies' attitudes toward

women and addresses vital issues such as: Are women and men equal? How is a woman unique from a man? What does the Bible really teach about women? Is the woman to blame for the fall of mankind? What are the purpose and design of the woman? Should women be in leadership? What is a woman's basic communication style? What are a woman's emotional and sexual needs? What is a woman's potential? To live successfully in the world, women need a new awareness of who they are and new skills to meet today's challenges. Whether you are a woman or a man, married or single, this book will help you to understand the woman as she was meant to be.

In *Keys for Leadership*, Dr. Munroe reveals that the one thing all leaders have in common is not education, knowledge, or networking. It is a spirit. When you think according to the spirit of leadership, you begin the process of becoming a leader. Every human being has the capacity for leadership, but most lack the understanding or will to develop it. Learn the keys for leadership, capture the spirit of leadership, and you will discover the leader within you.

You were born to lead. Now it's time to become a leader. Leaders may be found in boardrooms, but they may also be found in families, schools, and organizations of all kinds--anywhere people interact, nurture, create, or build. Contrary to popular opinion, leadership is not meant for an elite group of people who, by fate or accident, become leaders while everyone else is consigned to being a lifelong follower. After personally training thousands of leaders from around the world, best-selling author Dr. Myles Munroe reports that while every person possesses the potential of leadership, many do not understand how to cultivate the leadership nature and how to apply it to their lives. In *The Spirit of Leadership*, Dr. Munroe defines the unique attitudes that all effective leaders exhibit, explains how to eliminate hindrances to your leadership abilities, and helps you to fulfill your particular calling in life. "...a defining portrait of true and effective leadership. On these pages you will discover your purpose, your passion, and your potential to become the leader God has destined you to be." --Pastor John Hagee, Cornerstone Church "[Dr Myles Munroe's] wisdom is to the believer what a phone booth was to Superman! Step into every page and be charged!" --Bishop T. D. Jakes, The Potter's House of Dallas "The world is groaning in travail, waiting for the manifestation of those who will rise up as followers of God and leaders of men.... Dr. Myles Munroe will give you invaluable insight in your quest to discover and develop the spirit of a leader." --Pastor Rod Parsley, World Harvest Church "Are you aware that God has ordained you to be a leader? In *The Spirit of Leadership*, Dr. Myles Munroe gives us the key to find the hidden leader within ourselves. I highly recommend this inspired book to all." --Paul F. Crouch, Trinity Broadcasting Network "In *The Spirit of Leadership*, Dr. Myles Munroe taps into the core truths of authentic, successful leadership. Through decades of study and careful observation, Dr. Munroe has identified the key--the missing ingredient that activates the potential to lead found within every human being." --Marilyn Hickey, Marilyn Hickey Ministries

Too Stupid to Fail is an examination of the effects self-consciousness, doubt, and anxiety have on one's ability to succeed and achieve their goals. By challenging and eventually overcoming these barriers, one will gain a renewed self-confidence, leading to success in both personal and professional settings. "This study guide to *The Most Important Person on Earth: The Holy Spirit, Governor of the Kingdom* is designed for personal application to give readers a deeper understanding of why the Holy Spirit is the key to their purpose and fulfillment on earth"--Provided by publisher.

The Burden Of Freedom explains that too many people use past oppression to remain mired in hatred and irresponsibility today. The spirit of oppression has specific telltale effects on individuals, communities, and nations. These are

identified by Myles Munroe as a hatred for work, laziness, fear, low self-esteem, selfishness, lack of creativity, low initiative, and distrust of those in authority. To break free from these self-replicating cycles of oppression there must be a mental transformation. Paradoxically, freedom requires the need to impose control on self, require more responsibility than slavery, and the decision to accept a destiny of freedom, recognizing the process and discipline that personal and political freedom require. Simply put, *The Burden Of Freedom* should be available to every citizen and on the shelves of every high-school, college, and community library in the country.
