

Of Mikes And Men A Lifetime Of Braves Baseball

"Was golf better (to use one of Tiger's favorite phrases) back in the day? In [this book], Michael Bamberger, who fell for the game as a teenager in its wild Sansabelt-and-persimmon 1970s heyday, goes on a quest to try to find out. The result is a candid, nostalgic, intimate portrait of golf's greatest generation--then and now"--Dust jacket flap. Comedian, actor, writer, and podcast host Michael Ian Black's look at boyhood in the form of a heartfelt letter to his teenage son before he leaves for college, and a radical plea for rethinking masculinity and teaching young men to give and receive love, written in response to rising gun violence and building off his New York Times op-ed, "The Boys Are Not All Right."

There is an epidemic facing the modern man. It is the epidemic of the half-lived life. Wasting time, caught in jobs that lack purpose, relationships that lack passion, and a life left waiting for meaning. Haunted by the fear of failure, he has let go of his biggest dreams. He has done his best to convince himself that deadlines and checklists are more critical than his real purpose in life. Today's man finds himself at a crossroad: continue down a path of conformity and people pleas-ing, or create a new paradigm of freedom and fulfillment. There is a fire in the heart of the masculine spirit that needs to be renewed. New Man Emerging invites every man to explore the depths of his soul, reclaim his power, own his gifts, and create a life worth living and begin living it now!Michael DeSanti is the owner of Authentic Self Healing LLC, a men's fulfillment coaching company. Also, he is the co-owner of The Vital Guide, a retreat company for men. He is a Transformational Trainer and author and is committed to inspiring men to live lives of purpose and fulfillment. With more and more people heading into the winter backcountry on skis, snowshoes, and snowmobiles, avalanche safety is of paramount importance. Allen & Mike's Really Cool Avalanche Safety Book distills the sometimes overly technical information of snow science into a user-friendly format with helpful illustrations and easy-to-understand text. With years of experience as NOLS instructors to draw on, Allen O'Bannon and Mike Clelland team up to give winter recreationists the information they need to stay safe in the backcountry, including how to prepare for your trip, proper equipment and how to use it, snowpack assessment, choosing safe travel routes, decision making, and rescue scenarios. Written for both aspiring winter backcountry travelers and experts alike, this book is a must-read for anybody who loves to experience the solitude and beauty of the snowy mountains.

From the balcony of his house, Mike Haines can see the quiet, commonplace beauty of the Holliday farm. But what he remembers is the little sister of his high school girlfriend, Dusty who grew up there. As a teen, Dusty had gone off the rails but when she was a kid, she was sweet, she was funny and she had a special bond with Mike. But after high school, she took off and Mike never saw her again. Then tragedy strikes Dusty's family, she comes back into town and Mike thinks she hasn't changed back to the sweet, funny girl he knew but instead continued to be selfish and thoughtless, leaving her family alone to deal with their mourning. So he seeks her out and confronts her in an effort to understand what went wrong and to force her to sort herself out. He finds out quickly he's wrong about Dusty Holliday. Very wrong. And right after Mike discovers that, the bond they had years before snaps back into place in ways he would never suspect. But Mike Haines had a bad marriage then he played games of the heart for a good woman. And lost. In order to protect himself and his kids, he's cautious, he's careful to read the signs and he's not interested in finding a woman he has to fix. Then he learns what happened to Dusty and he thinks she needs to be fixed. He swings, he misses and in this new game of hearts, for Dusty, Mike just got strike three.

#1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, Midnight Sun. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In Midnight Sun, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. A controversial tale of friendship and tragedy during the Great Depression A Penguin Classic Over seventy-five years since its first publication, Steinbeck's tale of commitment, loneliness, hope, and loss remains one of America's most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. They hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations, nor predict the consequences of Lennie's unswerving obedience to the things George taught him. Of Mice and Men represents an experiment in form, which Steinbeck described as "a kind of playable novel, written in a novel form but so scened and set that it can be played as it stands." A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films. This edition features an introduction by Susan Shillinglaw, one of today's leading

Steinbeck scholars. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Born without social instincts many people take for granted, brought up in a troubled environment and possessed with an extraordinary musical talent, Mike Oldfield was thrust into the spotlight at the tender age of nineteen. His first album Tubular Bells went on to sell fifteen million copies worldwide and catapulted him into a stardom he was ill-equipped to cope with. From growing up with an alcoholic mother, to his feelings of alienation and struggles with depression, this book takes Mike from his early years, through his staggering fame, his broken marriages, years as a recluse, his rebirth experience at a controversial Exegesis seminar and beyond. Mike Oldfield has been on a journey few of us could ever imagine, and offers a message of hope to anybody who feels they live on the edge of society.

Street-smart, wickedly funny, piercingly perceptive, and eloquent enough to win a Pulitzer Prize, Mike Royko continues to have legions of devoted fans who still wonder "what Royko would have said" about some outrageous piece of news. One thing he hardly ever wrote or talked about, though, was his private life, especially the time he shared with his first wife, Carol. She was the love of his life, and her premature death at the age of forty-four shook him to his soul. Mike's unforgettable public tribute to Carol was a heart-wrenching column written on what would have been her forty-fifth birthday, "November Farewell." His most famous and requested piece, it was the end of an untold story. Royko in Love offers that story's moving and utterly beguiling beginning in letters that "Mick" Royko, then a young airman, wrote to his childhood sweetheart, Carol Duckman. He had been in love with her since they were kids on Chicago's northwest side, but she was a beauty and he was, well, anything but. Before leaving for Korea, he was crushed to hear she was getting married, but after returning to Blaine Air Force Base in Washington, he learned she was getting a divorce. Mick soon began to woo Carol in a stream of letters that are as fervent as they are funny. Collected here for the first time, Royko's letters to Carol are a mixture of sweet seduction, sarcastic observations on military life, a Chicago kid's wry view of rural folk, the pain of self-doubt, and the fear of losing what is finally so close, but literally so far. His only weapons against Carol's many suitors were his pen, his ardor, and his brilliance. And they won her heart. Now in paperback, the national bestselling riches-to-rags true story of an advertising executive who had it all, then lost it all—and was finally redeemed by his new job, and his twenty-eight-year-old boss, at Starbucks. In his fifties, Michael Gates Gill had it all: a mansion in the suburbs, a wife and loving children, a six-figure salary, and an Ivy League education. But in a few short years, he lost his job, got divorced, and was diagnosed with a brain tumor. With no money or health insurance, he was forced to get a job at Starbucks. Having gone from power lunches to scrubbing toilets, from being served to serving, Michael was a true fish out of water. But fate brings an unexpected teacher into his life who opens his eyes to what living well really looks like. The two seem to have nothing in common: She is a young African American, the daughter of a drug addict; he is used to being the boss but reports to her now. For the first time in his life he experiences being a member of a minority trying hard to survive in a challenging new job. He learns the value of hard work and humility, as well as what it truly means to respect another person. Behind the scenes at one of America's most intriguing businesses, an inspiring friendship is born, a family begins to heal, and, thanks to his unlikely mentor, Michael Gill at last experiences a sense of self-worth and happiness he has never known before. Watch a QuickTime trailer for this book.

The voice of Atlanta Braves baseball for more than 30 seasons, the author recalls his life in and out of the broadcast booth, including his childhood in upstate New York; his job calling some the Braves's best games ever; and the sudden death of his colleague and friend Skip Caray, the son of Harry Caray.

Bucky Brown Learned at a young age that money did not grow on trees, but with work it would grow in the fields. Bucky bought the whole Northern Forest and Moved onto its unpopulated land. The only company Bucky had with him was his two loving horses. That would soon all change for the better. But how long does it take to get from good to bad? After bad does good have any room to fit in again? When someone threatens his new found friends, and especially, his families safety Bucky turns violent. Bucky will do anything in his power to take down the ones who've done him wrong.

An updated and expanded edition of the gritty, challenging, and utterly captivating portrait of the homeless crisis. Ever Wonder What it Would Be Like to Live Homeless? Mike Yankoski did more than just wonder. By his own choice, Mike's life went from upper-middle class plush to scum-of-the-earth repulsive overnight. With only a backpack, a sleeping bag and a guitar, Mike and his traveling companion, Sam, set out to experience life on the streets in six different cities—from Washington D.C. to San Diego—and they put themselves to the test. For more than five months the pair experienced firsthand the extreme pains of hunger, the constant uncertainty and danger of living on the streets, exhaustion, depression, and social rejection—and all of this by their own choice. They wanted to find out if their faith was real, if they could actually be the Christians they said they were apart from the comforts they'd always known...to discover first hand what it means to be homeless in America. What you encounter in these pages will radically alter how you see your world—and may even change your life.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

A modern classic that no child should miss. Since it was first published in 1939, Mike Mulligan and His Steam Shovel has delighted generations of children. Mike and his trusty steam shovel, Mary Anne, dig deep canals for boats to travel through, cut mountain passes for trains, and hollow out cellars for city skyscrapers -- the very symbol of industrial America. But with progress come new machines, and soon the inseparable duo are out of work. Mike believes that Mary Anne can dig as much in a day as one hundred men can dig in a week, and the two have one last chance to prove it and save Mary Anne from the scrap heap. What happens next in the small town of Popperville is a testament to their friendship, and to old-fashioned hard work and ingenuity.

In this collection of anecdotes from the announcers of pro football, the Voices reminisce about a time before television, when the NFL was just making its floundering start and college ball held all the attraction. With the spread of television broadcasting, the Voices gain faces and the NFL gains an audience. Recall with the broadcasters the excitement of pivotal moments, the glory of the victors, and the great men who coached those champions. With their love of the work and lots of lighthearted memories about everything from the Heidi game to the glory of Green Bay to the birth of "Monday Night Football," these men and women bring football to life.

Mike was seven when his father was killed in mysterious circumstances in Afghanistan. Eight years later, the family still hasn't recovered: Mike's mom is overworked and overprotective; his younger sister Mary feels no connection to the father she barely remembers; and in his quest to be "the man of the family," Mike knows he's missing out on everyday high school life. Then, out of the blue, Mike receives a letter from his father -- the first of a series Dad wrote in Afghanistan, just in case he didn't come home, meant to share some wisdom with his son on the eve of Mike's 16th birthday. As the letters come in, Mike revels in spending time with his dad again, and takes his encouragement to try new things -- to go out for the football team, and ask out the beautiful Isma. But who's been keeping the letters all these

years? And how did Dad actually die? As the answers to these mysteries are revealed, Mike and his family find a way to heal and move forward at last.

Mike is an adventurous boy who followed his dreams of learning a new skill. He can be impatient at times. He learnt to ride a bicycle with the support of his family. How was he supported? How did he learn to ride a bike? What could he have done better? Let's find out from the story.

"We can do this easy," she whispered close to his ear as he groaned in agony, "or it can go real hard on you." Well, of course he wasn't going to go easy. New York Times and USA Today bestselling author Cindy Gerard plunges readers into the heart of a seductive contest of wills between a hard-living hero and a beautiful rogue operative who is on a mission to dig up the secrets of his past. Tension sizzles in this pulse-pounding first adventure in Gerard's action-packed new series as Eva Salinas lures Mike Brown from the sultry streets of Lima, Peru, to the desolate Idaho wilderness on the hunt for the cold-blooded traitor behind a fatal military operation that haunts them both.

Practical advice from two NOLS instructors on all aspects of backcountry skiing and winter camping. As skiers venture farther from lift-served front country, they need to understand and avoid hazards such as avalanches and extreme cold. This book teaches skiers how to choose the right equipment, build winter shelters, stay safe, and have fun while minimizing their impact on the wilderness. Hundreds of entertaining but very practical illustrations by renowned illustrator Mike Clelland. Completely revised, updated, and even better than ever!

New York Times Bestseller Foreword by Dr. Phil McGraw Ask yourself...are you truly who you want to be? Is this the life you really want? Are you living each day as your best self? What can you change, today? How would you answer those questions? Think about your daily life. Are you thriving, or going through the motions? Are your days full of work, relationships and activities that are true to your authentic self, or do you feel trapped on a treadmill of responsibility? If you dream of a better life, now is the time to turn your dream into reality. And the tools you need are within your grasp, to design a life that is fulfilling on the deepest levels. Best Self will show you how. Mike Bayer, known to the thousands of clients whose lives he has changed as Coach Mike, has helped everyone from pop stars to business executives to people just like you discover the freedom to be their best selves. By asking them and leading them to ask themselves a series of important but tough questions--such as "What are your core values?" "Do you go to bed each day more knowledgeable than when you woke up?" and "Am I neglecting some aspect of my physical health out of fear or denial?"--he helps them see what their Best Selves and Anti-Selves really look like. As a mental health specialist, a personal development coach, and an all-around change agent, Mike has seen the amazing ways in which lives can improve with honesty and clarity. He understands our struggles intimately, because he's faced--and overcome--his own. And he knows that change is possible. By working through each of the Seven SPHERES of life--Social, Personal, Health, Education, Relationships, Employment and Spiritual Development--Best Self is an accessible and interactive book that distills all of Coach Mike's wisdom into a compact, focused guide that will ignite anyone's desire for change. Chock full of revealing quizzes, and full of provocative questionnaires, Best Self will empower you to embrace your authenticity, acknowledge what is holding you back, and break through to live a passionate life to the fullest, forever.

An instant New York Times Bestseller! Named a most anticipated book of 2021 by O Magazine, Playbill.com, CNN, Town & Country, and more! A magnificent biography of one of the most protean creative forces in American entertainment history, a life of dazzling highs and vertiginous plunges—some of the worst largely unknown until now—by the acclaimed author of *Pictures at a Revolution* and *Five Came Back* Mike Nichols burst onto the scene as a wunderkind: while still in his twenties, he was half of a hit improv duo with Elaine May that was the talk of the country. Next he directed four consecutive hit plays, won back-to-back Tonys, ushered in a new era of Hollywood moviemaking with *Who's Afraid of Virginia Woolf?*, and followed it with *The Graduate*, which won him an Oscar and became the third-highest-grossing movie ever. At thirty-five, he lived in a three-story Central Park West penthouse, drove a Rolls-Royce, collected Arabian horses, and counted Jacqueline Kennedy, Elizabeth Taylor, Leonard Bernstein, and Richard Avedon as friends. Where he arrived is even more astonishing given where he had begun: born Igor Peschkowsky to a Jewish couple in Berlin in 1931, he was sent along with his younger brother to America on a ship in 1939. The young immigrant boy caught very few breaks. He was bullied and ostracized--an allergic reaction had rendered him permanently hairless--and his father died when he was just twelve, leaving his mother alone and overwhelmed. The gulf between these two sets of facts explains a great deal about Nichols's transformation from lonely outsider to the center of more than one cultural universe--the acute powers of observation that first made him famous; the nourishment he drew from his creative partnerships, most enduringly with May; his unquenchable drive; his hunger for security and status; and the depressions and self-medications that brought him to terrible lows. It would take decades for him to come to grips with his demons. In an incomparable portrait that follows Nichols from Berlin to New York to Chicago to Hollywood, Mark Harris explores, with brilliantly vivid detail and insight, the life, work, struggle, and passion of an artist and man in constant motion. Among the 250 people Harris interviewed: Elaine May, Meryl Streep, Stephen Sondheim, Robert Redford, Glenn Close, Tom Hanks, Candice Bergen, Emma Thompson, Annette Bening, Natalie Portman, Julia Roberts, Lorne Michaels, and Gloria Steinem. Mark Harris gives an intimate and evenhanded accounting of success and failure alike; the portrait is not always flattering, but its ultimate impact is to present the full story of one of the most richly interesting, complicated, and consequential figures the worlds of theater and motion pictures have ever seen. It is a triumph of the biographer's art.

Of Mikes and Men A Lifetime of Braves Baseball Triumph Books (IL)

A NEW YORK TIMES NOTABLE BOOK OF THE YEAR A GOOD MORNING AMERICA BOOK CLUB PICK Named a Best Book of the Year by The New York Times, The Washington Post, TIME, NPR, Entertainment Weekly, Vanity Fair, O, the Oprah Magazine, Esquire, Marie Claire, Harper's Bazaar, Good Housekeeping, Refinery29, Real Simple, Kirkus Reviews, Electric Literature, and Lit Hub "A masterpiece." —NPR "No other novel this year captures so gracefully the full palette of America." —The Washington Post "Wryly funny, gently devastating." —Entertainment Weekly A funny and profound story about family in all its strange forms, joyful and hard-won vulnerability, becoming who you're supposed to be, and the limits of love. Benson and Mike are two young guys who live together in Houston. Mike is a Japanese American chef at a Mexican restaurant and Benson's a Black day care teacher, and they've been together for a few years—good years—but now they're not sure why they're still a couple. There's the sex, sure, and the meals Mike cooks for Benson, and, well, they love each other. But when Mike finds out his estranged father is dying in Osaka just as his acerbic Japanese mother, Mitsuko, arrives in Texas for a visit, Mike picks up and flies across the world to say goodbye. In Japan he undergoes an extraordinary transformation, discovering the truth about his family and his past. Back home, Mitsuko and Benson are stuck living together as unconventional roommates, an absurd domestic situation that ends up meaning more to each of them than they ever could have predicted. Without Mike's immediate pull, Benson begins to push outwards, realizing he might just know what he wants out of life and have the goods to get it. Both men will change in ways that will either make them stronger together, or fracture everything they've ever known. And just maybe they'll all be okay in the end.

Youth entrepreneur Money Mike sells chocolate lollipops to buy a new bike. Follow Mike's colorfully illustrated journey as he teaches kids how to make their own money!

A one-armed computer technician, a radical blonde bombshell, an aging academic, and a sentient all-knowing computer lead the lunar population in a revolution against Earth's colonial rule

An account of the lives and high times of the late satirist, a writer for National Lampoon magazine and Saturday Night Live, where he created the infamous "Mr. Bill" series, includes photographs and selections from his work. Reprint. AB.

We need to address the process of restoring responsible masculine leadership in an environment of multiculturalism and the impact of the gynocentric paradigm our culture currently exists in. *Manhood Manifesto* is a book about men, their leadership, and the condition of masculinity today. We live in the greatest country in the world—the United States of America. We also live in one of the most dynamic periods of time in history. This book is about the opportunity we have as Americans, especially men. This book calls forth the character and skills of American men. To whom much is given, much is expected. We live in challenging times, and American men are more than capable of meeting those challenges. To meet those challenges though, there needs to be a willingness and acceptance of the responsibilities required. This book looks at where we are and how we got here, creating a pathway in which to engage. This process is intended to restore the trust, affinity, and community that has been pushed to its limits in the most recent months and years. The book does so in a way that is somewhat irreverent yet respectful, serious yet fun, and challenging yet empowering. Mike Shereck has a bias toward men, simply because he is one. If change must occur, it will begin with him and those like and near him. In Mike's view, for society's problems to be solved, first men must own it. From the position of ownership, we can now address it. That is what is done in this book in a direct, bold, courageous, sometimes shocking, always heartfelt and humorous way.

[Siren Menage Everlasting: Erotic Futuristic Menage a Trois Sci Fi Romance, M/F/M, HEA] Nancy knows the dangers out in The Border Lands, but does she really need two men to keep her safe? Cayden believes she does and thinks that Mike is the perfect man to help him. When Nancy and Cayden nearly die from exposure, Mike offers them a place to stay. He's wanted a woman to love and make the old house a home, but will Nancy agree to taking on two men? Cayden believes that the only way to keep Nancy safe is if he and Mike join forces to watch over her. When spring finally arrives and they begin to put down roots, Nancy has to make a decision to either move on and find another house for her and Cayden or remain with Mike and turn his house into their home. Note: This book contains double penetration. Marla Monroe is a Siren-exclusive author.

"A searing, chilling sliver of perfection . . . May well turn out to be the year's best thriller." —Charles Finch, *The New York Times Book Review* "This is simply one of the nastiest and most disturbing thrillers I've read in years. I loved it, right down to the utterly chilling final line." —Gillian Flynn A spellbinding, darkly twisted novel about desire and obsession, and the complicated lines between truth and perception, *Our Kind of Cruelty* introduces Araminta Hall, a chilling new voice in psychological suspense. This is a love story. Mike's love story. Mike Hayes fought his way out of a brutal childhood and into a quiet, if lonely, life before he met Verity Metcalf. V taught him about love, and in return, Mike has dedicated his life to making her happy. He's found the perfect home, the perfect job; he's sculpted himself into the physical ideal V has always wanted. He knows they'll be blissfully happy together. It doesn't matter that she hasn't been returning his e-mails or phone calls. It doesn't matter that she says she's marrying Angus. It's all just part of the secret game they used to play. If Mike watches V closely, he'll see the signs. If he keeps track of her every move, he'll know just when to come to her rescue . . .

Robert Heinlein's Hugo Award-winning all-time masterpiece, the brilliant novel that grew from a cult favorite to a bestseller to a science fiction classic. Raised by Martians on Mars, Valentine Michael Smith is a human who has never seen another member of his species. Sent to Earth, he is a stranger who must learn what it is to be a man. But his own beliefs and his powers far exceed the limits of humankind, and as he teaches them about grokking and water-sharing, he also inspires a transformation that will alter Earth's inhabitants forever...

If you loved *A Man Called Ove*, then prepare to be delighted as Jamaican immigrant Hubert rediscovers the world he'd turned his back on in this "warm, funny" novel (*Good Housekeeping*). In weekly phone calls to his daughter in Australia, widower Hubert Bird paints a picture of the perfect retirement, packed with fun, friendship, and fulfillment. But it's a lie. In reality, Hubert's days are all the same, dragging on without him seeing a single soul. Until he receives some good news—good news that in one way turns out to be the worst news ever, news that will force him out again, into a world he has long since turned his back on. The news that his daughter is coming for a visit. Now Hubert faces a seemingly impossible task: to make his real life resemble his fake life before the truth comes out. Along the way Hubert stumbles across a second chance at love, renews a cherished friendship, and finds himself roped into an audacious community scheme that seeks to end loneliness once and for all . . . Life is certainly beginning to happen to Hubert Bird. But with the origin of his earlier isolation always lurking in the shadows, will he ever get to live the life he's pretended to have for so long?

'This important, disturbing and frequently heartbreaking book should be read by every politician in Westminster.' Adrian Tempny, *Observer* 'In a few weeks' time, it would be thirty-five years to the day since those men and women had walked 340 miles to try to save their communities and their culture, and thirty-five years since I had turned down Pete's invitation to join them. I called work and booked some time off. Then I bought a one-way train ticket to Liverpool.' In 1981, Mike Carter's dad, Pete, organised the People's March for Jobs, which saw 300 people walk from Liverpool to London to protest as the Thatcher government's policies devastated industrial Britain and sent unemployment skyrocketing. Just before the 2016 EU referendum, Mike set off to walk the same route in a quest to better understand his dad and his country. As he walked, Mike found many echoes of the early eighties: a working class overlooked and ignored by Westminster politicians; communities hollowed out but fiercely resistant; anger and despair co-existing with hope and determination for change. And he also found that he and Pete shared more in common than he might have thought. *All Together Now?* maps the intricate, overlapping path of one man's journey and that of an entire country. It is a book about belonging, about whether to stay or go, and about the need to write new stories for our communities and ourselves.

Memories of childhood written and illustrated to celebrate brother's 80th birthday

In this tough yet charming portrait of people on the margins of society, Steinbeck focuses on the acceptance of life as it is—both the exuberance of community and the loneliness of the individual. Drawing on his memories of friends in Monterey, California, he interweaves the stories of Lee, Doc, and Mack, the inhabitants of Cannery Row. What results is a procession of linked vignettes and a novel that is at once Steinbeck's most humorous and poignant works, filled with human warmth, camaraderie, and love. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. Find more today and rediscover books you never knew you loved.

The *Forward Male* presents a collection of essential essays on day game approach for the male in his 20s. The author introduces a manifold array of novel ideas and implementations that revolutionize game theory and dismantle prior established notions. This work is best described as a necessary and remarkable coalescence of kinetic outflow following years of "silent wolf" approaching in which the author has had zero online presence or awareness. The *Forward Male's* nexus of insights serves to challenge and upend convictions of even the most seasoned approach veterans while simultaneously providing layers of value to the novice male.
