

## Once Once Now Then After

Keith Shipley is a regular kid with Misery Guts for parents. Sick of gloomy life in London, he hatches a plan to move his even gloomier parents to sunny Australia. But when they arrive in Australia, his parents become Worry Warts. Fed up with their fretting and fussing, Keith comes up with a scheme to make them rich. Very, very rich. After all Keith's hard work, his parents split up and start putting on Puppy Fat. Exasperated with their laziness, he devises a strategy to whip them into shape - and find them new partners! It's a brilliant plan ... if he can pull it off!

In his first work of narrative nonfiction, Matthew Pearl, bestselling author of acclaimed novel *The Dante Club*, explores the little-known true story of the kidnapping of legendary pioneer Daniel Boone's daughter and the dramatic aftermath that rippled across the nation. On a quiet midsummer day in 1776, weeks after the signing of the Declaration of Independence, thirteen-year-old Jemima Boone and her friends Betsy and Fanny Callaway disappear near the Kentucky settlement of Boonesboro, the echoes of their faraway screams lingering on the air. A Cherokee-Shawnee raiding party has taken the girls as the latest salvo in the blood feud between American Indians and the colonial settlers who have decimated native lands and resources. Hanging Maw, the raiders' leader, recognizes one of the captives as Jemima Boone, daughter of Kentucky's most influential pioneers, and realizes she could be a valuable pawn in the battle to drive the colonists out of the contested Kentucky territory for good. With Daniel Boone and his posse in pursuit, Hanging Maw devises a plan that could ultimately bring greater peace both to the tribes and the colonists. But after the girls find clever ways to create a trail of clues, the raiding party is ambushed by Boone and the rescuers in a battle with reverberations that nobody could predict. As Matthew Pearl reveals, the exciting story of Jemima Boone's kidnapping vividly illuminates the early days of America's westward expansion, and the violent and tragic clashes across cultural lines that ensue. In this enthralling narrative in the tradition of Candice Millard and David Grann, Matthew Pearl unearths a forgotten and dramatic series of events from early in the Revolutionary War that opens a window into America's transition from colony to nation, with the heavy moral costs incurred amid shocking new alliances and betrayals.

Now is the third shocking, funny and heartbreaking book in Morris Gleitzman's Second World War series. Sometimes facing the past is the bravest act of all... ONCE I didn't know about my grandfather Felix's scary childhood. THEN I found out what the Nazis did to his best friend Zelda. NOW I understand why Felix does the things he does. At least he's got me. My name is Zelda too. This is our story. Now is the third in a series of children's novels about Felix, a Jewish orphan caught in the middle of the Holocaust, from Australian author Morris Gleitzman - author of *Bumface* and *Two Weeks with the Queen*. The other books in the series, *Once*, *Then* and *After* are also available from Puffin.

Then Henry Holt and Company (BYR)

1946. Europe is in ruins. Millions of people dream of finding happiness somewhere else. Fourteen-year-old Felix is one of them. When he's offered a journey to somewhere far away, he seizes the opportunity. So does someone very dear to him, even though she wasn't actually invited. They have high hopes for their new land, and their dramatic arrival there makes them want to stay. But before Felix and Anya can embrace the love and friendship of their new world, they must confront the murderous urge for revenge still alive in the old. Felix knows he hasn't faced anything like this before. He may not survive, but he's hoping he will. Maybe.

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult

professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

After the Nazis took my parents I was scared After they killed my best friend I was angry After they ruined my thirteenth birthday I was determined To get to the forest To join forces with Gabriek and Yuli To be a family To defeat the Nazis after all Judith's marriage to Adam is failing fast. Despite her best efforts, his attention is entirely taken up by his law practice while her existence-if he remembers it-is merely something to criticize. Thankfully, Judith has an antique shop and her best friend and business partner, Susan, to keep her focused on the good things in life. Tired of being overlooked and undervalued, Judith decides to leave her husband and reconnect with herself as a single woman rather than as Adam's wife. Soon, Judith's world expands to include a support group of women also facing divorce. Slowly learning to extend to herself the same compassion she offers her friends, Judith begins to rediscover her own value as a person and as a woman. And her efforts don't go unnoticed. While Judith rebuilds her life, with the encouragement of her growing circle of friends, a secret admirer starts leaving thoughtful gifts on her doorstep-which she begins to hope will lead to a face-to-face meeting. A celebration of friendship and love, where every character counts, "The Things That Fall Away" is an insightful story that brings to light the beauty of everyday things and the wonder of being truly cherished.

I hoped the Nazis would be defeated. And they were. I hoped the war would be over. And it was. I hoped we would be safe. But we aren't. Soon continues the incredibly moving story of Felix, a Jewish boy still struggling to survive in the wake of the liberation of Poland after the end of World War Two.

A stunning and provocative new novel by the internationally celebrated author of *The Blind Assassin*, winner of the Booker Prize. Margaret Atwood's new novel is so utterly compelling, so prescient, so relevant, so terrifyingly-all-too-likely-to-be-true, that readers may find their view of the world forever changed after reading it. This is Margaret Atwood at the absolute peak of her powers. For readers of *Oryx and Crake*, nothing will ever look the same again. The narrator of Atwood's riveting novel calls himself Snowman. When the story opens, he is sleeping in a tree, wearing an old bedsheet, mourning the loss of his beloved Oryx and his best friend Crake, and slowly starving to death. He searches

for supplies in a wasteland where insects proliferate and pigeons and wolvogs ravage the pleeblands, where ordinary people once lived, and the Compounds that sheltered the extraordinary. As he tries to piece together what has taken place, the narrative shifts to decades earlier. How did everything fall apart so quickly? Why is he left with nothing but his haunting memories? Alone except for the green-eyed Children of Crake, who think of him as a kind of monster, he explores the answers to these questions in the double journey he takes - into his own past, and back to Crake's high-tech bubble-dome, where the Paradise Project unfolded and the world came to grief. With breathtaking command of her shocking material, and with her customary sharp wit and dark humour, Atwood projects us into an outlandish yet wholly believable realm populated by characters who will continue to inhabit our dreams long after the last chapter.

Sleeping Funny is that rare book--a debut that introduces us to a fully mature writer, one who instantly draws you in with her lean style, empathy and wit, and keeps you reading, with growing admiration and delight, from first page to last. These stories showcase Miranda Hill's astonishing range and virtuosity, introducing us to a protean variety of characters, each as well-realized as the next. Here is a writer who can seamlessly inhabit the consciousness of a sixteen-year-old navigating an embarrassing sex-ed class, a middle-aged minister experiencing a devastating crisis of faith in a 19th century rural village, a pilot's widow coping with her grief by growing an unusual "victory garden" during World War II, and well-heeled modern professional women juggling jobs, kids, and husbands, and trying to cope with the arrival of a beautiful bohemian neighbour, on a gentrified street in downtown Toronto. The qualities that unite these remarkable stories are a pervasive sense of mystery and magic, a wonderful wit and sophistication, and most surprisingly, the slight disorientation implied by the title: In Miranda Hill's beguiling universe, the "real world" is recognizable and slightly askew, as if you were experiencing one of those strange dreams where you think you are awake--or as if you've been "sleeping funny" and are on the cusp of waking into the everyday world you thought you knew. Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

The Epic of Gilgamesh is among the earliest surviving works of literature, with the earliest versions dating from around the Third Dynasty of Ur in early Sumeria (2150-2000 BC). Preserved in Cuneiform, the Epic was retold over the centuries, and the most complete version was discovered in the ruins of the library palace of the seventh century BC Assyrian king, Ashurbanipal. The Epic is most notable as being the obvious source of the biblical story of Noah and the flood. The Epic tells the story of the king of Uruk, Gilgamesh, and his adventures with his erstwhile foe and then friend, Enkidu. Together they journey to the Cedar Mountain to defeat Humbaba, its monstrous guardian, then they kill the Bull of Heaven, which the goddess Ishtar sends to punish Gilgamesh for spurning her advances. As a punishment for these actions, the gods sentence Enkidu to death. Gilgamesh then sets out to avoid his friend's fate and seek the secret to eternal life, a quest in which he is

ultimately thwarted. Contains original author's preface and a new overview of the storyline. Contents Author's Preface Overview of the Storyline of the Epic of Gilgamesh The First Tablet: Of the Tyranny of Gilgamesh, and the Creation of Enkidu The Second Tablet: Of the Meeting of Gilgamesh and Enkidu The Third Tablet: The Expedition to the Forest of Cedars against Humbaba The Fourth Tablet: The Arrival at the Gate of the Forest The Fifth Tablet: Of the Fight with Humbaba The Sixth Tablet: Of the Goddess Ishtar, Who Fell In Love with the Hero after His Exploit against Humbaba The Seventh Tablet: The Death of Enkidu The Eighth Tablet: Of the Mourning of Gilgamesh, and What Came of It The Ninth Tablet: Gilgamesh in Terror of Death Seeks Eternal Life The Tenth Tablet: How Gilgamesh Reached Uta-Napishtim The Eleventh Tablet: The Flood The Twelfth Tablet: Gilgamesh, In Despair, Enquires of the Dead

Set in the current day, this is the final book in the series that began with *Once*, continued with *Then* and is . . . *Now*. Felix is a grandfather. He has achieved much in his life and is widely admired in the community. He has mostly buried the painful memories of his childhood, but they resurface when his granddaughter Zelda comes to stay with him. Together they face a cataclysmic event armed only with their with gusto and love—an event that helps them achieve salvation from the past, but also brings the possibility of destruction. *Now* is one of Kirkus Reviews' Best Children's Books of 2012

Felix and Zelda have escaped the train to the death camp, but where do they go now? They're two runaway kids in Nazi-occupied Poland. Danger lies at every turn of the road. With the help of a woman named Genia and their active imaginations, Felix and Zelda find a new home and begin to heal, forming a new family together. But can it last? Morris Gleitzman's winning characters will tug at readers' hearts as they struggle to survive in the harsh political climate of Poland in 1942. Their lives are difficult, but they always remember what matters: family, love, and hope.

'You were my first and you are my last, I promise you that. Ever yours, ever mine.' Luci Harrison is an Englishwoman in New York with a successful career as an economist, a happy family life ... and a guilty conscience. One rather large obstacle prevents her from agreeing on a wedding date with her fiance, David. Luci hasn't been completely honest with him. She's already married. Alex MacDonald, better known as British rock-star Xander Mack, enjoys international acclaim as guitarist and lead-singer with *When We Were Gods*, and an enviable lifestyle with his beautiful fiancée. But while Dana has patiently insisted on marriage before she will have his children, her tolerance is tested when he is suddenly thrust into fatherhood. Broken promises, secrets and surprise revelations force Alex and Luci to face the truth and the consequences of their decisions. True love endures but is it enough? *Days of Joy and Sorrow* is the second book in the *Ever Mine* Trilogy. Felix is lucky. Unlike the other children in the orphanage, he's certain his parents will come back for him one day. And whatever the Nazis do and however many books they burn, Felix's imagination provides him and his companions with an endless supply of stories that protect them when they're on the run and one day may even save Felix's life.

At just twenty-two years of age, Briana Mills finds herself at a desperate crossroads. Once a promising student at the University of Oregon, she now finds herself alone on the streets of Portland with only the clothes on her back, memories of a happier time, and the stray dog that's adopted her. And she's got the drug that helps her forget. Briana's mistakes haunt her, lashing her with severe consequence, forcing her to make a decision few would ever make. Still, in a final attempt to make her young life count for something, Briana begins writing it all down—everything—so that others walking the crumbling precipice of rebellion might leap to safety before it's too late. She writes about her present struggles and the past. She writes about Michael, the boy she loved and left behind when she went off to college. She writes about the violent activism and drug that derailed her life. She writes about the demands placed on her by a socially conscious mother, and the

adoration shown by a proud father. And Briana talks about Brody—the young activist leader who captured her heart, took it to the altar, and then crushed it. What develops is an engrossing record of a young and troubled life, one both beautiful and ugly, innocent and corrupt, lost and then found. And wrapped in its literary sinew is a cast of characters as diverse and engaging as the stars, and an impassioned love story sure to transcend time. What readers are saying: “Timeless...provocative.” “Characters so real you'd swear this was a true account.” “A brilliant read!” Alone Among People is D. M. Anthony's first novel. He lives in California where he's at work on his next book. This review is from: Alone Among People (Paperback) A Compelling and Heart Warming Story, September 25, 2012 "Alone Among People is at once an engaging, moving story and a provocative statement about the thin line between thriving and sinking into an abyss as inescapable as quicksand. Its timeless and uplifting messages of hope conquering despair, healing borne of love and care, and peace at discovering one's identity are an inspiration. The author's empathy for the characters and their plight betrays knowledge of what he writes, and offers the reader a unique glimpse into a vulnerable and intimate place... his heart. I recommend this book to anyone who has traveled through the anguish of darkness and longed for the light; it may just guide your way."

Do you believe in fate Do you believe that truth is stranger than fiction? Are you a romantic? If you have answered yes to these questions then the debut novel by Maggie Dann, HE LOVES ME, HE LOVES ME NOT, is a must for you. Unbelievably, the story is true. The names of the characters and place names have been changed in order to protect identities. The story is filled with coincidences, love, intrigue, pain and bravery. August will always remain a very special month in Gillian's life. After leaving school, it wasn't long before she met the boy of her dreams. They fell deeply in love. He was her first love and first loves are truly special. Heartbreakingly, they were parted by circumstances and went their separate ways. All she had to remember him by, was an engagement ring, along with her memories, her shattered dreams and a photograph. A photograph she would keep for the rest of her life. This is a true, romantic story. Perhaps real life is more unbelievable than fiction!

**NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • PBS • HARPER'S BAZAAR • ESQUIRE • FINANCIAL TIMES • THE TIMES OF INDIA** On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of “the Gardens,” a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden's, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age.

Praise for *The Golden House* “[A] modern masterpiece . . . telling a story full of wonder and leaving you marveling at how it ever came out of the author’s head.”—Associated Press “Wildly satiric and yet piercingly real . . . If F. Scott Fitzgerald, Homer, Euripides, and Shakespeare collaborated on a contemporary fall-of-an-empire epic set in New York City, the result would be *The Golden House*.”—Poets & Writers “A tonic addition to American—no, world!—literature . . . a Greek tragedy with Indian roots and New York coordinates.”—San Francisco Chronicle

Felix, a Jewish boy in Poland in 1942, is hiding from the Nazis in a Catholic orphanage. The only problem is that he doesn't know anything about the war, and thinks he's only in the orphanage while his parents travel and try to salvage their bookselling business. And when he thinks his parents are in danger, Felix sets off to warn them--straight into the heart of Nazi-occupied Poland. To Felix, everything is a story: Why did he get a whole carrot in his soup? It must be sign that his parents are coming to get him. Why are the Nazis burning books? They must be foreign librarians sent to clean out the orphanage's outdated library. But as Felix's journey gets increasingly dangerous, he begins to see horrors that not even stories can explain. Despite his grim surroundings, Felix never loses hope. Morris Gleitzman takes a painful subject and expertly turns it into a story filled with love, friendship, and even humor.

FINALIST FOR THE PULITZER PRIZE • NATIONAL BESTSELLER • A bewitching story collection from a writer hailed as “the most darkly playful voice in American fiction” (Michael Chabon) and “a national treasure” (Neil Gaiman). NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BookPage • BuzzFeed • Chicago Tribune • Kirkus Reviews • NPR • San Francisco Chronicle • Slate • Time • Toronto Star • The Washington Post

She has been hailed by Michael Chabon as “the most darkly playful voice in American fiction” and by Neil Gaiman as “a national treasure.” Now Kelly Link’s eagerly awaited new collection—her first for adult readers in a decade—proves indelibly that this bewitchingly original writer is among the finest we have. Link has won an ardent following for her ability, with each new short story, to take readers deeply into an unforgettable, brilliantly constructed fictional universe. The nine exquisite examples in this collection show her in full command of her formidable powers. In “The Summer People,” a young girl in rural North Carolina serves as uneasy caretaker to the mysterious, never-quite-glimpsed visitors who inhabit the cottage behind her house. In “I Can See Right Through You,” a middle-aged movie star makes a disturbing trip to the Florida swamp where his former on- and off-screen love interest is shooting a ghost-hunting reality show. In “The New Boyfriend,” a suburban slumber party takes an unusual turn, and a teenage friendship is tested, when the spoiled birthday girl opens her big present: a life-size animated doll. Hurricanes, astronauts, evil twins, bootleggers, Ouija boards, iguanas, The Wizard of Oz, superheroes, the Pyramids . . . These are just some of the talismans of an imagination as capacious and as full of wonder as that of any writer today. But as fantastical as these stories can be, they are always grounded by sly humor and an innate generosity of feeling for the frailty—and the hidden strengths—of human beings. In *Get in Trouble*, this one-of-a-kind talent expands the boundaries of what short fiction can do. Praise for *Get in Trouble* “Ridiculously brilliant . . . These stories make you laugh while staring into the void.”—The Boston Globe “When it comes to literary magic, Link is the real deal: clever, surprising, affecting, fluid and funny.”—San Francisco Chronicle

Acclaimed Canadian poet Steven Price has conjured a stunning debut novel that explores what we ask from each other, and how much we are prepared to give. Set in the city of Victoria, British Columbia, *Into That Darkness* opens at the moment when a massive earthquake hits the entire west coast with devastating results. Amid the destruction of the city, survivors are left to negotiate a calamity in which bonds of civility are pushed to their limits and often broken. When Arthur Lear hears a voice crying in the rubble, he finds himself descending deep under a collapsed building in a desperate attempt to save a young boy and his mother. But what he discovers there will change him forever — as circumstances lead him across the city’s broken landscape, through the chaos of its hospitals and streets, in a harrowing search for the

mother's lost daughter. Over the days that follow, Lear's very sense of humanness will be tested and compromised, as he faces the limits of himself and his fellow survivors, in his long journey home. A novel for our age of anxiety and fear, Steven Price delivers a powerful story about the physical manifestation of the darker things lurking in our culture, in ourselves.

This heartbreaking and haunting novel takes a timeless tragedy and hurls it into present-day Afghanistan, when a woman asks for the return of her brother's body in the midst of a war. Following a desperate night-long battle, a group of beleaguered soldiers in an isolated base in Kandahar are faced with a lone woman demanding the return of her brother's body. Is she a spy, a black widow, a lunatic, or is she what she claims to be: a grieving young sister intent on burying her brother according to local rites? Single-minded in her mission, she refuses to move from her spot on the field in full view of every soldier in the stark outpost. Her presence quickly proves dangerous as the camp's tense, claustrophobic atmosphere comes to a boil when the men begin arguing about what to do next. Taking its cues from the Antigone myth, Roy-Bhattacharya brilliantly recreates the chaos, intensity, and immediacy of battle, and conveys the inevitable repercussions felt by the soldiers, their families, and by one sister. The result is a gripping tour through the reality of this very contemporary conflict, and our most powerful expression to date of the nature and futility of war.

Winner of the National Outdoor Book Award for Natural History "After reading Super Fly, you will never take a fly for granted again. Thank you, Jonathan Balcombe, for reminding us of the infinite marvels of everyday creatures." —Sy Montgomery, Author of *How to Be a Good Creature* From an expert in animal consciousness, a book that will turn the fly on the wall into the elephant in the room. For most of us, the only thing we know about flies is that they're annoying, and our usual reaction is to try to kill them. In *Super Fly*, the myth-busting biologist Jonathan Balcombe shows the order Diptera in all of its diversity, illustrating the essential role that flies play in every ecosystem in the world as pollinators, waste-disposers, predators, and food source; and how flies continue to reshape our understanding of evolution. Along the way, he reintroduces us to familiar foes like the fruit fly and mosquito, and gives us the chance to meet their lesser-known cousins like the Petroleum Fly (the only animal in the world that breeds in crude oil) and the Chocolate Midge (the sole pollinator of the Cacao tree). No matter your outlook on our tiny buzzing neighbors, *Super Fly* will change the way you look at flies forever. Jonathan Balcombe is the author of four books on animal sentience, including the New York Times bestselling *What A Fish Knows*, which was nominated for the PEN/E.O. Wilson Award for Science Writing. He has worked for years as a researcher and educator with the Humane society to show us the consciousness of other creatures, and here he takes us to the farthest reaches of the animal kingdom.

Do you have a real relationship with God, or do you just have a religion? Do you know God, or do you just know about God? In *How Big Is Your God?* Paul Coutinho, SJ, challenges us to grow stronger and deeper in our faith and in our relationship with God—a God whose love knows no bounds. To help us on our way, Coutinho introduces us to people in various world religions—from Hindu friends to Buddhist teachers to St. Ignatius of Loyola—who have shaped his spiritual

life and made possible his deep, personal relationship with God.

Morris Gleitzman's two best-selling novels in one volume for the first time. My name is Felix Once I saved a girl called Zelda from a burning house I had a plan for both of us Pretend to be someone else Be safe forever Then the Nazis came 'Haunting . . . dangerous and desperate, full of courage and hope' GUARDIAN

WINNER OF THE 2021 JOYCE CAROL OATES PRIZE NAMED A BEST BOOK OF 2020 BY O MAGAZINE, THE NEW YORKER, THE WASHINGTON POST, REAL SIMPLE, THE GUARDIAN, AND MORE FINALIST FOR: THE STORY PRIZE, THE L.A. TIMES BOOK PRIZE, THE ASPEN WORDS LITERARY PRIZE, THE CHAUTAUQUA PRIZE "Sublime short stories of race, grief, and belonging . . . an extraordinary new collection . . ." —The New Yorker "Evans's new stories present rich plots reflecting on race relations, grief, and love . . ." —The New York Times Book Review, Editor's Choice "Danielle Evans demonstrates, once again, that she is the finest short story writer working today." —Roxane Gay, The New York Times—bestselling author of *Difficult Women* and *Bad Feminist* The award-winning author of *Before You Suffocate Your Own Fool Self* brings her signature voice and insight to the subjects of race, grief, apology, and American history. Danielle Evans is widely acclaimed for her blisteringly smart voice and X-ray insights into complex human relationships. With *The Office of Historical Corrections*, Evans zooms in on particular moments and relationships in her characters' lives in a way that allows them to speak to larger issues of race, culture, and history. She introduces us to Black and multiracial characters who are experiencing the universal confusions of lust and love, and getting walloped by grief—all while exploring how history haunts us, personally and collectively. Ultimately, she provokes us to think about the truths of American history—about who gets to tell them, and the cost of setting the record straight. In "Boys Go to Jupiter," a white college student tries to reinvent herself after a photo of her in a Confederate-flag bikini goes viral. In "Richard of York Gave Battle in Vain," a photojournalist is forced to confront her own losses while attending an old friend's unexpectedly dramatic wedding. And in the eye-opening title novella, a black scholar from Washington, DC, is drawn into a complex historical mystery that spans generations and puts her job, her love life, and her oldest friendship at risk.

An undying love threatened by darkness... James' worst nightmare has come true. From the grave his father has poisoned the woman he loves, and James will do anything to save her. Ainsley is stuck in a world she barely knows. She struggles to come to terms with the new life she never asked for and her intense connection with James. When darkness threatens to destroy everything, they must face their greatest fears and the possibility their love is no match for the darkness. \*New Adult Fantasy Romance\*

The story of a young man's outrageous adventures in China and his search for identity in the most unexpected of places.

Mitch Moxley came to Beijing in the spring of 2007 to take a job as a writer and editor for China Daily, the country's only English-language national newspaper. The Chinese economy was booming, the Olympics were on the horizon, and Beijing was being transformed into a world-class city overnight. Moxley planned to stay only through the Olympics and then head back to Canada. But that was six years ago. In that time, Moxley fed a goat to a lion, watched a lingerie-wearing bear ride a bicycle, and crisscrossed the country writing stories. He also appeared as one of Cosmopolitan's one hundred most eligible bachelors in China, acted in a state-funded Chinese movie, and was paid to pose as a fake businessman. During Moxley's journey of self-exploration, his comic adventures and misadventures in China gave way to the creation of his alter ego—Mi Gao, or Tall Rice. A funny and honest look at expat life, *Apologies to My Censor* also depicts the ways a country can touch and inspire you.

Talsy and Chanter return to the peaceful vale, where she gives birth to his son - a creature of the chaos. Travain has stunted Mular powers and a Trueman personality, making him dangerous and unpredictable, and he is also angry at his father's apparent neglect. Mular, however, do not care for their children, who are born fully formed and independent. Travain grows quickly, and is everything Chanter warned Talsy he might be. Chanter finds the last piece of the broken Staff of Law and makes it whole, but the laws are lost. His first son is born on the eastern continent they left behind so long ago, but he is blinded by strange golden lights in his mind. He names himself Law, and finds shelter in a hive of semi-ants. The next generation are manants, and attack him, forcing Law to flee into the chaos. In his search for shelter, he travels to the western continent, where Truemen capture him. The wind informs Chanter of his plight, and Talsy insists that they save him. That means venturing into the chaos once more, and now it is far worse than it was before.

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes.

Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers.

She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

Nancy Wake, nicknamed 'the white mouse' for her ability to evade capture, tells her own story. As the Gestapo's most wanted person, and one of the most highly decorated servicewomen of the war, it's a story worth telling. After living and working in Paris in the 1930's, Nancy married a wealthy Frenchman and settled in Marseilles. Her idyllic new life was ended by World War II and the invasion of France. Her life shattered, Nancy joined the French resistance and, later, began work with an escape-route network for allied soldiers. Eventually Nancy had to escape from France herself to avoid capture by the Gestapo. In London she trained with the Special Operations Executive as a secret agent and saboteur before parachuting back into France. Nancy became a leading figure in the Maquis of the Auvergne district, in charge of finance and obtaining arms, and helped to forge the Maquis into a superb fighting force. During her lifetime, Nancy Wake was hailed as a legend. Her autobiography recounts her extraordinary wartime experiences in her own words.

When Michael Herne is asked to play a king in a medieval play he reluctantly agrees. After the play is over, other actors find it impossible to return to their real character. Set in the early 20th Century, this is the intriguing story of the rise of a new Don Quixote who introduces a medieval government into the world of big business.

He's good at changing nappies. He's brilliant at wiping food off walls. His mum calls him Mr Dependable. But Angus is desperate to be wild and baby-free. Can a bold and brave plan stop his mum getting pregnant again?

Eight years ago Tony left Olivia at the altar. He was sure she didn't really want to marry him. Now he's back, and they're forced to work together. Coming home isn't easy for Tony, because his father wanted him to work at a trade instead of going off to college. Their relationship is still unsteady. Even before Tony's return, Olivia began questioning the depth of her love for her fiance, a man she chose because he was safe and reliable. Yet the last thing she wants is a loveless, faithless marriage like the one her parents suffered through. When Tony, who never stopped loving her, insists her fiance is the wrong man for her, Olivia sets out to prove him wrong. But the sexual chemistry between them is still strong, and so are her feelings for him. Even so, how can she break her engagement, hurt her fiance as she was once hurt? And how can she trust Tony not to abandon her as he did before? If anyone does the jilting this time, she will.

"A gorgeous and thrilling paean to the ferocious power of women. The characters live, bleed, and roar." —Laini Taylor, New York Times bestselling author A NEW YORK TIMES BESTSELLER • Winner of the British Fantasy Award for Best Fantasy Novel • Named One of the Best Books of the Year by NPR Books • Barnes and Noble • BookPage In the late 1800s, three sisters use witchcraft to change the course of history in this powerful novel of magic, family, and the suffragette movement. In 1893, there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box. But when the Eastwood sisters—James Juniper, Agnes Amaranth, and Beatrice Belladonna—join the suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote—and perhaps not even to live—the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive. There's no such thing as witches. But there will be. An homage to the indomitable power and persistence of women, *The Once and Future Witches* reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling. Praise for *The Once and Future Witches*: "A glorious escape into a world where witchcraft has dwindled to a memory of women's magic, and three wild, sundered sisters hold the key to bring it back...A tale that will sweep you away." —Yangsze Choo, New York Times bestselling author "This book is an amazing bit of spellcraft and resistance so needed in our times, and a reminder that secret words and ways can never be truly and properly lost, as long as there are tongues to speak them and ears to listen." —P. Djèlí Clark, author *The Black God's Drum* For more from Alix E. Harrow, check out *The Ten Thousand Doors of January*. NPR's Best Books of 2020 BookPage's Best Books of 2020 Real Simple's Best Books of 2020 Boston.com readers voted one of Best Books of 2020 "Anyone striving to understand and improve this country should read her story." —Gloria Steinem, author of *My Life on the Road* The Emmy Award–winning journalist and anchor of NPR's *Latino USA* tells the story of immigration in America through her family's experiences and decades of reporting, painting an unflinching portrait of a country in crisis in this memoir that is "quite simply beautiful, written in Maria Hinojosa's honest, passionate voice" (BookPage). Maria Hinojosa is an award-winning journalist who, for nearly thirty years, has reported on stories and communities in America that often go ignored by the mainstream media—from tales of hope in the South Bronx to the unseen victims of the War on Terror and the first detention camps in the US. Bestselling author Julia Álvarez has called her "one of the most important, respected, and beloved cultural leaders in the Latinx community." In *Once I Was You*, Maria shares her intimate experience growing up Mexican American on the South Side of Chicago. She offers a personal and illuminating account of how the rhetoric around immigration has not only long informed American attitudes toward

outsiders, but also sanctioned willful negligence and profiteering at the expense of our country's most vulnerable populations—charging us with the broken system we have today. An urgent call to fellow Americans to open their eyes to the immigration crisis and understand that it affects us all, this honest and heartrending memoir paints a vivid portrait of how we got here and what it means to be a survivor, a feminist, a citizen, and a journalist who owns her voice while striving for the truth. Also available in Spanish as *Una vez fui tú*.

Read along with Marvel! Discover how Marvel's most popular characters became the Super Heroes they are today! Featuring Black Panther, Captain Marvel, Iron Man, Captain America, and Hulk, this World of Reading Level 1 reader bind up includes five origin adventure stories!
