One Million Lovely Letters When Life Is Looking Hopeless One Inspirational Letter Can Change Your Life Forever

For fans of *The Word Collector* and *Be Kind* comes a story of words, walls, and widening your world, by New York Times bestselling author Deborah Underwood. Small h has always lived with the other H's in a city surrounded by walls that keep them safe. At least, that's what the big H's say. But one day, a hole in the wall reveals someone new on the other side. When little h and little i meet, they make a small word with big meaning: "hi!" The other H's find out, though. They fill the hole. But it won't be enough to keep these little letters apart--or twenty-four of their newest friends. Every Little Letter shows how even the smallest among us can make a big impact, and how a single act of friendship can inspire whole communities to come together. How do you tear down walls? With words, at first. Then brick by brick. "Rich for exploration . . . Adorable." --SLJ (starred review) "This message of friendship . . . bears repeating, especially for the youngest readers." --Kirkus "Smartly executed . . . Underlines how diversity leads to strength." --Publishers Weekly "This [book] goes beyond to incorporate the alphabet and word-learning, as well as the importance of listening to young people." --Shelf Awareness

AN INSTANT NEW YORK TIMES BESTSELLER “A stunning debut.” —Washington Post “Haunting [and] powerful.” —The New York Times “A modern-day classic.” —Jeffery Deaver, New York Times bestselling author of *The Bone Collector* “Fantastic, I loved it.” —Paula Hawkins, New York Times bestselling author of *The Girl on the Train*

She thought she had escaped her past. But there are some things you can't outrun. Lex Gracie doesn't want to think about her family. She doesn't want to think about growing up in her parents' House of Horrors. And she doesn't want to think about her identity as Girl A: the girl who escaped, the eldest sister who freed her older brother and four younger siblings. It's been easy enough to avoid her parents--her father never made it out of the House of Horrors he created, and her mother spent the rest of her life behind bars. But when her mother dies in prison and leaves Lex and her siblings the family home, she can't run from her past any longer. Together with her sister, Evie, Lex intends to turn the home into a force for good. But first she must come to terms with her siblings--and with the childhood they shared. What begins as a propulsive tale of escape and survival becomes a gripping psychological family story about the shifting alliances and betrayals of sibling relationships--about the secrets our siblings keep, from themselves and each other. Who have each of these siblings become? How do their memories defy or galvanize Lex's own? As Lex pins each sibling down to agree to her family's final act, she discovers how potent the spell of their shared family mythology is, and who among them remains in its thrall and who has truly broken free.

For readers of *Room* and *Sharp Objects*, an absorbing and psychologically immersive novel about a young girl who escapes captivity—but not the secrets that shadow the rest of her life.

A book of over 100 love letters written in poetic form. Unsent letters written to an unnamed individual or thought only known as *Lovely, Lovely Soul*. An idea sparked from A.R. Gurney's *Love Letters* play only letters never sent. The trials and spilled ink thoughts fighting depression, anxiety, adolescent love, inward torture, and fighting through painful thoughts many of us can relate to by putting pen to paper. If you enjoyed "the words I wish I said" by Caitlin Kelly you should find this compilation enjoyable. I started writing these letters back in 1997 after I moved away from New Jersey out to Arizona for school. While taking what I had for granted, I did not believe that my childhood was... shall we say, "the best?" Moving away meant a fresh start, a new life, freedom. Getting as far away from the small, one square mile town I grew up in and out into the wider world where I always felt like I was meant for bigger and brighter things. I craved that freedom and could not wait for it. But a few mere months before I was destined to leave... something tragic happened. I, in my unlearned youth, discovered the sensation of what I believed to be, "Love". It ended up being so fleeting as my time was so short before departure to the desert. Heartbreak was inevitable. It was the first of many that would happen in my life and I would go on to develop this concept of a small light... willow wisp like. Always bouncing from one girl to the next.

Getting close, but always fleeing right at the moment when it was about to be captured. It seemed like a repelling magnet getting just close enough for an attraction before flipping and bounding away from a certain distance. Changing its poles once again and becoming attractive. That seemed to be the metaphor to me of what "Love" meant to me and what it would be for my remaining days. The wisp always moving, teasing, getting closer, and running away. "Catch me if you can" it would haunt. "Catch me if you can" and like the fool, I was destined to be, I would continue to chase. I have finally compiled these poems if you will, which I wrote off and on for the last 20+ years. While I know my style in some of them work, and others fall very short of publishable work, it is my life crafted on paper that I felt compelled to share. Knock something off the bucket list, if you will. Not just that, however, more to share with those out there that can relate. Understand and realize that you are not alone even in the moments when you look around and only darkness is staring back at you. Time does heal and as we mature in life we learn to appreciate fleeting moments and understand that sometimes things do happen for a reason. Whether you push your wisp away or it flees on its own, it's always on the horizon. While its warmth might get cold, its light still shines bright and waits for you to "catch it if you can". Enjoy as you may.

If you could send a letter back through time to your younger self, what would the letter say? In this moving collection, forty-one famous women write letters to the women they once were, filled with advice and insights they wish they had had when they were

younger. Today show correspondent Ann Curry writes to herself as a rookie reporter in her first job, telling herself not to change so much to fit in, urging her young self, “It is time to be bold about who you really are.” Country music superstar Lee Ann Womack reflects on the stressed-out year spent recording her first album and encourages her younger self to enjoy the moment, not just the end result. And Maya Angelou, leaving home at seventeen with a newborn baby in her arms, assures herself she will succeed on her own, even if she does return home every now and then. These remarkable women are joined by Madeleine Albright, Queen Noor of Jordan, Cokie Roberts, Naomi Wolf, Eileen Fisher, Jane Kaczmarek, Olympia Dukakis, Macy Gray, and many others. Their letters contain rare glimpses into the personal lives of extraordinary women and powerful wisdom that readers will treasure. Wisdom from What I Know Now “Don’t let anybody raise you. You’ve been raised.” —Maya Angelou “Try more things. Cross more lines.” —Breena Clarke “Learn how to celebrate.” —Olympia Dukakis “You don’t have to be afraid of living alone.” —Eileen Fisher “Please yourself first . . . everything else follows.” —Macy Gray “Don’t be so quick to dismiss another human being.” —Barbara Boxer “Work should not be work.” —Mary Matalin “You can leave the work world—and come back on your own terms.” —Cokie Roberts “Laundry will wait very patiently.” —Nora Roberts “Your hair matters far, far less than you think” —Lisa Scottoline “Speak the truth but ride a fast horse.” —Kitty Kelley “Pure and lovely...to read Zelda’s letters is to fall in love with her.” —The Washington

Post Edited by renowned Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda Fitzgerald's granddaughter, Eleanor Lanahan, this compilation of over three hundred letters tells the couple's epic love story in their own words. Scott and Zelda Fitzgerald's devotion to each other endured for more than twenty-two years, through the highs and lows of his literary success and alcoholism, and her mental illness. In *Dear Scott, Dearest Zelda*, over 300 of their collected love letters show why theirs has long been heralded as one of the greatest love stories of the 20th century. Edited by renowned Fitzgerald scholars Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda's granddaughter, Eleanor Lanahan, this is a welcome addition to the Fitzgerald literary canon.

Gossip Girl meets *Get Out* in *Ace of Spades*, a YA contemporary thriller by debut author Faridah Àbíké-Íyímídé about two students, Devon & Chiamaka, and their struggles against an anonymous bully. All you need to know is . . . I'm here to divide and conquer. Like all great tyrants do. —Aces When two Niveus Private Academy students, Devon Richards and Chiamaka Adebayo, are selected to be part of the elite school's senior class prefects, it looks like their year is off to an amazing start. After all, not only does it look great on college applications, but it officially puts each of them in the running for valedictorian, too. Shortly after the announcement is made, though, someone who goes by Aces begins using anonymous text messages to reveal secrets about the two of them that turn their lives upside down and threaten every aspect of

With heart-pounding suspense and relevant social commentary comes a high-octane thriller from debut author Faridah Àbíké-Íyímídé.

Outstanding selection of great letters from ancient times to the 21st century, touching on power, love, art, sex, faith, and war. *Written in History: Letters that Changed the World* celebrates the great letters of world history, and cultural and personal life. Bestselling, prizewinning historian Simon Sebag Montefiore selects letters that have changed the course of global events or touched a timeless emotion—whether passion, rage, humor—from ancient times to the twenty-first century. Some are noble and inspiring, some despicable and unsettling, some are exquisite works of literature, others brutal, coarse, and frankly outrageous, many are erotic, others heartbreaking. It is a surprising and eclectic selection, from the four corners of the world, filled with extraordinary women and men, from ancient times to now. Truly a choice of letters for our own times encompassing love letters to calls for liberation to declarations of war to reflections on life and death. The writers vary from Elizabeth I and Catherine the Great to Mandela, Stalin and Picasso, Fanny Burney and Emily Pankhurst to Ada Lovelace and Rosa Parks, Oscar Wilde, Chekhov and Pushkin to Balzac, Mozart and Michelangelo, Hitler, Rameses the Great and Alexander Hamilton to Augustus and

Churchill, Lincoln, Donald Trump and Suleiman the Magnificent. In a book that is a perfect gift, here is a window on astonishing characters, seminal events, and unforgettable words. In the colorful, accessible style of a master storyteller, Montefiore shows why these letters are essential reading and how they can unveil and enlighten the past—and enrich the way we live now.

J. P. Monninger, author of the international bestseller *The Map That Leads to You*, the novel Nicholas Sparks called “romantic and unforgettable”, tells a poignant love story of the ways the world divides two souls—and the way that love brings them together. Kate Moreton is in Ireland on sabbatical from her teaching position at Dartmouth College when she meets Ozzie Ferriter, a fisherman and a veteran of the American war in Afghanistan. The Ferriter family history dates back centuries on the remote Blasket Islands, and Ozzie – a dual citizen of Ireland and the United States – has retreated to the one place that might offer him peace from a war he cannot seem to leave behind. Beside the sea, with Ireland’s beauty as a backdrop, the two fall deeply in love and attempt to live on an island of their own making, away from the pressures of the outside world. Ireland writes its own love stories, the legends claim, and the limits of Kate and Ozzie’s love and faith in each other will be tested. When his demons lead Ozzie to become reckless with his life—and Kate’s—she flees for America rather than watch the man she loves self-destruct. But soon a letter arrives informing Kate that her heroic husband has been lost at sea, and Kate must decide whether it is an act of love to

Mr. and Mrs. Mallard proudly return to their home in the Boston Public Garden with their eight offspring.

Inspired by a little-known chapter of World War II history, a young Protestant girl and her Jewish neighbour are caught up in the terrible wave of hate sweeping the globe on the eve of war in this powerful love story that's perfect for fans of The Guernsey Literary and Potato Peel Pie Society. If you're reading this letter, that means I'm dead. I had obviously hoped to see you again, to explain in person, but fate had other plans. 1933 At eighteen years old, Molly Ryan dreams of becoming a journalist, but instead she spends her days working any job she can to help her family through the Depression crippling her city. The one bright spot in her life is watching baseball with her best friend, Hannah Dreyfus, and sneaking glances at Hannah's handsome older brother, Max. But as the summer unfolds, more and more of Hitler's hateful ideas cross the sea and "Swastika Clubs" and "No Jews Allowed" signs spring up around Toronto, a city already simmering with mass unemployment, protests, and unrest. When tensions between the Irish and Jewish communities erupt in a riot one smouldering day in August, Molly and Max are caught in the middle, with devastating consequences for both their families. 1939 Six years later, the Depression has eased and Molly is a reporter at her local paper. But a new war is on the horizon, putting everyone she cares about most in peril. As letters trickle in from overseas, Molly is forced to confront what happened all those years ago, but is it too late to make things right? From the desperate streets of Toronto to the embattled shores of Hong Kong, *Letters Across the Sea* is a poignant novel about the enduring power of love to cross dangerous divides even in the darkest of times—from the #1 bestselling author of

The Forgotten Home Child.

From the New York Times bestselling author of *The Unlikely Pilgrimage of Harold Fry* comes an exquisite love story about Queenie Hennessy, the remarkable friend who inspired Harold's cross-country journey. "This lovely book is full of joy. Much more than the story of a woman's enduring love for an ordinary, flawed man, it's an ode to messy, imperfect, glorious, unsung humanity."—*The Washington Post*

A runaway international bestseller, *The Unlikely Pilgrimage of Harold Fry* followed its unassuming hero on an incredible journey as he traveled the length of England on foot—a journey spurred by a simple letter from his old friend Queenie Hennessy, writing from a hospice to say goodbye. Harold believed that as long as he kept walking, Queenie would live. What he didn't know was that his decision to walk had caused her both alarm and fear. How could she wait? What would she say? Forced to confront the past, Queenie realizes she must write again. In this poignant parallel story to Harold's saga, acclaimed author Rachel Joyce brings Queenie Hennessy's voice into sharp focus. Setting pen to paper, Queenie makes a journey of her own, a journey that is even bigger than Harold's; one word after another, she promises to confess long-buried truths—about her modest childhood, her studies at Oxford, the heartbreak that brought her to Kingsbridge and to loving Harold, her friendship with his son, the solace she has found in a garden by the sea. And, finally, the devastating secret she has kept from Harold for all these years. A wise, tender, layered novel that gathers tremendous emotional force, *The Love Song of Miss Queenie Hennessy* underscores the resilience of the human spirit, beautifully illuminating the small yet pivotal moments that can change a person's life.

phenomenal bestselling Fifty Shades Trilogy. London, 2019. Life has been easy for Maxim Trevelyan. With his good looks, aristocratic connections, and money, he's never had to work and he's rarely slept alone. But all that changes when tragedy strikes and Maxim inherits his family's noble title, wealth, and estates, and all the responsibility that entails. It's a role he's not prepared for and one that he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently arrived in England, possessing little more than a dangerous and troublesome past. Reticent, beautiful, and musically gifted, she's an alluring mystery, and Maxim's longing for her deepens into a passion that he's never experienced and dares not name. Just who is Alessia Demachi? Can Maxim protect her from the malevolence that threatens her? And what will she do when she learns that he's been hiding secrets of his own? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Balkans, *The Mister* is a roller-coaster ride of danger and desire that leaves the reader breathless to the very last page.

Demetra Demi Gregorakis has found herself feeling that technology has overtaken love in the priorities of life. In an age where whole relationships are carried out by IM, text and email, she remains a dreamer, a hopeless romantic, who wishes that her 'Memories throughout her time she wishes she could keep in jars' will inspire love, romance and happy memories in her readers as she seeks - and hopes that we all find - that which she calls 'Agap love,' the type of perfect love that transcends all others. Her journey is the somewhat convoluted one which most of us take, ebbing and flowing through this stage and that, meeting the right one, the wrong one, the next one ... love and adoration, heartbreak and happiness, they all appear here, in thoughts and poems written from the ever-romantic heart.

It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more -- though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered

while May was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May. And only when Laurel has begun to see her sister as the person she was -- lovely and amazing and deeply flawed -- can she begin to discover her own path in this stunning debut from Ava Dellaira, *Love Letters to the Dead*.

For years, children and adults have stuffed their candid dreams, wishes, and promises into envelopes addressed to Santa Claus. Whether the envelopes come with stamps or without, are addressed to "The Big Red Guy at Jingle Bells Lane" or simply "To Santa," for over 100 years, millions of these letters have poured into Santa Claus, Indiana. Arriving from all corners of the globe, the letters ask for toys, family reunions, snow, and help for the needy—sometimes the needy being the writers themselves. They are candid, heartfelt, and often blunt. Many children wonder how Santa gets into their chimneyless homes. One child reminds Santa that she has not hit her brothers over 1,350 times that year, and another respectfully requests two million dollars in "cold cash." One child hopes to make his life better with a time machine, an adult woman asks for a man, and one miscreant actually threatens Santa's reindeer! Containing more than 250 actual letters and envelopes from the naughty and nice reaching back to the 1930s, this moving book will touch readers' hearts and bring back memories of a time in our lives when the man with a white beard and a red suit held out the hope that our wishes might come true.

In the summer of 2011, aged only 22, Jodi Ann Bickley contracted a serious brain infection that would change her life forever. Jodi had been performing at Camp Bestival on the Isle of Wight. Returning with pockets full of glitter, and her favourite bands' songs still playing in her head,

She thought the happy memories would last forever. A week later, writhing in pain on the doctor's surgery floor and unable to put the pain she was suffering into words, Jodi found out that she had been bitten by a tick and contracted a serious brain infection. Learning to write and walk again was just the start of the battle. In the months that followed Jodi struggled with the ups and downs of her health and the impact it had on her loved ones. Some days the illness was too much for Jodi to bear and she found herself wondering whether she could go on. She had two choices: either to give up now or to do something meaningful with the time she had been given. Jodi chose the latter. This is the story how she turned her life around, and in doing so, touched the lives of millions. ONE MILLION LOVELY LETTERS is one woman's inspirational journey to recovery, and is a witty and uplifting testament to the power of words to heal heart and mind. www.onemillionlovelyletters.com

An inspiring guide to saying thank you, one heartfelt note at a time. We all know that gratitude is good for us--but the real magic comes when we express it. Writer Gina Hamadey learned this life-changing lesson firsthand when a case of burnout and too many hours on social media left her feeling depleted and disconnected. In this engaging book, she chronicles how twelve months spent writing 365 thank-you notes to strangers, neighbors, family members, and friends shifted her perspective. Her journey shows that developing a lasting active gratitude practice can make you a happier person, heal complicated relationships, and reconnect you with the people you love--all with just a little bit of bravery at the mailbox. How can we turn an often-dreaded task into a rewarding act of self-care that makes us feel more present, joyful, and connected? Whether we're writing to a long-lost friend, a helpful neighbor, or a child's teacher, this inspiring book helps us reflect on meaningful memories and shared

experiences and express ourselves with authenticity, vulnerability, and heart. Informed by Hamadey's year of discovery as well as interviews with experts on relationships, gratitude, and more, this deceptively simple guide offers a powerful way to jump-start your joy. Hamadey found herself thanking not only family members and friends, but less expected people in her sphere, including local shopkeepers, physical therapists, long-ago career mentors, favorite authors, and more. Once you get going, you might find yourself cultivating an active gratitude practice, too--one heartfelt note of thanks at a time.

Encephalitis is a devastating condition whose impact upon people should not be underestimated. It robs people of abilities most of us take for granted, it leaves people without their loved ones, and even in those families where the person affected survives the person they once knew can be dramatically changed. Life After Encephalitis provides a unique insight into the experiences of those affected by encephalitis, sharing the rich, perceptive, and often powerful, narratives of survivors and family members. It shows how listening to patient and family narratives can help us to understand how they make sense of what has happened to them, and also help professionals better understand and engage with them in practice. The book will also be useful for considering narratives associated with brain injuries from other causes, for example

I didn't expect to open my mailbox one summer morning and find an old letter stuffed between bills and a supermarket flyer. Penned in familiar handwriting, dated over fifteen years ago, the letter was written to me after my first date with the man I'll never forget. Week after week, new letters appear. Each marks an event in the history of our epic love affair. Each heals a wound. Each holds the confession from the one who still owns my heart. The letters are full of promise, hope and love, but truth be told, I wish I could unread them all. Because the man who wrote these letters is not the one sending them.

Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

uplifting testament to the power of words to heal the heart and mind. As featured on 'Jodi's Lovely Letters', part of the popular BBC One series 'Our Lives'. In the summer of 2011, aged only 22, Jodi Ann Bickley contracted a serious brain infection that would change her life forever. Jodi had been performing at Camp Bestival on the Isle of Wight. Returning with pockets full of glitter, she thought the happy memories would last forever. A week later, writhing in pain on the doctor's surgery floor, Jodi found out that she had been bitten by a tick and contracted a serious brain infection. Learning to write and walk again was just the start of the battle. In the months that followed Jodi struggled with the ups and downs of her health and the impact it had on her loved ones. Some days Jodi found herself wondering whether she could go on. She had two choices: either to give up now or do something meaningful with the time she had been given. Jodi chose the latter. This is the story how she turned her life around. 'An extraordinary woman.' Stephen Fry 'There is so much emotion in these pages that we challenge you not to cry.' Cosmopolitan 'It's a fantastic book, from a fantastic wordsmith, and I'm so proud of how much Jodi has achieved since I've known her. Proper chuffed. Ed x' Ed Sheeran www.onemillionlovelyletters.com

What would you do if the love of your life had no memory of you? A man tries to win back the love of his life after an accident has her in a coma in this emotional, romantic drama from #1 ebook phenomenon J. L. Perry writing as Jodi Perry The 19th of January, 1996 ... I'll never forget it. It was the day we met. I was seven and she was six. It was the day she moved in next door, and the same day I developed my first crush on a girl. Then tragedy struck. Nineteen days after our wedding day, she was in an accident that would change our lives forever. When she woke from her coma, she had no memory of me, of us, of the love we shared. That's when I started writing her letters. The stories of our life. Of when we met. About the happier times, and everything we'd experienced together. What we had was far too beautiful to be forgotten. If you love Nicholas Sparks' bestselling novel THE NOTEBOOK you will devour the compelling, emotional storytelling of Jodi Perry's NINETEEN LETTERS, winner of the Romantic Book of the Year 2018 from the Romance Writers of Australia. It will make you laugh, and it will make you cry. 'This book is gorgeous. Jodi Perry is a wonderful storyteller. I wanted to take Braxton home and eat him for breakfast!' colonial slave trade through the Civil War to our own tumultuous era. The great scholar, W. E. B. Du Bois, once wrote about the Problem of race in America, and what he called “Double Consciousness,” a sensitivity that every African American possesses in order to survive. Since childhood, Ailey Pearl Garfield has understood Du Bois’s words all too well. Bearing the names of two formidable Black Americans—the revered choreographer Alvin Ailey and her great grandmother Pearl, the descendant of enslaved Georgians and tenant farmers—Ailey carries Du Bois’s Problem on her shoulders. Ailey is reared in the north in the City but spends summers in the small Georgia town of Chicassetta, where her mother’s family has lived since their ancestors arrived from Africa in bondage. From an early age, Ailey fights a battle for belonging that’s made all the more difficult by a hovering trauma, as well as the whispers of women—her mother, Belle, her sister, Lydia, and a maternal line reaching back two centuries—that urge Ailey to succeed in their stead. To come to terms with her own identity, Ailey embarks on a journey through her family’s past, uncovering the shocking tales of generations of ancestors—Indigenous, Black, and white—in the deep South. In doing so Ailey must learn to embrace her full heritage, a legacy of oppression and resistance, bondage and independence, cruelty and resilience that is the story—and the song—of America itself.

A never-before-seen collection of deeply personal love letters from Kurt Vonnegut to his first wife, Jane, compiled and edited by their daughter “A glimpse into the mind of a

writer finding his voice.”—The Washington Post “If ever I do write anything of length—good or bad—it will be written with you in mind.” Kurt Vonnegut’s eldest daughter, Edith, was cleaning out her mother’s attic when she stumbled upon a dusty, aged box. Inside, she discovered an unexpected treasure: more than two hundred love letters written by Kurt to Jane, spanning the early years of their relationship. The letters begin in 1941, after the former schoolmates reunited at age nineteen, sparked a passionate summer romance, and promised to keep in touch when they headed off to their respective colleges. And they did, through Jane’s conscientious studying and Kurt’s struggle to pass chemistry. The letters continue after Kurt dropped out and enlisted in the army in 1943, while Jane in turn graduated and worked for the Office of Strategic Services in Washington, D.C. They also detail Kurt’s deployment to Europe in 1944, where he was taken prisoner of war and declared missing in action, and his eventual safe return home and the couple’s marriage in 1945. Full of the humor and wit that we have come to associate with Kurt Vonnegut, the letters also reveal little-known private corners of his mind. Passionate and tender, they form an illuminating portrait of a young soldier’s life in World War II as he attempts to come to grips with love and mortality. And they bring to light the origins of Vonnegut the writer, when Jane was the only person who believed in and supported him supported him, the young couple having no idea how celebrated he would become. A beautiful full-color collection of handwritten letters, notes, sketches, and comics, interspersed with Edith’s insights and

family memories, Love, Kurt is an intimate record of a young man growing into himself, a fascinating account of a writer finding his voice, and a moving testament to the life-altering experience of falling in love.

Reading a chapter book builds confidence and enthusiasm for reading. Liza is the author and main character who happens to be a labrador retriever. She lives in a family with two children, Sam and Bea, and they have adventures like solving a neighborhood mystery, going on a vacation, or taking care of the other pets in the house. Their adventures are the same experiences that your child might have, and children enjoy seeing their own stories come to life on the page.

A finalist for the Andrew Carnegie Medal for Excellence in Nonfiction, and longlisted for the National Book Award, *The Firebrand and the First Lady* is the riveting history, two decades in the making, of how a brilliant writer-turned-activist and the first lady of the United States forged an enduring friendship that helped to alter the course of race and racism in America. In 1938, the twenty-eight-year-old Pauli Murray wrote a letter to the President and First Lady, Franklin and Eleanor Roosevelt, protesting racial segregation in the South. Eleanor wrote back. So began a friendship that would last for a quarter of a century, as Pauli became a lawyer, principal strategist in the fight to protect Title VII of the 1964 Civil Rights Act and a co-founder of the National Organization of Women, and Eleanor became a diplomat and first chair of the United Nations Commission on Human Rights.
