Santa Paula was built on the foundations of citrus cultivation and oil production. Ventura County's first irrigated 100-acre orange and lemon orchard was planted at Santa Paula in 1874, and the original 1888 harvest was so plentiful and delicious that the Limoneira Ranch Company was incorporated in 1893 and continues to thrive. Oil seeps brought wildcatters, and California's first gusher came in at Santa Paula in 1888. The town's twin notoriety through the 20th century were its designation as the "citrus capital of the world" and as the birthplace of the Union Oil Company of California (UNOCAL). Lemons and avocados remain the primary tree crops, the oil fields still produce, and the small-town character of bygone days has been preserved—Santa Paula has the largest concentration of vintage structures in the county. In this new novel, set in contemporary Dublin, Roddy Doyle returns to Paula Spencer ("One of Doyle's finest creations" – Toronto Star), the beloved heroine of the bestselling *The Woman Who Walked into Doors*, with spectacular results. Paula Spencer begins on the eve of Paula's forty-eighth birthday. She hasn't had a drink for four months and five days. Having outlived an abusive husband and father, Paula and her four children are now struggling to live their adult lives, with two of the kids balancing their own addictions. Knowing how close she always is to the edge, Paula rebuilds her life slowly, taking pride in the things she accomplishes, helped sometimes by the lists she makes to plan for the future. As she goes about her daily routine working as a cleaning woman, and cooking for her two children at home, she re-establishes connections with her two sisters, her mother and grandchildren, expanding her world. She discovers the latest music, the Internet and text-messaging, treats herself to Italian coffees, and gradually ventures beyond her house, where she's always felt most comfortable. As Paula thinks of herself, "She's a new-old woman, learning how to live." Doyle has movingly depicted a woman, both strong and fragile, who is fighting back and finally equipped to be a mother to her children – but now that they're mostly grown up, is it too late? Doyle's fans and new readers alike will root for Paula to stay clean and find a little healing for herself and her children, amidst the threat that it may all go wrong.

In the 1930's lighthouse keeping was dangerous and mundane, a way of life and isolation from life. Estonia was thriving and backward, unique and powerless. Women were submissive and yet the impetus for all things. And marriage was mandatory. But romantic love was the sweetest and most unlikely twist of fate. Paula is a woman I knew in my childhood. She was an Estonian immigrant. She was a mail-order bride. Her husband was an Estonian-American, a lighthouse keeper, a wife beater and maybe a pedophile. Paula, an educated woman in Estonia, came to this country not knowing the language or culture and was kept a virtual prisoner for more than a decade at a string of lighthouses on the rugged Alaskan coast. Paula was a woman whose life, while dictated by tradition, was full of excitement and adventure and characterized by passion and courage. And while at times there seems no end to the misery she endured, a love story unfolds. Come along on this true journey inside real lighthouse living and one woman's life.

A People Best Book of Summer A New York Times Most Anticipated Book of the Summer A riveting investigation into a cold case asks how much control women have over their bodies and the direction of their lives. July 1970. Eighteen-year-old Paula Oberbroeckling left her house in Cedar Rapids, Iowa. Four months later, her remains were discovered just beyond the mouth of a culvert overlooking the Cedar River. Her homicide has never been solved. Fifty years cold, Paula's case had been mostly forgotten when journalist Katherine Dykstra began looking for answers. A woman was dead. Why had no one been held responsible? How could the powers that be, how could a community, have given up? Tracing Paula's final days, Dykstra uncovers a girl whose exultant personality was at odds with the Midwest norms of the late 1960s. A girl who was caught between independence and youthful naivete, between a love that defied racially segregated Cedar Rapids and her complicated but enduring love for her mother, and between a possible pregnancy and the freedoms that had been promised by the women's liberation movement but that still had little practical bearing on actual lives. The more Dykstra learned about the circumstances of Paula's life, the more parallels she saw in the lives of the women who knew Paula and the women in Paula's family, in the lives of the women in Dykstra's own family, and even in her own life. Captivating and expertly crafted from interviews with Paula's family and friends, police reports, and on-the-scene investigation, *What Happened to Paula* is part true crime story, part memoir, a timely and powerful look at gender, autonomy, and the cost of being a woman.

In December 1991, Allende's daughter Paula, aged 26, fell gravely ill and sank into a coma. This book started as a letter to Paula written during the hours spent at her bedside, and became a personal memoir and a testament to the ties that bind families ' a brave, enlightening, inspiring true story.

After thirty-four years of just letting life happen to her, Paula Tenenbaum's mundane existence was suddenly interrupted. It was bad enough to be fired from her job because she was "average," but on that same day, her boyfriend also dumped her for being "un-dynamic." Somehow, somehow Paula needed to make a change. But before she could figure out what her first step should be, her scheming neighbor Larry tapped into her silent desperation and dreams and challenged everything that she believed about herself. At first Paula was skeptical and scared, but quickly, she realized that she had nothing to lose, as she donned the persona of the successful, and vibrant individual that she had always dreamed of being, navigating thru business, colorful personalities and the people that she had idolized from afar. Written with sharp humor, and huge personality, *Paula Takes A Risk* is the hilarious story about the metamorphosis of Paula Tenenbaum, who naively enters into an adventure that changes her life. This is a story certain to strike a chord in anyone who secretly desires change, but is afraid to make it.

"Se scrivo qualcosa temo che accada, se amo qualcuno di perderlo; eppure non posso smettere di scrivere né di amare" Paula, nata il 22 ottobre 1963, è una ragazza felice, innamorata di suo marito, appassionata del suo lavoro. La sua è una vita semplice, e non ha niente a che vedere con quella di sua madre Isabel. Due donne, due destini diversi. Improvvisamente, a ventott'anni, Paula si ammala di una malattia gravissima, la porfiria, che la trascina in un coma da cui non c'è ritorno. Isabel accorre al suo capezzale per cercare di trattenerla in vita o, forse, per accompagnarla dolcemente verso la fine... Grazie alla magia della scrittura, cerca di "distrarre la morte", cerca di trovare un senso a una tale tragedia evocando la sua esuberante e bizzarra famiglia perché circonda Paula e la aiuti a superare, senza perdersi, il confine della vita. Un'autobiografia, una storia esemplare di dolore e di speranza, una straordinaria confessione sulla genesi delle sue opere, i suoi viaggi, gli amori: Isabel Allende, mescolando con franchezza e umanità il riso al pianto, dice addio a Paula come donna per darle il benvenuto come "spirito". Perché non esiste separazione definitiva finché esiste il ricordo.

'Everything you know is wrong' - this was the message to the world that Paula Yates posted above her doorbell. Once upon a time, a rock god met a brainy bombshell TV presenter who was married to a media 'saint'. When their lives collided, the events that unfolded were too bizarre even for fiction; the very public seduction and intense love affair, the fights, the drugs bust, heartbreaking custody battles, financial deals and the deaths of Paula and Michael were front-page news for months. But the vital facts of the web the lovers wove together were kept secret, and the reasons for their deaths were never clear, even to their family and friends. Only one person was there to witness every aspect of the story - Gerry Agar. A former publicist and Paula's long-term friend, Gerry's life, both personal and professional, became inextricably tied to those of the star-crossed lovers, and to the one who would be left behind. This is the stuff of modern legend; a red-blooded tragedy played out in the merciless glare of the media spotlight. Here are the facts, divulged in painful and deeply moving detail, and told with an intimacy that could only be disclosed by one caught in the centre of the storm. This is Gerry Agar's story of Paula, Michael & Bob.

Sandra Hoffmann's "Paula" is a moving piece of autofiction about the writer's relationship to her grandmother, a devout Swabian Catholic who refused to reveal who fathered her child in 1946. Growing up in a family where silence reigns, Hoffmann asks: What kind of person, what kind of writer, does this environment produce? Sandra Hoffmanns "Paula" ist ein bewegendes Stück Autofiktion über das Verhältnis der Schriftstellerin zu ihrer Großmutter — einer gläubigen, schwäbischen Katholikin, die sich bis zu ihrem Lebensende weigerte, zu enthüllen, wer ihr Kind im Jahre 1946 gezeugt hat. In einer Familie aufgewachsen, in der die Stille herrscht, fragt Hoffmann: Welche Art von Person, welche Art von Autorin produziert eine solche Umgebung?
