Visnuism has given rise to two very important schools of ritual and philosophy, namely Vaikhanasa and Pancaratra. Isvarasamhita is an important text of the Pancaratra school of Visnuism. Whereas Vaikhanasa is relatively archaic in character and leans more upon the Vedic tradition for its repertoire of Mantras used in religious rites and ceremonies, the Pancaratra is more liberal and open in its approach. It has a text tradition going back to some two thousand years- which has also been the main source of the Visistadvaita philosophy of Ramanuja (11th 12th c.). In most of the Vaisnava temples in South India, especially in Tamilnadu, worship is conducted in accordance with the prescription of one of the important Pancaratra Samhitas. Isvarasamhita is an important text of the Pancaratra School and is followed meticulously for conduction of daily Puja ceremony and performances of various religious festivals in the Narayanasvami temple of Melkote. It can safely be dated to 8th-9th Century at least on the basis of its reference in the Agama Pramanya of Shri Yamunacarya. It is supposed to be a simpler and smaller version of the older sattvatasamhita of this school which is the earliest available work of Pancaratra and is considered as one of three ratnas, (Jewels), along with Pauskara- and Jaya Samhitas. In 25 long Adhyayas the Isvarasamhita describes in great details the rites, rituals and ceremonies taking place ( or ought to take place) in a Vaisnava temple. Palm leaf Manuscripts of the Isvarasamhita were procured mainly from the Narayanasvami temple of Melkote for the sake of authenticity. We have also appended to the text the gloss of Alasimha Bhatta (early 19th C.) which shall be helpful in comprehending certain difficult or sectarian expressions. The English translation on the opposite (right) page has been provided for the facility of the modern scholars working on philosophy, Ritual and Iconography of Visnuism. A proper understanding of ritual is obviously indispensable for the study of Art.

This study offers a panoramic view of the creative, expository, interpretive, dialectic, polemical, didactic and devotional phases of Dvaita philosophy, and its literature with a clear chronological setting of literary, historical and epigraphic materials. This book, first published in 1962, is an analysis of the history of the philosophy of a country that has never distinguished philosophy from religion. Indian philosophy is not merely metaphysical speculation, but has its foundation in immediate perception. This insistence upon immediate perception rather than abstract reasoning is what distinguishes the Indian philosophy of religion from philosophy as Western nations know it.

Even students capable of writing excellent essays still find their first major political science research paper an intimidating experience. Crafting the right research question, finding good sources, properly summarizing them, operationalizing concepts and designing good tests for their hypotheses, presenting and analyzing quantitative as well as qualitative data are all tough-going without a great deal of guidance and encouragement. Writing a Research Paper in Political Science breaks down the research paper into its constituent parts and shows students what they need to do at each stage to successfully complete each component until the paper is finished. Practical summaries, recipes for success, worksheets, exercises, and a series of handy checklists make this a must-have supplement for any writing-intensive political science course. New to the Fourth Edition: A non-causal research paper woven throughout the text offers explicit advice to guide students through the research and writing process. Updated and more detailed discussions of plagiarism, paraphrases, "drop-ins," and "transcripts" help to prevent students from misusing sources in a constantly changing digital age. A more detailed discussion of "fake news" and disinformation shows students how to evaluate and choose high quality sources, as well as how to protect oneself from being fooled by bad sources. Additional guidance for writing abstracts and creating presentations helps students to understand the logic behind abstracts and prepares students for presentations in the classroom, at a conference, and beyond. A greater emphasis on the value of qualitative research provides students with additional instruction on how to do it.

The groups of people from various walks of life who travelled with Mohanji to experience this enigma called Kailash. This is their story. This book could open up doors and windows and bring new light into the minds of spiritual seekers, curious thinkers, travellers to Kailash or even a casual reader. p>Mount Kailash - the most powerful energy portal of earth. Kailash stands tall in the horizons of various religions and spiritual paths as an ultimate goal and destination for its seekers. It challenges man to test the death of his spiritual conviction. It literally moves mountains in endurance. Man versus Kailash could mean the ultimate realisation that every man is indeed Kailash - in depth and mystery. The mystery and power of the yogi God, called Shiva overwhelms a man to take up this journey of a lifetime against all odds. This is a life changing expedition. This is the ultimate test of faith. This is the ultimate pilgrimage of man to his own eternal abode. The idea of this book was conceived after this group of pilgrims made the most important journey of their lives - the Kailash Manasarovar pilgrimage - which was made more sublime with the presence of their spiritual teacher, Mohanji. This is an unusual format for a book wherein different people from all walks of life came together to share their experiences after the pilgrimage in July 2012. It has taken nine months, the full term for a human life to take birth, to compile and rewrite this book. In the course of this period it was written and rewritten in three different formats. A note from Mohanji is followed by the significance of Kailash-Manasarovar and a complete narrative of the journey written by the editor, Aparna Sharma. Chapter 5 is in the words of all those who came together to create this book, some fellow pilgrims and some who did not attend the pilgrimage but were connected, in spirit through mystical chords of love.
