

## Prefixes The Teachers Guide

The teacher's edition of Nanoleap by MCREL.

For many years Letterland has led children to skillful reading, accurate spelling and a love of literacy. Now this sequel Step-by-Step Letterland Guide provides fresh support for your children's second school year in their journey to full literacy.

Building Vocabulary from Word Roots provides a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Over 90% of English words of two or more syllables are of Greek or Latin origin. Instead of learning words and definitions in isolation, students learn key roots and strategies for deciphering words and their meanings across all content areas. Building Vocabulary from Word Roots: Level 10 kit includes: Teacher's Guide; Student Guided Practice Book (Each kit includes a single copy; additional copies may be ordered in quantities of 10 or more); Assessments to support data-driven instruction; and Digital resources including modeled lessons, 50 bonus activities, and more.

The PM Teacher's Guide Sapphire Level provides suggestions for small-group teaching using the twelve chapter books, six non-fiction titles and the anthology of fiction, non fiction and poetry. Each set of teachers notes includes: a suggested activities for two teaching sessions with a target group, in which the teacher guides the children to read for meaning and to develop appropriate reading strategies and responses; a suggested focuses for one or more independent reading sessions during which the children complete the reading of the book; a blackline masters for each title or anthology piece which are designed to focus the children's attention on and provide practice in specific reading and writing skills and knowledge; a computer task center activity cards for each title which are designed to develop the children's information and technology skills in the content of a language activity; The teachers' guide also provides weekly timetables which demonstrate two ways of organising the classroom for small group teaching.

"This program helps students unlock the meaning of over 60% of the words they encounter in the classroom and beyond with a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Students are introduced to one new root per lesson with daily activities to ensure that they learn the root and the many English words it generates. The teacher's guide includes lesson plans with detailed notes about words from each root, overhead transparencies for introductory activities, standards-based connections, and differentiation strategies."--Publisher website.

Paths to College and Career Jossey-Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts (ELA) curriculum and professional development resources for grades 6–12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions,

recommended texts, scaffolding strategies and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6–12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes: Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

Yes, I Can Read! was written for fourth graders through adults who are nonreaders, beginning readers, or struggling readers, those who speak English as well as ESL learners. The workbook was designed for learners who may be working with minimal assistance in a one-on-one, small group, or classroom setting, and its reading levels range from 0 to 5.9. What you will find in Yes, I Can Read! ? Flexibility: Can be used as a decoding program or as a supplement to strengthen particular skills. ? Explicit, sequential phonics and the multi-sensory approach: Research-based, proven methods facilitate learning, inspiring confidence in students. ? Easy to use: Designed for student success and

mastery, its predictable page format with completed examples, illustrations, phonetic pronunciations, and symbols serve as cues for students. Matching, tracing, word search and fill-in-the-blank exercises reinforce learning. ? Extensive reading, vocabulary, spelling, tracing, and handwriting practiced ? 2,000-plus words ? Age-appropriate format Combination teacher's manual and student workbook This book is an abundant resource of phonetic exercises. These exercises gave my student confidence and a momentum to move smoothly along in her reading efforts because once she finished the lessons and exercises, she remembered how to spell and read the words. This book is well organized and at your fingertips to use. I am so glad to have found this resource! - Martha Wilson, Literacy Tutor I wish I had this book when I was homeschooling my kids. - Susan Christensen
